

Mission To Remarry Chapter 706

Chapter 706 Secretly Took One Of Her Flowers

Downstairs, Lucian, too, noticed the children making their way down. They were about to say something when Lucian looked up at Estella and said impassively, "Come down, Essie. We should be heading home."

Upon hearing that, the children were taken aback. Estella widened her eyes in confusion. "Daddy..."

I've already promised Ms. Jarvis I'd stay and have dinner tonight. What does Daddy mean by this? Even if he and Ms. Jarvis got into an argument, he shouldn't take me home. After all, he told me he wanted me to help him woo her. If I leave as well, how will that get Ms. Jarvis to stop being mad?

Nonetheless, Lucian was unmoved. "Ms. Jarvis has other matters to attend to, and we don't know whether there will be any other guests tonight. It's better if we don't get in her way."

Having said that, he took two strides in the direction of the staircase and stretched out a hand toward Estella. Estella pursed her lips and hid behind the two older boys. "No! I want to have dinner with Ms. Jarvis!"

Archie and Benny quickly shielded Estella behind them. "Mr. Farwell, we don't have any other guests tonight, so you and Essie can stay."
