

## The Mightiest Little Peasant Chapter 756

In the past few days, many military vehicles appeared on the road to Inner Mongolia.

Tanks, armored vehicles, engineering vehicles, and transport trucks drove in a long line toward Inner Mongolia and Yin Mountain.

There were even missile vehicles belonging to the artillery corps that rumbled past one after another.

When the photos were posted on the Internet, they caused quite a stir.

That was because these equipment and missiles were all the latest models. Moreover, the sheer amount of them was shocking.

The airbase closest to Yin Mountain was also very busy. For the past few days, convoys of trucks entered the base carrying drones concealed by cloth.

Several of the latest fighter jet models also quietly appeared in the base.

One transport plane after another flew over, bringing countless supplies.

The military also broke ground and started construction of a base near Yin Mountain. The construction went on day and night, and the base was completed in an unbelievably short time.

All the equipment and personnel were gathered here.

After the base was built, people continued to arrive. Many of them were high-ranking officers of the northern military region. Soon, a command center was complete.

Numerous drones patrolled the sky above Yin Mountain day and night, monitoring that area.

The people from the Agency also came. They brought a set of Artifact formation and buried it around the command center.

At the same time, they also brought the radar and set it up.

The military personnel trained hard every day in the base.

Tang Hao was also very busy every day. The Agency kept sending him raw jade to be crafted into talismans. All his spirit jade reserves were used to craft Artifacts.

At the same time, he also used his own stash of medicinal herbs to make a lot of Liquid of Spiritual Condensation.

A week passed in the blink of an eye.

After using up all the raw jade and spirit jade, Tang Hao could finally rest for a while.

He wore his backpack and went to class.

He did not pay attention in class, looking at his phone the entire time, checking the news about the entertainment industry for any latest updates on Liu Bingyao and Haotian Pictures.

At noon, he had lunch with Yan'er.

After two more classes, he was done for the day.

When the bell rang, Tang Hao followed Cao Fei and the others out of the classroom.

“Brother Hao! Shall we go karaoke? Maybe get a few chicks to come along?”

Cao Fei and the others had enthusiastic expressions on their faces.

The group of people walked amid the crowd in the noisy corridor.

Suddenly, the front of the crowd quieted down and stopped walking.

Following that, everyone exclaimed in surprise.

“Good afternoon, Teacher Jiang!”

“Teacher Jiang, you’re so beautiful today!”

The boys in front became excited. Some of them were whistling and catcalling.

“Teacher Jiang is here!”

The boys in Tang Hao’s class also became excited and tried to squeeze forward.

“Good afternoon, Teacher Jiang!” They shouted.

When they found out that Teacher Jiang was no longer teaching them, the class was in a state of mourning. Many boys lost the will to live.

Teacher Jiang was the perfect woman in their hearts.

Soon, the crowd parted, and Jiang Wanying walked over. She was dressed in office wear and two-inch-tall high heels. She was tall and graceful, and her curves were enchanting.

Her face was also extremely beautiful. Every frown and smile made one's heart yearn for her.

"Wow, Teacher Jiang, you're so beautiful!"

Many girls were also amazed.

Jiang Wanying walked over slowly with a faint smile on her face. When she saw Cao Fei and the others, she nodded her head to show her appreciation.

"Teacher Jiang, you're becoming more and more beautiful!" Cao Fei said pervertedly.

"That's right! She's getting more and more feminine! She must have a boyfriend!" Zhuo Hang said.

When Tang Hao heard that, he immediately felt guilty.

At that moment, Jiang Wanying walked over with a normal expression.

She first greeted Cao Fei and the others. Then, she walked up to Tang Hao and smiled. "You've finally come to class, Tang Hao!"

She sounded like she was ridiculing him.

Everyone immediately burst into laughter.

They did not think much of it. After all, Tang Hao was often absent, and Teacher Jiang had often criticized him. It was normal for her to tease him now.

Tang Hao was a little embarrassed. He scratched his head and said, "That's right!"

Jiang Wanying smiled and put on the dignified air of a teacher. She said, "Remember! You have to attend class properly. Although I'm not teaching you now, I'm still your teacher. You have to listen to your teacher, understand?"

After saying that, she walked over and greeted the girls.

They only continued walking after Teacher Jiang left the corridor.

"Aren't you joining us, Brother Hao?"

Cao Fei was still trying to persuade him.

"No! You guys go! I have to go home!"

Tang Hao refused. He took out a few hundred yuan and stuffed them into Cao Fei's hands.

After parting with them, Tang Hao sneaked back and knocked on Teacher Jiang's office door.

"Come in!"

Teacher Jiang's voice came from inside.

When he opened the door, he saw her sitting at her desk, reading a textbook in a dignified manner.

"Ahem! Teacher!"

"Close the door and lock it!"

She said without lifting her head.

Tang Hao did as she said.

"Come here and sit down!"

She pointed at the couch beside her.

Tang Hao walked over and sat down.

"You're so obedient!" She looked up and burst into laughter. "Looks like I'll have to give you a reward."

With that, she smiled charmingly, stood up, and slowly walked over.

Her swaying figure was exceptionally seductive.

She stood in front of Tang Hao, bent down, held his cheek, and gently kissed him.

Tang Hao's body stiffened slightly, feeling a little nervous but at the same time excited.

That excitement made his heart beat much faster.

Her heart was thumping hard too. She was nervous, but she wanted to continue.

"Are we really going to do it here?"

"No one will come here in the afternoon. I'm quite sure of that!"

She smiled and kissed him again.

The two of them tried their best to suppress themselves and dared not make a sound.

After it was done, the two of them quickly put on their clothes.

"You did well! Your teacher is very satisfied..." she smiled and leaned over to kiss him. Then, she looked at the time and said, "Let's go shopping with me and stay with me tonight!"

Tang Hao walked out of the office first. Jiang Wanying got out later, and they went to the city center.

In the evening, Tang Hao talked to her about cultivation.

“That seems fun. Hurry up and teach me!” Jiang Wanying looked excited.

Tang Hao gave her a lot of pills.

In one night, he brought her into the State of Qi Channeling and taught her cultivation techniques.

“You are quite imposing as a teacher. I shall call you Teacher Tang from now on!”

She hugged Tang Hao’s neck and giggled.

“Then be more serious! I’m not done yet!” Tang Hao said.

“I don’t want to!” She bit her lips and smiled even more charmingly. “In the past, I’ve pinned you down as a teacher. Now, I want to pin you on the bed as a student! That should be very exciting!”

As she said that, she closed her eyes, kissed him gently, and pushed him onto the bed.
