

The Mightiest Little Peasant Chapter 778

Tang Hao's footsteps paused.

Teacher Jiang was currently teaching in a sophomore class. As they were in the same college, the exams were scheduled at the same time.

A few minutes later, Jiang Wanying finished organizing her examination papers and walked out.

"Tang Hao!"

Jiang Wanying smiled and shouted, "It's the holidays! Are you going back?"

"I'll be leaving the day after tomorrow!" Tang Hao said.

"Oh!" She replied. Then, she winked at Tang Hao and gave him a meaningful look before turning around and leaving.

He used a concealment spell to sneak out of the university. After waiting for a while at an intersection, an M4 drove over.

"Get in the car!"

In the car, Jiang Wanying waved at him.

After getting into the car, she looked at Tang Hao and smiled. "How does it feel to be famous?"

Tang Hao shook his head and said, "Don't talk about it. There are reporters everywhere waiting for me at home, at the opposite building, and at the university gate. They all want to find the next big scoop."

"Isn't that good?"

Jiang Wanying suddenly pursed her lips and revealed a charming look.

As she said that, she gently leaned over, stretched out her hand to wrap it around Tang Hao's neck, and kissed him.

Tang Hao was slightly taken aback. They were on the main road not far away from Z University!

After a long while, she finally let go.

"Stay with me tonight!"

After kissing him on the cheek, she sat back down, started the car, and drove away.

In the evening, the two of them sat in the living room while Tang Hao taught her sorcery.

Jiang Wanying had been cultivating for nearly three months, and she was already in the latter period. Previously, Tang Hao had taught her some spells as well.

"This is fun!"

She changed her hand gestures, summoning a gust of wind at one moment, and a burst of fire at the next. She was having a great time.

When she was tired from practice, she took a break. She dragged Tang Hao, curled up on the couch, and watched a movie.

“Hao!”

Suddenly, she called out softly.

“Hm?”

“Nothing, I just wanted to call your name!” She rubbed her cheek against Tang Hao’s chest and narrowed her eyes lazily.

She curled up and lay on Tang Hao’s body.

After a while, she muttered dejectedly, “I won’t see you for a long time after this!”

Then, she straightened up, raised her head, and looked at Tang Hao without blinking.

“I’ll miss you... I’ll miss you every day.”

She said obsessively.

As she spoke, she kissed him.

The night felt like a dream.

Tang Hao left the next morning. He went to the airport and flew to Province S to see the situation in Hua Mountain.

A week had passed, and those elderly men from Hua Mountain had changed their behaviors. They had taken off their cotton-padded jackets and changed into Western suits. Their mannerisms and habits of conversation were similar to modern people.

The Seven Sons of Hua Mountain from the younger generation were even more fashionable. The three leading ones were dressed in expensive suits, and the level of extravagance was about the same as the heavenly masters from Dragon Tiger Mountain.

The other four were more ordinary, but their conversation habits were like modern people. They had caught up with the latest trends and learned how to talk in memes and catchphrases.

They were addicted to online games. They did not leave their rooms and instead stayed inside to play. They were like elderly otakus.

Within a few days, their team had already made a name for themselves in the League of Legends world.

The location of the mountain gate had also been decided.

The main peak of Hua Mountain had already become a famous tourist attraction. They could not use it anymore, and so they had to use another location.

After deciding on the location, they began to design the gate and sought the opinions of the group of old Perfected Persons.

Tang Hao walked around the place once, saw that everyone was going well, and went back. He picked up Yan'er, who had finished her examinations, and went back to Westridge.

When the car drove into Dragonrock village, the village was in an uproar.

"Lil Hao is back!"

"Our celebrity is back!"

The villagers rushed out, their faces filled with warm smiles.

They waved at Tang Hao in the car and greeted him from all directions.

His first uncle, first aunt, grandfather, grandmother, and the other villagers all came out. They stood at the entrances of their houses and looked over with faces full of smiles.

"Brother Hao, you're really popular now!" Yan'er smiled and teased.

Tang Hao could not help but laugh. He slowed down and slowly drove over.

After getting out of the car, Shi Xuenong led a group of village officials to welcome them.

"Welcome! Welcome!"

They warmly shook hands with Tang Hao.

“Why are you so polite?” Tang Hao quickly said.

“Ha! Don’t you know that you’re a celebrity now? Some time ago, a lot of people came to the village. They were all from some radio station and interviewed a lot of people.

“You’re everywhere on television and in the papers! You’ve brought glory to our Dragonrock village and Westridge!” Shi Xuenong smiled.

Tang Hao immediately laughed drily.

“You’re amazing, Lil Hao! You’ve become popular all over the country!” His uncle walked over and patted Tang Hao’s shoulder with a smile.

Then, he said emotionally, “If Caifeng knew that you’ve made it, she would be so happy!”

Tang Hao was taken aback, and his expression became a little forlorn.

Yes! If his parents knew, they would definitely be very happy!

“Why the long face? You should be happy! Stay for dinner tonight! Oh right, call Xiangyi. We haven’t seen her for a long time. Your grandmother often talks about her!” First Uncle laughed.

“Yes, yes, yes, stay for dinner. How about... a banquet? This is a happy occasion!” Shi Xuenong quickly said.

The villagers immediately agreed excitedly.

“OK!” Tang Hao agreed.

“Hurry, hurry, let’s start the preparations!”

Shi Xuenong quickly delegated the tasks, and the entire village became lively.

“Grandpa, Grandma!”

Tang Hao greeted his grandparents.

The two elders laughed heartily. “Hey! You’re back!”

“How’s your health?” Tang Hao asked.

“Very good! I feel like I’m getting younger and younger!” Grandpa said with a smile.

Grandma stepped forward and pulled Tang Hao’s hand. “Let’s not stay outside. Come in and sit down. Let’s have a good chat.”

They chatted for a while after entering the house.

He gave Qin Xiangyi a call, and she arrived at Dragonrock Village after going off work. The entire village gathered together and had a festive meal.

The next day, Tang Hao took her to pay respects to his parents.

“Dad, Mom, Lil Tang is very popular now. He’s a big celebrity! He’s very promising!” Qin Xiangyi said as she knelt and bowed in front of the grave.

“Also, don’t worry. Lil Tang is now fair and chubby under my care! You don’t have to worry about him!”

“I’m not fair and chubby!” Tang Hao said.

“Hey! Don’t ruin my story!” Qin Xiangyi’s face turned red and said disapprovingly.

As they walked back to the village, Qin Xiangyi said, “You’re fair, but not chubby enough! I have to fatten you up a little!”

“Didn’t you say you wanted to wring me dry? Now you want to fatten me up again! What is it that you want?” Tang Hao said with a smile.

“Ha! You’re flirting with me!” Qin Xiangyi’s face turned red and she said angrily.

Then, the two of them began to chase each other, and their laughter spread far and wide.
