

Mission To Remarry Chapter 924

Roxanne led Archie and Benny back into the living room after watching Lucian's car leave.

Both boys looked at Roxanne with concerned expressions on their faces.

Mommy has been in a bad mood for the past few days. She was in an even fouler mood right after she came out of the study. I'm curious about what Daddy said to Mommy just now.

Benny had never been good at hiding his emotions, so he immediately asked, "Mommy, what did you say to Mr. Farwell?"

Upon hearing his question, Roxanne's eyes darkened as she lowered her gaze toward him.

Both Archie and Benny merely stared at her, as if they were hinting at the fact that she couldn't fool them.

As she met their gazes, Roxanne could only sigh helplessly and replied evasively, "We talked about some work stuff."

However, Benny continued to probe relentlessly, "But you seemed really upset, Mommy."

In the past, they had never seen Roxanne acting like that because of work-related matters.
