

Modern Day 661

Chapter 661: President Jun: Don't Say that I'm a Child

Hearing Xia Wanyuan's words, Jun Shiling opened his mouth and sat on the chair.

Xia Wanyuan took the toothbrush and helped Jun Shiling brush his teeth like she was taking care of Xiao Bao.

Pfft." Xia Wanyuan suddenly laughed out loud.

"2" Jun Shiling looked confused.

"CEO Jun, you're like a little kid now." Just like Xiao Bao, he looked a little cute.

"Jun Shiling saw the teasing look in Xia Wanyuan's eyes. He didn't say anything, but he silently bit the toothbrush.

Xia Wanyuan gently twitched twice. Realizing that Jun Shiling wasn't going to let go, she smiled helplessly. "You're so childish."

Jun Shiling still refused to budge.

"If you're not going to let go, then brush your teeth yourself. Anyway, you injured your left hand, so you can brush your teeth yourself." Xia Wanyuan mercilessly exposed Jun Shiling's trick.

".."Jun Shiling silently let go.

Xia Wanyuan looked at Jun Shiling and suddenly remembered something An Rao often said.

Ha, man.

Today, if Xia Wanyuan were to evaluate Jun Shiling, she would say that he was arrogant because he was favored.

Jun Shiling insisted that Xia Huanyuan wash his face for him. Before he slept, he had to listen to Xia Huanyuan tell stories.

"Jun Shiling, are you three years old? Xiao Bao won't even let me tell him bedtime stories." Xia Wanyuan heartlessly rejected Jun Shiling's request.

Then, Jun Shiling reached out his scalded left hand and tucked Xia Wanyuan in.

"Til tell you, alright?" Xia Wanyuan compromised.

A good night's sleep.

The next morning, when Xia Wanyuan opened her eyes, she saw Jun Shiling sitting on the bed in his pajamas. Seeing Jun Shiling's gaze, Xia Wanyuan instantly had a bad feeling.

"Sigh, my hand is injured and I can't wear clothes anymore." Jun Shiling lowered his eyes.

"Xia Wanyuan glanced at the wound on Jun Shiling's left hand, which was less than half a centimeter long. I shouldn't have been so worried yesterday.

Xia Wanyuan had no choice but to get up to get Jun Shiling some clothes.

Jun Shiling's clothes were all white shirts and black trousers. Xia Wanyuan quickly returned with a set of clothes.

'When she unbuttoned his pajamas, she touched Jun Shiling's muscular upper body. Xia Wanyuan felt her face heat up.

She helped Jun Shiling put on his shirt and buttoned it up one by one.

Although Jun Shiling had not spoken, the atmosphere between them had almost evaporated Xia Wanyuan.

After putting on his top, Xia Wanyuan felt that if she stayed any longer, she would not have to go to the filming site this morning. She threw the trousers beside Jun Shiling. "Wear it yourself!"

Then, Xia Wanyuan left the bedroom. Jun Shiling smiled, took the clothes and put them on himself.

By the time he came downstairs, Xia Wanyuan was already waiting for him at the dining table.

"Do you have something on the day after tomorrow?" Jun Shiling sat on a chair and peeled an egg for Xia Wanyuan.

"There's no class at school. I have filming. Why?"

"I need a day off. There's a very important person coming over that day. Stay with me."

"Okay." Xia Wanyuan nodded.

After dinner, Jun Shiling sent Xia Wanyuan to the set.

The moment Xia Wanyuan entered the film studio, she felt that everyone was looking at her strangely.

She walked all the way to the lounge. Although the staff did not speak much, Xia Wanyuan could feel the blame in their gazes.

"Wanyuan, you're here?" Tang Yin was looking at her phone. "As expected, that Chen Xiaoguo isn't a pushover. The moment she pretended to be pitiful, her team sent out a statement of you bullying her.

Moreover, what was even more infuriating was that Chen Xiaoguo had liked the Weibo post posted by the marketing account this morning and pushed you directly onto the hot search."

Xia Wanyuan took the phone and saw that Chen Xiaoguo had recently posted a Weibo post.

@ Chen Xiaoguo: "I'm really sorry. I just woke up this morning and I'm still a little dazed. My hand slipped. Senior Xia has been very good to me and took very good care of me. Please stop making wild guesses."

The comments below were all pitying Chen Xiaoguo and criticizing Xia Wan Yuan.

"Is everything ready?" Xia Wanyuan took a few casual glances before closing her phone.

"Yes, it's ready. I can publish it now." Tang Yin was about to contact the public relations department.

"No need. Post it tomorrow."

“Alright, I’ll listen to you.” Although she did not know Xia Wanyuan’s intentions, Tang Yin knew that listening to Xia Wanyuan was definitely not wrong.

After Xia Wanyuan was done with her makeup, she went out and met Chen Xiaoguo, who had been waiting at the door for who knew how long.

“Senior Xia, I’m really sorry. I didn’t do it on purpose. My hand really slipped. You can hit me or scold me, but I’ve caused you trouble.” Chen Xiaoguo could not help but bend over to apologize to Xia Wanyuan, apologizing profusely.

Xia Wanyuan did not say anything. She just stood there quietly, watching as Chen Xiaoguo bent down to apologize to her..

Chapter 662: Want Me to Forgive You? Kneel

Chen Xiaoguo thought that Xia Wanyuan would immediately stop her apology.

After all, there were so many people in the production team watching, but she did not expect Xia Wanyuan to remain unmoved even after she had bent over more than ten times.

Chen Xiaoguo’s waist was aching. She couldn’t take it anymore and stood up. “Senior Xia, are you not going to forgive me?”

“If I don’t forgive you, what will you do?” Xia Wanyuan’s frosty gaze made Chen Xiaoguo feel a little guilty.

“Senior, if you don’t forgive me, I’ll kneel in this production team and wait for your forgiveness.” Xia Wanyuan did not play by the book. Chen Xiaoguo was not prepared at all.

“Kneel? You’ve acted in too many period dramas?” The corners of Xia Wanyuan’s lips curled up. “But it’s fine. I don’t mind.” With that said, she left the spot and walked towards the filming location.

Chen Xiaoguo stared blankly at Xia Wanyuan’s back, clearly not expecting her answer.

“Guoguo what are you doing? Why are you looking for her again? Do you think she hasn’t bullied you enough?” The actor in the same group saw that Chen Xiaoguo was rooted to the ground and walked over to hold her shoulders.

“I’m apologizing to Senior.” Chen Xiaoguo lowered her head at the right time, looking very sad. “It’s all my fault. I’m so clumsy. Do you know where to get knee pads in the film studio?”

“Knee pads? We’re not filming a period drama, why do you need knee protection? The production team next door has it, I’ll go borrow a pair for you later.”

“Senior Xia said that she will only forgive me if I kneel on the set. I don’t want her to hate me.” Chen Xiaoguo was about to cry.

“E*ck, is she crazy? So what if she’s the female lead? Guo Guo, can you not be so kind? Why are you letting her bully you like this?” The colleague couldn’t stand it anymore and pulled Chen Xiaoguo’s hand

away.

Chen Xiaoguo struggled a little and let her colleague pull her away.

‘As Xia Wanyuan had expected, Chen Xiaoguo did not kneel the entire day. On the other hand, rumors of her forcing Chen Xiaoguo to kneel filled the entire production team.

In *Dark Night*, there were many scenes of Snow Fox reminiscing about the past, including many fighting scenes.

In the afternoon, Xia Wanyuan was going to film the scene of her entering a certain military zone, stealing secrets and fighting with the enemy.

The staff dressed Xia Wanyuan in protective clothing, and then the machine began to move. Xia Wanyuan was lifted to the side of the city wall.

Director Wang Wei called for the filming to begin, but realized that Xia Wanyuan’s movements today were not smooth enough.

After taking two shots, the suspended Xia Wanyuan gestured for them to stop.

‘What’s wrong, Wanyuan? Is there a problem?’ Director Wang Wei gestured for the wire manipulator to put her down.

The person controlling the wires was like a novice as he clumsily lowered Xia Wanyuan from mid-air.

If not for Xia Wanyuan’s good balance, she would have been dizzy after being tossed up and down.

‘When she was about to land on the ground, the wires were suddenly let go. Thankfully, Xia Wanyuan was prepared. Otherwise, if she were to fall like this, even if she did not break her leg, she would have sprained it.

‘The master controlling the wires is probably not feeling well today, right? His hands are shaking?’

‘Peng Bei, what’s going on today? Didn’t you do well in the past? Look at what you did just now. If anything happens to the actor, will you be responsible?’

‘Director, I’m not in a good state today. Let’s do it again. I’m sorry.’ The young man called Peng Bei apologized to Wang Wei and Xia Wanyuan in a panic.

‘Alright, you have to control your strength and not let anything happen again.’ Since Peng Bei had done well in the past, Wang Wei believed that Peng Bei might not be in good condition today.

‘Okay, don’t worry.’ Peng Bei nodded heavily, then looked at Xia Huanyuan.. ‘Miss Xia, can we do it again?’

Chapter 663: The Princess Is So Cool

Xia Wanyuan glanced at Peng Bei. Her memory had always been good. She remembered that when she first joined the crew, this boy would always blush whenever he spoke to Chen Xiaoguo.

‘No need,’ Xia Wanyuan finally said. ‘Let someone else do it.’

“Miss Xia, you probably don’t know much about people doing the wires. It’s very hard to suddenly find people in the studio.”

After all, this required professional operations. However, the salary was low and there were no specialized training schools. It was already very good that the production team could find one.

“Oh, I see.” Xia Wanyuan thought for a moment and waved at Tang Yin. “Help me keep an eye on that machine. Just don’t let me fall.”

“Okay.” Tang Yin nodded. “Be careful.”

“Eh, Director? What does this Miss Xia mean? This is a professional operation, isn’t she just messing around?” He thought that Xia Wanyuan would compromise, but Xia Wanyuan directly let her manager go up. Peng Bei panicked.

“Wanyuan, you can’t joke about this. Does your manager know how to manipulate this?” Director Wang Wei was worried that something would happen to Xia Wan Yuan.

“It’s fine, Director. Just film it. It’s fine.” Xia Wanyuan appeared very confident.

“Alright then.” Director Wang Wei returned to his seat. “Let’s begin.”

This was a scene of Snow Fox escaping from a six-meter high wall with a claw.

Tang Yin controlled the thread that protected Xia Wanyuan to follow her closely.

Xia Wanyuan threw her hand two meters away, straightened the rope, and jumped up.

Initially, she needed to borrow the power of the wires to hang herself up. However, Tang Yin could not control that power, so Xia Wanyuan completely abandoned the wire stunt power and climbed up by herself.

Because it was completely relying on Xia Wanyuan’s strength, the entire scene was even more forceful. Director Wang Wei was almost going crazy with joy. “Quick, quick, quick!! Let’s close up!!”

The 90-degree vertical wall was not easy to climb. Besides a handhold, there was no other place to land except for some small cracks in the wall.

Xia Wanyuan had no choice but to keep throwing the claw up and climbing. Sweat soaked her forehead, and the entire scene was filled with a sharp sense of beauty.

Finally climbing up the city wall, the filming process became much easier. Xia Wanyuan held the wall with both hands and slipped down.

“Good! Wanyuan! You’ve worked hard!” Director Wang Wei could not help but clap for her. It was not that he did not film any action scenes before.

Even the stand-in masters hired from Shaolin Monastery had not done what Xia Wanyuan had done, so smoothly and beautifully.

“Thank you for your praise, director.” Xia Wanyuan smiled and took the towel from Tang Yin to wipe her sweat.

“Then let’s end today’s filming here. I thought this scene would take a long time, so let’s go back earlier.” Wang Wei kindly opened the back door for Xia Huanyuan.

“Okay.” Xia Wanyuan did not stand on ceremony and returned to the lounge to remove her makeup.

After Xia Wanyuan left, Director Wang Wei became the serious and nitpicking devil director again. “Look at what you’re shooting! If you were half as good as Xia Wanyuan, you wouldn’t have to shoot more at night.”

The others wanted to refute, but when they thought about how Xia Wanyuan had passed such a difficult scene in one go, they couldn’t even find a reason to refute.

Comparisons were odious.

Initially, Peng Bei thought that Xia Wanyuan was just trying to show off. He didn’t expect that this person could actually climb up such a high building without the help of the wires.

He thought of Chen Xiaoguo’s smile every time she gave him fruits.

No, Xia Wanyuan was a very dangerous person. I had to tell Chen Xiaoguo to stay away from her lest she bullied her.

Xia Wanyuan went to the lounge to get her bag and left the set.

That night, news of Xia Wanyuan asking Chen Xiaoguo to kneel down and apologize to her spread throughout Weibo.

This was within Xia Wanyuan’s expectations. As a result, she only took a few glances at Weibo and stopped paying attention to this matter.

She lowered her head to look at her hand. What worried Xia Wanyuan was that.

How was I going to get past Jun Shiling?

Chapter 664: The Princess Suffered

“Young Master.”

Xia Wanyuan had her head lowered when she heard the servants at the door.

Xia Wanyuan hurriedly put her hands behind her back and smiled at Jun Shiling, who had just entered.

“You’re back?”

Jun Shiling loosened his tie and did not answer Xia Wanyuan. Instead, he went straight upstairs. Not long after, he came down with a box.

“Show me your hand.”

Xia Wanyuan hesitantly extended her hand.

There was a glaring red mark on her palm, and there were some minor abrasions on her fingers.

Originally, with the help of the wires, Wan Yuan could have easily finished filming that scene.

However, when Peng Bei controlled the wires, it made Xia Wanyuan very uncomfortable. In order to grasp the balance, she could only pull the rope tightly.

In the end, she didn't use the wires anymore. She relied on her own strength to climb up the city tower. With the strength of a hand, she hung herself on the city wall. She had to use extra strength. Her hand, which was already used to living like a princess, had deep marks on it after filming this scene.

Seeing the large red mark on Xia Wanyuan's hand, Jun Shiling's gaze darkened. "I'll get Shen Xiu to come over."

"Mm." Knowing that she had done something wrong, Xia Wanyuan was now very obedient.

"What do you want to eat tonight?" Jun Shiling asked in a low voice.

"I want to eat roast duck and Sichuan cuisine." Seeing that Jun Shiling wasn't angry with her, Xia Wanyuan became bolder and tried to eat Sichuan cuisine.

Jun Shiling had been controlling her and not letting her eat for a long time.

"Alright." Unexpectedly, Jun Shiling agreed.

Soon, Shen Xiu came over to bandage Xia Huanyuan's wound.

"It'll be fine as long as you don't touch water. It looks more serious, mainly because of superficial injuries. I've applied some medicine and will be fine in a few days. Don't worry."

"Okay, thank you." Xia Wanyuan nodded at Shen Xiu.

"It's fine. I still have a surgery to perform. I'll go back first." Knowing that the number of light bulbs was too large, Shen Xiu left after treating her.

Jun Shiling took out a watermelon from the fridge and fed it to Xia Wanyuan bit by bit with a spoon.

"Jun Shiling, why aren't you angry with me today?" Xia Wanyuan took a look at Jun Shiling's expression, it was ugly.

However, his actions were still very gentle and he did not seem to be angry with her.

"It was someone else who bullied you. I know." Jun Shiling put the watermelon aside and hugged Xia Wanyuan to his chest. Then he picked up the watermelon and fed it to Xia Wanyuan.

"I've let you suffer." Jun Shiling kissed Xia Wan Yuan on the cheek. "You think I'm still angry with you when others bully you. Am I that fierce?"

"I didn't suffer any grievances." Xia Wanyuan was usually emotionless towards irrelevant people.

"Alright, let's not talk about this." Jun Shiling put down the watermelon. "I'll go watch TV with you for a while. There'll be your favorite food soon."

"Mm." Xia Wanyuan nodded and leaned into Jun Shiling's embrace.

At the same time, Peng Bei was chewing Areca and fighting with the enemies in the game.

The doorbell rang.

When the battle was at its peak, Peng Bei pretended not to hear the knock on the door.

However, the doorbell kept ringing. In the end, it stopped ringing and footsteps could be heard.

Peng Bei was shocked. He quickly went out to take a look and saw the landlord.

“Aiyo, Uncle Liu, it’s you. You scared me. Why did you come to my place so late at night?”

“Peng Bei, you didn’t pay your rent this month, nor did you pay your utility bills.”

“Uncle Liu, follow the old rules. I will definitely hand it over next month. It will be the same as before. I am a little tight on cash this month.” Peng Bei chewed some Areca and waved his hand at the landlord indifferently.

He had not finished his game.

“No, ever since you lived here, there have been people complaining that you played games at night and caused a huge commotion. Now that you’re not paying the rent, you have to move out immediately.”

Uncle Liu was very firm.

“Now? Uncle Liu, are you joking with me? Didn’t we get to postpone renting before? Why can’t we do it today?” Peng Bei frowned.

“Anyway, I’ll come to collect the house in the morning. You have to move everything.”

“Tsk, I’m not leaving. What can you do to me?” Peng Bei spat out his Areca and looked at the landlord arrogantly.

He had always been part of the underground world. He was not from the capital. He had committed a crime in his hometown and was bought out by his parents. He could not stay in his hometown any longer, so he came to the capital. In the past, he had set up towers hanging at construction sites, so he could pick up the wire stunt technique rather quickly.

After a period of peace and quiet, because of the rent today, the ruthlessness in him was triggered again.

Uncle Liu looked at his fierce gaze but did not panic. “If you don’t move, someone will help you.”

As soon as Uncle Liu finished speaking, he clapped his hands. Seven to eight burly men walked in and started packing up without a word.

“What are you doing? I’m going to call the police!”

However, no one was willing to respond to him.

Seeing that the situation was not right, Peng Bei wanted to escape through the door, but he was pulled in by the bodyguards who were already prepared. The sound of punches and kicks could be heard from inside the house, mixed with Peng Bei’s pleas for mercy.

Uncle Liu closed the door and touched the thick cash in his pocket.

After sending away a scourge, I even earned so much money for nothing. I really made a profit, I can buy a pork trotter to add to my meal tonight.

Not long after, the bodyguards carried a few sacks downstairs and threw them into the truck.

One of the sacks let out a muffled groan, but it was quickly drowned out by the clamor of the city.

The truck drove towards a small town in the south.

A few years ago, there was an extremely horrible robbery in this town. Later, the criminal escaped and the police could not find him even after several years..

Chapter 665: Sister An Curses Online

They had never expected that the person who had disappeared for a long time would appear at the entrance of the police station.

Other than the fact that his face was intact, there was not a single piece of skin on his body. His legs and feet seemed to have been broken by someone.

It could not have been worse.

Even the police officers who were used to seeing all kinds of murder cases felt a little scared when they saw this. How much hatred did this person have to beat him up like this?

According to the usual practice, criminals also enjoyed human rights and couldn't be treated like this.

However, the local police officer shook his head as he held the teacup. "Don't investigate who did it. Let the doctor examine it and nurse it for a few days. Prepare to send him to court."

Hence, the matter of who had beaten him to such a state was left unsettled.

In the manor, Xia Wanyuan was enjoying Jun Shiling's feeding.

The soft and fragrant skin was wrapped with crispy roasted duck, together with sweet bean sauce and chopped green onions, cucumber shreds,

She took a bite. There was the delicious taste of the duck meat, the freshness of the cucumber, and the fragrance of the wheat on the skin. It was a very sophisticated taste.

Seeing that Xia Wanyuan was eating happily, Jun Shiling's eyes were also smiling.

At that moment, Jun Shiling's phone suddenly rang.

Jun Shiling glanced at it.

There was only one message on the screen.

"It's done."

After reading it, Jun Shiling deleted the message naturally.

"What's wrong?" Xia Wanyuan asked curiously.

"Lin Jing sent it," Jun Shiling replied. He then wrapped another roast duck and fed it to Xia Wanyuan.

"Have another one. I've added an extra piece of duck skin for you. It's your favorite."

"Mm." Xia Wanyuan's attention was immediately drawn away by the roast duck.

Xia Wanyuan was eating roast duck and chatting with Jun Shiling.

In the apartment, An Rao was eating potato chips and having a passionate conversation with the netizens.

An internal member of the film crew who claimed that he could not stand Xia Wanyuan bullying Chen Xiaoguo posted a video.

In the video, Chen Xiaoguo kept bowing and apologizing to Xia Wanyuan. From the video, it was at least fifteen times. Xia Wanyuan stood in front of her, her face cold.

"And this isn't the worst part. Let me tell you, Chen Xiaoguo is already in this state, yet Xia Wanyuan still told her that unless she kneels and apologizes, she will never forgive her."

The most popular comment was from Chen Xiaoguo's fans.

(F*ck, what the hell is Xia Wanyuan? Is she bullying our Guo Guo for not having fans?)

An Rao directly replied to this comment. "Xia Wanyuan is your father, bullying you fans for being blind and liking a white lotus who pretends to be pitiful!"

The second most popular comment.

[That's too much. It's just a slip of the hand. Besides, Xia Wanyuan bullied Chen Xiaoguo in the first place. What she liked was the truth.]

An Rao replied, "I just scolded you. Don't take it to heart. Which eye of yours saw Xia Wanyuan bullying Chen Xiaoguo? What's wrong? Are you the piece of land under their feet? Or are you the rubbish bin beside them?? Did you see it with your own eyes??"

Initially, everyone was still eating Xia Wanyuan and Chen Xiaoguo's melon, but when they saw An Rao's stance, they were all shocked. For a moment, they forgot to criticize Xia Wanyuan.

No one had expected An Rao to suddenly appear.

Xia Wanyuan's fans: F*ck, Sister An is awesome! She is indeed our Yuan Yuan's most loyal sister!

An Rao's fans: It's so tiring to like a fearless idol, the kind that will appear in the headlines any minute.

Sigh, what should I do? I can only follow in my idol's footsteps and help Xia Wanyuan.

The manager looked at the comments on An Rao's Weibo and started to prepare the tools and places to hang himself. Ever since he had started following An Rao, he felt that his heart rate was violently fluctuating between 0-240 and 0. Sooner or later, it would become o..

Chapter 666: Burst Out Laughing Q and A Death Test

The more An Rao read these netizens' comments, the angrier she got. She started crunching the potato chips in her mouth loudly.

"This is so infuriating! Are these netizens blind? Yuan Yuan is such a good person, and that so-called pretentious b * tch is so pretentious."

There were more and more comments from the netizens. An Rao threw the potato chips to the side and continued her passionate match with the netizens.

"Alright, you're a firecracker. You explode once you're lit." Bo Xiao, who was reading at the side, did not know whether to laugh or cry as he took An Rao's phone away.

"You're the firecracker!" An Rao reached out to snatch the phone, but Bo Xiao kept dodging and struggling. An Rao pounced on Bo Xiao.

"You didn't even see how bad the comments of those netizens were. That person looked like a white lotus. Only you dog men can't tell who is bitchy. You still think she's really pitiful." An Rao rolled her eyes.

".. You can talk all you want, but don't drag me in." Bo Xiao stroked An Rao's hair helplessly. "Get up, don't stick to me."

"What? Boyfriend? Can't I lie on you?" An Rao was about to get up, but when she heard Bo Xiao's words, she was unhappy and decided to use her hands and feet to cling onto him.

Bo Xiao was angered by An Rao. He suddenly flipped over and pressed An Rao down. His fox-like eyes, which were usually curved, were now filled with lust.

"If you lean on me a little longer, I can't guarantee I'll be able to hold back."

“... Get up,” An Rao said as she pushed Bo Xiao.

Bo Xiao was also afraid that something would happen, so he sat up with An Rao’s strength.

“You men think about this every day.” An Rao snorted.

“Hmph.” Bo Xiao sat a distance away from An Rao. “If other women take it off, I won’t even take a glance at them.”

“Who would believe that?” An Rao looked suspiciously at Bo Xiao. “You men just can’t resist the sluts and b*tches. You can’t even tell them apart. It’s just like that Guo. Half of those netizens who scold Xia Wanyuan are men!”

“.. You can be pissed at them, but don’t drag me in.” Bo Xiao didn’t know whether to laugh or cry.

“Just you wait.” An Rao suddenly remembered the B*tch Language Test she had seen on Weibo yesterday.

An Rao took out the test and waved at Bo Xiao. “Let me ask you a few questions.”

“Sure, go ahead.”

“What would you do if a pretty girl said that she was thirsty and had no money to buy water and asked if you could share some with her?” An Rao asked Bo Xiao seriously.

Bo Xiao had wanted to say that he would not give another woman a sip of water even if he threw it away.

But seeing An Rao’s serious expression when she asked the question, Bo Xiao had a bad idea.

“Thirsty? Let’s see if she’s willing to drink my bottle. If not, I’ll buy her another bottle.” Seeing An Rao’s clenched fists, Bo Xiao almost couldn’t hold back his laughter and coughed to cover it up.

“Second question, if a woman were to tell you (you’re too nice to your girlfriend, right? She lost her temper at you and you still remember to buy food for her), how would you answer?”

Bo Xiao thought, “What are you farting about? You don’t know how good my girlfriend’s temper is.”

However, the words changed when they came out of his mouth, and he said, “Then what if I don’t bring food? Her temper is so bad. If I don’t bring food, she’ll make a bigger fuss when I go back.” After saying that, Bo Xiao felt that the matter wasn’t serious enough and added, “Your temper is still the best. It’ll be great if my girlfriend is half as gentle as you..”

Chapter 667: The Princess is Very Popular

As soon as Bo Xiao finished speaking, the bag of chips in An Rao’s hand was suddenly crushed into a ball. The chips began to crackle.

An Rao was furious. She grabbed the pillow beside her and threw it at Bo Xiao. “Jerk!”

Seeing An Rao’s angry look, Bo Xiao could not help but laugh. “Hahahahaha.”

Seeing Bo Xiao’s triumphant look, An Rao understood that Bo Xiao was teasing her again.

“Annoying. You don’t know how to make me happy at all! You only know how to make me angry.” An Rao stood up and prepared to leave angrily.

Bo Xiao was quick to pull An Rao back.

“I was wrong, I was wrong. It was just a joke.” Bo Xiao smiled until his eyes were bright.

“Who knows if you’re joking or telling the truth. I think you’re the type that will be seduced by a b*tch.” An Rao was still very angry that Bo Xiao had deliberately lied to her.

“You’re talking nonsense again. This is for you.” Bo Xiao took out a card from his pocket and placed it in An Rao’s hand.

“What is it?” An Rao took it and saw that it was a bank card.

“The password has been changed. It’s the last six of your ID cards.” Bo Xiao carried An Rao and sat on the sofa. “This is my salary card. All my assets are in it. I’ll leave it to you to safeguard.”

“You...” An Rao was at a loss.

So as someone who doesn’t have any money, I won’t be able to attract b*tches. Are you relieved now?”

An Rao felt touched. “I wasn’t really angry with you just now.”

“Yes, I know.” Bo Xiao stroked An Rao’s hair and could not help but be mischievous again. “Our Old Lian is the most obedient.”

“Thinking of the bank card in her hands, An Rao took a deep breath in. Forget it, I won’t hold it against him.

“I’m hungry. I want to eat the food cooked by Old Lian Po.” Bo Xiao continued to court death.

“You just want to anger me to death!” An Rao could not hold it in anymore and pounced on Bo Xiao.

Bo Xiao then caught her firmly. His clear voice was magnetic as he whispered into An Rao’s ear, “Wifey.”

An Rao was instantly pressed on the pause button and her entire body turned red.

Bo Xiao chuckled and covered her lips.

On Weibo, the comments An Rao made against the netizens were quickly pushed to the top of the search rankings.

Just as everyone was criticizing Xia Wanyuan and An Rao for bullying others,

Director Wang Wei, who had not posted on Weibo for a long time, heard about this matter from somewhere. He immediately tagged Xia Wanyuan on Weibo. Director Wang Wei had a high status and was especially direct when he spoke.

@ WangWei: “@ Xia Wanyuan, this actress is very intelligent and polite. Netizens, don’t listen to others.”

[You’re a big director, so she must be very polite in front of you. Our Guo Guo is just a small actress, so of course she’s being bullied.]

[Although Xia Wanyuan is the female lead, she shouldn't be so unfair. Our Guo Guo isn't the female lead, but how can she be bullied because of that?]

Even though Wang Wei had come out to speak, the fans still believed that Xia Wanyuan was merely putting on an act in front of Wang Wei.

Director Wang Wei was furious when he saw these comments. He did not continue posting on Weibo after his wife stopped him.

Not long after Director Wang Wei made his stand, the production team of *The Long Ballad* and *Moon As Frost* also came out to make their stand.

@ The Long Ballad: "Xia Wanyuan is a very polite person."

@ Moon as Frost: "I won't say much, I support Xia Wanyuan."

The film crew's director, the other main leads, the film crew's staff, and the host of "Endless Challenge" all stood out to speak up for Xia Wan Yuan.

In total, there were nearly thirty people.

L.. All the actors in the production team that she worked with seemed to be speaking up for her.]

[She's rich, of course. Who wouldn't want to cling onto her?]

[Those two directors and Movie King Qin Cang are such heavyweights. Do they need money? I don't think this is Xia Wanyuan's problem. Are we wrong about her?]

Seeing that so many people were speaking up for Xia Wanyuan, netizens began to doubt the relationship between Xia Wanyuan and Chen Xiaoguo..

Chapter 668: Slapping the B*tch

The netizens were in an uproar, but Xia Wanyuan's side was not affected at all.

Seeing An Rao insult the netizens, Xia Wanyuan was amused. "Where did An Rao learn this from? She doesn't even use vulgarities when scolding people."

"Alright, come drink some milk." Jun Shiling handed a glass of strawberry milk to Xia Wanyuan. "If you have the time to look at your phone, why don't you spend more time looking at me?"

Xia Wanyuan raised her head and glanced at Jun Shiling. Seeing Jun Shiling's unhappy expression, the corners of her lips curled up. "It's not like I'll get addicted to looking at my phone, but I will get addicted to you."

Her words made Jun Shiling happy.

"What sweet words." Jun Shiling snorted lightly, but he could not suppress the smile on his face.

"Stop pretending, CEO Jun. I can see you smiling." Xia Wanyuan swallowed a mouthful of milk, her lips still fragrant.

The corners of Jun Shiling's lips curled up. He took the glass of milk from Xia Wanyuan's hand and placed it on a nearby table.

"Jun Shiling! I haven't even finished drinking. I've only taken a si

ia Wanyuan reached out to take it.

"What's so good about it?"

"Didn't you say that drinking more milk is good for my health? Maybe I can grow taller?"

"Your height is enough." Jun Shiling and Xia Wan Yuan interlocked their fingers. "This height is just right. Didn't we try it before?"

"You!" Xia Wanyuan immediately understood what Jun Shiling was implying. Her cheeks flushed red.

"You hooligan!"

Jun Shiling smiled and swallowed Xia Wanyuan's words.

After the kiss, Jun Shiling stuffed Xia Wanyuan under the blanket and said hoarsely, "I'm going to take a shower. You sleep first. I'll come over soon."

'They had already had a rough night yesterday. No matter how much Jun Shiling wanted it, he could not disregard Xia Wanyuan's health.

However, the "fast" that Jun Shiling mentioned took an hour.

'When Jun Shiling returned, Xia Wanyuan's eyes were still open. The milk on the table had already been drained.

Jun Shiling smiled and pulled her into his arms. "Alright, go to sleep."

"Mm." She had originally forced herself to wait for Jun Shiling. Now that he had arrived, Xia Wanyuan quickly fell asleep.

Jun Shiling planted a kiss on her forehead and fell asleep.

At five o'clock the next morning, the Weibo trending topic blew up. The netizens who were still under the covers were awoken by all kinds of news.

'Wan Shi Studio directly tagged Chen Xiaoguo.

"Since you want to apologize, then apologize for these things as well."

Below the text were a few video links and nine photos. They were clear and organized, with words and audio. It satisfied the netizens' desire to watch a show.

Everyone clicked on it to take a look. A few videos were the CCTV footages of the production team, while the pictures were chat records.

In the video, the door to Xia Wanyuan's lounge was originally locked. Chen Xiaoguo specially called for the staff to open the door, then had the staff carry the chair to a crowded place before she carried it over.

If this could be explained by fans, it could be said that Chen Xiaoguo was only especially concerned about Xia Wanyuan, so on impulse, she opened the door to Xia Wanyuan's lounge.

However, the chat history could not be erased.

These chat records were taken by Lin Jing and given to Tang Yin. They were all taken from Peng Bei's phone.

In the records, Chen Xiaoguo had revealed to Peng Bei how Xia Wanyuan had bullied him. Peng Bei had always been a vain person. When he saw Chen Xiaoguo's tear-stained face, he immediately patted his chest and guaranteed.

"I'll help you teach her a lesson!"

In the recording, Chen Xiaoguo said, "Don't, Brother Peng. I'm fine. It's already hard enough for you to control the wies. You don't have time to think about this. Don't distract yourself. It won't be good if something happens to the actor. I'm fine. I'll get used to it."

It was fine if she did not speak, but Chen Xiaoguo's words reminded Peng Bei.

"Don't worry. I'll make sure she suffers when I do the wire stunt technique tomorrow."

Chen Xiaoguo stopped him symbolically and did not say anything else.

Tang Yin attached the photo of Xia Wanyuan's injured hand to the photo and specifically stated that she had been strained to such an extent because of an inappropriate suspension.

Chen Xiaoguo's male fans were still doubting the authenticity of the videos and chat records.

Many female netizens had already exploded because of Chen Xiaoguo's b*tchy act..

Chapter 669: Chen Xiaoguo's Apology

[What's wrong with this chat? Didn't Guo Guo also advise Peng Bei not to stand up for her?]

[I've read your information. You're indeed a man. I'm speechless. Can't you see through this kind of b*tch or are you pretending?]

{Wow, this white lotus aura is blinding me. I'm speechless.}

As they had helped Chen Xiaoguo scold Xia Wan Yuan too harshly a few days ago, netizens now felt guilty and felt that they had let Xia Wanyuan down twice. As a result, they hated Chen Xiaoguo even more.

Chen Xiaoguo's management company immediately contacted Tang Yin and the rest to delete their posts.

"Let me tell you, your chat records aren't reliable at all. If you don't apologize to our Chen Xiaoguo, you can wait for a lawsuit."

"Sure." Tang Yin did not panic at all. She even finished a peach on the phone.

Seeing that Tang Yin and the rest were not cooperating, Chen Xiaoguo's management company hung up angrily.

Then, they posted a clarification post.

"Our company will file a lawsuit against Star Creation Entertainment. Star Creation Entertainment has damaged our company's artistes' reputation with their fake chat records."

[Right, sue them. That chat history is obviously fake. How could they fool so many people? I'm speechless.]

[Boohoo, you guys have to protect Guoguo. Don't let her get bullied.]

Chen Xiaoguo's fans, who had been criticized by all sides, finally found their backbone. They gathered on Weibo to warm up.

'Tang Yin called Xia Wanyuan and wanted to upload Chen Xiaoguo's information online, but Xia Wanyuan stopped her.

"Send it to the agency first." Xia Wanyuan eventually gave Chen Xiaoguo a chance.

One of the main reasons why Xia Wanyuan could tolerate Chen Xiaoguo these days was Director Wang Wei.

Chen Xiaoguo's acting skills could only be said to be passable. Compared to the other old actors in the production team, there was a world of difference.

However, she was able to suppress so many people in the entertainment industry and get the role of the second female lead in Director Wang Wei's debut show. She did not believe that there was no power behind this.

She was not afraid of offending anyone, but Director Wang Wei was her benefactor. For Director Wang Wei's sake, she did not choose to force Chen Xiaoguo into a corner.

"Okay." Tang Yin listened to Xia Huanyuan and immediately sent a compressed file to Chen Xiaoguo's management company.

The other company's face turned green after reading the contents of the compressed file.

Not long after, Chen Xiaoguo's official Weibo posted an apology.

@ Chen Xiaoguo: "I'm sorry, Senior Xia. I'll apologize to you. I was blinded by greed and was jealous that you were the same age as me, yet it was you who acted as the female lead, so I pretended to be pitiful and wanted to tarnish your image. I swear to the public that I will never do such a thing again. I have realized my mistake. I'm sorry."

Once Chen Xiaoguo posted this Weibo post, the company's statement about suing Xia Wanyuan was deleted.

Chen Xiaoguo's fans were stunned by the announcement. At first, they wondered if Chen Xiaoguo's account had been hacked. But after waiting for more than half an hour, the official platform did not release any new statements. Only then did they believe that Chen Xiaoguo had posted it herself.

[It's okay, baby. It's good to know you're wrong. We'll always be your strongest backing. Love you.]

[Everyone makes mistakes, but many people don't even know how to repent. Our Guoguo is much better than those people. Come on, we'll grow up with you.]

[It's disgusting to see fans criticizing her. She instigated others to hurt Xia Wanyuan, yet she was forgiven with just an apology. Are you Xia Wanyuan? What right do you have to forgive her?]

As Xia Wanyuan had expected, not long after Chen Xiaoguo posted on Weibo, Director Wang Wei called.

"Wanyuan, I don't have the face to say this, but Chen Xiaoguo's aunt and I have been classmates for many years. This matter is Xiaoguo's fault. Thank you for letting her off."

Director Wang Wei was also a shrewd person. How could he not see that Xia Wanyuan definitely had more evidence that she did not post? Otherwise, Chen Xiaoguo's management company would not let the matter rest so easily.

And the reason Xia Wanyuan had chosen to let Chen Xiaoguo off was largely because of him.

"Director, you should know my personality. I can do it the first time, but if there's a next time, I won't go easy on her."

"Alright, I promise you that I will educate her well." Director Wang Wei vowed.

After hanging up, Xia Wanyuan took a bite of her bun.

She did not think that Chen Xiaoguo could change. It would just be her changing from legitimately to secretly.

However, the next time she did something wrong, Director Wang Wei as her lifesaving talisman would be useless.

Chapter 670: Mysterious Island

Xia Wanyuan was deep in thought, unconsciously eating the food Jun Shiling handed her.

Suddenly biting on something soft, Xia Wanyuan lowered her head to take a look and hurriedly spat out Jun Shiling's finger. "Why didn't you remind me?"

"What are you thinking about? You're so engrossed in your thoughts. I'm just passing you a bun, and you still bit me." Jun Shiling retracted his hand, his heart fluttering from the sensation of Xia Wanyuan biting him.

"Peng Bei has disappeared." Xia Wanyuan had not seen this person on set for the past few days. She looked at Jun Shiling. "You did this?"

"I sent him to where he should be." Jun Shiling took a glass of milk. "Come back early tonight."

"Okay."

To everyone's surprise in the production team,

Everyone thought that Chen Xiaoguo would definitely take a few days off after such a huge incident. However, they did not expect Chen Xiaoguo to come to the production team so early.

As soon as she entered, Chen Xiaoguo's tears fell like a string of broken pearls.

She constantly apologized to everyone, saying that she had been blinded by greed and that she had only done this because she was too envious of Xia Wanyuan's accomplishments.

"Please forgive me. I was really confused for a moment. I'm sorry, I'm sorry. I just feel that Senior Xia's acting skills are so good at such a young age and she can even be the female lead. I'm so envious that I couldn't think straight."

In the eyes of the public, Chen Xiaoguo had always been a little sun who loved to smile. She had a good relationship with everyone and was the happy fruit of the production team. But now, her face was haggard, as if she had suffered a huge blow. Her tears flowed down her entire face.

Initially, everyone thought that Chen Xiaoguo was a scheming person. However, seeing how she apologized to everyone so calmly and cried so heartbreakingly, it seemed like she really knew that she was in the wrong.

"Don't cry, Guo Guo. You're still young. Young people will always take the wrong path."

"That's right, that's right. Guo Guo, it's fine. We don't blame you. Just focus on filming from now on."

"If it were me, I would definitely be envious and jealous of Xia Wanyuan's achievements. Guo Guo, don't worry, I understand."

Seeing that Chen Xiaoguo was crying, everyone comforted her.

In the distance, Director Wang Wei, who was adjusting the machine, was silent for a moment when he saw this scene. Then, he sighed, his eyes filled with disappointment towards Chen Xiaoguo.

'When Xia Wanyuan entered the set, she saw a group of people surrounding Chen Xiaoguo. Chen Xiaoguo was crying so hard that she was out of breath. Those who didn't know better would think that she was being bullied.

"Senior Xia!" Seeing Xia Wanyuan, Chen Xiaoguo's eyes lit up and she immediately ran over.

"Stop right there." Xia Wanyuan's words stopped Chen Xiaoguo.

"I'm sorry, I'm sorry." Chen Xiaoguo cried until she was out of breath and looked extremely remorseful.

"Senior, I'm not asking for your forgiveness. I just want to apologize to you."

Seeing that Xia Wanyuan was as cold as ever, a staff member stepped forward to plead for her.

"Miss Xia, Guo Guo knows she was wrong. Please forgive her."

"Yeah, yeah. Kids, right? Who doesn't make mistakes?"

"Where did you go wrong?" Xia Wanyuan interrupted everyone's chatter.

Chen Xiaoguo clenched her fists and kept crying.

"Your fault for letting someone open the door to my lounge without my permission? Or was it to pretend to be pitiful and find someone from the team to set me up for bullying you? Or was it to hint at someone else to break my wires?" Xia Wanyuan's cold voice rang out as she listed Chen Xiaoguo's crimes one by one.

Those who had been blinded by Chen Xiaoguo's tears only realized that Chen Xiaoguo had indeed gone overboard after hearing Xia Huanyuan count Chen Xiaoguo's actions.

"Senior Xia..."

"Don't come near me. Apart from filming," Xia Wanyuan cut Chen Xiaoguo off. "I don't want to waste time talking to people like you, understand? Take care."

Xia Wanyuan then left, leaving Chen Xiaoguo sobbing even harder.

Her words in the morning were still useful. Chen Xiaoguo did not approach her for the entire day.

Furthermore, when Xia Wanyuan said those words in the morning, her aura was so strong that even the staff did not dare to provoke her.

She had promised Jun Shiling that she would return early. At around four in the afternoon, Xia Wanyuan had finished filming all her scenes for the day. After greeting Director Wang Wei, she left.

'When she arrived at the manor, Xiao Bao and Jun Shiling were already waiting for her at the door. Xiao Bao was carrying a dolphin suitcase.

"Where are we going?" Xia Wanyuan was a bit puzzled.

"Let's go, Mommy." Xia Wanyuan's eyes were curved as he held Xia Wanyuan's hand and walked towards the car.

After they boarded the Jun family's plane and drove for two to three hours, Xia Wanyuan did not manage to get anything out of Jun Shiling. Where are we going?

With Jun Shiling by his side, even on the plane, Xiao Bao did not dare to play with his toys for too long. He obediently practiced his foreign language.

Xia Wanyuan had never interfered much with Jun Shiling's strictness.

After all, she had already started studying at this age.

In her previous life, her zither, chess, calligraphy, and painting were renowned throughout the world, and she was known as the number one pearl of the Great Xia Dynasty. This title did not come out of nowhere. No matter how great of an honor she had to bear, she also had to carry a lot of hard work behind her back.

Three hours later, the plane landed and a car drove them to the beach.

They had no idea how long they had been on the ferry. In the distance, in the middle of the blue water, A colorful island appeared before their eyes..
