

Mission To Remarry Chapter 890

Estella lowered her gaze discreetly and burrowed into Lucian's embrace. Ms. Jarvis smells so much better than Daddy!

Lucian scoffed at the irony of the situation. Essie only likes Roxanne so much because of the bond between a mother and a child.

Little did he know, Roxanne was feeling the same about Estella.

He thought that Roxanne had chosen her job over Estella.

"Daddy, don't feel remorseful, okay?" Estella remembered the phone call that made her cry. In a sheepish and cute tone, she added, "I only want Ms. Jarvis to be my mommy."

Upon hearing those words, Lucian was reminded of the phone call, and he went silent for a few seconds after Estella repeated the question.

Annoyed, Lucian wanted to refute Estella's words. However, he quickly recalled James' advice. In the end, Lucian took a few seconds to calm himself down.
