

Mission To Remarry Chapter 916

Jonathan cleared his throat at Lucian's lack of response.

"I heard a fire broke out in Dr. Jarvis' research institute two days ago."

Hearing that, Lucian snapped his brows together.

Jonathan was satisfied to see his response. "What's the matter? Did you not know about this?"

Lucian nodded, his expression somber.

He had not seen Roxanne since the kiss the other night.

Therefore, he knew nothing of what happened to her.

Although Estella would try to get news about Roxanne from Archie and Benny before telling her father what she learned, Lucian knew that Roxanne would not let the boys know that she had been in danger.

Jonathan saw his friend's grim expression, and he waited for Lucian to
