

## MYSTERIOUS MALE ESCORT IS A MOGUL CHAPTER 867

“This time, Ms. Lindberg barged into the situation without knowing what was going on. Ms. Nacht has never expected that she would provoke her. Luckily, Ms. Lindberg came with her gang. Otherwise, the few of us would not be sufficient to save the kids. However...”

Marino's frown deepened as he watched as the jeep zoomed away. “Since they've already brought the two boys away, I'm afraid that they won't return...”

“Mr. Marino, what happened? Where's Robbie and Jamie?”

Ellie rolled the car windows down, poked her head out and asked anxiously.

“Get in quickly!” Marino yelled quickly, afraid that someone would discover her.

At that moment, the windows of the jeep rolled down. When Charlotte spotted Ellie in the car, she instructed, “Go back!”

“Ms. Lindberg, Zara's leading the team personally. There are so many people with her, so I'm afraid that we can't defeat them. Let's not jump into a dangerous situation. We should leave first instead!”

Lupine urged anxiously, “We've already saved the two boys. Next time, we...”

“I told you to go back!” growled Charlotte angrily.

“Okay.” Lupine fell silent, not daring to utter a single word.

Morgan glanced at the rearview mirror and instantly made a U-turn.

The other two jeeps followed behind. Charlotte ordered, "Call for more backup!"

"Yes." Lupine immediately informed the rest.

Meanwhile, Marino's car was forced to a stop by Zara's fleet of cars. There were thirty black modified cars in front and behind them, surrounding them completely.

Marino had worked for Zachary for many years, but this was the first time he faced such a serious situation. However, he was well-trained, so he did not panic. Instead, he instructed the other six bodyguards, "Protect Ellie at all costs! Kyle, follow me out!"

"Huh? Only me?"

Kyle was so scared that his face turned pale and his voice trembled.

As he had always been working for Henry, things were peaceful and nothing major ever happened.

Hence, he was terrified now.

"You're working for Henry, so Ms. Nacht will naturally be warier of you."

Marino was very calm. When he was alighting the car, he sent an S.O.S signal, which would be received by Bruce and Ben quickly.

"Oh."

Kyle got out of the car, still scared.

Marino followed him down without holding any weapons.

The convertible top of the car opposite them opened slowly.

Zara was wearing a black suit, looking cold and arrogant. Sitting beside the driver's seat, she raised her eyebrows and remarked, "Since we're from the same family, I don't want to resort to violence. Hand us the three kids and get lost."

"Haven't you received the message, Ms. Nacht?" Marino retorted curtly, "Your subordinate, Shirley, has already been captured by the Lindberg family. They took the kids away too."

"What?"

Zara narrowed her eyes hostilely. It was evident that she was still oblivious to the fact that Shirley had been defeated by Charlotte.

"Ms. Nacht..."

At that moment, a miserable cry sounded from afar.

Zara spun around to look.

Blood was dripping from the wounds all over Shirley's body. She stumbled over and wailed, "Ms. Nacht, save me! She's back! She's back to take revenge!"

“Who is she?” Zara frowned.

“She... She...” Shirley trembled as a look of utter terror crossed her eyes. “Charlotte Windt whom we have killed. She's back!

“Are you talking about Charlotte Lindberg?”

Zara had already heard from Sharon that Charlotte Windt had returned as Charlotte Lindberg.

Previously, she had dispatched some men to investigate the truth of that matter, but Zachary intercepted them.

Hence, she did not know if the information was true or not. However, she was certain now.

At that moment, the loud screech of cars interrupted Zara's thoughts. When she turned around, she saw three jeeps driving over.

A ferocious eagle perched on the hood, its eyes filled with murderous intent. Blood dripped from its wings, sharp beak and claws.

“Argh!” When Shirley saw the eagle, she fell onto the ground in terror and relayed Charlotte's message, “S-She said that she'll be coming after you to settle the scores soon. She says that you should sleep and eat well for these few days while you're still alive!”
