

The Mightiest Little Peasant Chapter 649

The police searched the house and found the planted devices. They took Tang Hao's statement and left.

Tang Hao sat down with a gloomy face.

"Liu Yulong!"

He heard that name from that guy earlier. According to him, Liu Yulong was Zeng Yan's sponsor, and he was the one who helped Zeng Yan rise to fame.

The guy earlier was Gao Wei, also known as the Number One Paparazzi.

Tang Hao had seen that name many times on the Internet.

"Hmph! Number One Paparazzi? He's not smart enough to stay away from my house!" Tang Hao grunted coldly.

He logged on to the Internet and searched the name Liu Yulong.

"Liu Corporation? No wonder he's so brazen!"

This Liu Corporation was a big corporation with a long history. It was as big as Song Corporation from before.

After some investigation, he found that Liu Corporation did not seem to be as influential as Song Corporation. However, they must have someone powerful backing them if they were able to grow so big.

Tang Hao sat there and pondered for a long time.

Suddenly, he sneered and muttered, "If you want to play dirty, then I won't hold back either. Two can play that game!"

Immediately, he took out his phone and gave Old Master Luo a call.

"Sorry to trouble you again, Old Master! Don't worry. I'll cook for you personally to repay this favor!

"I want you to help me investigate Zeng Yan, that singer, and see if there's any dirt on her! If there is, post it on the Internet and stir it up."

After saying that, Tang Hao ended the call.

Old Master Luo was an expert on digging up dirt. He knew all sorts of people, and the investigation would be quick.

...

In the mansion, Zeng Yan was waiting anxiously.

Gao Wei had said that he would plant the cameras and recording devices this morning.

It should have been a trivial thing for an expert like Gao Wei, but why had she not received any news from him? She looked at the time. It was almost one o'clock in the afternoon.

There was no activity on her phone at all. She made a few calls, but none of them were answered.

“How could this be?”

She muttered as she furrowed her brows.

She calmed herself down after being anxious for a while. Gao Wei was the best person for the job, and he had never failed before. She did not have to worry.

Perhaps he was delayed by something.

She waited until three o'clock in the afternoon. Suddenly, a piece of news broke out on the Internet.

“Gao Wei is arrested!”

The news immediately shocked the Internet.

“Ha, that scum! He’s finally arrested!”

“Haha! Who was the one who defeated him? How amazing, even the Number One Paparazzi stumbled!”

The atmosphere on the Internet was jubilant. Countless people were celebrating.

As for Zeng Yan, her expression changed drastically when she saw the news.

‘How is that possible?’

'Gao Wei actually failed? He's even arrested?'

She sat there in disbelief.

Not long after, reports about her scandals started appearing on the Internet, including news about her plastic surgery and her public meltdowns. It caused an uproar.

Her expression became more and more unpleasant.

'It must be that Tang Hao!

'Only he has the ability to do so!'

For a moment, she regretted provoking him.

After ten o'clock, her intimate photos and videos appeared on the Internet.

In an instant, the Internet was abuzz again.

When she saw these photos, she was stunned and her face turned extremely pale.

'It's over!'

She sat there, somewhat stupefied.

Suddenly, her phone rang.

She instantly became nervous and picked up the phone in fear.

“What the hell is going on? How did Gao Wei get caught? !” Liu Yulong’s angry roar came from the other end of the phone. “And those photos, what’s going on? Who did it?”

“It’s... It’s... my ex-boyfriend, no... It’s Haotian. That photo is of my ex-boyfriend. Haotian did that...” Zeng Yan said in a panic.

“Haotian?” Liu Yulong was stunned. “What’s going on? Why is Haotian involved?”

“Haotian’s boss is behind that b*tch. Mr. Gao went to Tang Hao’s house to install devices today and was caught.”

Liu Yulong fell silent.

After a moment, he cursed loudly.

“You idiot! Why didn’t you tell me earlier? Do you think Haotian is a pushover? Don’t you know who is behind Haotian? Mao Mountain. Even I am afraid of them. You two idiots actually want to mess with him.”

“Mao Mountain?”

Zeng Yan was stunned and confused.

“You wouldn’t understand even if I told you! Dammit, you idiots!”

Liu Yulong cursed and ended the call.

He threw his phone on the bed and sat there with a terrifying gloomy expression on his face.

Haotian Group would be tricky to deal with. They had a powerful background!

Ever since that movie was released, it had become public knowledge that Haotian Group was supported by Mao Mountain. Tang Hao must be from Mao Mountain as well.

The Liu family was an influential force in the Huaxia cultivation world, but it was no comparison to Mao Mountain.

Maoshan was a major Taoist sect with countless disciples.

However, he could not take it lying down.

After thinking for a long time, his expression turned vicious and he muttered, “So what if it’s Mao Mountain? If he dares to mess with me, I’ll deal with him personally.”

He picked up his phone and made a call.

“Book me a plane ticket to Province Z tomorrow morning. I have some urgent business there!”

The next morning, he boarded the plane and flew to Province Z.
