

Mission To Remarry Chapter 998

After receiving her blessings from her children, Roxanne headed toward the garage. Although Jack came all the way to pick her up, she had no intention of being his passenger.

More importantly, she did not want to upset her sons or create any misunderstanding. Jack watched her drive the car out from the garage without saying a word. Smiling, he ignited the engine and led the way.

With that, the two of them set off to the research institute one after another. By the time they arrived, the staff from Damaris Group were offloading the medicinal herbs at the main entrance. Colby was there to welcome them.

When the latter saw the two come in separate cars, his expression darkened. "Thanks for your hard work, Dr. Galloway," uttered Jack.

He was the first one to get out of his car before striding toward the entrance. Colby recomposed himself and asked nonchalantly, "Mr. Damaris, Dr. Jarvis, you guys...?"

Roxanne's house was in the opposite direction than heading to the research institute from the Damaris residence. Seeing them both arrive from the same direction made Colby suspect that Jack had gone to visit Roxanne in the morning again.

If that's really the case, they are getting a tad bit too close. "Oh, I detoured to Ms. Jarvis' residence. Initially, I intended to drive her here, but..."
