

## MYSTERIOUS MALE ESCORT IS A MOGUL CHAPTER 960

Charlotte was extremely flurried. At this moment, Morgan walked up to her and reported, "We've received news from Lupine that Sharon has escaped."

"What?" Charlotte's face turned somber. "No one managed to catch her?"

"According to Lupine, Sharon had some outside help. It was probably Zara's men who assisted her." Morgan let out a frown before she continued, "Ben and Lupine are going after her as we speak."

"This is preposterous!" Livid, Charlotte kicked the table over.

"The Nacht family is so incompetent. They should've let Mr. Lindberg take care of this. What are they going to do now that Sharon has escaped?" Morgan was furious.

"We'll talk about this later. Let's meet up with Olivia first. We need to locate Dr. Felch as soon as possible and give his whereabouts to Marino."

Morgan nodded and replied, "I've already informed Olivia. You should go get changed. I'll get the car ready."

"Okay."

Just as Charlotte was about to head out, Robbie walked up to her with a box in hand. "Mommy, I have something to tell you. It'll only take five minutes."

"Me too," uttered Jamie, with Little Fifi behind his back.

"Okay, come here."

Charlotte gave them a loving smile.

The two of them quickly sat down on the sofa.

Robbie opened his box and took out multiple credit cards as well as a few equity documents.

“Mommy, this card here contains all the earnings from the software that I've developed a few years back. Daddy was the one who gave me the money. There's a total of a hundred and thirty million on the card.

This card here contains all the allowance given to Jamie, Ellie, and me. There's about thirty million on the card.

This card over here contains all our prize money. That includes Jamie's winnings from his martial arts competitions, Ellie's winnings from her drawing competitions, as well as my winnings from invention competitions. There's about a million on this card.

These equity documents here were gifted to us from Great-grandpa on our birthday. The assets that we got were the Fairytale Land, Apple Kindergarten, and the elementary school that we're currently studying at.

These are all our properties. You can have them all, Mommy! I've already gotten Ellie's permission too.”

“What? What are you...”

Charlotte was stupefied in place.

Robbie placed all the credit cards and documents in Charlotte's hands.

He then uttered in a serious tone, "We know you've sacrificed a lot for us. Not just you, Mrs. Berry also did her best to take care of us. She even got herself sick because of that. We are very grateful to the two of you.

"Don't worry, Mommy. You don't have to be scared of Daddy, Uncle Dan, or even Great-grandpa anymore. With this money here, we don't have to rely on anyone else. No one will be able to threaten us from now on.

"We'll be able to live happily together as a family of six, including Fifi of course.

"Mommy, we can return to the countryside and live with Uncle Judd. Or, we can even find a place where no one recognizes us and start our new lives there.

"Anyhow, we'll be the ones taking care of you from now on. You don't have to work so hard anymore, Mommy. You're free to do whatever you want!"

Jamie nodded profusely. "Yeah. Don't be afraid, Mommy. We won't let anyone hurt you. Here, take our possessions..."

Jamie scooped over to Robbie's ear and murmured, "Robbie, are we still short on money? I can sell my toys and figurines if need be."

"We have enough. Don't worry. Not to mention, I'll still be earning with my software. I'll be able to earn at least ten million a year.

With that said, you don't have to depend on others anymore, Mommy. If you're worried about our safety, we'll just hire a bodyguard, since we have the money to do so..."
