

Mission To Remarry Chapter 950

Archie also grew nervous upon hearing his brother's voice. If Mommy finds out that we knew about our father a long time ago and were just hiding it from her, would she be upset?

In reality, Roxanne had not even considered this possibility. Even though she was still considering whether to reveal the truth about their background to her children a moment ago, she regained her senses right after she heard Benny's voice.

She was not ready yet. At that thought, Roxanne pinched herself to snap out of it as she looked calmly at Lucian. "You can pass Benny to me. He must be frightened."

Roxanne moved closer to Lucian and passed Estella to him. "Estella must miss her father too." Lucian furrowed his brows at Roxanne. She seems to be acting strangely today.

However, he did not think much of it as he passed Benny to her. Estella seemed to realize she had left Roxanne's embrace and murmured in dissatisfaction.
