

The Mightiest Little Peasant Chapter 692

The mansion fell into silence.

Everyone looked at the young man standing in front of the door with deep respect.

They held their breaths, not daring to even breathe too loudly.

They had thought that the Ling family had suffered great misfortune and made a joke of themselves, but now they realized that it was no misfortune at all. It was an unbelievable stroke of luck that the Ling family daughter had a boyfriend like Tang Hao!

The Song family was brought down just like that, just because Ling Wei did not want to marry Young Master Song.

How domineering!

Not only did they regard Tang Hao with admiration, but they also looked at Ling Wei with envy. It was good to have a beautiful and capable daughter!

Ling Mingshan stood there, feeling awkward.

After all, that was a shameful incident. He had let his daughter down.

As for Ling Wei, she stood there and looked at Tang Hao unblinkingly.

“Mr... Tang...”

Boss Deng trembled and greeted Tang Hao. His face was extremely pale and his expression was filled with fear.

“Get lost!”

Tang Hao ordered coldly. Following that, he swept his gaze towards the others. “All of you can leave as well!”

They were embarrassed, but they did not talk back and left the mansion pathetically.

“I’ve heard a lot about you, Mr. Tang!”

Many people walked up and greeted Tang Hao.

They behaved reservedly as though they were afraid of offending him.

Tang Hao returned the greetings and said with a smile, “Don’t worry about it. It’s just a small episode. Forget about it. Let’s proceed with the party!”

Everyone immediately laughed.

Indeed, that was only a minor unhappy episode. Why should anyone care? If those guys did not know how to discipline their daughters, they deserve to be driven out!

Very soon, the atmosphere became lively again.

“Hao!”

Ling Wei called out and stepped in front of Tang Hao.

She stood straight, smiling adorably, while she gently kneaded her hands behind her back. Her beautiful eyes curved into crescent moons.

Her eyes were filled with affection.

“You were so... amazing just now!”

She leaned over and whispered. As she spoke, she winked charmingly at Tang Hao.

“Ahem!”

Tang Hao scratched his head awkwardly.

She smiled and said, “Thank you!”

“What are you thanking me for!” Tang Hao said.

She giggled. Suddenly, as if she had thought of something, she stretched out an open palm to Tang Hao. “Where’s my present, Hao?” She said coyly.

As she said that, her animated eyes blinked and looked at Tang Hao with some anticipation.

At that moment, the surrounding crowd looked over.

They were curious about what present that person might give.

The guests brought an assortment of gifts tonight. Jewelry was the most common, though there were all sorts of luxury items. Some young guests gave works of art.

They were curious about what the extraordinarily wealthy person with a special relationship with Ling Wei would give her.

Tang Hao took out a piece of paper from his shirt pocket and handed it over.

The paper was a piece of ordinary letter paper folded into a square.

Everyone was dumbfounded when they saw it.

'What...?'

'Just a piece of paper? How embarrassing! Even if it was a love letter, it's too simple and crude! He didn't even put it in an envelope!'

'How insincere!'

Everyone's expression became strange. 'Could the chairman of Haotian Group actually be a miser? Or maybe he doesn't know how to win a woman's heart?' They thought.

Ling Wei was a little taken aback when she took the piece of paper.

Her small mouth was slightly open, and her face was full of astonishment.

She had fantasized about Tang Hao's birthday present, but she did not expect that he could give her a mere piece of paper.

She frowned slightly, feeling slightly disappointed.

It was not a love letter, so what could it be?

"What is it?" She asked.

"Open it and you'll know!" Tang Hao smiled.

"Alright then!" She muttered and unfolded the paper. She looked at it and was immediately stunned.

Her shock soon turned into ecstasy, and her face turned red with excitement.

"Hao! Is this really for me?" She said in disbelief.

"Yes! Didn't you say that you want to establish your own brand? This recipe is for you!" Tang Hao smiled.

"That's amazing!"

Ling Wei held the paper and exclaimed excitedly.

She wrapped her arms around Tang Hao's neck and kissed him.

Everyone around them became excited.

"Young people nowadays are really bold!" Those from the older generation laughed and teased.

The other young people were dejected and envious.

"Sigh! She's too bold!" Ling Mingshan muttered softly.

Then, he was stunned. "Wait a minute. Recipe?"

He was stunned for a long time. When Ling Wei stepped away, he rushed up anxiously and wanted to look at the piece of paper.

"Dad! What are you doing? He gave this to me!" Ling Wei said indignantly.

"Good girl. Tell me, is that the kind of formula that I think it is?" Ling Mingshan said anxiously.

Ling Wei pursed her lips and said, "So what if it is? It has nothing to do with you. You've already retired. This is mine!"

Ling Mingshan was taken aback. He slapped his thigh and said, "Damn, it really is!" Then, he laughed and shook Tang Hao's hand enthusiastically.

"Thank you so much for your present, Lil Tang! It's great! I'm very, very satisfied! Come in quickly. Why are you still standing there?"

Will you be staying for the night? Don't be shy, young man! If you want to stay, just say it!"

He pulled Tang Hao into the hall and even draped his arm around his shoulder, looking unusually enthusiastic.

Seeing that, Ling Wei laughed.

Everyone had strange expressions on their faces.

They looked at the folded piece of paper in her hand.

How could a mere piece of paper make Ling Wei so happy and Ling Mingshan so enthusiastic?

"Recipe? Oh my god! Don't tell me that it's one of those miraculous recipes?"

Suddenly, someone exclaimed.

Then, there was an uproar.

"Oh my god! It can't be!"

"If that's the case, how much money would that be worth?"

Everyone exclaimed in disbelief.

Haotian Group's products were famous for their miraculous effects, especially the various health supplements. The recipe that Chairman Tang gave her must be something amazing like the aphrodisiac or beauty cream.

Such a recipe was priceless. It would bring Ling Wei's company billions in profit.

How generous was Tang Hao to give away billions at the drop of a hat?

"Damn! No Wonder Ol' Ling is smiling so happily!"

"The Ling family is really lucky! Sigh! Why can't I be as lucky?"

The other people were extremely envious.

Hearing those words, the Ling family members were extremely happy.

"Alright, let's all go in!"

The people went through the hall, then came to the courtyard behind the mansion and sat down one by one.

Soon, the party began.
