Chapter 735 An Uncontrollable Degree

Boiling with rage, Stephen banged on the door. Jessica glanced at the door with a sullen look before getting up and walking over. She saw how infuriated her father looked the moment she opened the door.

“Is this your doing?” the man roared at her. Jessica froze momentarily. Although he had lost her temper with her in the past, this was her first time seeing him so livid.

Stephen grew puzzled at her words, and deep down, he began to sense that something was off. It felt as though his daughter had committed something atrocious unbeknown to him.
