

Mr Gu 761

Chapter 761 Twins?

Qiao Nian didn't dare to look at Gu Zhou either. She pushed his hand away and walked out.

Gu Zhou stood rooted to the ground, staring unblinkingly at Qiao Nian's retreating back.

Since yesterday, Qiao Nian seemed to have been avoiding him. Had he frightened her?

Qiao Nian drove straight to Dongjiang.

This was where Gu Qi had lived previously. She found Gu Qi's villa according to the location.

At this moment, not to mention that the door was open, Gu Qi was standing alone at the door. He seemed to have been waiting for her to arrive.

Qiao Nian hurriedly parked the car at the side and quickly ran to Gu Qi's side. She squatted down and carefully examined Gu Qi's entire body. Seeing that he was not injured, she heaved a sigh of relief and asked in confusion, "Xiao Qi, shouldn't you be in school now?"

Towards the end, Qiao Nian recalled how Gu Qi had been bullied in school. She frowned and asked nervously, "Did someone bully you?"

Gu Qi shook his head and looked at Qiao Nian solemnly. "Auntie Nian Nian, if you suddenly see someone who looks exactly like you, what will you think of your relationship?"

Qiao Nian smiled and said without hesitation, "Of course I'll think that we're twins! Under normal circumstances, identical twins will look identical. However, although some people aren't related by blood, they'll still look alike. The chances of that happening are very low."

When Gu Qi heard Qiao Nian's words, he was instantly relieved.

In his opinion, Auntie Nian Nian had never made a mistake.

Gu Qi reached out and took Qiao Nian's hand. He walked in and said seriously, "Auntie Nian Nian, I want to introduce a friend to you."

Qiao Nian couldn't help but smile. She asked happily, "So our Xiao Qi has found a good friend in school!"

She was very curious about what kind of child would catch Gu Qi's eye and become his good friend.

Gu Qi was usually unwilling to speak much, so his friend was very likely a child who often liked to talk and laugh.

Just as Qiao Nian was thinking, Gu Qi had already pulled her to the bedroom on the second floor.

When she pushed the door open, Qiao Nian saw a thin child standing in the room.

The child had her head lowered. As her back was facing the light, Qiao Nian couldn't see her face clearly.

She was wearing the clothes Gu Qi had been wearing when Qiao Nian first met him. However, this child had a ponytail.

It was a young lady!

Gu Qi had skipped school with a young lady.

Qiao Nian looked down at Gu Qi. Although it wasn't good to skip class, she couldn't scare the two children because of this.

"Xiao Qi, did you bring your good friend to visit your house?"

Xiao Shi's head was still lowered. When she heard the voice, she froze.

This voice was so gentle, like her mother's embrace.

Gu Qi shook his head seriously and said, "Auntie Nian Nian, she's not my classmate."

Qiao Nian looked at Gu Qi in confusion. "Then she's..."

"Look!"

At the same time, Xiao Shi looked up. When Qiao Nian saw her face, she was stunned.

Xiao Shi was also stunned.

When she was young, she had wanted to see what Auntie Nian Nian, who spoke gently, looked like.

However, when she saw Qiao Nian's beautiful face, she was shocked.

Qiao Nian was also stunned.

That young lady actually looked exactly like Gu Qi.

However, the two of them were different. The young lady had a ponytail and looked valiant and heroic.

Jesus.

Qiao Nian recalled the first time she had seen Gu Qi. In a daze, Qiao Nian seemed to have returned to a few months ago.

"Xiao Qi?" Qiao Nian called out in a low voice.

Seeing this, Gu Qi reached out and tugged at the corner of Qiao Nian's shirt. He hurriedly said, "Auntie Nian Nian, Xiao Qi is here. She's Xiao Shi."

When Qiao Nian heard Gu Qi's voice, she glanced at Gu Qi beside her, then at Xiao Xian, who was standing not far away.

She had never expected Gu Zhou to have a daughter.

She felt that Gu Qi and Xiao Shi should be twins.

Chapter 762 Heartache

A trace of confusion flashed in Qiao Nian's eyes. Puzzled, she asked, "Xiao Qi, why haven't I heard you mention Xiao Shi before?"

When Gu Qi heard Qiao Nian's words, he frowned and explained seriously, "Actually, I only found out that we might be siblings when I first saw her."

"Didn't you live together in the past?" Qiao Nian asked in confusion, although she already had a vague guess.

Gu Qi shook his head gently and said, "She used to live in Hai Cheng. She came to An City to look for me today. Only then did the two of us realize that we looked very alike."

Through Gu Qi's words, Qiao Nian roughly understood what had happened. It seemed that Gu Zhou and Gu Qi didn't know about the existence of Xiao Qi.

If she wasn't wrong, she should be Gu Qi's twin sister.

Although she looked exactly like Gu Qi, it couldn't be ruled out that the two of them weren't related by blood. With a scientific and rigorous mind, Qiao Nian felt that she should do a paternity test for Gu Qi and Xiao Shi.

Qiao Nian pulled Gu Qi to Xiao Shi and slowly squatted down. With a faint smile in her eyes, she asked gently, "Xiao Shi, how did you get here? Did you come with your family, or did you come here alone? Who else is in your family?"

Xiao Xiang stared unblinkingly at Qiao Nian.

She was so gentle and beautiful. No wonder Daddy and Brother liked her so much.

If she stayed by Auntie Nian Nian's side, she would like her too.

Xiao Shi tried hard to pretend to be calm and avoided the main point. "Auntie, I came here alone."

A trace of surprise flashed in Qiao Nian's eyes, but she quickly calmed down.

For such a young child to come so far alone, wasn't her family worried about her?

Fortunately, nothing happened along the way.

Qiao Nian couldn't interfere too much in other people's affairs. It wouldn't be good if her family was unhappy.

Qiao Nian glanced at Gu Qi, then at Xiao Xian. She asked, "Xiao Shi, I want you and Xiao Qi to do a DNA test. I wonder if you're willing?"

She had heard from others that DNA testing was used to determine if the other party was her relative.

"Okay." Although Xiao Shi had already confirmed that Brother Xiao Qi was her brother, outsiders might think that she and Brother Xiao Qi were not family. She did not want there to be any misunderstanding between her and Brother Xiao Qi.

This was also Qiao Nian's first time at the Dongjiang villa. She wasn't familiar with the situation here, so she could only ask Gu Qi for a nail clipper.

Gu Qi handed the nail clipper to Qiao Nian.

Qiao Nian squatted down in front of Xiao Shi and took her hand, preparing to cut her nails.

However, when Qiao Nian touched her palm, she was stunned.

She was clearly just a child, but her palms were covered in calluses. If she wasn't wrong, she should have been working at home often.

In today's society, children were all pampered. Even if they were from families with poorer conditions, it was impossible for them to let a five-year-old child work. Why would their family members let them do so much work when they were young?

She didn't know how she had lived all these years. Her heart ached a little.

Her grip on Xiao Shi softened a little, afraid that she would hurt her.

Xiao Shi sensed Qiao Nian's movements and felt a strange feeling in her heart. The hand Auntie Nian Nian touched seemed to have a warm current flowing through her veins.

She looked up at Qiao Nian. For some reason, she couldn't help but want to get close to her.

Auntie Nian Nian was really a very gentle and good person!

Qiao Nian carefully trimmed Xiao Xue's nails, then put them all into a bag.

Xiao Shi had heard from others that a DNA test required a blood test. She looked at Qiao Nian in confusion and asked, "Auntie Nian Nian, don't you need to draw my blood?"

"There's no need. Your nails are enough." After Qiao Nian packed her nails, she helped Xiao Qi cut his and put them into another bag.

Chapter 763 Soup

After that, Qiao Nian called the student who was studying under her.

After the call, Qiao Nian smiled at Gu Qi and Xiao He and asked, "It's almost noon. What do you want to eat? I'll go cook now!"

"Soup!"

"Meat!"

The two of them spoke in unison.

When the two of them sat together, Qiao Nian looked at their identical faces. Her heart melted at their cuteness.

She noticed that, she said that she wanted to drink soup, while Gu Qi said that he wanted to eat meat.

Qiao Nian knew what to do. She nodded and said, "The two of you can play at home. Don't go out. I'll go to the kitchen to cook now!"

Gu Qi nodded obediently.

Gu Qi walked to the door and watched Qiao Nian go downstairs with his own eyes. Only then did he walk to Xiao Shi's side.

"Xiao Shi, is there anything you want to eat? You can tell me directly. I'll go downstairs and tell Auntie Nian Nian." Gu Qi looked at Xiao Shi worriedly. He didn't understand why Xiao Shi only drank soup. Meat was clearly more nutritious and delicious.

Moreover, she looked so thin. She definitely had to eat more meat to gain weight.

"I'll just drink the soup." Xiao Shi gave an obedient smile.

"Then what do you think of Auntie Nian Nian?" Gu Qi asked tentatively. He was a little worried that Xiao Shi was unwilling to eat meat because she didn't like Auntie Nian Nian.

When she thought of how Qiao Nian had cut her nails just now, she felt very warm.

She still remembered the time when her mommy took the initiative to hug her. Her mommy's hug was very warm, but it didn't make her feel any warmer than Auntie Nian Nian's.

Auntie Nian Nian was like the winter sun, warming her up.

"She's very nice!"

Not only was Auntie Nian Nian gentle, but she was also methodical. After knowing her condition, she immediately helped her acknowledge her ancestors and even took the initiative to do a DNA test.

Moreover, Auntie Nian Nian was cooking for them now.

She had just arrived and could already eat Auntie Nian Nian's cooking.

If only she could eat Mommy's cooking too.

At the thought of this, the light in Xiao Shi's eyes gradually dimmed.

If Mommy had two hands like a normal person, and if Mommy wasn't sick, she should be able to eat the food Mommy had made for her.

If only Mommy could be healthy.

Xiao Shi lowered her head in disappointment.

Seeing Xiao Shi like this, Gu Qi was a little puzzled. He didn't know how to comfort Xiao Shi and said, "Sister, why don't we play a game together?"

When he first saw Xiao Shi, he thought that she was his younger brother. Later on, she changed her clothes and asked him to go out and wait for her.

Only then did he know that she was his younger sister.

When she heard Gu Qi's voice, she looked up at him. She knew that he was worried about her, so she threw all the unhappiness in her heart to the back of her mind. She smiled brightly and nodded. "Okay!"

Hence, the two of them took out their phones and began to play games.

When Qiao Nian drove to the villa, she realized that there was a large supermarket not far away. It wouldn't take more than five minutes to drive there.

She drove to the supermarket. After buying the ingredients, she carried them to the kitchen.

Qiao Nian washed the ribs absent-mindedly.

When she touched Xiao Shi's hands, they were clearly hands that often worked. This meant that she often worked at home .

Since she had lived with her mother , why did she work so often?

Qiao Nian placed the washed ribs in the pot to stew, then stood at the side and waited.

Her heart was in a mess now. She had just found out that Gu Qi was Gu Zhou's child, and now Gu Zhou had a daughter. There were too many surprises.

Actually, she was already 100% certain that Xiao Shi was Gu Zhou's child. She had only done the paternity test so that no one could find any fault with her, and no one would question Xiao Shi's identity.

When she first saw Gu Qi and Xiao He, she couldn't help but think of her two children who had passed away.

If those two children were still alive, they would probably be the same age as them. At the thought of this, Qiao Nian couldn't help but feel sad.

Chapter 764 Give Birth?

At this moment, Qiao Nian's phone rang. She glanced at it and saw that it was her student, so she picked up the call.

"Teacher Qiao, I'm already at the entrance of the villa. Are you there now?"

"Wait for me. I'll give it to you now." As Qiao Nian spoke, she walked towards the living room.

Previously, Qiao Nian had already packed Gu Qi and Xiao Shi's nails into two folders and placed them on the table in the living room. She walked to the living room to pick up the folder and walked out. She saw her student standing at the door.

Qiao Nian handed the folder to her and said seriously, "Go to a private paternity test center and do a DNA test on these two samples. Remember, don't go to the largest one."

Although Qiao Nian's student didn't understand what she meant, he didn't ask further. He nodded obediently and got back to work.

After Qiao Nian watched the student leave, she turned around and entered the villa.

If her student sent the sample to the largest paternity test center, it wouldn't be long before Gu Zhou knew about this.

For safety's sake, she could only get her student to do the DNA test elsewhere.

After sending the student off, Qiao Nian returned to the kitchen again. At this moment, the ribs in the pot were cooked. She hurriedly scooped them out, added some ingredients, and began to stew the ribs soup.

While the pork ribs soup was simmering, Qiao Nian steamed some rice and made two dishes. After she was done, Qiao Nian was about to go upstairs and call the children down for dinner when she suddenly remembered that Gu Zhou still didn't know about Xiao Shi.

If Gu Zhou knew that he still had a daughter, would it agitate him? What if his other personalities came out?

It seemed that she should give Gu Zhou a heads-up in advance.

With this thought in mind, Qiao Nian took out her phone and called Gu Zhou.

At this moment, in the Gu family's study.

Gu Zhou sat in front of his desk, his hand gently stroking the little snake. He was still thinking about how Qiao Nian had just left.

She seemed to be really avoiding him.

Why?

Could it be that he had frightened Qiao Nian?

At the thought of this, Gu Zhou frowned and pursed his thin lips.

At this moment, his phone suddenly rang.

He glanced at the phone screen indifferently. When he saw the words "Qiao Nian" on the screen, his eyes lit up, and his lips curved up involuntarily.

He took the phone and answered, pretending to be calm. "What's wrong?"

Gu Zhou's voice was as low, hoarse, and magnetic as ever. One could get pregnant just by listening to it.

Qiao Nian couldn't help but feel nervous. For some reason, she recalled Gu Zhou kissing her yesterday, and the tips of her ears turned red.

She hurriedly pushed all the messy thoughts in her mind to the back of her mind and said, "I'll have lunch with Xiao Qi today. Don't wait for me."

When Gu Zhou heard Qiao Nian's words, his thin lips curved up slightly and his eyes were filled with joy. It seemed that Qiao Nian had already begun to accept him.

Gu Zhou's heart, which had been in his throat, gradually settled back down. He replied, "Okay."

Gu Zhou had thought that Qiao Nian would say more, but there was no movement on the other end of the line. He hesitated for a moment and asked worriedly, "Did something happen?"

"I'm fine." After saying that, Qiao Nian yearned to slap herself. She hurriedly added, "I just think Xiao Qi is a little too lonely."

The phone stopped for a long time, but Qiao Nian didn't hear Gu Zhou's voice. Thinking that Gu Zhou had hung up, she glanced at her phone. The call was still connected. She asked, "Don't you think Xiao Qi is a little lonely alone?"

"What are you getting at?"

"I think it would be great if Xiao Qi had a sister!"

"So Mrs. Gu, are you so eager to give birth to my child?"

On the other end of the line, Gu Zhou's voice carried a hint of a smile and laziness, as well as a hint of joy. It was as if she couldn't wait to have a child with him.

Qiao Nian felt terrible.

She had never expected Gu Zhou to misunderstand. She hurriedly said, "No, you've misunderstood. That's not what I meant."

Chapter 765 Misunderstanding

"I know. Actually, I can't wait to have a child with you."

Qiao Nian was speechless.

"Nian'er, let's hold a wedding first before having a child!" Gu Zhou's serious voice came through the phone.

Qiao Nian's face grew redder and redder, not knowing what to say.

"We can have a few more children. We'll give Gu Qi a younger brother first, then give him a younger sister. What do you think?"

This time, Qiao Nian was very sure that Gu Zhou really wanted to be with her.

Qiao Nian thought about Xiao Shi and how she had to ensure that Gu Zhou wouldn't be agitated. After all, she couldn't affect Gu Zhou's condition.

She didn't want the other personalities in Gu Zhou's body were released, especially Gu Chuan. Although Gu Chuan had not appeared for a long time, she was not sure if he had really disappeared.

At the thought of this, Qiao Nian couldn't help but sigh.

It was really too difficult for her.

"I won't talk to you anymore. The meal is ready. I'll eat with Xiao Qi!"

After Qiao Nian hung up, she heaved a sigh of relief.

Gu Zhou's words still rang in her ears for a long time.

Qiao Nian felt her face grow hotter and hotter.

At this moment, Gu Qi's voice came from the kitchen door.

"Auntie Nian Nian, is lunch ready?"

Qiao Nian turned around and saw Gu Qi walking in.

Qiao Nian smiled and said, "It's already done. You can wait for me in the dining room with Xiao Shi."

"Auntie Nian Nian, what are the dishes for lunch today?" Gu Qi didn't leave immediately. Instead, he looked at Qiao Nian curiously and asked.

"Sour and spicy shredded potatoes, spicy chicken, stewed pork ribs, and rice. I wonder if Xiao Shi will like it," Qiao Nian said with a smile.

When Gu Qi heard Qiao Nian's words, his eyes curved up.

These dishes were all his favorites.

Auntie Nian Nian remembered his favorite dishes.

But he didn't know if his sister would like these.

"Auntie Nian Nian, when we eat later, can you scoop more meat into my sister's bowl?" Gu Qi looked up at Qiao Nian and whispered.

When Qiao Nian heard Gu Qi's words, she was slightly stunned. She recalled how thin and weak she was and nodded with a smile. "Of course. She should eat more meat when she's young!"

"When you're scooping meat for your sister, don't let her feel that we're pitying her. Is that okay?"

When Qiao Nian heard Gu Qi's words, she was completely stunned.

In the past, she had always thought that Gu Qi was slow in relationships.

But at this moment, she realized something.

Gu Qi was very smart. His intelligence was not only reflected in his high IQ, but also in his high EQ.

Gu Qi was clearly so young, but he already knew how to take care of other people's emotions.

Perhaps it was because Gu Qi was related to Xiao Shi by blood that he could understand Xiao Shi better and take better care of her.

Qiao Nian reached out and patted Gu Qi's head, smiling as she agreed.

"Thank you, Auntie Nian Nian. Then I'll call my sister over for dinner now!" Gu Qi gave a satisfied smile and walked out.

Qiao Nian looked gently at Gu Qi's retreating back. If her child was still alive, he would definitely be as adorable and understanding as Gu Qi was!

Qiao Nian's phone rang again. She opened it and saw that it was a photo of the DNA report her student had sent her.

Things were indeed as she had expected.

Xiao Shi was really related to Gu Qi by blood. The two of them were biological siblings.

Qiao Nian's heart gradually settled back into her stomach. She had to think of a way to reunite her and Gu Zhou.

Qiao Nian brought out all the dishes. She scooped three large bowls of pork ribs. There were many pork ribs in every bowl.

After she placed the dishes, she saw Gu Qi and Xiao Shi walking towards the dining room hand in hand.

Qiao Nian smiled at them and said, "You have to wash your hands before eating!"

Xiao Shi smelled the fragrance coming from the dining table. When she saw the dishes on the dining table, her eyes couldn't help but turn red.

She really couldn't believe that she could eat such delicious food.

Auntie Nian Nian had made this for her.

It was really too fragrant. The roundworms in her stomach were about to be hooked out.

Chapter 766 Thank You

"Sister, let's go wash our hands now!" Gu Qi's heart ached when he saw his sister staring at the dishes on the dining table.

His sister must have had a hard time in the past.

Holding Xiao Shi's hand, Gu Qi walked towards the bathroom. After the two of them washed their hands, he returned to the dining table.

Smiling, Qiao Nian called them over for dinner. Then, she picked up another piece of chicken for Gu Qi and Xiao Shi and placed it in the bowl of rice.

Xiao Shi looked up at Qiao Nian and said politely, "Thank you, Auntie Nian Nian!"

"You don't have to be so polite. Hurry up and eat!"

Qiao Nian smiled gently at Xiao Shi, but her heart ached.

Why had such an obedient and adorable child suffered so much in the past? If she hadn't suffered, she wouldn't have been covered in calluses at such a young age.

However, her father did not know that she existed.

Qiao Nian sighed in her heart, but she didn't show it on her face. She smiled at Xiao Shi and asked gently, "Xiao Shi, after dinner, I'll bring you home with me!"

When Xiao Shi heard Qiao Nian's words, she jumped down from her chair in excitement. She quickly walked up to Qiao Nian and asked seriously, "Auntie Nian Nian, is what you said true?"

Seeing how excited Xiao Shi was, a trace of sadness flashed in Gu Qi's eyes.

His sister had always been thinking about her father in the past, but her father did not know of her existence. She worked hard to support herself and Mommy in Hai Cheng alone.

His sister had it really hard!

Qiao Nian smiled and nodded. She said gently, "Of course it's true. How could I lie to you about this?"

"Then are we going to see Daddy now?"

As soon as Xiao Shi finished speaking, her stomach growled inappropriately.

A shy smile appeared on Xiao Shi's face.

Qiao Nian stood up and pulled Xiao Shi to the seat. She asked softly, "Auntie is especially hungry. Can you eat with me first?"

Xiao Shi nodded obediently. She knew in her heart that Auntie Nian Nian wanted her to eat first.

Qiao Nian walked back to her seat and sat down. Smiling at Xiao Shi, she said, "Xiao Shi, there's something I want to discuss with you first."

When she heard Qiao Nian's words, she put down her chopsticks and stared unblinkingly at her.

Qiao Nian voiced her thoughts. "Xiao Shi, your daddy hasn't gone to look for you in the past, not because he doesn't care about you, but because he doesn't know of your existence. Therefore, this time, can you pretend to be Xiao Qi and return to the Gu family with me?"

Xiao Shi blinked in confusion and asked in confusion, "Auntie Nian Nian, do you want me to pretend to be Brother Xiao Qi?"

Qiao Nian smiled and nodded. She continued, "I don't know if you're willing, but I want your father to slowly accept you."

Xiao Shi felt that Auntie Nian Nian's words were a little strange. She didn't know what to do either. She looked at Gu Qi, who was sitting at the side, for help.

If her brother did not agree, she would not go back to acknowledge her father.

Qiao Nian also looked at Gu Qi, waiting for his answer.

Gu Qi nodded without hesitation. "Auntie Nian Nian, I thought so too!"

Gu Qi knew that his father did not know of the existence of Xiao Shi. If she returned home rashly, he was worried that his father would be cold to her.

If that was the case, Xiao Shi might be disappointed.

He wanted Xiao Shi to feel fatherly love.

Gu Qi turned to look at Xiao Shi and said seriously, "After dinner, go home with Auntie Nian Nian!"

When Xiao Shi heard Gu Qi's words, she nodded obediently.

Since her brother agreed with Auntie Nian Nian's suggestion, she didn't have to worry about anything.

At the thought of this, Xiao Shi couldn't help but smile.

Gu Qi looked at the bright smile on Xiao Shi's face and couldn't help but feel a trace of envy.

Her sister could see her daddy now, but he didn't know when she would see her mommy.

How great would it be if he could also dress up as his sister to meet his mommy!

Chapter 767 Don't Like Meat

Unfortunately, Mommy was in Hai Cheng, which was too far away.

Xiao Shi was so obedient and adorable. Mommy must have taught her so well. She must be a very kind and warm person.

He wondered what his mother looked like and if she would look like her sister.

Seeing that the two children had already agreed to her suggestion, Qiao Nian heaved a sigh of relief. Smiling, she said, "Xiao Shi, after we eat, we'll go home together!"

When Xiao Shi heard Qiao Nian's words, she looked at her expectantly and nodded vigorously.

Xiao Shi lowered her head and was about to eat when she realized that her bowl was filled with pork ribs. They looked, smelled, and tasted delicious. She was so hungry that she was about to drool.

Although the ribs smelled good, she felt a little sad when she thought about how her mommy could only eat some vegetarian dishes while lying on the bed.

As their family was very poor, they rarely bought meat. If only she could bring all these ribs back for her mommy to eat!

However, if she really brought the pork ribs back to her mommy, it would waste a lot of time and money to go back and forth. It would also delay her mommy's reunion with her grandparents.

Qiao Nian's attention was fixed on Xiao Shi. Seeing that Xiao Shi was staring at the bowl in front of her without moving her chopsticks, she asked gently, "Xiao Shi, why aren't you eating? Could it be that you don't like these dishes?"

Xiao Shi looked up at Qiao Nian and shook her head gently. "Auntie Nian Nian, I don't usually like to eat meat. I'll just eat vegetables!"

Actually, it wasn't that she didn't like meat. She also wanted to eat meat.

However, when she thought of the bland food her mommy had been eating at home, she would feel very sorry for her mommy if she took a bite of meat now.

Mommy had worked so hard to give birth to her and raise her alone, but she still ate meat behind her Mommy's back. That made her an unfilial daughter.

Qiao Nian looked at Xiao Shi in confusion, frowning slightly.

Due to Gu Zhou's schizophrenia, she had read many psychology books in the past.

She was 100% sure that Xiao Shi had lied.

When Xiao Shi first answered her, her eyes were wandering. This meant that she really wanted to eat meat, but why was she lying?

Qiao Nian recalled Gu Qi's reminder.

From Gu Qi's words, she was certain that she had grown up in a poor family. It was precisely because of this that she did not dare to live a good life or eat meat.

It must be because she thought about her mommy at home. She was really a filial child.

Qiao Nian really wanted to meet Gu Qi and his mother.

That girl had also been schemed against like Gu Zhou.

When Qiao Nian thought of how that girl had once been with Gu Zhou, she had a strange feeling.

This feeling made her feel very uncomfortable.

Qiao Nian lowered her gaze slightly, hiding the thoughts in her eyes. She smiled at Xiao Shi and said, "If you don't like meat, then don't eat it. Just drink more soup!"

Xiao Shi's eyes lit up. She nodded.

Gu Qi sat beside Xiao Shi. He could clearly feel the emotions Xiao Shi had just restrained.

He didn't know what his sister had experienced .

He thought his sister must have had a hard time.

That was why his sister didn't dare to eat meat now.

Gu Qi clenched his fists involuntarily. If he had known earlier that he had a sister, he would have definitely brought her back and protected her well. He would never have let her suffer.

Gu Qi recalled that his father had gone to look for Mommy previously. No wonder his father hadn't found any clues about Mommy. Hai Cheng was a very complicated place. There were all kinds of people there. His father probably didn't expect his mother and sister to live in such a place!

Qiao Nian noticed that both children looked troubled. She couldn't help but frown and ask, "Xiao Cheng, does your mommy live in Hai Cheng with you?"

"Yes!"

After receiving an affirmative answer, Qiao Nian instantly understood that the reason why she didn't eat meat was 100% because of her mommy.

Chapter 768 Heartache for Her

As Xiao Shi was worried about their mother, who was far away in Hai Cheng, it affected Gu Qi's mood. The two children had no appetite.

Qiao Nian smiled at Xiao Shi and said gently, "Xiao Shi, can you give me a copy of your address? I'll send someone to pick up your mommy later, okay?"

When she heard Qiao Nian's words, Xiao Shi's eyes lit up, but that light disappeared in an instant. She shook her head gently and pursed her lips. "There's no need."

Qiao Nian smiled and said, "Don't you miss her very much? Isn't it good for me to bring her over now?"

"Okay!" Xiao Shi nodded, then shook her head. "But Mommy won't leave with anyone else. Mommy will only believe me!"

Qiao Nian smiled gently at Gu Qi and asked, "Xiao Qi, I still remember saying that you wanted me to help you find your mommy. Although I haven't been able to find her, your mommy has already appeared. Don't you want to see her sooner?"

Gu Qi nodded and said, "Yes!"

Qiao Nian smiled brightly and said, "Isn't that good? I'll get someone to bring your mommy over so that you can reunite sooner!"

Although Qiao Nian said that, she felt that her mother might not be her biological mother.

It was hard for her to imagine a mother asking her five-year-old to do so much work.

Perhaps that woman was just an adopted mother .

She really couldn't understand what difficulties a woman could have to make a five-year-old girl work.

She had given birth before. If her child had not passed away back then, she would definitely have done her best to take care of her child and make her child happy. She would never have let them live such a miserable life.

She was just an outsider. When she saw the calluses on Xiao Shi's hands, she couldn't help but feel sorry for this child.

Didn't her mother's heart ache for her child at all ?

What she wanted to do now was to bring that woman back first. When the time came, she would take the opportunity to do a paternity test for that woman and Xiao Shi. She wanted to see if the two of them were related by blood.

Moreover, she had already promised Gu Qi that she would help him find his mommy. Now was a good opportunity.

At the thought of this, Qiao Nian smiled at Xiao Shi and said, "I was thinking that if I could pick up your mommy as soon as possible, your family would be able to reunite sooner. Xiao Shi, can you give me one of your tokens? That way, your mommy will believe that you're with me now. At that time, my people will be able to bring her over!"

Xiao Shi stared unblinkingly at Qiao Nian. She blinked her black grape-like eyes and asked, "Auntie Nian Nian, if my mommy comes here, won't you feel terrible?"

Xiao Shi's words stunned Qiao Nian. She hadn't expected Xiao Shi to ask such a question. A faint smile appeared on her face as she asked, "That's nothing. Your mommy and daddy are going to reunite."

Hearing Qiao Nian's words, Xiao Shi lowered his gaze slightly. "If my mommy comes, what will happen to you and Daddy?"

The smile on Qiao Nian's face gradually faded, and her heart ached.

She was just a child. She was only five years old, but she was already thinking about adults' feelings.

Logically speaking, a child like her should think that her mommy and daddy were the best. No one else was good.

She hadn't expected him to consider her. She was a little touched.

"Xiao Shi, we all have our own fates in this world. My relationship with your daddy is our own business. Moreover, your mommy has suffered so much. She should be leading a better life now, not living hard."

Although Qiao Nian felt that it was a little awkward for that girl to be with Gu Zhou, the two of them had both been schemed against back then.

Moreover, girls had to treat girls better.

No matter what happened, it was still a girl who was injured.

Moreover, that girl had bravely given birth to twins!

Chapter 769 Protecting You

If Gu Zhou was really cold-blooded and heartless towards Gu Qi and his childhood mommy, then she felt that Gu Zhou might not be a good person.

However, Gu Zhou was loyal. That was why he was living such a painful life.

It was also because of this that Gu Zhou was split into other personalities.

Xiao Shi looked at Qiao Nian quietly and pursed her lips slightly. A quiet smile appeared on her face as she said, "Auntie Nian Nian, I think I understand now why Daddy likes you so much!"

Qiao Nian hadn't expected to say such a thing. She smiled and asked with interest, "Why?"

Xiao Shi said with a serious expression, "You said these words so calmly because you don't like Daddy. It's precisely because you don't like him that you won't be worried about Mommy's appearance, nor will you be worried that this will affect your relationship with Daddy."

Qiao Nian was stunned. She hadn't expected Xiao Shi to say that.

Without waiting for Qiao Nian to speak, Xiao Shi said solemnly, like a little adult, "In everyone's opinion, it's best if you can't have it!"

At this moment, she was wearing Gu Qi's clothes. She looked exquisite and cute, like a famous detective. One really couldn't take their eyes off her.

Qiao Nian really liked Gu Zhou's two children. They were so adorable and sensible that her heart ached.

Xiao Shi stared unblinkingly at Qiao Nian. After a while, he said solemnly, "Auntie Nian Nian, actually, it doesn't matter if you like Daddy or not. Since you're the person Daddy likes, I'll definitely do my best to protect you. I won't let Mommy ruin your relationship with Daddy."

When Qiao Nian heard Xiao Shi's words, she couldn't help but laugh. She asked curiously, "Xiao Shi, don't you want your daddy and mommy to be together? That way, it'll be easier for you to have a complete family."

When he heard Qiao Nian's question, he shook his head gently and said seriously, "Auntie Nian Nian, I'm a very principled person. Although I really want a family, if Daddy doesn't like Mommy, I don't want to force him either. Moreover, I'm already very happy to be able to see Daddy and Brother!"

Qiao Nian really hadn't expected her to say such things. She was too obedient and sensible. She didn't look like a child at all.

Perhaps many adults hoped that their children would be sensible, but in Qiao Nian's opinion, sensible children must have suffered a lot in their hearts.

Qiao Nian smiled and said, "Alright, principled adult. Can you give me a token so that I can get someone to bring your mommy over!"

Xiao Shi put down the chopsticks in her hand and took off the pendant around her neck. Then, she handed the pendant to Qiao Nian with a serious expression and said, "Auntie Nian Nian, as long as your friend shows this pendant to my mommy, my mommy will believe your friend."

Qiao Nian took the pendant and noticed that it was a light brown button. She was a little puzzled. Why would she wear a button like a pendant ?

However, it wasn't appropriate for her to ask Xiao Shi directly.

Xiao Zheng said seriously, "This was a birthday gift Mommy specially gave me when I was four years old!"

Qiao Nian smiled lightly. The more she thought about it, the more she felt that the mommy she was talking about wasn't her biological mother.

She had never heard or seen a birthday gift made of buttons before. Perhaps she was really ignorant!

Qiao Nian gently touched the button. Suddenly, an idea flashed across her mind. She seemed to have seen this button before, but she couldn't remember.

However, Qiao Nian didn't think too much about it. She put the button into her pocket.

Qiao Nian took out her phone and sent Lin Tao a text message, asking her to come over. She wanted Lin Tao to take care of Gu Qi.

While Qiao Nian was eating, she noticed that Xiao Shi was really only drinking pork rib soup. She even ate some vegetarian dishes and rice.

In the past, her heart ached for Gu Qi, who had never been taken care of. Now, her heart ached especially for Xiao Qi. She could tell that Xiao Qi had been taking care of others.

After dinner, Qiao Nian washed all the dishes. After she was done, her phone rang. It was Lin Tao calling her.

Chapter 770 Gleaming Green

“Sister Nian Nian, I’m here!” Lin Tao’s happy voice came through the phone.

“Wait for me at the door. I’ll go open the door.” With that, Qiao Nian walked out.

At this moment, Gu Qi and Xiao He, who had been playing in the living room, stood up and followed Qiao Nian out.

When the three of them reached the entrance of the villa, Qiao Nian saw Lin Tao standing not far away.

To be honest, she really didn’t recognize Lin Tao.

Lin Tao walked up to Qiao Nian and spun around happily. “What do you think of my outfit?”

Qiao Nian’s lips twitched slightly.

What should she say?

Lin Tao’s outfit was so green that it was practically glowing. It was simply difficult to look at her directly.

Not only had she dyed her hair green, but she was also wearing a long green dress. Even her shoes were green.

If she hadn’t recognized Lin Tao’s face, she would have thought that a patient from the mental hospital had come out.

Patients in mental hospitals didn’t even have the chance to dye their hair like this.

Qiao Nian looked at Lin Tao worriedly and asked carefully, “Have you been agitated by something recently?”

Lin Tao smiled and tucked her hair behind her ear. “Actually, it’s nothing serious. I was just cuckolded!”

Qiao Nian looked at Lin Tao. She was completely different from before. She had clearly been severely traumatized. If Lin Tao walked on the streets like this, people might think that she was crazy!

Lin Tao didn’t seem to know what Qiao Nian was thinking. She complained, “Since he has the cheek to do such a despicable thing, I’ll let everyone know what kind of person he is!”

Qiao Nian began to doubt if she had done the right thing by calling Lin Tao over.

Forget it. She was just asking Lin Tao to take care of Gu Qi for a night. She would come over to pick Gu Qi up tomorrow.

“Then help me take good care of Gu Qi. Don’t bully him!” Qiao Nian couldn’t help but add.

Hearing Qiao Nian’s words, Lin Tao smiled and said casually, “Sister Nian Nian, I’m not a child. I’ll definitely take good care of him.”

Qiao Nian looked at Lin Tao suspiciously, but didn’t refute. She asked, “Do you want revenge?”

When Lin Tao heard Qiao Nian’s words, her eyes lit up.

“We’ll talk about your situation later. Remember to take good care of Xiao Qi for me.” As Qiao Nian spoke, her gaze fell on Gu Qi’s face. She saw that Gu Qi was already looking elsewhere coldly, as if he didn’t like Lin Tao. “Xiao Qi, this is Auntie Lin Tao. She’ll take care of you!”

When Lin Tao heard the word “auntie”, she frowned slightly and said unhappily, “I’m still young and inexperienced. Just call me Sister!”

Qiao Nian smiled and raised her eyebrows slightly. She asked, “Are you going to call me Auntie?”

Lin Tao’s expression froze for a moment. She pursed her lips and said reluctantly, “Alright, then call me Auntie!”

When he saw Lin Tao like this, a trace of worry flashed across his eyes. His gaze fell on Gu Qi’s face, and he looked conflicted.

Qiao Nian was still very relieved to hand Gu Qi over to Lin Tao. Although Lin Tao was a little careless sometimes, she was very meticulous. Nothing would happen.

Qiao Nian smiled at Xiao Shi and said, “Alright, let’s go. I’ll take you home now!”

Xiao Shi looked at Gu Qi reluctantly. After saying goodbye to him, she got into Qiao Nian’s car.

Lin Tao had already brought Gu Qi into the villa.

Xiao Shi sat in the front passenger seat and still looked at Gu Qi worriedly, as if she was very worried that Gu Qi would suffer.

Qiao Nian helped Xiao Shi fasten his seatbelt. Realizing that Xiao Shi was looking worried, she asked in confusion, “Xiao Shi, don’t you want to go to the Gu family now?”

Xiao Shi shook her head and said worriedly, “I want to see Dad, but I’m still worried that Brother Xiao Qi’s hair will turn green too!”

Green-haired Gu Qi...

Qiao Nian couldn’t help but shiver. This was simply too terrifying.

Moreover, Lin Tao was a young lady who did whatever she wanted. She had done everything.
