

Medical road

Chapter 62

After Zhang Fan finished the operation, Miao Juan was also outside the operating room. Her nephew works in the national development and Reform Commission and is taken care of by Jia SuYue's father, so Miao Juan usually cares about their family and helps each other! The relationship is getting closer and closer.

Out of the operating room, uncle Jia SuYue wanted to give Zhang Fan a red envelope, which was stopped by Miao Juan. "Maybe it will be a family in the future. You're welcome. It's just the weekend. Zhang Fan, if you have a good doctor's order, go outside with Jia SuYue. It's said that you haven't been out of the operating room for a month. Don't fight too hard. "

Then he squeezed his eyes at Jia SuYue's mother, "that is, Jia SuYue stayed at home all day. Look at the sun outside. Go around." Jia SuYue said quickly to her mother.

The little girl ate the sea and drank, which made her appendix inflamed. The anesthesia hasn't passed yet. I'm still sleeping. Zhang Fan first said to Jia SuYue's uncle, "after the operation, everything is going well, but we should pay attention to diet in the future."

The little nurse in the operating room pushed the operating bed to the Department. Zhang Fan was ready to give the doctor's order. As a result, Wang Zipeng quickly said, "brother Zhang, just go outside. Just leave the rest to me. "

Everyone strongly suggested that Zhang Fan and Jia SuYue go on a date. Even Jia SuYue's aunt spoke. No way, Jia SuYue reluctantly agreed. In fact, Zhang Fan is really upset. Since graduation, without the pressure of life, he really doesn't want to be humble, but Miao Juan's family is kind, and Zhang fan can't afford to refuse.

After changing their clothes, they went out of the surgical building one by one. When he reached the door, Zhang fanyue in the back felt more and more uncomfortable, so he said to Jia SuYue, "the head nurse is also kind, but I also know that if it doesn't work, we'll go our own way. I won't give it to you. "

"What do you mean, I won't give it to you." Hearing this, Jia SuYue stared and said. This should have been what she said. As a result, Zhang Fan said it, and she was not happy. She thought, "you don't want to. I have to go shopping with my girl today. "

"Well! Why don't you go. " Zhang Fan didn't understand what she meant.

Jia SuYue stopped and faced Zhang Fan: "why didn't you go early? Why didn't you say it when there were many people in front? Now pretend to be a good man. No, you have to go shopping with me. "

Zhang Fan is depressed! It's hard to serve. Anyway, he hasn't seen the sun for a long time. Let's go. But Zhang Fan decided not to invite her to dinner today. It's too expensive. A meal of more than 300.

Jia SuYue has always cherished a dream because of her superior family conditions. Her future husband must be tall, handsome, gentle and considerate, understand interest, deceive people, and will appear like a star. Zhang Fan didn't account for anything except a little better career. He didn't say a word for a long time. Different life experiences lead to great differences in their personalities.

"Where are we going?" Jia SuYue asked in a bad tone. Zhang Fan thought I don't owe you. I'm arrogant“ Whatever, but I've had dinner. " Zhang Fan deliberately stressed.

"Yes! Well, go shopping first. " Jia SuYue knew that Zhang Fan didn't want to see her, and he was still stingy and reluctant to spend money. On the way, Jia SuYue began to call.

"Shao Hua, where are you? Let's go out together at the weekend. I haven't seen you for a long time. I miss you so much. I'll go to the gate of the city hospital. Hurry up. " Zhang Fan is stingy, and she is really angry today. Jia SuYue is going to make Zhang Fan hurt. She calls her best friend and will eat everything later.

Shao Hua, Jia SuYue's best friend, was admitted to the bank after graduating from university. She is in the financial industry. The family is an ordinary family, and both parents are ordinary workers. Shao Hua is an excellent girl with good character. Jia SuYue has a very good relationship with her.

Jia SuYue entered the communication industry and more or less had a relationship, while Shaohua relied on his own ability to become the first bank in the city. Their personalities are incompatible, but their relationship is very good.

Zhang Fan was happy. Jia SuYue has called people. There's nothing wrong with him. He's ready to leave“ Don't go. You promised to go shopping with me today. A big man, it's not worth talking. "

Zhang Fan is almost constipated. There's no way to say this.

After a short time, Shao Hua came. Zhang Fan saw that the girl was about 170 tall, gray windbreaker and long hair. Jeans and small yellow boots are not particularly beautiful, but they are very durable. How to say, it's temperament.

"Hua, you're finally here. I'm starving. Let's go to dinner first and sing after dinner." When Jia SuYue saw Shaohua, he hugged Shaohua and said.

Shao Hua smiled and said, "Why are you at the door of the hospital? Who is this?" She looked at Zhang Fan and asked. Because Zhang Fan is next to Jia SuYue, he can't see it.

"My cousin's appendix is in hospital. This is the chief surgeon for the operation she just had." Then he looked back at Zhang Fan, and then quietly said to Shaohua, "the blind date my mother found for me is wood, which is very irritating. Don't talk much later. Look at me. "

Shao Hua smiled. Jia SuYue was very clever and often played tricks on her suitor. Although not very good, who makes Jia SuYue likable.

"Hello, my name is Shao Hua. Nice to meet you. "

"Hello, my name is Zhang Fan, bow long Zhang, ordinary fan." Zhang Fan has a dry mouth.

Jia SuYue was unhappy. "What ordinary fan, annoying fan, good or bad."

Zhang Fan didn't argue with her. Shaohua said, "OK, the more, what do you want to eat. Where to eat. "

"Western food." Jia Su blurted out without thinking.

Shao Hua said, "the western food here is not authentic, and it's expensive. If you don't eat a hot pot, it's a little warmer in cold weather" Jia SuYue twisted his nose and didn't want to, but Shaohua's idea was very correct. Generally, she said that Shaohua couldn't do it. Zhang Fan wants to leave. They both discuss going to dinner. Zhang Fan is embarrassed to follow.

"Well, let's go. Hey! You go too. You won't be afraid to pay the bill. "

Come on, Zhang Fan is waiting for her to talk. Let's go. Three people took a taxi and set off.

People and people sometimes, that is, things at a glance. It's comfortable to look at it, but it's annoying to look down on it. Jia SuYue saw that Zhang Fan was the kind he hated.

The tea market is not big, the pace of life is slow, the house price is not high, and the pressure is not big. People just think about how to eat and drink. Restaurants with poor taste can't be opened. People here are too picky. In the northwest, the frontier is a big province of products.

In addition to the specialties of the south, the output here is almost enough for the people of the province. There are many turkeys that Chinese don't like to eat. The hot pot is a variant of the hot pot, meat. Vegetables, vermicelli, balls, potatoes, rice cakes and so on are mixed together. Then simmer over a low heat. It tastes really good, especially when it's cold, hey! The taste is really unspeakable. It's still hot after eating. It's very comfortable.
