

## The Mightiest Little Peasant Chapter 766

The car stopped in front of Tai An Plaza.

It was the end of the workday, and many people and cars were lingering at the gate. It was a lively scene.

“Hey! The car in front, get out of the way! How dare you show up in a shabby Audi? How dare you park right in front of the entrance? Aren’t you ashamed?”

Behind Tang Hao, a car honked wildly.

A middle-aged man stuck his head out and shouted at him.

“Are you talking to me?”

Tang Hao poked his head out and said in surprise.

“That’s right! I’m talking to you. Get out of the way! Look at your car, then at my car. How dare you block my way? Aren’t you ashamed?”

The man yelled.

“I was here first!” Tang Hao shouted.

As he said that, he glanced at the man’s car. He was driving a Ferrari, which was indeed cool.

When he looked again, he saw that that person was about forty years old. He had a potbelly, and he was decked out in luxury accessories. It was obvious that he was a windfall tycoon.

“So what if you came first? Aren’t you embarrassed to park here? Look at our cars. You have the worst cars among us, but you’re occupying the best spot!” The man yelled.

“That’s right! That’s right!”

Heads popped out from the other cars around them and echoed the man’s sentiment.

All of them were in their thirties or forties and were wearing designer suits.

“Get out of my way. My girlfriend is coming out soon!” The man said as he honked his horn.

“Girlfriend? How old are you, Uncle?” Tang Hao laughed.

“F\*ck you! Are you in need of a beating, you brat? So what if I’m older than you? Can’t I fall in love?” The man was furious. “Let me tell you, the older the man, the more popular he is.

“My girlfriend? She’s young and beautiful, and people call her the Flower of Tai An! She’s the most beautiful woman in Tai An, and she’s definitely much more beautiful than your girlfriend.”

As he said that, he revealed a smug look.

“Nonsense. My girlfriend is the prettiest! She has a good figure, and she’s gentle and considerate!” Someone else shouted.

“All of you, move away! No one can be as beautiful as my girlfriend! Her skin is fair, her features are impeccable, and she has long legs!” Another person spoke out.

The people started to quarrel. No one was convinced.

It was a matter of face for the men there. No one was willing to admit defeat.

Tang Hao rolled his eyes and thought that that group of middle-aged men had nothing better to do.

“Hey, kid! How dare you look at us like that?” Someone cursed.

They continued to compare each aspect of their girlfriends, from their appearances to their positions in the company.

“Let me tell you, my girlfriend is not only good-looking, but she is also very capable. She already promoted after working for only a few years.”

“That’s nothing special. My girlfriend is almost a project manager!”

The people showed off.

Tang Hao rolled his eyes again, his face full of disdain.

“F\*ck you! You’re looking at us like that again. Why, are you not convinced? Can’t you see that we have such amazing girlfriends?”

“You ought to change your ride, young man. Maybe you can get a more beautiful girl that way!”

Tang Hao ignored them. He looked at his phone and then turned his gaze to the entrance.

After a while, a gorgeously dressed woman walked out of the building. She was quite beautiful, but she seemed quite flirtatious under her thick makeup.

“I’m here, Lil Mei!”

The plump man from before hurriedly shouted. He walked over with a bouquet of flowers.

Then, he put his arm around her waist and walked back to the car.

He glanced at Tang Hao, showing off.

After a while, someone else got out of his car and walked to the entrance.

The women were all quite pretty and were good at dressing up.

“Hey, kid! Where’s your girlfriend? Why hasn’t she come out yet?”

The plump man stuck his head out from the car and yelled at Tang Hao. He even laughed with a mocking look.

The others also laughed.

Tang Hao looked at the entrance and said, “There she is!” Then, he got out of the car.

The men turned their heads and looked at the entrance.

They were stunned when they looked over.

A beautiful figure walked out from the entrance of Tai An Plaza.

She was wearing a jacket and a miniskirt, revealing her slender and graceful curves. Her voluptuous curves, her slim waist, and her beautiful rear formed a perfect “S” shape.

Under her miniskirt was a pair of long and sexy legs wrapped in black stockings.

She walked out gracefully in her high heels.

Her jet-black hair fluttered in the wind, and her face was radiant, stunning the people around her.

Those people were all stunned as they looked at the woman obsessively.

She was clearly a masterpiece!

Then, they frowned mockingly.

They recognized her, and they had seen her several times. She was the president of Tai An Group and a famously beautiful woman in Provincial City.

How could she be that kid’s girlfriend!

“You’re too shameless, kid. You can’t brag like that!”

“She’s the president. You’re not even remotely close to her level!”

They mocked disdainfully.

Ling Wei walked over. When she heard that, she pursed her lips and smiled. She quickened her pace and walked straight to Tang Hao. Then, she leaned over and gave him a light kiss on the cheek.

“You’re here, my dear!”

She smiled brightly and said sweetly.

As she spoke, she stretched out her hand and adjusted Tang Hao’s shirt collar. She looked like a virtuous wife.

Those people were dumbfounded.

The crowd around them was also in disbelief.

It was no secret that their president had a sweetheart. Everyone in the company had heard about it. Moreover, rumors had it that the man was the chairman of Haotian Group.

Was he the one?

They had never seen their president behave like that before.

In their eyes, the president had always been a capable and strong woman. The contrast was too great.

“Let’s get in the car!”

Tang Hao opened the door, and she sat in the car.

Tang Hao walked to the other side and sat on the driver’s seat. Before he got in the car, he even glanced at those people.

Then, he started the car and drove away.

The people did not come to their senses for a very long time.

‘That kid’s girlfriend is the president?’

‘F\*ck! That’s too awesome!’

When they looked at the women beside them, their faces turned red.

Their girlfriends could not compare! No wonder that kid had a look of disdain just now.

Meanwhile, in the car, Ling Wei giggled and said, “How was it? Was I cooperative?”

“It went well!” Tang Hao smiled and said.

“Then... you have to repay me!” She pursed her lips and said coyly.

“How should I repay you?”

“Give yourself to me! Tonight, you’re mine!” As she said that, she smiled mischievously, leaned over, and kissed his cheek.

Then, she whispered in his ear charmingly, “So what do you think, Hao?”

Tang Hao smiled. He had no choice but to agree.

“Great! Then... let’s go and buy some food ingredients first! I haven’t been to the wet market for a long time. I wonder if the aunties and uncles there would have forgotten about me?”

Ling Wei cheered, her face full of joy.
