

## Mission To Remarry Chapter 730

### Chapter 730 What Makes You Say That

As the hubbub got closer, Lucian soon entered Roxanne's field of vision, spotting a stern expression. Roxanne stared at the man before her in astonishment. "Why are you here?"

His formal outfit suggested that he was just in a meeting, yet his tie appeared loose as though it had been tugged slightly. Upon hearing her query, Lucian's expression turned icy. "If you can come, why can't I?"

After saying that, he shot her a look while suppressing his anger before turning to face the reporters behind him, his cold eyes swept across their faces. "If you have any questions, I can answer on her behalf."

The crowd shuddered at his gaze, and everyone turned to look at one another. No one dared to say a word for some time. Given Lucian's status, if they said something wrong that day, they might lose their jobs.

No one wanted to face that kind of repercussion. Lucian frowned and grabbed the wrist of the woman behind him before glancing at the crowd in front of him. "If there are no questions, I'm taking her away."

Without waiting for a reaction, he held Roxanne's hand and pulled her out of the crowd. The previously clamoring crowd fell silent as the two passed by and was even compelled by Lucian's powerful aura to make way for them.
