

The Mightiest Little Peasant Chapter 860

“You’re the one who’s looting!” Tang Hao rolled his eyes and snapped.

After saying that, he began to take chests and bundles out from his pocket dimension. Tian Xuanzi was stunned by what he saw. His eyes sparkled with greed and he gulped hard.

The pile of items was like a small hill.

“I earned all these by myself!” Tang Hao said very seriously.

“Sure! Whatever you say!”

Tian Xuanzi ignored Tang Hao and pounced onto the pile of treasure.

“So many Artifacts, so many materials! They’re all mine...”

After counting several times, he finally calmed down.

“How’s it going over there, kid?”

“Not bad!” Tang Hao said.

“That’s true. You brought back so many treasures even though it’s only been a little while. You have a bright future there, and you have to keep on working hard!

“Remember, don’t hold back. Anything that belongs to the enemy also belongs to us. Go ahead and loot them clean. You must be bold and thick-skinned. Loot them clean, and if you can’t loot it, burn it down!”

Tian Xuanzi lectured earnestly.

Tang Hao could not help but roll his eyes again.

“You’re not bad, kid. After two trips, our strength has grown a lot. I’m going to reopen the Kunlun sect and recruit some disciples.

“We don’t have much time left, kid!”

As he spoke, his expression became serious.

“What’s wrong?” Tang Hao asked, surprised.

“I haven’t told you, right? It took those people more than two thousand years to return because back then, the Kunlun Supreme Elder used an arcane spell to conceal Earth’s aura.

“Now that the spell has worn out, those people can come as they wish. After suffering a defeat the last time, they’ll definitely come again, and it’ll be a tougher battle,” Tian Xuanzi said.

“That’s true!” Tang Hao nodded and said. His expression also became more serious.

“I don’t know when they will come again. So, it’s better to prepare as soon as possible,” Tian Xuanzi said.

After chatting for a while, the two began to take an inventory count.

The treasures that Tang Hao had stolen from the five treasure vaults last time and those he brought back this time almost filled the entire underground palace. It took the two of them a long time to take count of everything.

After that, they organized everything.

The quality of the treasures from the five vaults was very high, especially those from East Peak Mountain. There were also quite a number of powerful Artifacts, rare spirit herbs, and medicinal herbs. Tang Hao was quite eager to claim them as his own.

However, he did not do so.

The items were divided into three piles. The first was to be distributed among the members of the Union, the second was to be stored in the Union coffers, and the last one was for Kunlun.

Tian Xuanzi wanted to reopen the Kunlun sect, and that would require a lot of resources.

“Hey, kid, where do you think we should recruit disciples? Oh, right, do you know Harry Potter? How about we start a magic school like that?”

“That’s a good idea, right? Let’s call it Kunlun Academy. Oh right, let’s recruit some cute girls and dress them up in uniforms. That’ll be great!”

Tang Hao was speechless.

“Why aren’t you saying anything, kid? Does it mean that you agree with me? Hurry up and recruit some people so we can have a powerful sect. No, I should call it an academy. It’s the twenty-first century now, and we need to keep up with the times.

“Do you think we should recruit some foreign girls? Blond and blue-eyed girls are pretty cute.”

Tang Hao was utterly speechless.

The more Tian Xuanzi spoke, the more excited he became.

“Whatever! Do whatever you want.”

Tang Hao hurriedly ran away.

It was already late at night when he returned to the Capital. When he got off the plane, he met the Taoist masters and the others.

“Come here! I have presents for everyone!”

Tang Hao took out bags of holding and handed them over.

Over there, bags of holding were popular items. The space inside was only about the size of a bedroom, but it was enough for normal use.

Tang Hao already brought back quite a few bags the last time he came back.

“Wow!”

Everyone took it, opened it, and exclaimed in amazement.

“Thank you, President!”

“You’ve worked hard, President!”

All of them were beaming with laughter.

“President, thanks to the pills you gave out earlier, the Union has become a lot stronger. We have a few more Perfected Persons, and the disciples’ cultivation bases are growing rapidly.”

Taoist Master Qian Ji reported the situation to Tang Hao.

“Thank you for your hard work!” Tang Hao said with a smile.

“Heh! Don’t mention it. Things are quite peaceful now, and nothing is going on in Mao Mountain. I’m just managing the Union’s affairs,” said the Taoist master.

Then, Tang Hao took out several medicine-making manuals that he had prepared beforehand, handed them to the Taoist master, and asked him to pass them to his disciples. After that, he went to meet General Bai.

After chatting for a while, Tang Hao told him about Tian Xuanzi.

“What? Start a magic academy? Did he read too many novels? And he wants to recruit cute girls too? What a pervert!” General Bai said angrily.

“Ahem! I don’t care what he wants to do. Send someone over to talk to him and come up with a plan!”

“OK!” General Bai replied.

It was already early in the morning when he returned to the Provincial City.

“Look, isn’t that Tang Hao?”

When he got off the plane, several people looked over and pointed at him.

It was only then did Tang Hao remember that he was a celebrity on Earth. After staying in the other world for more than a month, he was getting quite confused.

When he stepped out of the airport, he saw a Rolls-Royce parked outside. A beautiful figure leaned in front of the car.

The sexy and beautiful figure was dressed in form-fitting office wear, and she was none other than Han Yutong.

“Chairman Tang!”

When she saw Tang Hao, she stood up and walked over quickly.

“You’re finally back!”

She walked up to Tang Hao and looked at him excitedly. Suddenly, she took a step forward and hugged Tang Hao. “I was so worried about you. You haven’t been back for so long,” she muttered.

“What’s there to worry about? Let’s go!” Tang Hao smiled.

She raised her head. “Back to Westridge?”

“Let’s stay here for a few days first. I need to go back to school for a while!”

“Oh!” She responded. After hugging him for a while, she blushed and let go.

She got into the car and drove downtown.

He looked out of the car window and felt a sense of nostalgia as he saw the familiar scenery.

No matter how good that world might be, his roots remained on Earth.

“You should come back more often, Chairman Tang. Otherwise, I’ll be worried...”

“When are you going to bring me there, Chairman Tang? I’m very curious about that place!”

Tang Hao retracted his gaze and looked at her. He smiled and said, “That place is quite beautiful and interesting. It’s not suitable for you right now. I’ll bring you there in the future!”

“Really?” Han Yutong said in surprise.

“Of course. You’re my assistant.”

“Then it’s a deal!”

Han Yutong smiled brightly. She reached out and wanted to make a pinky promise with Tang Hao.

“Focus on driving,” Tang Hao said hurriedly.

“Don’t worry, I’m a cultivator now!” Han Yutong said casually.

She stuck out her little finger and made a pink promise with Tang Hao. “Promise that you’ll bring me there!”

She winked and smiled mischievously.
