

Modern Day 221

Chapter 221: The Princess's Domineering Revenge

Only then did Xia Wanyuan look at Ruan Nian and meet a pair of eyes that revealed obvious lust.

Ruan Nian's parents did not control their son's actions at all. Instead, they defended him.

"Our son is young and insensible. You're already an adult, don't be calculative with him."

With his parents backing him, Ruan Nian became even more arrogant. "We were just casually sparring. Who would have thought that Xia Yu's body was so weak? You can't blame me for this."

"Bullsh*t! If you didn't bring more than ten people to beat me up..." Halfway through his sentence, Xia Yu received the strict gaze of the dean and retracted his hand. "beat me up together, would I have let a piece of trash like you beat me up?!"

Ruan Nian had actually planned this for a long time.

After Xia Yu entered Cat's Tooth Live-stream, he had been unstoppable and had become the most popular broadcaster on the Cat's Tooth Platform. His skills and looks had attracted a large number of Ruan Nian's fans.

Initially, at Di Fan University, everyone knew that he, Ruan Nian, was a very popular broadcaster. In the end, he became Xia Yu's accompaniment. When everyone spoke of Ruan Nian, they felt like they were watching a joke. Ruan Nian hated him to the core.

Coupled with the recent broadcast of the drama "The Long Ballad", everyone online praised Xia Wanyuan. Ruan Yingyu, who was originally the female lead, was ignored. Ruan Yingyu often cursed Xia Wanyuan at home, making Ruan Nian hate the siblings even more.

Hence, that morning, Ruan Nian had contacted his brothers in advance to wait for Xia Yu at the court. Knowing that Xia Yu was defending Xia Wanyuan, Ruan Nian said a few dirty words about Xia Wanyuan, which immediately ignited Xia Yu's anger.

This was what Ruan Nian wanted. After all, Xia Yu was the one who had started the commotion at the school. He was just defending himself.

Xia Yu and his roommates couldn't compare to the other party's dozen or so people. However, Xia Yu was ruthless and had the wildness of a wolf, which made the other party suffer quite a bit.

Although the price was Xia Yu himself being injured.

Xia Wanyuan saw Ruan Nian's expression and roughly guessed what had happened. She stepped forward and pulled Xia Yu's hand. The bruises on his arm were shocking.

Xia Wanyuan's expression instantly turned cold.

"It's nothing. It's just a small injury. If they didn't have so many people, I would have definitely beaten him until he spat out his dog teeth." Xia Yu retracted his hand nonchalantly. Because it affected his wound, he frowned in pain.

“Why are you hitting people the moment you open your mouth? Parents like you must...” Seeing Xia Yu start talking about the fight again, the dean tried to persuade Xia Wanyuan. However, unexpectedly, Xia Wanyuan suddenly moved halfway.

Ruan Nian was still looking at the full curves of Xia Wanyuan’s chest lustfully.

Unexpectedly, Xia Wanyuan suddenly turned around and kicked him off the chair.

No one present had expected Xia Wanyuan to suddenly do this. Ruan Nian’s parents reacted and hurriedly pulled Xia Wanyuan. However, Xia Wanyuan was much faster than them and pushed Ruan Nian’s arms inwards.

Ruan Nian clearly heard the sound of bones breaking in his arm and immediately screamed.

“Stop screaming. If you continue screaming, it won’t be as simple as a fracture. If you don’t want your hand anymore, continue screaming.”

When she entered, she saw that Xia Yu was covered in injuries, while Ruan Nian was fair and clean. There were no wounds at all. Since he was the one who started the matter, she should make him suffer.

Xia Wanyuan knew her limits. It hurt a lot to have his arm broken, but the injury was not serious. It was just that it would take a hundred days for Ruan Nian to properly use his hands.

Hearing Xia Wanyuan’s cold voice, Ruan Nian hurriedly shut his mouth. However, the pain of his bones breaking was practically drilling into his heart. Ruan Nian’s face was filled with hideous pain.

“Is there still any law?!!!” Ruan Nian’s parents were shocked by Xia Wanyuan’s actions. They wanted to go forward but were afraid that Ruan Nian’s arm would hurt.

“Apologize to Xia Yu,” Xia Wanyuan’s voice sounded.

“I’m sorry.” Ruan Nian was in a daze from the pain. He just wanted Xia Wanyuan to let him off quickly, so he did whatever Xia Wanyuan said.

Xia Yu was stunned by Xia Wanyuan’s actions. However, he had to admit that he felt that his sister was really cool.

“You’re already an adult, yet you still use ignorance as an excuse. No wonder parents like you raised such a son.” Xia Wanyuan glanced coldly at Ruan Nian’s parents, making one’s heart turn cold.

“Teacher, I’ll give you an explanation after I figure out what happened. I’ll take my younger brother away first.” Xia Wanyuan greeted the dean and gestured for Xia Yu to follow her.

“This, this, this...” The dean was first shocked by Xia Wanyuan’s beauty, then shocked by her valiant actions, and could not react in time.

He looked at Ruan Nian and his family, who were flustered and crying.

He was too worried. The dean felt that the Mediterranean area above his head had expanded greatly.

“Sister Xia.”

Su Mei and the rest had been waiting outside the office. They were also there when the fight broke out. However, that group of people was specially targeting Xia Yu and were targeting him. They did not have much combat ability and were completely ignored by the other party.

“Mm, hello. I’ll bring Xia Yu back to treat his wound. I’ll treat you guys to a meal when I have time.”

“Sister Xia, this is for you.” Su Mei took out a USB from his pocket. “I started recording since I met Ruan Nian. This is evidence of his provocation.”

Ruan Nian used to have a dark history of bullying others because he was a broadcaster and had some fans.

Su Mei had always hated Ruan Nian. Furthermore, as Xia Yu’s live-stream became more and more popular, Ruan Nian often mentioned Xia Yu during his live-stream. The sourness in his words filled the live-stream.

Hence, when he met Ruan Nian on the field, Su Mei deliberately paid attention and turned on the recording button on his phone. He recorded Ruan Nian’s words because he was afraid that Ruan Nian would play the blame game in the end.

“Okay, thank you.” Xia Wanyuan took the USB and smiled. Her beauty made the boys in front of her feel embarrassed.

“Sister, you’re too cool. Where did you learn those moves? Teach me.” On the car back to the manor, he recalled Xia Wanyuan’s domineering attitude just now. Although there was a wound on his face, it could not hide the look in Xia Yu’s eyes.

When he was young, he had always been the one who scolded others for being a bastard. Today was the first time someone had stood in front of him to defend him and help him fight back.

“There’s no need to force yourself to be strong next time.” Xia Yu was disappointed by Xia Wanyuan’s words. *Sister still blamed me for doing it.*

“If you can’t win, it won’t be too late to return and get reinforcements before fighting back,” Xia Wanyuan added. Xia Yu’s eyes returned to their usual brightness.

“Mm!” Xia Yu’s eyes lit up as he nodded at Xia Wanyuan.

Meanwhile, the Ruan family was in an uproar because of her precious grandson and son’s injury. When Ruan Yingyu heard about this, she got her father to call the police.

Before Xia Wanyuan returned to the manor, the relevant agents called.

Uncle Wang hung up the phone in confusion.

What did Madam do??

After a moment of confusion, Uncle Wang immediately reported this to Jun Shiling.

Chapter 222: The Princess Was Caught?

Ruan Nian had never suffered like this since he was young. He screamed loudly in the hospital.

The police received the call. Under the deliberate exaggeration of the Ruan family, the police hurriedly stepped out and intercepted Xia Wanyuan and Xia Yu's car at a traffic light.

If they were a step late, Xia Wanyuan's car would have entered the Jun family's protection and they would not have been able to find any traces.

"Are you Xia Wanyuan? We've received a report that you're suspected of intentional injury. Please come with us." The police gestured for the chauffeur to open the car window. He was caught off guard by Xia Wanyuan's face.

How could a young lady who looked so gentle and weak get reported for deliberately injuring someone else? The police were confused.

"I'll go with you. My younger brother is injured. Let him go back and bandage it first," Xia Wanyuan replied calmly and got out of the car.

Xia Yu wanted to follow Xia Wanyuan worriedly, but Xia Wanyuan stopped him with a glance. He could only sit in the car obediently.

The police car stopped in front of the traffic light, attracting a crowd.

The moment Xia Wanyuan's outstanding appearance appeared, it triggered a heated discussion.

The drama "The Long Ballad" had a certain degree of fame. A few steps after Xia Wanyuan alighted and got into the police car, she was recognized as the Heavenly Spirit Princess Shen Pei. Everyone hurriedly took out their phones to take photos.

"I actually met the Heavenly Spirit Princess Xia Wanyuan on the way today, but what did she do? She actually left with the police car."

The accompanying picture was of Xia Wanyuan following the police into the police car.

[The person in front watching the show, did she commit a crime? Don't tell me she's taking drugs? She looks a little thin.]

[The person in front, what's the matter? Have you ever seen a person who takes drugs look so rosy and energetic? It's fine if you don't have eyes, but you don't have brains either.]

[Fans of the novel are just passing by. Please separate the two dimensions from the three dimensions. Thank you. The Heavenly Spirit Princess is not Xia Wanyuan. Don't mix the two together and give us fans some respect.]

[It's a little far. Xia Wanyuan is really good-looking. The quality of the blogger's phone can't hide her outstanding temperament. She must look so good in person.]

This Weibo post that praised Xia Wanyuan for her beauty received a reply from the blogger. "I can tell you one hundred percent that she's super good-looking in person. She's ten thousand times better looking than the photos. I swear I've never seen such a good-looking person in my life!!"

After spending so much public relations fees, they had still not been able to shake Xia Wanyuan's status at all. Strawberry Entertainment had basically given up on Ruan Yingyu.

Unexpectedly, this excellent opportunity was delivered. The public relations department immediately contacted many marketing accounts.

The search term for Xia Wanyuan was originally “I am a Big Star”, but it suddenly became “Xia Wanyuan has been arrested”.

The marketing accounts posted many photos of Xia Wanyuan getting into the police car online and started rumors.

“According to sources, Xia Wanyuan was arrested for taking drugs...”

“According to someone... Xia Wanyuan...”

.....

Although there was no evidence and only “rumors”, it still caused a huge commotion. After all, the entertainment industry had never tolerated celebrities taking drugs.

Various guesses rose into the air as more and more people discussed. Many people took the opportunity to gossip about Xia Wanyuan’s past scandals.

Just as everyone was gradually getting angry at Xia Wanyuan, Ruan Yingyu posted on Weibo, pushing this anger to its peak.

Chapter 223: Locked in the Interrogation Room

Ruan Yingyu knew what her younger brother was like. Ruan Nian often played with a group of young masters in society and had often used their power to bully others.

However, this time, Ruan Nian called Ruan Yingyu and swore that Xia Yu had attacked first. Even the dean of the school thought that Xia Yu was the culprit. Only then did Ruan Yingyu relax and promise Ruan Nian that she would give him an explanation.

@ Ruan Yingyu: “@ Xia Wanyuan, as a junior, I’ve always been very respectful to you. When we were on the production team, I would even buy tea and desserts for everyone every day. But I really didn’t expect you to treat my younger brother like this!! It was just two children who had a conflict on the court. Why did an adult like you get involved and beat up my younger brother to such a state?!! (Crying) I had a good relationship with my younger brother since we were young. Now that I see Nian Nian lying in the hospital and living a life worse than death, my heart aches!!! You must give me an explanation!”

There were two photos attached to Weibo. One of them was an x-ray photo of the hospital, and one could clearly see the signs of bones breaking. The other was a direct photo of Ruan Nian’s arm. It was especially swollen, and it looked painful.

The Chinese entertainment industry was relatively more restrained. There were very few celebrities who personally went to quarrel like the foreign celebrities. No matter how deep the conflicts were usually, they could still live with dignity.

Ruan Yingyu’s direct call for Xia Wanyuan attracted many spectators.

When everyone saw Ruan Yingyu’s Weibo photos, they were all shocked.

[Oh my god!!! Does the law still exist? Xia Wanyuan is too cruel!]

[I can't believe it. One second, I was still watching her quietly sitting on the sofa and eating potato chips. She was so quiet and gentle, but the next second, she actually let me see her beat up her younger brother to this extent. That's too scary.]

[Yu'er, don't cry. Our hearts ache whenever you cry. Brother, get well quickly. Xia Wanyuan will be punished by the law. How can a woman be so cruel?]

[It hurts to watch. Xia Wanyuan has really gone too far! Isn't that 'I'm a Big Star' doing voting? Let's go and vote for her opponent and eliminate her in the first round. We can't let such a disgusting person advance.]

Everyone responded to this comment. As they denounced Xia Wanyuan, they voted for her other opponents.

Soon, everyone voted for her opponent on the first Weibo episode of "I am a Big Star", leaving Xia Wanyuan behind.

At the same time, the trending topic of "Xia Wanyuan hitting Ruan Yingyu's younger brother" was pushed up. Together with the trending topic "Xia Wanyuan was arrested", everyone finally understood why Xia Wanyuan had gotten into the police car.

The comments were filled with applause and cheers. They all hoped that the police would punish Xia Wanyuan severely.

Tang Yin and Chen Yun were dealing with the potato chips company when they suddenly changed their tune and said that Xia Wanyuan's image was bad and they wanted to stop the cooperation.

Chen Yun clicked into the trending topic skillfully and indeed saw the trending topic that made his eyes go blank.

"Oh my god, how did she beat up Ruan Yingyu's younger brother??"

"Let's go to the police station to understand the situation first. Wanyuan isn't such an impulsive person."

"Okay, let's go."

After receiving a call from Uncle Wang, Jun Shiling stopped the meeting and rushed to the police station with Lin Jing.

———

"Come here and sit properly. Tell me, why did you hit the child?" In the police station, the young policeman asked routinely.

"He started it first," Xia Wanyuan said calmly.

The young policeman looked up and met a face that was as cold as snow. His ears turned red. "You, do you have any evidence? Even if he attacked first, would it be right to fight? You can call our police."

“There was no time. He deserves a beating.”

“...” The young policeman didn’t have much experience. He was momentarily speechless by Xia Wanyuan’s words.

—

“His second uncle, look, it’s this person who beat our Nian Nian up. You must seek justice for us.”

Just as the young policeman and Xia Wanyuan were in a deadlock, Father Ruan and a middle-aged policeman walked over.

“Deputy Captain Ruan.” The young policeman stood up and bowed. He looked at Xia Wanyuan worriedly.

This Deputy Captain Ruan... His reputation in the police department was not good, but he was old and had some background. Normally, no one dared to offend him.

“Bring her to the interrogation room,” Ruan Dan pointed at Xia Wanyuan and instructed the young policeman.

“Deputy Captain Ruan, this isn’t appropriate. She’s not a suspect.” A look of disapproval flashed across the young policeman’s eyes.

“This person has a stubborn mouth and the nature of her attacks is bad. If I say you can send her over, you can. Cut the crap.”

Since he had some authority, Ruan Dan, who was used to ordering his subordinates around, felt that he had lost face in front of Father Ruan when he saw the young policeman not cooperating. Hence, he spoke to the young policeman more sternly.

“Come with me.” The young policeman had just entered the police station. Although he was extremely disapproving, he had no choice but to follow Ruan Dan’s orders.

Xia Wanyuan looked calm.

She was well-versed in the ways of politics and naturally knew that even a police station that symbolized fairness would be a little dirty.

Since the Ruan family dared to call the police even though they knew that their son had caused trouble, they must have the confidence to do so at the police station.

After what had happened to Supervisor Jin the previous time, Xia Wanyuan had Uncle Wang prepare an extremely hidden miniature recorder for her. Now, Ruan Dan’s words were recorded without a word.

Xia Wanyuan obediently followed the young policeman into the interrogation room.

This place was completely different from the outside. When she was outside taking her statement, there was only a table between the police and her. Both parties were still on equal footing.

Meanwhile, in this interrogation room, there was a chair in an empty room. In front of it was a large lamp, and in front of the room was a relatively high table. The police and the person being interrogated had a clear relationship.

"I'm not a criminal. Why are you interrogating me here?" Xia Wanyuan's eyes were filled with panic and fear. Her voice even trembled a little. One look and one could tell that she was a little girl who did not know anything about the world.

"It'll be done in a while." Ruan Dan was amused by Xia Wanyuan's fear. As expected, her calmness was just an act.

After dismissing the young policeman, Ruan Dan walked to Xia Wanyuan. "Young lady, you have to pay the price for hitting someone from my Ruan family. Go in and confess as soon as possible, then you won't suffer so much. If you don't confess, you'll suffer."

With that, Ruan Dan pushed Xia Wanyuan into the interrogation room.

Chapter 224: Hero Saving the Beauty

The moment Xia Wanyuan entered, the light in the interrogation room lit up. Xia Wanyuan had never understood the modern police system, so this was the first time she was illuminated by such a bright light. She was stunned for a moment and narrowed her eyes in discomfort.

"Tell me, why did you cause trouble and deliberately hurt Ruan Nian?" Ruan Dan knocked on the table hard. The heavy sound of a blow echoed in the empty interrogation room.

"I'm not a criminal. What right do you have to lock me up here?"

At that moment, the Xia Wanyuan in Ruan Dan's eyes was no longer as frightened as before. Instead, she was very calm. Confusion flashed across Ruan Dan's eyes, but when he thought of the three million Ruan Baoer's father had promised him, he suppressed the uneasiness in his heart.

"Xia Wanyuan, I'll be honest with you. I've temporarily switched off the camera here. You're so tender. If I give you a sentence or something, you won't be able to take it. Do you see this piece of paper? Sign on it and I'll let you go."

Ruan Dan had been outstanding in the field of criminal investigation in the early years. Now that he was speaking to Xia Wanyuan in a domineering manner, if it was an ordinary person who was intimidated under such an environment, their mental defenses would definitely collapse.

Unexpectedly, Xia Wanyuan did not look afraid at all.

Even though he sat high and Xia Wanyuan sat low, Xia Wanyuan's indifferent gaze made him look like he was the one who was at the bottom.

"Speak!" Ruan Dan touched the baton beside him and knocked it hard on the table, causing his hand to turn numb.

Xia Wanyuan's eyes turned cold. She entered a state of alertness and put down her crossed legs.

Get lost.” Xia Wanyuan’s red lips parted slightly as she spat out two words. Her gaze carried a sharpness as she pointed at Ruan Dan.

“I think you’re refusing...” Ruan Dan was angered by Xia Wanyuan and stood up.

Bang!! The door of the interrogation room was kicked open. Ruan Dan stopped midway and looked at the door angrily. *Who was so blind to dare to come over at this time?*

In the end, he saw an extremely cold man in a suit walk in. The light at the door was a little dim, so he could not see the person’s face.

“Who are you?” Ruan Dan roared.

However, he did not expect that the cold man did not even glance at him and walked straight to Xia Wanyuan.

Seeing Xia Wanyuan frown slightly due to the strong light, Jun Shiling’s eyes turned as cold as ice. Lin Jing walked to the side and switched off the light.

What are you doing?!” Ruan Dan was about to speak when the cold man, who had his back facing him, suddenly turned around.

Seeing that handsome face, Ruan Dan was first stunned, then the fear in his eyes grew.

Isn’t this the richest man in China, Jun Shiling!!! He’s someone I can’t afford to provoke in my life!

Jun Shiling’s eyes turned cold when he saw Ruan Dan’s baton.

“You want to hit her?”

“I, I...” No matter how stupid Ruan Dan was, he could tell from Jun Shiling’s expression that he was extremely angry.

Didn’t they say that Xia Wanyuan was just a little celebrity whose family had gone bankrupt?! Why was she related to Jun Shiling?!

“CEO Jun, I’m sorry. I just found out that you were here.” A middle-aged man rushed in.

“Minister Zhou.” Jun Shiling nodded slightly at the person.

“Minister Zhou?” Ruan Dan watched his superior appear and thought to himself, *‘It’s over.’*

He felt sick and couldn’t even hold the baton.

Chapter 225: Counterattack

“Minister Zhou, you have to properly manage this police station. You have to explain this private criminal hall.”

“Yes, yes, yes. I wasn’t strict enough. Don’t worry, I’ll definitely investigate this matter thoroughly.”

Only then did Jun Shiling turn around and help Xia Wanyuan up. “Let’s go back.”

“Mm.” Xia Wanyuan stood up. She had been illuminated by the strong light for too long and was a little dizzy, so she walked with Jun Shiling’s help.

However, when she reached the door, Xia Wanyuan suddenly stood still. “I was illuminated by that light for ten minutes.” Xia Wanyuan pointed at the big lights in the house that had already been turned off.

“Ruan Dan setting up the punishment hall is a crime worthy of its name. We will interrogate him here.” For Minister Wang to be able to sit in this position, his ability to observe people’s expressions was naturally top-notch. He hurriedly responded.

Only then did Xia Wanyuan turn around.

The moment Jun Shiling and the rest left, Ruan Dan was detained and interrogated for a full ten hours in the interrogation room before stopping. When they left the interrogation room, Ruan Dan felt that his eyes were filled with halos.

“Are you feeling better?” Jun Shiling looked at Xia Wanyuan worriedly.

“I’m fine.” She was still a little dizzy when she left the police station just now. Now that she had adapted to the light outside, she was fine.

Chen Yun and Tang Yin experienced the long traffic jam in Beijing and finally arrived at the police station. However, they were told that Xia Wanyuan had been taken away.

The two of them thought about it and guessed that it was Jun Shiling. Only then were they relieved.

When they returned to the manor, Xia Yu was wrapped up like a dumpling with bandages all over him.

Xiao Bao squatted curiously by the sofa and carefully touched Xia Yu’s bandage. “Uncle, are you a mummy? You’re so cool.”

“Jun Yin, your uncle is injured. Don’t touch him,” Jun Shiling scolded softly, afraid that Xiao Bao’s hand would not be gentle.

“Okay.” Xiao Bao retracted his hand, his big eyes filled with concern. “Uncle, does it hurt? I’ll blow on it for you.”

With that, Xiao Bao gently blew on Xia Yu’s bandaged hand. His cheeks puffed up cutely.

“Master Jun, Madam, I’ve already treated Young Master Xia’s wound. It’s just a superficial wound. You don’t have to worry too much, he’ll be fine after resting.”

Shen Xiu instructed as he packed his tools.

“Thank you for your hard work.” Xia Wanyuan walked forward and was relieved to see that Xia Yu was fine. “Have you taken the photos I asked you to take?”

“I did. I asked Doctor Shen to take it for me. Sister, let me tell you. That photo looks too terrible,” Xia Yu said and wanted to show Xia Wanyuan the photo on the table.

“Uncle, don’t move. I’ll get it for you.” Xiao Bao sensibly handed the phone to Xia Wanyuan. Xia Wanyuan clicked on it and saw that the wound had been photographed so shockingly. Xia Wanyuan looked at Shen Xiu in admiration.

Not only did Doctor Shen have high medical skills, but he also had excellent photography skills.

The commotion on Weibo grew. Although Ruan Yingyu and Xia Wanyuan were not big celebrities, the show-watchers would never let a female celebrity beat up another female celebrity’s younger brother and two female celebrities tear each other apart.

Seeing that there was no response from Xia Wanyuan’s side for a long time, everyone rushed to the Weibo account of the Yangan District Public Security Bureau that had taken Xia Wanyuan away, urging the Public Security Bureau to quickly give the public an explanation.

At the same time, Tang Yin and Chen Yun finally sorted out the information and evidence that Xia Wanyuan had sent over.

“Send it?”

“Send! Let’s see how they will argue this time.”

Hence, just as public opinion was about to boil, Xia Wanyuan’s Weibo suddenly updated.

Chapter 226: The Truth is Revealed

There were already many people squatting under Xia Wanyuan’s Weibo to denounce her, but they suddenly realized that Xia Wanyuan had a new post.

Many of Ruan Yingyu’s fans directly attached the copied documents and occupied the popular comments on Xia Wanyuan’s Weibo.

[Xia Wanyuan is vicious. Xia Wanyuan is cruel. Xia Wanyuan beat someone up.]

[To think that our Yu’er took care of you so well on the production team and even bought you food. In order to take care of your time, she even specially delayed her schedule. No matter how ungrateful you are, you shouldn’t be like this. # Xia Wanyuan Get Out of the Entertainment Industry #]

[You have to give Ruan Yingyu an explanation for this!! Why did you hit her!]

[You’re a girl too. How can your heart be so vicious! Ruan Nian is still a child, how can you bear to do it?!]

[I came after watching the video. The people in front are all fake reviewers that Ruan Yingyu bought, right? As expected, disgusting people belong to the same family. Ruan Nian is disgusting, Ruan Yingyu is disgusting too. Retch.]

[What a good way to play the blame game. Ruan Nian and Ruan Yingyu have really refreshed my worldview. I vomited. Xia Wanyuan ,sorry, I shouldn’t have scolded you.]

Other than the comments from Ruan Yingyu’s fans who had been trending in the beginning, the others were all apologizing. Passersby who had been attracted by the trending topic clicked on the video.

Tsk, tsk. What a disgusting Ruan Nian. What a bitchy Ruan Yingyu.

The video timed the entire incident.

At first, it was Ruan Nian's words. In his words, he had humiliated Xia Wanyuan to the extreme. All sorts of filthy words were written, making it difficult for people to believe that these were words said by a university student.

Then, the video responded to Ruan Yingyu's doubts about Xia Wanyuan hitting someone.

The first thing was to get an authoritative expert to interpret the extremely terrifying X-ray scan. The expert pointed out that it was actually an extremely light fracture. It would be fine after a period of rest. It was not as serious as what the outside world had said.

Then, the video released the recording of Xia Wanyuan's father and Ruan Dan colluding and setting up a private punishment hall in the police station to recruit Xia Wanyuan.

At the end of the video were many photos of Xia Yu. From his face to his feet, there were bruises everywhere, making him look extremely terrifying. After being bandaged, he looked like a mummy, exuding a strong sense of pity.

At the end of the video, there were four large red words. "The innocent will be innocent."

After watching this video, the netizens silently began to flip through their comments that had denounced Xia Wanyuan. After deleting these comments, they began to apologize on Xia Wanyuan's Weibo.

[I'm sorry, I take back the comment just now. I didn't expect that this was actually directed and acted by the Ruan siblings. It's too disgusting.]

[I've wronged you. You hit a scumbag like Ruan Nian too lightly! You should slap his mouth into pieces! I'm going to vomit from listening to you. Such a person is simply embarrassing men.]

[The Ruan family is really disgusting from top to bottom. Has that Captain Ruan become lawless? Does he treat the police station as his home and act so recklessly?? Xia Wanyuan didn't suffer any harm, did she?]

[Oh my god, Xia Yu's injuries are making me cry. If my younger brother was beaten up like this, I would have eaten the person opposite me alive. That's too much!! Xia Wanyuan is too gentle!! Ruan Nian that idiot, die!]

[Xiaoyu's injury looks so serious. My heart aches so much. Oh my god, how could Ruan Yingyu have the cheek to lie to the public with a mild fracture and gain sympathy! Ruan Nian beat Xia Yu up to this extent! I'm so angry!! Stupid white lotus!]

As this video spread, the public opinion gradually rebounded, and it was even higher than before.

Ruan Nian's foul words made everyone question Di Fan University. What Ruan Dan did in the police department aroused everyone's doubts about the public trust of the police department.

At this moment, it was no longer a simple fight between female celebrities. Other than netizens, many media outlets also followed this matter and reported it one after another.

Not long after, Di Fan University responded and revoked Ruan Nian's school qualification.

The Yang An District Public Security Bureau also quickly released a statement saying that they had already removed Ruan Dan from his post. The subsequent results would be released on Weibo and would accept the public's supervision.

At this moment, the heated fight finally subsided.

—

"Mom, I want to eat fish. Go and buy me a fish in the afternoon." Ruan Nian groaned in pain as he sat on the bed with his arm hanging.

He felt as if there were hundreds of millions of needles stabbing into his arm. *How could it be a slight fracture?!* He felt that he was going to die of pain, but the doctor said that the result of the examination was a slight fracture and that he would be fine after resting.

"Okay, good child. I'll buy it for you." Mother Ruan was about to leave when Father Ruan hurriedly pushed open the door and entered.

"Hubby, how is it?"

"How is it? Look at your good son!!" Father Ruan's expression was as dark as ink. "You unfilial son, who did you provoke?!"

He was originally leisurely waiting for news of his relatives at the police station, but who would have thought that no one would come? He went to the police station to ask and Ruan Dan was actually fired and sent to the interrogation room?

Before he could understand what was going on, he received a call saying that all his clients had stopped working with him. An old partner reminded him that he had provoked an important person.

Only then did he think of Xia Wanyuan, who had been sent to the police station.

"How is that possible, Dad? The Xia family is already bankrupt. What's there to be afraid of? Dad, I want to eat fish," Ruan Nian said nonchalantly.

"Eat fish!! In the future, you can only sell fish, you unfilial son. You caused the death of your entire family!" Father Ruan was so angry that his heart choked. His blood pressure soared and he fainted on the ground.

Only then did Mother Ruan and Ruan Nian panic. They hurriedly went to look for the doctor. It was chaotic.

—

Ruan Yingyu had also learned the truth from her manager. Facing the criticism online, Ruan Yingyu had no choice but to send an apology statement saying that she had panicked because she loved her

younger brother and had not had the time to ask about the situation, so she had said something in a panic and accidentally injured Xia Wanyuan.

However, the statement that she had posted at this moment was clearly useless. Other than her fans who were still protecting her, most of the netizens were very angry at themselves for being fooled.

On the contrary, those who had once insulted Xia Wanyuan, after the tables turned, out of guilt, some people became Xia Wanyuan's fans.

The fact that Xia Wanyuan had beaten Ruan Nian up for Xia Yu had become everyone's cute point. Many of the Esports fans that Xia Yu originally had did not like Xia Wanyuan. After this incident, their impression of Xia Wanyuan had changed greatly.

As for Xia Yu's technical male fans, they regarded Xia Wanyuan as their goddess.

Who wouldn't want to have an extremely beautiful sister who would help them fight back when they were bullied?

The sourness ended everything.

— —

The house was in chaos, and the internet was filled with ridicule. The company had basically given up on her. Ruan Yingyu hated Xia Wanyuan to the core. After thinking about it, Ruan Yingyu felt that her only chance was on Xuan Sheng. As long as she could get his support, she would definitely be able to make a comeback.

Thinking of the promise she had made with Xuan Sheng, jealousy flashed across Ruan Yingyu's eyes. *Xia Wanyuan, you made me go to hell. I will drag you down with me even if I die.*

Chapter 227: Driving

Xia Yu was injured, so he did not return to school for the past few days. Instead, he stayed in the manor to recuperate.

Xia Yu was still a child. After the blood clot in his wound slowly healed, he began to jump around and play with the little dumpling every day.

Xia Wanyuan was happy that Xiao Bao stopped pestering her to play games with him. In the end, she unexpectedly received Tang Yin's notice.

"A gala?" Xia Wanyuan asked curiously.

"That's right. Wanyuan, prepare yourself. The time is set for the night after tomorrow at the Hong'an Hall. When the time comes, Chen Yun and I will come and pick you up. This is your first red carpet event, so you have to take it seriously."

"Alright."

The drama "The Long Ballad" had already broadcasted one-third of the content. Director Yang himself was a director with very high standards. He had grasped the rhythm of the drama very well, and the core lead actor, Qin Wu, had molded the role very well.

In addition, the Heavenly Spirit Princess was stunning and her little junior sister was lively and cute.

The momentum of this drama had always been relatively good, and its results had almost beaten other dramas in the same period.

Although Ruan Yingyu's image had been damaged in the past few days, it was still a drama majorly involving the male lead. Since Qin Wu had not collapsed, it did not affect the drama much.

The award ceremony was a mid-year gala held by Apple Video.

Because of the potential of "The Long Ballad" television drama, Apple Video had a single annual potential award, so all the main cast of "The Long Ballad" needed to attend this gala.

Not long after Xia Yu and Xiao Bao played, Xiao Bao was taken away.

Xiao Bao was nurtured as the successor of the Jun Corporation. Jun Shiling had given him a lot of missions and he had to receive all sorts of lessons on additional skills every weekend.

Xia Wanyuan's heart ached for him. She had also asked Xiao Bao if he was tired. Xiao Bao puffed up his cute face and said in all seriousness, "I want to study hard. When I grow up, I'll protect Mommy." Xia Wanyuan was both amused and touched.

"Sister, I'm so bored. Bring me out for a walk."

After Xiao Bao left, the manor returned to silence. Xia Yu, who had been cooped up in the house for the past few days and couldn't go anywhere, was about to fall ill.

Furthermore, Xia Yu was especially afraid of Jun Shiling. When Jun Shiling came back from work, he would be even more afraid to speak. It was just nice that Jun Shiling was not back yet, so he wanted to go out for a walk.

"Where do you want to go?"

Xia Wanyuan rarely went out either. Upon hearing Xia Yu's suggestion, she had some thoughts.

"I'm covered in bruises. It's not a serious injury. It's nothing. I'll drive you out for a spin." Living in school every day, Xia Yu had not touched the car in a long time. Now that he had been cooped up in the manor for so long, his hands were itchy.

"Sure."

Hearing Xia Yu mention this, Xia Wanyuan suddenly recalled that the original owner of this body also had a driving license. Ever since she came to the modern world, she had always been in other people's cars and had never driven one herself. Now, her interest was piqued.

"Wow!!!!"

Xia Yu exclaimed when he followed Xia Wanyuan to the garage of the manor. Rows of cars were parked on both sides of the garage.

Any one of them was either already out of production or a global limited edition.

Xia Yu used to like to play with cars too, but his finances were limited, so he could only watch.

Now, basically all the dream cars had appeared in front of him, and Xia Yu's eyes lit up.

"Sister, come up. I'll take you!" Xia Yu chose the Koenig he had dreamed of and waved at Xia Wanyuan.

"I'll drive myself. Just lead the way."

Unexpectedly, Xia Wanyuan opened the nearest red Bugatti Veyron and coolly sat in it.

Chapter 228: Enemies on a Narrow Road

"Sister, can you do it?" Xia Yu was very suspicious of Xia Wanyuan's skills.

"Try it." Sitting in the extremely designed sports car, Xia Wanyuan felt that the experience was completely different from her driving. It was novel and exciting.

"Okay!" Xia Yu started the car.

This world-class luxury car that had been used as a decoration in the garage for a few years was finally going to see the light of day.

Following the original owner's memory, Xia Wanyuan started the car a little awkwardly.

Worried about Xia Wanyuan, Xia Yu drove slowly at first. However, he slowly realized that Xia Wanyuan's driving skills were not bad, so he gradually increased his speed.

Beijing was a place where rich people gathered. There were many luxury cars in the car.

However, the appearance of two top-notch sports cars attracted everyone's attention.

Xia Wanyuan was extremely talented and learned everything quickly. In addition, the original owner of the body had a foundation from the past. Not long after, Xia Wanyuan became very proficient.

Even though they passed by a bustling city center, Xia Wanyuan drove steadily.

Soon, the car left the city. There were many sports car lanes in the suburbs that were specially set up for sports car lovers. After all, there were all kinds of speed limits in the city.

Xia Yu gradually increased his speed. The car roared and drove at an extremely fast speed.

Xia Wanyuan followed closely behind, feeling the wind blow against her face.

The feeling of driving and riding were similar, but there were also differences. However, it was undeniable that both of them made one feel unrestrained from the inside out.

Xia Yu led the way happily. Xia Wanyuan followed closely behind him and did not fall behind.

After driving for about twenty minutes, they were already very far from the city. Xia Yu turned around and brought Xia Wanyuan back, only to realize that there were three sports cars blocking the road.

"Wow ~ Koenigsegg One: 1. Nice car."

A few young people who were resting by the roadside watched the sports car speed over and whistled. They were just about to see who was driving such a NB car when someone they were familiar with alighted from the car.

“Xia Yu?!!!”

Xia Yu wanted to see who was so immoral, but when he came down, it was indeed someone immoral.

“Hey, isn’t the Xia family bankrupt? Xia Yu, you’re even driving a Koenigsegg. Impressive. Who did you hook up with this time?” The person who spoke was Wang Hao, who had fought with Xia Yu last time.

Xia Yu found the people around Wang Hao familiar. They were good friends with Ruan Nian, who had fought on the basketball court last time.

“Hmph, I was wondering who it was. A bunch of roadblocks.” Xia Yu glanced at them coldly.

Xia Wanyuan stopped the car beside Xia Yu. “What happened?”

Xia Wanyuan was wearing sunglasses, so the few of them didn’t recognize her for the time being. They only felt that this woman was extremely beautiful.

Wang Hao had never gotten along with Xia Yu, and his heart ached. *How could a little bastard like Xia Yu drive such a good car and have such a beautiful woman accompany him?* “Tsk, little bastard, is this the rich woman you recently hooked up with?”

Xia Wanyuan turned around and glanced at Wang Hao. Even though Xia Wanyuan was wearing sunglasses, Wang Hao could still feel the coldness in her eyes.

“Sister, let’s go back. Don’t lower yourself to their level.” If it was in the past, with Xia Yu’s character, he would definitely fight them. However, there were many people on the other side and Xia Wanyuan was here. He didn’t want to fight with them.

“You want to go back? It won’t be that easy, will it? Fly over from this road if you dare.” Wang Hao smiled disdainfully. They had parked their car casually and wanted to rest by the roadside before leaving. Who would have thought that they would bump into Xia Yu?

The three cars coincidentally blocked the road.

Xia Wanyuan sat back in the car. “Xia Yu, follow me.”

Chapter 229: Master Jun Must Be Coaxed

Sister?” Xia Yu didn’t know what Xia Wanyuan was up to and looked at her in confusion.

“Let me ask you again. Are you sure you don’t want to move?” Xia Wanyuan rolled down the car window and asked Wang Hao and the others.

The others looked at Xia Wanyuan’s aura and felt a little guilty. After all, someone who could afford to drive a top-notch sports car had a strong background.

However, Wang Hao’s family background was good to begin with. Besides, he had already recognized that the woman in sunglasses was Xia Wanyuan. *What kind of background did she have? Was she someone’s mistress? How could he not know of Xia Wanyuan’s background?*

“Pfft, you’re putting on an act. If you can pass through here today, I’ll eat this car.”

“Okay.” Xia Wanyuan stopped talking to Wang Hao and slowly reversed the car. She didn’t stop until she was about a thousand meters away from Wang Hao.

Not only did Wang Hao and the rest not understand what Xia Wanyuan was trying to do, but even Xia Yu did not.

Xia Wanyuan adjusted the angle slightly and stepped on the accelerator abruptly. Her speed was raised to the limit.

Everyone present knew how to play with cars. Upon hearing the thunderous roar, they knew that Xia Wanyuan had increased the speed of the car to an extremely high level.

“Oh no, move away.” Wang Hao and the others finally understood what Xia Wanyuan was trying to do. They quickly stepped aside.

The fast-moving sports car was as fast as lightning. Before Wang Hao and the others could retreat far, the red sports car arrived like a beast.

The extreme speed formed a tremendous force. Under this force, the sports cars parked on the road had no room to resist.

After a huge collision, only one of the three cars was left.

The two cars outside were sent flying far away. As they were lifted and rolled on the ground for a long time before stopping, the two cars had already severely deformed.

Wang Hao looked at the deformed “Venom” in horror and pain. His heart was bleeding. *I had just bought it at a high price!!!*

Xia Yu was stunned. “How cool!”

Seeing that Xia Wanyuan’s car had driven far away, Xia Yu hurriedly started the car. Before he left, he rolled down the window. “I won’t watch you eat the car anymore. Enjoy yourself.”

Before Wang Hao could speak, Xia Yu had already stepped on the accelerator and left, leaving behind only the exhaust fumes of the car.

It was almost evening when they returned to the manor.

Jun Shiling, who was usually not home at this time, was sitting in the gazebo in the manor.

Jun Shiling heard the sound of a sports car from afar. He looked up and saw Xia Wanyuan driving a red sports car into the manor.

Xia Wanyuan and Xia Yu parked the car in the garage. Xia Yu looked at the deflated car and recalled Jun Shiling’s figure sitting in the gazebo just now. His heart trembled for no reason.

“Um, Sister, I still have homework to do. I’ll go back to my room first. I won’t be eating dinner.” With that, Xia Yu slipped back into the house.

Xia Wanyuan walked into the gazebo and Jun Shiling poured her a cup of tea.

“You went out to play?” Jun Shiling looked up, his expression unreadable.

“Mm, I drove for a while. I’m sorry, I broke your car. I’ll fix it for you.” Xia Wanyuan took a sip of tea.

“How did you break it?” Jun Shiling asked leisurely.

Xia Wanyuan then told Jun Shiling about meeting Wang Hao and the others.

Xia Wanyuan did not notice that as she gradually spoke, Jun Shiling’s expression had slowly darkened.

“Mm, you’ve grown capable,” Jun Shiling replied after Xia Wanyuan finished speaking.

“How?”

“You drove yourself to knock into someone’s car. Impressive. Did you forget that you promised me that you wouldn’t put yourself in danger again?” Jun Shiling spoke extremely slowly, but there was a deeper coldness in his tone.

His deep eyes were like bottomless wells, making one inexplicably afraid to look straight at them.

“I calculated it. I bumped into it because I knew it was fine.” Xia Wanyuan felt a little guilty and did not dare to look straight into Jun Shiling’s eyes.

However, it was fine if she did not explain. The more she explained, the worse Jun Shiling’s expression became.

Jun Shiling suppressed his anger and did not want to speak to Xia Wanyuan anymore.

However, he did not want to throw a tantrum either. After the previous argument with Xia Wanyuan, he had reflected on himself and made up his mind that no matter what, he would not do it again.

However, this woman was really infuriating. How fast and how strong must she be to send the two sports cars flying?

If the road was uneven, if she could not knock open those two cars, Xia Wanyuan’s own car would fly out.

Ever since Uncle Wang called him and told him that Xia Yu and Xia Wanyuan had gone out in their sports car, he had been feeling uneasy during meetings.

In the end, when he came back to take a look, he realized that this woman had indeed made him worry. Now, she was still acting indifferent, which made him even angrier.

“Drink tea.” Jun Shiling was angry, but he did not want to vent his anger on Xia Wanyuan, so he could only drink two cups of tea.

Although Jun Shiling tried his best to suppress it, Xia Wanyuan could still tell that Jun Shiling was a little angry.

For some reason, Xia Wanyuan felt a strange sense of cuteness.

“Hey.” Xia Wanyuan poked Jun Shiling’s arm.

“What’s wrong?” Jun Shiling felt that he had really lost to Xia Wanyuan. He was clearly angry just now, but after Xia Wanyuan poked him gently and cutely, he suddenly felt his heart melt.

“I’ll take you out for a spin after dinner. I’ll show you my skills. Don’t worry too much, okay?”

“Mm.”

Jun Shiling, who had just wanted to pack up all the sports cars in the garage and send them away, looked into Xia Wanyuan’s eyes and agreed without any enthusiasm.

Xia Yu played games in his room for a while. Seeing that no one was punishing him, he went downstairs happily to get drinks.

Unexpectedly, just as she walked downstairs, she saw Uncle Wang walk in with seven or eight people.

“Uncle Wang, what are you doing here?” Xia Yu opened the bottle and gulped down a mouthful of coke.

“Young Master was afraid that you would delay your homework, so he specially invited famous teachers from all subjects to tutor you.”

“What?!!!!!!” Xia Yu choked on Uncle Wang’s words before he could swallow the cola. “Cough, cough, cough.”

“Drink slowly. Don’t choke. This is the schedule Young Master made for you. Take a look.”

Xia Yu took the timetable and looked at it. From eight in the morning to eight in the evening, there were classes everywhere.

Heavens!!!

Xia Yu felt hopeless. The coke in his mouth was no longer sweet!

Xia Yu carried his timetable pitifully and went upstairs surrounded by eight teachers.

— —

The award ceremony for Apple Video had always been filled with celebrities. After Apple Video announced this news to the outside world, it immediately aroused the expectations of the public.

However, there were also attentive people who realized that the drama “The Long Ballad” that had not finished broadcasting was actually among the invited.

Chapter 230: Does It Look Good? Look More

[I’m looking forward to it. It’s time to see handsome men and beautiful women again.]

[Hasn’t “The Long Ballad” not finished broadcasting yet? How can it be on the list of gala events?]

[I heard that it’s because the statistics is okay. I haven’t seen Qin Wu walk the red carpet in a long time. Wow, wow, wow, wow, Brother in a suit is going to steal my heart again.]

[I’m looking forward to Yuan Yuan’s red carpet show!! I can see the beauties open for business again! Ahhh, why is time passing so slowly? I really want the gala to happen now!]

Under normal circumstances, some fan slots would be reserved for gala events like this. Because there were too many celebrities, these fan slots were usually difficult to get.

By the time Xia Wanyuan's fans reacted and wanted to rush to the scene to support her, all the tickets had been snatched away.

"It's over. When the time comes, everyone else will have fans to support them. What will happen to our Yuan Yuan?"

The fans were already so worried that a few of their hair had fallen off. It was too difficult for them to chase celebrities late.

— —

After Xia Yu was taught by a few teachers in an eight to one ratio, he felt dizzy. He swore that he would never dare to bring Xia Wanyuan out again.

Because he was still injured, the teachers had left early. Xia Yu pushed open the door and looked downstairs. After confirming that Jun Shiling was not around, Xia Yu walked to the first floor to get something to drink.

Just as he took a sip, Xia Yu instinctively looked behind him. Jun Shiling was sitting quietly on the sofa not far away.

Meeting Jun Shiling's cold gaze, Xia Yu almost spat out his cola. However, in consideration of Jun Shiling, he swallowed it again.

"Burp." Xia Yu's heart raced. *I don't want to drink coke anymore!*

"Come here," Jun Shiling said.

Xia Yu knew that he was going to criticize him and felt guilty. He moved towards the sofa and sat down. He could feel the coldness emanating from Jun Shiling.

"Brother-in-law, I promise I won't mess around in the future!!"

Before Jun Shiling could speak, Xia Yu admitted his mistake.

What Jun Shiling wanted to say was stopped by Xia Yu's "brother-in-law".

"Is that okay? I promise!! I was wrong, Brother-in-law."

Xia Yu only wanted to get close to Jun Shiling. He didn't expect that it was this 'brother-in-law' who saved him.

"If there's a next time..." Seeing how sincere Xia Yu was in admitting his mistake, Jun Shiling did not plan to say anything else.

"If there's a next time, you can do whatever you want with me." Seeing that Jun Shiling had loosened up, Xia Yu immediately tried to test him. "Brother-in-law, look at my injuries. It's not convenient for me to attend classes. Can you arrange fewer classes for me?"

"Just pick two teachers to teach you according to your needs."

"Okay! Thank you, Brother-in-law!"

Xia Yu suddenly felt that Jun Shiling was quite easygoing.

Because of his injury, Xia Yu had taken leave from the platform without any qualms and temporarily stopped the live broadcast. After dinner, he went to play with Xiao Bao's toys.

Xia Wanyuan glanced at Xiao Bao, who was playing happily and had not noticed her at all. She waved at Jun Shiling, who followed Xia Wanyuan out the door.

"You didn't have enough fun in the day, did you?" After leaving the house, Jun Shiling glanced at the eager Xia Wanyuan and said leisurely.

"How do you know everything?" A hint of embarrassment flashed across Xia Wanyuan's eyes.

In her previous life, what she liked the most was riding horses on the plains. That extreme speed could bring endless joy.

It was not that convenient to ride a horse in the modern world. It was only after riding with Xia Yu today that Xia Wanyuan realized how reckless the modern world was.

The Bugatti Veyron that she had seen earlier in the day had already been deformed. Xia Wanyuan chose another Shelby Supercar. Its extremely sci-fi appearance made Xia Wanyuan's eyes light up.

Xia Wanyuan got into the car and familiarized herself with the equipment in the car. Jun Shiling opened the door and got in too.

This was the first time in 25 years that Jun Shiling had sat in the front passenger seat.

"Are you ready?" Xia Wanyuan turned her head with a smile in her eyes.

"Mm."

Xia Wanyuan stepped on the accelerator and the top-notch sports car raised its speed almost instantly.

The white sports car drove out of the manor like a stream of light.

It was getting closer and closer to summer, and the air at night was a little hot. Xia Wanyuan opened the roof and the night wind blew against her face, bringing a hint of coldness.

Xia Wanyuan had specially chosen a road that had very few people, and she drove as fast as she could. The wind blew her hair around her temples. At that moment, Xia Wanyuan, who was holding the steering wheel, had a willful and carefree heroic spirit that stunned Jun Shiling.

Xia Wanyuan drove back after an hour of driving.

"You can take the way back." Xia Wanyuan drove for a while before suddenly stopping by the roadside and looking at Jun Shiling.

"Okay, take a rest then."

Jun Shiling got out of the car and switched seats with Xia Wanyuan. Xia Wanyuan was happy to be idle. She let the cold wind blow on her and looked at the night sky that whistled past her.

However, gradually, her gaze was attracted by Jun Shiling beside her.

Jun Shiling was very serious in everything he did. At that moment, Jun Shiling was focused in the distance. There was a hint of wantonness in his elegance, making it difficult for one to look away.

The sports car gradually slowed down. Only when it slowly stopped did Xia Wanyuan react.

“Why did you stop?” Xia Wanyuan asked curiously.

“How am I supposed to drive if you keep staring at me?” Jun Shiling looked at Xia Wanyuan helplessly with a smile in his eyes.

The thought of Xia Wanyuan’s gaze fixed on him made Jun Shiling’s heart surge. How could he calm down and drive?

“You look good yet you don’t let other people look at you.” Xia Wanyuan teased with a smile.

Upon hearing Xia Wanyuan’s words, Jun Shiling’s deep eyes rippled. He quietly closed the roof of the car, and the space in the car instantly became narrow.

It was charming and gentle.

“Do I look good?” Jun Shiling turned his head and asked calmly.

“Yes.” Xia Wanyuan nodded. She had said this from the bottom of her heart. Jun Shiling was originally very good-looking, and with his elegant aura, he really deserved to be called a gentleman.

“Then take a closer look,” Jun Shiling said. He suddenly leaned towards Xia Wanyuan and stopped about ten centimeters away from her. There was a faint smile in his eyes, but it had a different charm.

Xia Wanyuan’s gaze swept across Jun Shiling’s thick eyebrows and his tall nose bridge.

“You’re still good-looking.” Xia Wanyuan nodded seriously.

Jun Shiling was amused by her expression. His eyes softened and the corners of his lips curled up.

She was breath-taking.

“Xia Wanyuan.” Jun Shiling seemed to like calling her by her full name. Every word rolled across the tip of his tongue, and when he spoke, it had a lingering taste.

“What’s the matter?”

“Not as good-looking as you.” Jun Shiling’s deep eyes stared at Xia Wanyuan. The corners of his lips were still slightly curved, but his eyes were filled with seriousness.

However, Xia Wanyuan, who had lowered her head shyly, did not see the brilliance in Jun Shiling’s eyes.
