

Mission To Remarry Chapter 883

Upon reaching home, Roxanne stood unmoving at the mansion's entrance. She recomposed her expression before opening the door to enter.

The kids saw her and shuffled closer to her, asking with concern, "Mommy, has Essie gone back?"

Roxanne glanced at the anxious children with her brows furrowed as she was unsure of how to respond to their questions.

After all, it was just her assumption that Lucian had brought Estella back to his home.

Archie and Benny knew her well. Seeing the hesitation on Roxanne's face, they guessed that she must have gotten rebuffed again.

"Don't worry, Mommy. Essie will be fine."

Archie tried to tamp down his anxiety by acting maturely. He comforted, "Mr. Farwell will surely give you a call if something happens to Essie."

Roxanne's eyelashes quivered as she heard those words from him. Yes, he's right. I might resent Lucian. However, he would always contact me for matters involving Essie. I shouldn't be too worried this time but wait for his call patiently.
