CHAPTER 1 NO.1

The Moon and Her Secret[50516]

Lana Danley lives her peaceful life in the small town of Rosecliff where she is a senior in high school. The mundane routine of her daily life is weighing on her as she can only dream of the day she graduates and moves to the big city.

One night, during her shift as a part time forest ranger she finds an unusually large and

injured wolf. She decides to help it by bringing it home to treat it's wounds.

Later that night when she goes to check on the wolf, she finds instead her classmate, River Attwood, naked and glaring daggers at her. Soon, she is pulled into the mysteries of Rosecliff and its entanglement with the creatures of the night who rule over the forest, werewolves.
