

## Mission To Remarry Chapter 721

### Chapter 721 Ruining Her Reputation

Meanwhile, the news naturally didn't escape Jessica's attention.

At the sight of Roxanne's name on the list, a gloomy expression appeared on her face.

That woman is not only working with Jack but also has her name listed so close to the top.

Jessica couldn't help but recall the distance between Roxanne and Jack's seats the other night.

What has she done to deserve it?

After staring at Roxanne's name for a long time, an insidious look flashed across her eyes.

I'll reveal her true colors for everyone to see since she is nothing more than a pretty face. I have no idea what she has done to Jack for him to think so highly of her, and I can't believe how big-headed she has become. When I finally expose her, she'll no longer be able to show her face in the local medical industry anymore. When that happens, Jack will never be able to be together with her regardless of how much he likes that pretty face of hers!
