

The Mightiest Little Peasant Chapter 724

“Hello, Tang Hao!”

Jiang Wanying’s sweet voice came from the other end of the call.

The background was noisy, as though she was in a shopping mall.

“I’m in River Delta City now!” Tang Hao said.

“Really?” Jiang Wanying exclaimed. Then, she smiled and said, “I thought you had forgotten about our promise!”

“That won’t happen!” Tang Hao said.

“Then come and pick me up! I’m shopping now. How about... you come and stroll around with me? It’s only three o’clock! We’ll go to the wet market after shopping.

“By the way, I’ll let my parents know that you’re here.”

Soon, she sent a location, and Tang Hao rushed over.

From afar, he saw a beautiful figure standing on the street.

She was dressed in hot pants and a T-shirt, which flaunted the excellent curves of her body.

Many passers-by turned to look at her. The men could not keep their eyes away while the women looked at her enviously

Tang Hao slowed down his car and drove over.

She turned around and looked over in his direction, revealing her beautiful face to him. Her long black hair was tied up in a ponytail.

When she saw Tang Hao, she smiled brightly and waved her hand.

After parking the car, Tang Hao walked out.

“Let’s go shopping!”

She grabbed Tang Hao’s arm and walked forward.

The couple attracted a lot of attention as they walked along the street. Tang Hao felt pressured when so many people were looking at him.

“How many days are you planning to stay?” Jiang Wanying asked.

“Maybe one or two?” Tang Hao said.

“That’s too short!” Jiang Wanying frowned, a little disappointed. “How about a little longer? Three days! How about three days?”

“That’s fine!” Tang Hao thought for a moment and agreed.

“Yay!”

Jiang Wanying cheered, her face full of joy. Then, she leaned over and boldly kissed him on the cheek. She giggled when she saw how embarrassed he was.

“Why are you laughing?” Tang Hao said.

She pursed her lips and smiled. “You look so cute like that!”

As she spoke, she leaned closer to Tang Hao’s ear and muttered, “You’ve been a good boy, Tang Hao! Your teacher will reward you tonight!”

She giggled again when she saw Tang Hao blushing once more.

Tang Hao’s heart wavered when he heard her laughter. He was unable to withstand her charm.

“Let’s go and shop for some shoes. There have been many new products recently!” She glanced sideways, then pulled Tang Hao up and walked forward.

“Look! Look! This pair is so beautiful. Can you put it on for me?”

“Look, does this dress look good on me?”

The two of them bought a lot of things.

“Let’s go to the wet market!”

At half-past four, the two of them went to a wet market and bought many food ingredients.

Jiang Wanying and her family had moved to a bigger house. When they arrived there, Tang Hao started to get busy in his kitchen while she helped him.

At around six o'clock, Mrs. Jiang arrived home first.

She was a civil servant who worked in a government agency, and she got off work on time. However, Mr. Jiang was busier because he was a teacher.

Even though they received a massive inheritance, they did not quit their jobs.

“Thank you for your hard work, Lil Tang!”

Mrs. Jiang came into the house. She could not help but smile when she saw the two busy people in the kitchen.

Tang Hao was a capable young man and had helped her family. She liked him, but more importantly, her daughter liked him.

She did not really approve of the relationship, but she would support her daughter if that were her choice.

“Let me help!” Mrs. Jiang put down her things and walked over.

“It's fine! You can take a rest. We're almost done!” Tang Hao said.

“Just sit down, Mom!” Jiang Wanying also said.

“Then... alright! I rarely get to relax before dinner!” Mrs. Jiang smiled mischievously and sat on the couch, chatting with Tang Hao as she watched the television.

“How long are you going to stay here in River Delta City, Lil Tang?”

“Three days!”

“Three days... not bad! By the way, are you going to stay in one room by yourself, or are you two going to stay together?” Mrs. Jiang asked.

Tang Hao was surprised and said awkwardly, “I’ll stay by myself!”

Mrs. Jiang smiled mischievously. “Alright, I’ll go prepare a room for you now!”

Not long after that, Mr. Jiang came back.

Dinner was ready. Tang Hao made all his specialty dishes.

“Lil Tang, your cooking is too good! As expected of the God of Cooking! Amazing!” Mr. Jiang could not stop praising Tang Hao as he tasted each of the dishes.

Tang Hao and Jiang Wanying went out for a walk after dinner. When they returned, it was already past ten o’clock.

Mr. and Mrs. Jiang had already returned to their rooms to sleep.

Tang Hao returned to his room, took a shower, and then laid down.

The sound of running water came from the next room. That was Jiang Wanying taking a shower.

A few minutes later, the sound of running water stopped.

After a while, soft footsteps could be heard in the corridor.

The door to Tang Hao's bedroom was pushed open. She walked in, gently closed the door, and stood there shyly.

Then, she walked over with gentle steps.

In the darkness, her eyes were full of rippling light, like a pool of spring water.

"I told you that I'll reward you!"

She smiled, closed her eyes, and kissed him.

Her movements were very gentle, as though she was afraid to alert her parents.

"Hao!"

Her gaze was unfocused as she stared at Tang Hao. Then, she gently pulled Tang Hao onto the bed.

After a long time, everything returned to normal.

Jiang Wanying, with her body curled, reached out to gently stroke Tang Hao's cheek. She muttered, "I don't want much. This is enough. I'm satisfied if I can see you occasionally and make out with you."

"I'm a teacher. Our relationship can not be made public. Even if you graduate in the future, it won't be appropriate for you. So, this is really enough."

They remained intimate for a long time until she got up and said, "It's already one o'clock. I should go to bed!"

With that, she leaned over, kissed his forehead lightly, and left.

The door closed. Her footsteps became softer as she returned to her room.

Tang Hao lay there in a daze.

Ding! His phone on the bedside rang.

He picked it up and saw that it was a message from Jiang Wanying.

"Good night!"

There was a cute emoji at the end.

Tang Hao smiled and replied, "Good night."

In the next room, Jiang Wanying was curled up on the bed, pursing her lips and smiling sweetly. She put her phone away and fell into a deep sleep.
