

MYSTERIOUS MALE ESCORT IS A MOGUL CHAPTER 947

Meanwhile, Zachary personally instructed Mrs. Rawlston to prepare Charlotte's room. In fact, he even ordered rooms to be prepared for Lupine and Morgan.

Mrs. Rawlston was delighted to hear that Charlotte was staying. Hence, she instructed her staff to get on it at once.

When Molly and the other maids happily prepared the rooms, the other subordinates helped out too.

After all, Charlotte had saved them from Zara's clutches and they were all grateful for it.

In a blink of an eye, the house was bustling with life.

As everyone busied themselves with work, it felt as if there was a celebration going on.

However, Cain rushed in and quietly asked Ben, "Ben, the eagle is circling the rooftop and wants to come in. What do we do?"

They knew that it was Charlotte's pet. Hence, there was no way they could beat it nor chase it away. However, they couldn't let it in either for fear of scaring the maids.

"About that..."

"Let it in." Lupine happened to pass by.

"It doesn't seem like a good idea." Ben furrowed his eyebrows and questioned, "What if it hurts someone?"

"Don't worry. Fifi won't hurt anyone without Ms. Lindberg's instructions," Lupine declared proudly. "Unless that person deserves it!"

"You..."

"Ca-caw!"

Suddenly, the eagle screeched outside.

"Ah!"

The two nurses from the Blackwood family almost fell down the stairs after being frightened by it.

Panicking, Cynthia's face turned ashen.

"Th-that's really terrifying," one of the elderly maids commented fearfully. "Are we really going to let it stay indoors?"

"Will it bite me?" Another younger maid was trembling in fear. "Last time, Ms. Windt only had a small parrot. But now, she has an eagle... uh..."

"Look at them." Ben pointed at the maids. "They're already terrified even with the eagle outside. If it comes in, how are they going to work? It's better if you take it back."

“No.” Lupine was extremely persistent. “Ms. Lindberg brought it here, how can we send it back?”

“But-”

“Fifi!” Just before Ben could say another word, Robbie suddenly called out and blew a whistle next.

“Ca-caw!”

Flapping its wings, the eagle dived into the villa like an arrow, sending a cold gust of wind through the house.

The maids screamed in fright.

At the same time, the medical staff from the Blackwood family ran helter-skelter, as if the eagle was there to attack them.

Just when Ben turned around vigilantly to defend against the eagle, it swooped over his head and landed on Robbie's shoulder.

Given how heavy the eagle was, Robbie's shoulder sank underneath its weight. Nevertheless, his expression remained cool and aloof. He ordered, “You have to behave, do you understand?”

The eagle cooed obediently.

“That's the way.” Robbie stroked its wings and turned toward Lupine. “Lupine, Fifi will stay in my room. Please get someone to send his food there.”

“Yes, Mr. Robinson.” Lupine nodded with a smile.

“Mrs. Rawlston, Ms. Molly, Zizi, don't be afraid. Fifi is my pet. It won't hurt any of you,” Robbie reassured the maids.

“All right then.” Mrs. Rawlston nodded repeatedly.

Everyone gaped as they watch Robbie bring the eagle back to his room. Not too long ago, that same eagle had barged into the Nacht residence and almost hurt Robbie.

No one expected him to tame it and make it his pet.

“Mr. Robinson, you're really awesome!” Zizi the maid exclaimed.

“Since it's your pet, we are no longer afraid of it.” Mrs. Rawlston stroked her chest. “I'll prepare some beef and bring them up in a while.”

“Mmm-hmm.”

With that, the maids went back to work.

When Ben saw that they were no longer afraid, he stopped interfering in the matter.

After that, Lupine ordered the bodyguards to go back and get their luggage.

With everyone busy with their work, the Blackwoods stood out like a sore thumb.
