"What is it, Mom?" The man had just left the Queen residence and was about to drop by the office when he received an unexpected call from his mother.

"Where are you now?" Sonya asked, sounding displeased.

Lucian's brows furrowed slightly. "I'm on my way to work."

"I'll relay whatever needs to be done to your father. I want you to come over this instant," the woman demanded coldly.

Hearing the wrath in her voice, Lucian wanted to ask what was going on, but Sonya had already hung up by then.
