

## MYSTERIOUS MALE ESCORT IS A MOGUL CHAPTER 868

“In that case...” Zara narrowed her eyes and asked coldly, “She already knows who's behind the attack at T Nation?”

“Y-Yes, she does...” stuttered Shirley.

“Very well.” Zara turned around and stared at her with a vicious gaze.

“Please spare me, Ms. Nacht!”

Bang!

Before she could finish her sentence, Zara sent a bullet flying through her brain.

Everyone was taken aback.

Marino widened his eyes in surprise and stared at Zara in disbelief. Even though Shirley was her closest assistant, she still showed no mercy...

“People who betray me will end up like her!” bellowed Zara angrily.

“We will never betray you, Ms. Nacht,” chorused her subordinates who were standing behind her.

At that moment, the jeeps arrived and stopped in the same row as the Rolls-Royce cars. It was obvious that they were determined to protect the children inside the cars.

Zara wiped her hands with some wet wipes before getting out of the car, exuding an arrogant aura. There was a cunning smirk playing on her lips.

At the same time, the jeeps stopped. Charlotte got out of the car with Lupine and the rest.

The rivals had finally met. The atmosphere was suffocating like the quietness before a tempestuous storm.

Charlotte narrowed her eyes menacingly as she stared at Zara.

Memories surged through her brain. Those scenes of being bullied flashed across her mind, like snapshots in a movie. All of them were now crystal-clear...

“Nice to meet you, Ms. Lindberg!” Zara raised her head and smiled widely. “I’ve just met Mr. Lindberg a few days ago-”

“The Lindberg family will never acquaint ourselves with despicable people,” Charlotte immediately interrupted her and raised her eyebrows coldly, “Furthermore, we share an extremely deep grudge!”

“That b\*tch’s just spouting nonsense.” Zara pointed at Shirley and explained, “When you got into an accident two years ago, I was in M Nation without even leaving the place. It has nothing to do with me. If you don’t believe me, you can ask Zachary. He’s been investigating it...”

“You don’t need to explain yourself, Ms. Nacht,” Charlotte smirked mockingly before she continued, “Since I don’t have any evidence yet, I won’t take any actions against you. But if I find out the truth one day, I will make everyone who had harmed me pay the price!”

“That’s true...” With her tough mindset, Zara did not panic at all. Instead, she agreed indignantly, “Anyone who dares to harm someone from the Lindberg Corporation is seeking death!”

“Cut the crap.” Charlotte could not be bothered to keep up the act with her. “Leave with your men right now!”

She was acting extremely arrogant right now because she knew clearly that Zara would not dare to make enemies with the Lindberg family.

Zara had already spent most of her efforts battling Zachary. If she offended the Lindberg Corporation now, she would be doomed.

Zara's grudge with Charlotte had to be resolved one day. However, before she secured the position as the heir of the Nacht group, she did not dare to do anything reckless.

Even if the rage was unbearable, she had no choice but to tolerate it...

“You're going overboard, Ms. Lindberg.”

It was not easy to deal with a cunning woman like Zara. Raising her eyebrows, she said coldly, “I didn't say anything when you harmed my subordinates, but I'm teaching the Nacht family's subordinates a lesson now. Isn't it inappropriate for you to interfere?”

“I don't care what you're going to do with those men. However, the three kids are mine. No one is allowed to touch them!”

Charlotte made a gesture with her hand.

Immediately, Lupine and Morgan walked to the Rolls-Royce and were about to open the car door.

“What are you doing?” The Nacth family's bodyguards quickly aimed their guns at them.

“Let them take Ellie away!” Marino yelled anxiously.

Although Zara did not dare to go against the Lindberg family, it did not mean that she would not touch the Nacht family.

Furthermore, as Zara had also brought so many people with her, Charlotte could not resort to sheer force.

In this dire situation, Marino could not worry about anyone else including himself, he just wanted to ensure the children's safety.
