

The Mightiest Little Peasant Chapter 751

“Delicious! So delicious!”

The old Taoist masters ate until their lips were coated with grease. They looked satisfied.

After Tang Hao finished his piece of meat, he picked up the brick and looked at it carefully. His brows gradually furrowed.

There was something strange about that brick!

‘The deer clearly dodged it, but the brick managed to hit it anyway. Could it be that... this brick would automatically track its target? If that were really the case, then it is very powerful.

‘Moreover, the brick could instantly take out a deer with at least a Foundation Establishment cultivation base. That’s quite astonishing.’

“What treasure is that? It’s amazing!”

Taoist Master Qian Ji came over and looked at the brick with an envious expression.

“I don’t know either. I haven’t figured it out yet!” Tang Hao said with a smile.

After pondering for a while, he stood up and tried out his brick on a few wild beasts.

That brick was indeed very amazing, being able to hit its target every time, even if the beasts dodged it the first time.

“That’s a great treasure!”

The Taoist masters were extremely envious.

Tang Hao picked up the brick. He weighed it a few times and was in a great mood. The ten million yuan was not wasted.

With the brick, he did not need the mirror anymore. He could give it to Qin Xiangyi to protect herself.

“Come, let’s eat some more!”

The Taoist masters greedily roasted some more meat and drank some liquor.

After eating and drinking to their fill, the group of people left the mountain and returned to Province J.

It was already past eight o’clock in the evening when he returned to Provincial City.

He thought of going home directly. Instead, he stopped halfway by the roadside and called Zhao Qingxue.

The phone rang for a long time before the call went through.

“Hello, Tang Hao! Why did you call me? Could it be another case?” Zhao Qingxue said.

Tang Hao laughed. “No!”

“No? Then what is it? Don’t tell me... you miss me?”

Tang Hao did not deny it. “Where are you now?”

“In the provincial headquarters! I’ve been quite busy recently, and I have to work overtime every night. I should get off work in another twenty minutes. Come and pick me up!” She said.

“OK!” Tang Hao responded.

“Then I’ll wait for you!” Her tone was seductive.

After putting down the phone, he turned around and drove toward the provincial headquarters.

About ten minutes later, the car stopped at the entrance of the Provincial Police Headquarters. After waiting for a few minutes, a beautiful figure walked out.

She walked over, opened the car door, and sat inside.

She put her bag down and turned her head to stare at Tang Hao.

Suddenly, she leaned over, stretched out her hand, and kissed him in a domineering manner.

Tang Hao was stunned, and his eyes widened. They were at the entrance of the Provincial Police Headquarters! It would be bad if someone saw them!

She saw Tang Hao’s stunned look and could not help but smile.

She stretched out her slender fingers, pinched Tang Hao's cheek lightly, and said with a lovely smile, "You're so silly! But I like that expression of yours."

She leaned forward again and kissed him.

When they returned home, the two of them made out for a while.

"I'm so hungry!" After snuggling for a while, she got up, draped her pajamas over her shoulders, and went to the kitchen. When she opened the refrigerator and saw that it was empty, she was stunned.

Tang Hao could not help but laugh when he saw her face.

"Why didn't you stock up some food?"

"I've been too busy recently! I was afraid that I would forget about the food and it would expire. Recently, besides sleeping, I rarely stay at home."

"Your work is tough!"

"Yeah! But it's worth it. My superiors have been observing me recently, and they're thinking of promoting me to captain, so I have to give it my all! It's fine even if it's tough."

As she said that, she laughed proudly. "A twenty-four-year-old police captain in the provincial headquarters. How amazing would that be!"

"Mm! It's indeed amazing!" Tang Hao praised.

“Of course!”

She raised her face and scrunched her delicate nose.

“I’m really hungry! Let’s go out and eat!”

As she said that, she was about to change into a set of clothes.

“No need, I’ll make you something to eat.” Tang Hao walked to the kitchen, took the chopping board and kitchen knife, and began to cook.

“You’re so nice!”

She hugged Tang Hao.

Tang Hao’s hands immediately trembled.

“Go sit over there!” Tang Hao said hurriedly.

“Oh!”

Zhao Qingxue was rarely so obedient. She sat at the dining table, rested her chin on her hands, and stared at him. As she looked at him, the corners of her mouth curled up, revealing a sweet smile.

“Are you done?”

“I’m so hungry! I’m really hungry!

“What’s that? How about that one?”

She stood up from time to time, tilted her head, and said coyly.

“I’m almost done!”

Every time, Tang Hao could only appease her like that.

Tang Hao made two dishes. One was Fantasy Fish, and the other was roasted venison. When he served the dishes on the dining table, her eyes lit up, and she exclaimed, “It smells so good!”

She could not wait to eat the meat in front of her.

“Aren’t you going to eat?”

She was surprised when she saw that Tang Hao sat there without moving.

“I’m not hungry. This is all for you!” Tang Hao said.

“Oh!”

She continued to eat.

“I have something to tell you...” Tang Hao said when Zhao Qingxue was almost done with her food.

“What is it?”

“Do you want to cultivate?”

“Cultivate?” Zhao Qingxue was stunned. After a while, she came to her senses. “Of course I want to! If I’m as good as you, I’ll have a much easier time handling cases. Arresting criminals will be a breeze.

“That way... I’ll be able to solve more crimes!”

As she said that, she was so excited that her petite face turned red. A righteous grin appeared on her face.

Seeing that, Tang Hao could not help but laugh.

At first, he was quite hesitant to offer Zhao Qingxue a chance to cultivate. After all, Ma Fangfang and Han Yutong were going to be by his side for a long time.

However, Zhao Qingxue was different.

He could not give her a title, and he did not know what would happen in the future. That was why he was hesitant.

Now that he saw her excited expression, he thought that it would be a good idea to teach her cultivation no matter what would happen in the future.
