

The Mightiest Little Peasant Chapter 807

Tang Hao scratched his head awkwardly.

Indeed, he was the one who had done it.

Zhao Wuyang said, "Ah! She has become a freak just like you. I can't think of anyone else who could've done that!"

"Cough cough!"

Tang Hao felt even more awkward.

"Also, she has been out of control recently. She often goes to arrest people by herself without waiting for backup. Say, what if something bad happens to her?"

"She's powerful now, but we're afraid that accidents might happen! Don't you think so? She won't listen to me even if I tell her. Why don't... you go and talk to her?"

"Sure!" Tang Hao immediately replied.

Then, he explained, "I taught her some cultivation techniques. Now, she can be considered quite powerful."

"I knew it! It's really you!" Zhao Wuyang said, "Hurry up and persuade her to take it down a notch. She's been volunteering herself to cases every day. What's the point of working so hard?"

"I got it!" Tang Hao quickly agreed.

After hanging up the phone, Tang Hao laughed drily.

Zhao Qingxue had been cultivating for more than half a year, and she had already reached the peak a long time ago. Furthermore, she had an Artifact to protect herself. It was all too easy to catch mundane criminals.

However, it was normal for her brother to worry about her.

He found Zhao Qingxue's number in his contact list and gave her a call.

It took a while for the call to go through.

"Freeze! Police!"

A delicate shout came from the other end of the phone. It was Zhao Qingxue.

"It's you, Tang Hao! Wait a minute, I'm in the middle of an arrest. It won't take long. Hey! I told you not to run, didn't you hear me?"

The call was cut off in the next second.

She returned the call about three minutes later.

"Please spare my life, heroine!"

Tang Hao could hear someone pleading.

“Hmph! I told you not to run, but you didn’t listen! How dare you be a robber if you lose to a woman like me? Aren’t you ashamed? !” Zhao Qingxue scoffed.

“1...”

The robber was aggrieved.

‘Is she a woman? She’s more like a monster! I’ve never seen such a fast and strong woman!’

However, upon closer inspection, she was quite beautiful. Her face was impeccable, and her skin was tender. Most importantly, her figure was voluptuous!

That chest, that waist, and those long legs...

What a masterpiece!

He took a glance and instinctively gulped. He felt that his mouth and tongue were dry.

‘My goodness! What a bodacious figure, and she’s wearing a uniform!’

“Where are you looking?” Zhao Qingxue glared at him fiercely and reprimanded him, “Scum! Trash! Useless!”

“1...”

The robber felt even more aggrieved.

He admitted that he was scum and trash, but he could not bear being called useless.

However, when he thought about it, he could not even defeat a woman. He was indeed useless!

He felt quite dejected. He even wondered if it was all a dream.

Otherwise, how could there be such a beautiful police officer with inhuman skills?

“Lil Zhang, Lil Chen, why are you hiding so far away? Come here and take him away!” Zhao Qingxue shouted.

“Hey! Captain Zhao! We’re coming!”

At the other end of the alley, two people ran over while panting.

“Oh my god! Captain Zhao is such a freak! How can someone run so fast? She’s inhuman!”

“Hey, tell me. Captain Zhao is such a beautiful woman, but why is she so scary?”

The two people whispered.

Zhao Qingxue rolled her eyes and said, “I can hear everything you guys are saying.”

The two people’s expressions changed. They shivered and muttered, “Damn, she can hear us from so far away.”

Then, they squeezed a smile on their faces and said, “We weren’t talking bad about you, Captain Zhao!”

“Yes, yes! We were praising you. You’re beautiful and kind!”

“Whatever. Hurry up and come over!” Zhao Qingxue said unhappily.

Then, she picked up her phone and said to Tang Hao, “It’s done!”

Tang Hao laughed and said, “You’re already a police captain!”

She had mentioned before that the higher-ups intended to promote her.

“Yup! I’m amazing, right?” Zhao Qingxue pursed her lips and smiled smugly.

“You are!” Tang Hao said with a smile.

Zhao Qingxue laughed and said, “Why did you call me today? Did you finally remember me?”

“Yeah! Have you eaten?”

“No! Let’s eat together?” Zhao Qingxue said.

“OK!”

Zhao Qingxue turned away and said softly, "Come and pick me up. We'll go to my house later!"

She sounded coy when she said that, which made Tang Hao's heart beat faster.

After ending the call, Zhao Qingxue's expression turned cold again as she said to the two people, "Lil Zhang, Lil Chen, I'll leave first because I have something to do. Remember to interrogate him properly when you're back at the station."

"Yes, Captain Zhao!"

"Very good!"

Zhao Qingxue nodded, turned around, and walked away.

She was walking on tiptoe as though she was floating in the sky. A bright smile appeared on her beautiful face, and her eyes were filled with seductive charm.

The two police officers were stunned by what they saw.

Their mouths were wide open in "O" shapes, and their gazes were transfixed on her.

"F*ck! Are my eyes playing tricks on me? Is that really Captain Zhao?" One of them even pinched himself.

To them, Captain Zhao had always been cold. Her current expression was too big of a contrast.

"That call earlier must be from Captain Zhao's boyfriend," the other police officer said.

“What? Captain Zhao has a boyfriend?” That person was shocked again. “But she’s such a freak...”

“Hah! You were transferred to the Provincial Headquarters not long ago. You don’t know that Captain Zhao has a sweetheart, right? He’s a bigger freak,” the other person said calmly.

“Damn! Why are they all big freaks?” That person said, shocked.

Tang Hao arrived about eight minutes later.

Zhao Qingxue opened the car door and sat inside.

She smoothed her hair and unbuttoned the top button of her shirt. In an instant, the curves of her body expanded a little and became plumper and rounder.

The deep cleavage was also brought to view.

“Phew!”

She fanned herself with her hand and heaved a sigh of relief. “That feels better! It’s so uncomfortable to wear such a tight shirt!”

Tang Hao glanced at her and almost could not hold it in.

The scene was too provocative, made even more tempting by her uniform!

She blushed slightly when she saw Tang Hao's awkward expression. "They're too big, and I have to keep them down somehow! Otherwise, those perverts would be sneaking glances at me every day. I'm a police captain now, and I have to maintain my image."

She lowered her head to look at her chest and muttered, "How can they be so big? This is really troublesome!"

Then, she turned her head and glared at Tang Hao. "It's all your fault!"

As she said that, she bit her red lips with her pearly white teeth. Her expression was indescribably seductive.

"Let's go to my house!"

Seeing Tang Hao's stunned expression, she glared at him again and urged him.

Tang Hao came to his senses, hurriedly started the car, and drove away.
