

The Mightiest Little Peasant Chapter 675

“This is creepy!”

Qin Xiangyi followed behind Tang Hao and held his hand tightly.

“Are you afraid? How about... you wait in the car?” Tang Hao said softly.

“I’m not afraid! You’re here with me!” Qin Xiangyi pursed her lips and smiled.

As she spoke, she looked at Tang Hao lovingly.

The Taoist master turned around and seemed a little depressed.

‘F*ck! This is emotional abuse!’

Fortunately, he was a Taoist master. If he were someone else, he might have popped a vein.

“Ahem! We’re almost there! That fellow’s grave is right in front of us,” the Taoist master coughed lightly and said.

After walking for a while, a towering grave appeared in front of them. Wild grass grew around it.

As they got closer, rolling black smoke surged out from the grave, circled in the air a few times, and turned into a malicious ghost. It looked young, but judging from its clothes, it looked like someone from the Qing dynasty.

“It’s you again, Taoist cow!”

The malicious ghost let out a shrill cry, and smoke immediately surged out from the mounds surrounding it. The smoke turned into ghosts and surrounded the three people.

Qin Xiangyi was shocked, but she quickly calmed down.

Tang Hao sized up the ghost. Its cultivation base was equivalent to the middle period of the State of Qi Channeling. No wonder the Taoist master could not deal with it alone.

“You brought two kids with you? All of you must have a death wish!”

The malicious ghost snorted coldly.

“Don’t be so arrogant, villain! This humble Taoist will execute justice on behalf of the heavens today and eliminate all you malicious ghosts!”

The Taoist master shouted and brandished his peach wood sword. He then pulled out a handful of yellow paper talismans and assumed a battle stance.

Tang Hao coughed lightly and said, “Let me do it, Taoist master! I need these ghosts for something.”

As he spoke, he walked forward.

The malicious ghost glanced at him and was startled. It sneered and said, “Are you so eager to die, you little baby? I’ll first suck all your qi!”

It pounced at Tang Hao ferociously as it spoke.

Tang Hao rolled his eyes and said, "Help yourself!" As he spoke, he took a step forward and brandished his qi aura, which erupted and surged forward like a raging tide.

The malicious ghost was instantly stunned. Its expression was contorted out of fright.

'What the f*ck!

'He's not a little baby but an old monster! He's so powerful that he even regressed in age!'

"Go on, suck it!"

Tang Hao's face was full of ridicule.

The ghost wanted to cry, but it had no tears. How was it going to suck all that qi? It might explode even before he sucked half of it!

"Please spare me, Immortal Master!"

The ghost's demeanor suddenly changed, and it started to beg for mercy.

"Immortal Master, don't you know that I've led a hard life? I lost my father when I was nine and my mother when I was twelve. When I was eighteen, I went to the capital for an imperial examination, but I accidentally fell into the river and drowned.

"Boo hoo! I'm so pitiful!"

As it said that, it started to cry.

The Taoist master was dumbfounded.

'F*ck! That's a very quick turnabout!'

"Poor guy!" Qin Xiangyi said.

Hearing that, the ghost cried even harder.

Tang Hao rolled his eyes. He did not care whether the ghost deserved pity!

Immediately, he took out the Ghost Seal and activated it. The surrounding ghosts seemed to be pulled toward it by an invisible force. They turned into black smoke and were sucked into the seal.

The ghost revealed a panicked expression. It wanted to escape, but it was sucked into the seal.

In just ten seconds, the surroundings became quiet again.

Even the negative qi was completely sucked away.

'F*ck! That's amazing!'

The Taoist master was speechless.

“Wow! Lil Tang, you were so cool just now!”

Qin Xiangyi came over and gently pecked Tang Hao on the cheek.

“Ahem, someone’s looking!” Tang Hao said, blushing.

“Ah!” Qin Xiangyi exclaimed. Only then did she realize that the Taoist master was next to them! She immediately blushed.

The Taoist master raised his head and looked at the sky. “You don’t have to care about me. Just pretend that I’m not here! I didn’t see anything!” He mumbled.

Tang Hao said embarrassedly, “Let’s go, Taoist Master!”

The Taoist master turned around and got in the car.

They went to a restaurant next to the Taoist master’s hotel for supper, then they parted ways.

Then, Tang Hao brought Qin Xiangyi to his factory and introduced her to Zhou Lingxue.

“Boss! Eh, isn’t that the Lady Boss?”

Zhou Lingxue was a little surprised when she saw Qin Xiangyi.

They became fast friends. She called her “Sister Qin.”

“Here’s a new toy for you. There are many ghosts in it. You can train them as you wish.” Tang Hao took out the Ghost Seal and passed it to her.

“Wow! This looks fun! By the way, Boss, remember to buy me another tablet. The one before is broken, so I can’t watch any videos.”

“Okay! I’ll buy you the latest one!” Tang Hao said.

“Thank you, Boss!” Zhou Lingxue smiled sweetly.

Previously, Tang Hao had taught her a cultivation technique suitable for ghosts. Now, other than the fact that she did not have a physical body, she was no different from a cultivator.

“Take care, Sister Qin! Come and play when you have time!”

After leaving the factory, Tang Hao drove toward the downtown area.

“The weather is so nice tonight, Lil Tang. Let’s not go back, OK?” Suddenly, Qin Xiangyi said.

“Where are we going then?”

“Up there!”

Qin Xiangyi pointed at the sky.

“Oh!” Tang Hao immediately understood what she meant. He parked the car near the usual skyscraper, carried her, and flew up.

“Look, Lil Tang, so many stars! It’s so beautiful!”

The two of them sat on the roof, leaning against each other. The atmosphere was somewhat intimate.

After several affectionate moments, she bit her lips and smiled charmingly.

“Let’s take out the water bed, Lil Tang!”

Tang Hao was stunned. “We’re doing it here?”

“Of course! Why? Don’t you want to?” She wrapped her arms around Tang Hao’s neck and smiled charmingly.

Tang Hao was immediately aroused. He had tried the water bed before and it was indeed an extraordinary experience.

He quickly took it out and set it up.

Qin Xiangyi sat on the bed and beckoned at him. When he came closer, she pulled on his lapels, and the two of them fell down at the same time.

Soon, the water bed started to shake more and more violently.

It was past four in the morning when the two of them rushed home under the cover of darkness.

Tang Hao stayed in Westridge for the next two days. One morning, Tang Hao bid farewell to Qin Xiangyi and returned to Provincial City.

As soon as he arrived there, he went to the film studio. After nearly two months of preparation, the script for the sequel of “Mao Mountain Taoist Master” had long been completed, and preparations for filming were also ready.

The movie started filming just a few days before.

It was also a whimsical action comedy, just like the first movie. Tang Hao had seen the script, and it was even more exciting than the previous one. As long as there were no problems with the filming, it would definitely be able to maintain the standard of the first movie.

Also, the company started shooting a sci-fi movie.

Sci-fi movies were very dependent on special effects. Manager Zhuo had gone around and hired many amazing people to build a special effects team.

Huaxia had the talent to produce spectacular special effects, but not many filmmakers were willing to fork out the money.

Haotian Pictures had allocated a hefty budget for that movie. They wanted to make it Hollywood level.
