

## Mission To Remarry Chapter 925

On the way to the Farwell residence, Estella puffed up her cheeks as she sat in the backseat. She stared at her father through the rearview mirror.

“Daddy, did you make Ms. Jarvis angry again?”

Lucian frowned slightly when he heard Estella’s soft and adorable voice.

Estella caught on to the change in Lucian’s expression and knew that she had guessed correctly. She snorted angrily.

She had thought that Lucian wanted to bring her to meet Roxanne.

However, it turned out he had gone to create trouble for Roxanne instead.

“I won’t listen to you anymore, Daddy!” Estella said gloomily.

Lucian’s frown deepened. He patiently explained, “It’s because of work.”

It’s this excuse again!

Estella looked at the rearview mirror unhappily and said, “You only know how to lie to little kids, Daddy.”
