

The Mightiest Little Peasant Chapter 769

The film set was bustling with activity.

After the chaotic battle scenes, it was time for the female lead to fight against a group of heretical villains.

Tang Hao, Cao Fei, and the rest crouched in a corner, watching as they ate hot lunch boxes.

A figure dressed in white was dangling on wires in the air. She flew around gracefully, like a fairy.

“Wow! Beauty Queen Liu is so beautiful!”

Cao Fei and the others were smitten.

“Brother Hao, are you and Beauty Queen Liu...”

“No!” Tang Hao said.

“Tch!”

Cao Fei immediately revealed a look of disdain. Why did he cast Beauty Queen Liu as the female lead if there was nothing? Back at the concert, the two of them were exchanging glances on stage. Something must be going on.

“Let’s go!” Tang Hao closed the lunchbox and threw it into the trash can. Then, he walked to the side and washed his face.

At that moment, a figure walked in from not far away.

“A photo here, and a photo there!”

She was using her phone to take photos of everything.

She was very excited. This was Haotian’s first television series! It was a historical fantasy coming-of-age drama starring a popular female singer. That would make for a good topic.

When the news was released a while ago, it attracted a lot of attention.

However, like the other production crews, they kept the filming a secret. No reporters could take any photos, and she had to rely on many connections to get in.

“Wow! The props are so good. As expected of Haotian. They’re so rich!”

“Wow! That’s the female lead? She looks so beautiful!”

She kept taking photos and exclaimed from time to time.

“Eh? That’s a minor character, right? A corpse?”

As she continued taking photos, she saw a person standing in front of the faucet not far away.

She glanced at his costume and revealed a look of disdain.

That was a background character who was at the bottom of the hierarchy. She could not even be bothered to take his photo.

She was about to shift her gaze away.

However, at that moment, that person splashed his face with water, wiped his face, and raised his head.

The water washed away the dirty makeup, revealing his handsome face.

His face was sharp, his eyebrows were straight and thin, his irises were dark and animated, like a pair of inky stars.

She was instantly stunned, and her mouth opened wide.

'Oh my god! He's so handsome!' She was infatuated.

At that moment, the man splashed his face with water again and lifted his face. When the sunlight hit his face, it was as though his entire being was shrouded in light. It was too dazzling.

She was completely stunned, and her mind went blank.

'That's the costume of a corpse, right? He's just an extra, right?'

'How could an extra be so handsome and imposing?'

'Is the production crew blind? Why would they cast such a handsome man as a corpse?'

There was a hint of blitheness in that elegance. He was a heartthrob!

She was indignant. She felt pity and injustice for that handsome man.

'Ah! I guess nobody notices him! I want to take a picture of him and make him famous! With his face, he'll definitely become extremely famous!'

She was excited. She took a lot of pictures with her phone.

Then, she flipped through her camera roll and selected some of the best ones. She posted them online with a caption.

One minute passed...

Two minutes passed...

She received the first like on her tweet. Following that, a comment.

[Wow! He's really handsome. What's his name?]

Gradually, the comment section became lively. The commenters were all girls. They were all very excited.

"Ah! That gaze will kill me! Quick, tell me, what's his name?"

They were all asking for the mysterious person's name.

Meanwhile, they called him “The Handsomest Extra.”

As the post gathered shares and comments, it caused quite a stir among female bloggers. In the evening, it even made it onto the trending topics.

Countless people were trying to search for that person’s identity.

“Hey! Isn’t that Tang Hao from our university?”

Some girls from Z University saw it and shared the post.

The post caused a huge sensation.

“His name is Tang Hao? From Z University?”

“Why does the name Tang Hao seem familiar? Oh, right, he has the same name as the chairman of Haotian Group!”

Soon, someone realized that.

However, the chairman of Haotian Group never appeared in front of the media. It was only a wild guess.

The female netizens relentlessly scoured all corners of the Internet with great enthusiasm. They used all their connections to dig for more information.

Then, they were surprised.

Indeed, that handsome man was the chairman of Haotian Group. He was a billionaire, the legendary Masculine Cult Leader, and the person behind the company's many amazing products.

He was the one who created the legend of Haotian in just two years.

They were extremely shocked to find that he was so young and handsome. Then, they became fanatical.

As the news spread, it sent shockwaves across the entire Weibo.

The popularity soared. It became the number one trending topic.

The Handsomest Extra was actually the chairman of Haotian Group and a billionaire!

Everyone was stunned by the revelation.

"All hail the Masculine Cult Leader!"

A group of people forwarded Tang Hao's photo and began to worship him.

The Internet went wild.

Countless women in all parts of Huaxia started creating fan clubs, from middle-aged women to teenage girls.

[Look, my husband is so handsome!]

[From now on, I shall only worship one man!]

Discussions of Tang Hao reached a billion in one night, becoming the hottest topic on Weibo.

[This young man is the future of our nation!]

The official account of Huaxia Central Television Network shared the post and added that comment.

Countless people rushed to Z University's Tieba forum and found many photos of Tang Hao. It was widely shared on the Internet.

They took over the Tieba forum, flooding it with declarations of love.

Later, someone went to search for the news about the international culinary competition some time ago. They realized that the blurry face of the God of Cookery was somewhat similar to Tang Hao.

"It's him! My Prince Charming is amazing. Not only is he handsome, rich, and talented, but he can cook too!"

That made Tang Hao the perfect Prince Charming in the eyes of the fangirls.

In their minds, they had already imagined countless Mary sue-style plots.

To some, he was an overbearing CEO. To others, he was a cold and aloof Prince Charming. Some people also fantasize that he was warm and caring.

That night, Tang Hao sat in front of the computer, scrolling through Weibo. He was dumbfounded when he saw the latest trend.

He did not know what had happened, but he had become a sensation!

Overnight, he became popular all over Huaxia.

Somehow, he had gotten himself many “wives” too.

The fanaticism almost scared him.

“I’m finished!”

When the official account of Weibo also shared his photos, Tang Hao covered his face and muttered.
