

The Mightiest Little Peasant Chapter 810

The people in front separated, and a figure emerged from behind.

He was dressed in a simple white button-down shirt and slacks. He looked quite handsome, though his face was all too familiar. They had seen that face almost every day on Weibo, on television, and in their group chats...

They froze, and their mouths were agape.

Many of them even rubbed their eyes, wondering if they were mistaken.

They were not. It was indeed Tang Hao!

The chairman of the Haotian Group, and a famous celebrity all over Huaxia!

He was really here! He was standing in front of them!

“He... he must be fake, right?”

Someone murmured in a daze.

The eyes of the women almost popped out. They were in extreme disbelief.

Everyone there was stunned.

A few of the men lost their grip on the beer bottles, and the bottles fell toward the floor.

Tang Hao quickly stepped forward, reached out, and firmly grabbed the bottles. He placed the bottles on the table and took the bottles from the other people's hands.

"Let me handle this!" He smiled and said politely.

The men remained stunned. They looked at their hands that were holding nothing, then at Tang Hao blankly.

Instantly, the women around them screamed in excitement and joy.

"It's really him! Wow! He's so handsome!"

"That's right! It's really Tang Hao! He's my idol! I'm so excited! I can't take it anymore. I'm going to faint!"

As the commotion spread, more and more people swarmed over. The entire bar was in an uproar.

"Tang Hao is here!"

Many people shouted excitedly.

"Tang Hao? Who's Tang Hao?" Some people were clueless for a moment.

"F*ck! Are you even Huaxianese? How can you not know Tang Hao?" Someone retorted immediately.

"What? Tang Hao from Haotian Group? That can't be true! Why would such a bigshot appear here?"

Many people had doubtful looks on their faces. They crowded over excitedly.

That's right. It was indeed Tang Hao!

"Tsk tsk, his demeanor is extraordinary! He looks so elegant and outstanding even in a plain white shirt!"

Someone praised him. His tone was quite cringeworthy.

When the women came to their senses, their faces turned ashen.

If Tang Hao was there, did that mean what the whore said earlier was true?

She was really Tang Hao's childhood friend!

They were instantly wracked with regret!

Damn! If they had known earlier, they would have become best friends with her so that they could get close to Tang Hao! ! If they got to know each other, they might have a chance to become celebrities.

At that moment, Tang Hao turned around and glanced at them coldly. "Get lost!" He said coldly.

The next moment, he smiled and said to the men, "I'll thank you all on her behalf. Let me drink the beer!"

The men immediately looked awkward.

“Haha! Sure! It was all a misunderstanding! Please don’t mind. Can we take a selfie? I’m so excited to see you! Look, my hands are trembling.”

The people laughed awkwardly.

‘Damn, she’s really Tang Hao’s childhood friend. That was a close call!’

“It’s fine!” Tang Hao laughed.

They laughed warmly and surrounded Tang Hao. Some of them handed him their business cards, and some put their phones on selfie sticks and asked for a photo.

More and more people swarmed over to take a photo with Tang Hao, and most of them were excited females.

After taking the photo, they posted it on their WeChat Moments and Weibo to show off.

Even the nightclub owner came to take a photo with him.

“Oh, I’m honored that you’re here! Everything you take is on the house. I can’t possibly take your money! By the way, I owe a big debt of gratitude to you.”

He leaned closed and said into Tang Hao’s ear, “That aphrodisiac is too useful!”

Tang Hao smiled knowingly.

After dealing with those people, Tang Hao walked toward Yan'er, and the girls next to her made way for him.

Yan'er leaned on the seat. Her cheeks were red, and her eyes were unfocused.

Upon closer inspection, he could see that she had put on exquisite makeup. Her slightly trembling lips were vibrant and supple.

She was wearing a fitting black dress with a deep cleavage, which perfectly displayed her graceful curves.

On her feet were three-inch high heels, and she was adorned in jewelry.

It was the complete opposite of how she usually looked.

"You're here, Brother Hao!"

She murmured and leaned over, holding Tang Hao's hand and resting her head on his shoulder.

"Yes!" Tang Hao answered.

"Then drink with me!" She slurred.

"You've had too much to drink. You can't drink anymore," Tang Hao said.

"No! I want to drink. I'm not a child anymore. Why don't you let me drink? Why do you always treat me like a child?"

“Am I too young? I’m not young at all. I’m twenty years old! Do you know that you can get married at twenty?”

“Look here. Are they flat? No, they’re very big!”

As she spoke, she lifted her hands and was about to pull on her neckline.

Tang Hao quickly stopped her and said, “I know! You’re not young anymore! I’ve never treated you like a child!”

“You have. You think that I’m a child who never grows up! I know you care about me, but I don’t want it to be like that!”

“I really envy Sis Qin...”

As she spoke, she began to sob hysterically. The tears ruined her makeup and stained Tang Hao’s shoulder.

“Alright, stop crying!”

Tang Hao patted her head and smiled.

She sobbed even harder.

“Ahem! I need to go to the toilet!” The girl beside them quickly stood up.

“I’ll go too!”

The two of them quickly left, leaving Tang Hao and Yan’er sitting in the corner.

“Brother Hao, do you know that I really like you? And I don’t mean “like” in the usual way. Do you know that?”

She hugged Tang Hao’s arm and said while sobbing.

“I know! I know!” Tang Hao nodded.

He knew very well how Yan’er felt about him!

“Then do you like me?”

She lifted her chin and tilted her head. Her eyes were blurred with tears as she looked at him pitifully.

“I like you!” Tang Hao said.

She wrinkled her delicate nose and grunted. “You only know how to lie! Look, you’re treating me like a child again!”

“No! I’m very serious!” Tang Hao said.

“Really?”

“Really!”

She was stunned for a moment and immediately stopped sobbing. She rubbed her red eyes and broke into a smile. “You’re so nice, Brother Hao!”

Then, her head leaned on his shoulder again.

Soon, she closed her eyes and fell into a deep sleep.
