

## Mission To Remarry Chapter 877

"I believe Mr. Farwell will be happy to," Jack said ambiguously before glancing at Roxanne.

Roxanne had sharp senses and could feel Jack's eyes on her. When he heard his words, her feeling that something was off intensified.

Colby's eyes also darkened when he noticed Jack's cryptic gaze.

Although he didn't know the truth behind many of the incidents, Jack's eyes revealed many things.

Last time, when Roxanne was under fire, I remember Farwell Group took action in the end. This time, she became Herbscape Group's technical advisor, and soon, Herbscape Group was involved in a big scandal. No one would believe it if Lucian didn't do all those things for her. Moreover, I saw him appear in her house in the middle of the night. Lucian and Roxanne are already so close. Now, there's Jack in the picture.

Colby's heart was filled with jealousy when he realized how competent the other men around Roxanne were compared to him.

I have no chance of competing with them unless I can be like them and be more outstanding than Roxanne! I must be as good as her at the very least!
