

## MYSTERIOUS MALE ESCORT IS A MOGUL CHAPTER 881

“Raina is caring for Mr. Henry now, but a doctor will be here tomorrow to treat your condition. That being said, you have to hand the evidence over before I do anything for you,” informed Bruce sternly. There was no room for negotiation at all.

Sharon knew that she had no other choice, so she frowned and said, “Get me a laptop.”

Bruce signaled and got Marino to head over with a laptop.

Sharon typed into it and unlocked a folder before sending the folder to Zachary's e-mail. After that, she informed, “You can confirm with your men to see if they received the evidence.”

Bruce called right away, and Ben replied, “We got it. It'll work.”

“Okay,” said Bruce before he hung up and turned to Sharon to say, “Rest well. Goodbye.”

He turned around and walked away immediately after.

Sharon stared as they left. She sighed a breath of relief before she fell onto the sofa and grinned bitterly. “Who would've thought that I'd end up in this pathetic state?” said Sharon.

“It'll be fine. All we have to do is cooperate with Mr. Nacht, and we'll be free soon,” replied one of the bodyguards who had followed Sharon over.

“I should never have listened to Zara and gone to T Nation to kill Charlotte if I had known that the latter is a member of the Lindberg family,” said Sharon, who truly regretted her decision, “That evil b\*tch! She conned me into doing her dirty work for her.”

“Mr. Nacht has already promised to keep you safe, so you'll be fine,” replied the bodyguard.

“That may be true, but I am still worried. You don't know how powerful Charlotte is right now. The aura she exuded at Ashenville Garden... That was downright terrifying. Plus, she has the Lindberg family backing her up now...” said Sharon as she trailed off with a frown.

Even recalling that past got her to tremble in fear.

However, she shook her head soon after and cooed herself, “No, there is nothing to worry about. It doesn't matter how powerful she is. She is no match against Zachary. I know him too well, and he will keep his words no matter what!”

Thinking that got Sharon to relax.

At Northridge.

A few renowned pediatricians examined the three kids before they grimly informed Charlotte, “The eldest boy is fine. He only has a mild fever; however, the middle child and the youngest girl are burning up and need to go to the hospital right away.”

“Get the car ready now!” urged Charlotte.

“Yes.”

Morgan got a custom-made Rolls-Royce over and got all the three kids into the car.

While inside the car, the pediatrician suggested, "The best hospital for kids is Kindness Hospital. I recommend heading over."

"Okay, go to Kindness Hospital now," ordered Charlotte without thinking too much about it.

"Yes."

It didn't take long before everyone rushed to Kindness Hospital. The medical team there didn't know who they were, and it was already half-past one in the morning. Hence, most doctors weren't in.

That was why no one came to help them when Charlotte and her team rushed to the hospital.

Seeing that, the pediatricians called Raina right away.

Charlotte was on the verge of losing her temper when Raina hurried over with her team. Raina called out excitedly, "Ms. Windt..."

Charlotte instinctively turned around and was taken aback when she saw Raina there.

She looks really familiar, and I am certain that I know her in the past, but... I just can't remember who she is.

"I'm Raina. Don't you remember me?" asked Raina.

"Dr. Langhan, is this your hospital?"

Lupine recognized Raina. When Charlotte's illness acted up in Ashenville Garden, Raina helped them out a lot.

Unfortunately, Charlotte was unconscious at the time, so she didn't see Raina.

"Yeah, it is," answered Raina while nodding. She added, "I got a call from the hospital and guessed that you girls were the ones here, so I hurried over. What's wrong? Who's sick?"

"The kids," replied Lupine as she pointed at the triplets in the ward.

Raina turned around and was taken aback. Huh? Aren't those the kids from the Nacht family? How are they suddenly with the Lindbergs now? Has the family reunited?
