

Mr Gu 781

## Chapter 781 Conversation

Gu Zhou patted his back gently and comforted him in a low voice. "Xiao Qi, if you want Daddy to accompany you, you can just say so! Daddy is very happy to be able to do more with Xiao Qi!"

Hearing Gu Zhou's words, Xiao Shi's body involuntarily softened.

His father was really gentle, and his words were especially gentle. They were like the winter sun, warm and comfortable.

So she was so happy to be her daddy's child. That was great. She could live such a happy life in the future.

Xiao Yi looked at Gu Zhou seriously and nodded. "Thank you, Daddy. I understand!"

Xiao Shi really wanted to tell her mommy everything that had happened here. Her mommy would probably be very happy too.

Seeing the little person in his arms become happy, Gu Zhou's lips curved up slightly.

Although Gu Qi looked a little strange today, he was still very happy.

Gu Qi could already laugh, make a scene, and wheedle like a normal child. This meant that Gu Qi had completely recovered.

All of this was thanks to Qiao Nian. If Qiao Nian hadn't been accompanying Gu Qi and trying her best to take care of his emotions, Gu Qi might still be the same as before.

At the thought of Qiao Nian, Gu Zhou's expression gradually turned serious. His gaze fell on Gu Qi's face. After some thought, he asked, "Xiao Qi, you're no longer a child. There's something I want to ask for your permission about!"

Xiao Shi sat up straight and looked up at Gu Zhou. "Daddy, what do you want to tell me?"

"During this period of time, Auntie Nian Nian has been by your side and taking care of you. When you had a fever, she stayed by your bed!"

When she heard Gu Zhou's words, she recalled what Brother Xiao Qi had told her previously.

When Brother Xiao Qi first moved into the Gu family villa, he had a high fever. Auntie Nian Nian had been by his side, accompanying him, treating his illness, feeding him medicine, and taking care of him meticulously.

At the thought of this, Xiao Shi nodded and said, "Yes, Daddy, I remember everything!"

Gu Zhou looked at her young face, and a complicated look flashed in his eyes. After a long while, he said, "Xiao Qi, are you willing to let Auntie Nian Nian take care of you and be your mother?"

Actually, she had a premonition that her father might tell her about Auntie Nian Nian.

She really liked Auntie Nian Nian.

She had also heard about Auntie Nian Nian from Brother Xiao Qi. Auntie Nian Nian treated Brother Xiao Qi very well.

If Daddy and Auntie Nian Nian were together, her mommy wouldn't be able to marry Daddy.

Xiao Shi recalled what Brother Xiao Qi had said about letting Mommy and Auntie Nian Nian be together.

She felt that this was impossible.

Her mommy was still living in the slums, waiting for her to call her grandparents over.

Gu Zhou knew that this question was very difficult for Gu Qi, so he waited quietly for his answer.

Xiao Shi sighed softly, his expression serious. He looked up at Gu Zhou and asked solemnly, "Daddy, do you really like Auntie Nian Nian very much?"

Actually, Gu Zhou had already discussed this matter with Gu Qi, but he hadn't made it so clear.

After spending some time with Qiao Nian and Gu Qi, he believed that Gu Qi definitely liked Qiao Nian.

Gu Zhou stared unblinkingly into Xiao Qing's eyes and said solemnly, "Yes, I do."

Xiao Shi looked at the seriousness in his father's eyes. She still remembered Brother Xiao Qi telling her that her father liked Auntie Nian Nian a lot.

Actually, at that time, she had already approved of her father and Auntie Nian Nian being together.

Auntie Nian Nian was a very good person and was especially gentle to her. She was not like Xiao Yu's stepmother, who was very fierce to Xiao Yu.

Daddy and Auntie Nian Nian seemed to have gone through a lot. They could no longer leave each other.

It seemed that Mommy's dream was about to be ruined.

She had better tell Mommy about this as soon as possible. That way, Mommy would no longer have any illusions of being with Daddy. Anyway, Mommy still had her. She would take good care of Mommy for the rest of her life.

Chapter 782 Thank You

"Xiao Qi?" Seeing that Gu Qi was silent, Gu Zhou called out tentatively.

Xiao Shi suddenly retracted her thoughts. Her gaze fell on Gu Zhou's face and she nodded. She said eagerly, "Of course I'm willing. Moreover, as long as Daddy likes her, I have no objections!"

Seeing the serious expression in Gu Qi's eyes, the nervousness in Gu Zhou's heart gradually dissipated.

Actually, he cared a lot about Gu Qi's opinion. If Gu Qi was unwilling, he could only work harder to make Gu Qi accept Qiao Nian.

"Thank you, Xiao Qi. Don't worry, when I'm with your Auntie Nian Nian in the future, the two of us will take good care of you!"

A bright smile appeared on Xiao Shi's face. Her beautiful fox-like eyes flickered as she said softly, "Thank you, Daddy!"

Gu Zhou's expression faltered slightly. He didn't understand why Gu Qi would say that.

He should be the one thanking Gu Qi for this.

"Why are you thanking me?"

When he smiled when he was young, his eyes narrowed into crescents. "Daddy is very honest with me now, and he didn't lie to me! Other fathers will lie to children!"

When Gu Zhou heard Gu Qi's words, he couldn't help but hug him tightly and say softly, "You're my child. There shouldn't be any secrets between us!"

Although he said that, he hoped that Gu Qi could be as innocent as other children and be himself easily. He didn't have to think about so many things, nor did he need to please other.

Would other children think about such complicated things?

After dinner, Xiao Shi slept in Gu Qi's room. She lay on the bed and took out her phone to call Brother Xiao Qi.

When the call went through, her feet swayed non-stop.

At this moment, she really looked like a young lady.

Pure and innocent.

"Brother!" Xiao Shi called out excitedly, her eyes filled with smiles.

At this moment, Gu Qi was wearing pajamas. He sat on the bed and looked at the smile on his face on the phone. He couldn't help but smile.

"Sister, were you exposed over there today?"

Xiao Shi smiled and shook her head. "I'm so smart. Of course I won't let Daddy discover anything wrong!"

"How did Dad treat you today?"

At this point, the smile on Xiao Shi's face grew brighter and brighter. She seemed to be surrounded by bubbles of happiness.

"Daddy treats me very well. I'm very happy!" At this point, a thought flashed across her mind. She hurriedly said, "Brother, Dad even asked me a question today. I've already answered it for you, but I think I should tell you!"

"What question?"

Xiao Shi said, "Daddy asked me today if you were willing to let Auntie Nian Nian be your mommy."

When he heard Xiao Shi mention this, Gu Qi's expression couldn't help but turn serious.

His other hand gripped the bedsheets under him tightly. He asked nervously, "Then how did you tell Daddy?"

"I said I'm willing!" Xiao Shi looked at Gu Qi with a smile and asked, "Brother, am I right to answer like this?"

Gu Qi heaved a sigh of relief and nodded. "Yes!"

"Brother, am I especially smart?" Xiao Shi asked.

"Yes." Gu Qi lowered his gaze, his eyes dark. He didn't dare to look at Xiao Shi. After a long while, he asked carefully, "Sister, will you blame me? If I refuse, Dad and Mommy might..."

When Xiao Qing heard Gu Qi's words, she hurriedly shook her head and said, "Brother Xiao Qi, what are you saying? Of course I won't blame you!"

Gu Qi looked at Xiao Shi in confusion. "Why?"

"You're my brother. Of course I'll respect your choice!" Xiao Shi gave a bright smile.

"Previously, you told me that Mommy often misses me at night. But now, I want Auntie Nian Nian to be my mommy. Today, Auntie Lin Tao told me that they can't stay together. In other words, it's impossible for Auntie Nian Nian to be with Mommy. If Auntie Nian Nian is my mommy, doesn't that mean that I've already betrayed our mommy?" When Gu Qi said this, he felt guilty. He felt that he had let down the mommy who had given birth to him.

#### Chapter 783 Unfilial

There was probably no other more unfilial child in the world than him.

The smile on Xiao Shi's face faded. She recalled what Auntie Nian Nian had said to her on the way to the Gu residence.

Auntie Nian Nian was a warm person. She felt very safe around Auntie Nian Nian.

Xiao Shi looked at the sad Brother Qi on the phone and said, "Brother, that's not how this matter should be settled. The person who has been by your side encouraging you and taking care of you is Auntie Nian Nian Nian Nian. It was an accident that the two of us met. If the two of us had never met and if we weren't siblings, you would have never been able to find Mommy. Are you going to be a child without Mommy for the rest of your life? Wouldn't that be too pitiful!"

Xiao Shi saw Gu Qi look up and continue, "When I was at home, I hoped that Brother Xiao Qi could live a happier life. I think Mommy thought so too!"

Gu Qi's eyes were sparkling, and his heart was beating very fast. "Is that really what you think?"

"Of course. Previously, I even persuaded Mommy to find a new daddy!" Xiao Shi smiled brightly. She seemed to have thought of something and frowned, saying disapprovingly, "Brother Xiao Qi, if you have to throw Auntie Nian Nian away and forget about her just because you found Mommy now, wouldn't that be a little too heartless? Previously, I heard from the teachers that this isn't a good child. Good children can distinguish right from wrong. They can't let their emotions affect them!"

When Gu Qi heard Xiao Shi's words, the uneasiness in his heart gradually disappeared, and he felt much less guilty.

His sister was right.

Before he found his mommy, he had already told his grandmother that he wanted Auntie Nian Nian to be his mommy.

One could not go back on their word.

Moreover, Auntie Nian Nian treated him so well.

One could not go back on their word.

"Okay! Goodnight, Sister. Goodbye!"

"Goodnight, Brother!"

Just as he hung up, there was a knock on the door.

Xiao Shi stuffed her phone under her pillow and tilted her head to look at the door. "Please come in!"

At this moment, the door opened.

Xiao Shi saw Auntie Nian Nian walking in wearing white pajamas.

Under the light, Auntie Nian Nian looked like an angel. Her skin was as white as snow, and for a moment, she was stunned.

However, Xiao Shi quickly reacted. She sat up and greeted Auntie Nian Nian obediently, "Hello, Auntie Nian Nian!"

With a gentle smile on her face, Qiao Nian walked to the bed and sat down. She helped Xiao Shi lie down and covered her with a blanket. Then, she crawled under Xiao Shi's blanket herself, and the two of them lay side by side on the bed.

In the past, she had always slept alone. Now that Auntie Nian Nian was lying beside her, her heart couldn't help but race.

She felt the entire blanket warm up, and she couldn't help but sink into it.

Qiao Nian looked at Xiao Shi seriously and asked softly, "Xiao Shi, you've come to An City alone. Are you used to not sleeping with your mommy?"

Xiao Shi shook her head and said obediently, "Auntie Nian Nian, don't worry about me. I won't be affected by it. When I'm at home, I sleep by myself!"

The smile on Qiao Nian's face froze. Puzzled, she asked, "Then when did you start sleeping alone?"

Xiao Shi pouted slightly and thought about it seriously before saying, "I've had memories since I was more than two years old. At that time, I slept alone!"

Hearing Xiao Shi's words, Qiao Nian felt inexplicably uncomfortable. Puzzled, she asked, "Then why didn't you sleep with your mommy?"

“Mommy is sick. The doctor said that Mommy seems to be mentally weak. A little movement will wake her up. If I sleep with Mommy, Mommy won’t be able to sleep!” Xiao Shi said like an adult. “Auntie Nian Nian, am I very brave? I’ve been able to sleep by myself since I was young!”

“Yes, Xiao Shi is really a brave child!” Qiao Nian praised with a smile.

However, her doubts grew.

#### Chapter 784 Doubts

In the past, she had only felt that her mother was a little strange. She did not seem like her biological mother. Now, it seemed that there might really be something wrong with her mother.

Although Qiao Nian had never taken care of a child, she had interacted with many mothers during her time in the hospital.

Those who were new mothers would keep their children by their side because they could not sleep well. Every night, they would get up again and again to check on their children, afraid that they would be uncomfortable.

Children didn’t know anything. They might kick the blanket and catch a cold when they fell asleep, or they might fall to the ground because they were crawling around. At this moment, their mothers would have to spend more effort caring for them.

That woman didn’t care about Xiao Shi at all. She let Xiao Shi come here alone and didn’t even take care of Xiao Shi. Was this really something a biological mother would do?

What if that woman was really forced to give birth because of the scheme back then? Then, she would harbor resentment towards the child!

But that didn’t make sense because a person would know when they were three or four months pregnant. She could have taken the opportunity to abort the child. Then she wouldn’t have to raise it.

Since she had chosen to give birth to the children, why did she only take Xiao Shi away, but leave Gu Qi behind?

Could something else have happened after that?

Only after Xiao Shi brought her mother over would she know what had happened.

Qiao Nian and Xiao Shi lay facing each other. Qiao Nian patted Xiao Shi’s back gently and said, “Do you want to hear a bedtime story?”

When he heard Qiao Nian’s words, his heart began to race uncontrollably.

In the past, she had heard from Sister Lingling that there would be bedtime stories before bedtime. At that time, she was especially envious of Sister Lingling. She also wanted her mommy to tell her bedtime stories.

However, when she saw her mommy’s face with tears every day, she no longer dared to make her request.

It had not been easy for Mommy to give birth to her and raise her up. How could she ask for more?

Xiao Shi stared unblinkingly at Aunt Nian Nian. She felt warmth and care from Aunt Nian Nian.

She could especially understand Brother Xiao Qi.

Auntie Nian Nian was too nice, and she was especially gentle. No child would be able to walk away from Auntie Nian Nian's gentleness.

Qiao Nian thought for a while and suddenly recalled the first time she had met Eldest Senior Brother. That had been especially funny.

At that time, she liked to watch television dramas very much when she was five years old. Her favorite television drama was called Ji Gong.

Every day, Ji Gong would walk around the martial world with an old fan. When Ji Gong encountered someone who was sick, he would put his hand in his sleeve and rub it hard. Soon, a pill would appear. If Ji Gong gave the pill to the patient, the patient would be cured.

Eldest Senior Brother had been sent to the countryside by his family and asked his grandfather to treat his illness. Since he had nothing to do, Eldest Senior Brother had also learned medicine from his grandfather.

One day, she was watching television in her room when she suddenly heard a commotion outside. She hurriedly ran out and saw Eldest Senior Brother lying on the ground.

Eldest Senior Brother's old illness was acting up again. Someone was giving him first aid.

When Eldest Senior Brother's asthma flared up, he found it difficult to breathe.

At that time, she recalled the medicine that could cure all illnesses. She hurriedly rolled up her sleeves and began to rub her arms.

She had always thought that the pill made by Ji Gong was just the dust on his arm, so she did the same.

At that time, she had already tried very hard to rub the dust, but she didn't manage to make any pill.

In the end, she made a small ball of dust. Although this small dust ball was much smaller than Ji Gong's, the effect should be the same.

Just like that, she walked to Eldest Senior Brother with the small dust ball and prepared to feed it to him. In the end, Eldest Senior Brother fainted.

At that time, she was about to stuff the little dust ball into Eldest Senior Brother's mouth when her grandfather saw her. He pulled her away and asked her to stand in the courtyard as punishment.

Later on, her grandfather even reprimanded her for a long time because of this.

When Xiao Shi heard this, she laughed happily.

Chapter 785 Eavesdropping

In her childhood impression, Auntie Nian Nian had always been a very serious person. She had never expected Auntie Nian Nian to do such fun things when she was young.

Outside the door.

Gu Zhou stood there silently.

He wanted to come in to see if Gu Qi was asleep, but Qiao Nian had arrived first.

Just as he reached the door, he heard Gu Qi's laughter.

He carefully pushed the door open, revealing a crack.

Through the gap, he saw Qiao Nian and Gu Qi under the same blanket. At this moment, Gu Qi was trembling with laughter.

This was the first time he had seen Gu Qi like this.

It seemed that Qiao Nian really liked Gu Qi a lot, which was why she had changed his personality in such a short period of time.

This warm scene was probably what Gu Qi had dreamed of in the past!

However, he did not know how long this warmth would last.

If possible, he hoped that Qiao Nian and Gu Qi would be happy for the rest of their lives.

At this moment, two people's voices came from inside the room.

"Auntie Nian Nian, your senior brother is really too cute. What's his name?"

"Chang Feng!"

Hearing Qiao Nian's answer, the warmth on Gu Zhou's face instantly disappeared, and his eyes turned cold.

"Chang Feng!"

Gu Zhou thought of the man in the black suit who had been standing beside his brother.

He was Big Brother's bodyguard.

He could risk everything for his brother, even if it meant death.

Could the Chang Feng Qiao Nian was talking about be his brother's bodyguard?

No, it shouldn't be.

He still remembered the video of Qiao Xin being kidnapped. When he showed it to Qiao Nian, she was also there. She didn't recognize the man in the video at all.

At that time, Qiao Nian's face was expressionless, and her gaze was very calm, as if that man had nothing to do with her.

Was it just because their names were the same?

It made sense. There were too many people with the same name in this world.

It should just be a coincidence.

Xiao Shi stared unblinkingly at Qiao Nian and asked innocently, "Auntie Nian Nian, how are you and your eldest senior brother now?"

Hearing Xiao Shi's question, Qiao Nian's eyes flickered. She sighed softly and said, "When he was fifteen, he left Grandpa's house. I haven't seen him since."

Qiao Nian pursed her lips slightly. She hadn't seen Eldest Senior Brother in so many years. Even if they met now, she probably wouldn't recognize him.

In the past, she had thought of looking for her senior brothers, but she couldn't find them no matter what. It was only then that she realized that if her senior brothers didn't want to appear, she wouldn't be able to find them.

Hence, she did not look for them.

Four years ago, she was still in the mental hospital. At that time, all her attention was on the plants. Just as she was taking care of them, she received a letter from Eldest Senior Brother.

This was because the letter contained Eldest Senior Brother's personal seal and his token.

The letter Eldest Senior Brother had written was mainly to ask her for a favor.

He wanted her to treat the Second Young Master of the Gu family, Gu Zhou.

Eldest Senior Brother was especially close to her. In addition, Eldest Senior Brother had once saved her. It was precisely because of this that she had no intention of rejecting Eldest Senior Brother's request.

When she was in the mental hospital, she had begun to study Gu Zhou's illness.

She felt that no matter how much she studied, it was better to look at the patient's health directly. She had been thinking about how to get close to Gu Zhou.

There was no such thing as a coincidence. Before she could make a plan, the Qiao family forced her to marry in their stead.

This method sounded a little unreliable, but according to her investigation, Gu Zhou was a cautious person and did not like to interact with outsiders.

Moreover, she had already tried to get close to Gu Zhou, but she had failed.

Qiao Nian had no choice but to agree to the marriage. Although this matter was a little strange, she could openly treat Gu Zhou's illness. Moreover, Gu Zhou wouldn't suspect that she had been entrusted by someone.

After she married into the Gu family, she wanted to investigate the relationship between Eldest Senior Brother and Gu Zhou, but in the end, she had found nothing.

She specially asked some of the old servants of the Gu family. Those servants had worked in the Gu family for more than twenty years. She showed them photos of Eldest Senior Brother in the past, but they all said that they had never seen him.

Chapter 786 I'm Waiting For You

Qiao Nian had wanted to talk to Xiao Shi for a while longer, but Xiao Shi had already fallen asleep. Xiao Shi's lips were still curved up slightly. It seemed that she had a good dream today.

Qiao Nian carefully got out of bed and covered Xiao Shi with the blanket. Afraid that she would wake Xiao Shi up, she got out of bed.

Qiao Nian tiptoed out of the room and closed the door.

She was about to return to her room when she looked up and saw Gu Zhou standing in the corridor.

She walked over to Gu Zhou and asked, "Why haven't you gone to bed?"

"I was waiting for you!" Gu Zhou said, looking up at Qiao Nian.

Qiao Nian inadvertently looked into Gu Zhou's eyes, which were like the vast starry sky. For some reason, her heart skipped a beat.

The tips of her ears turned red uncontrollably.

She believed that no one could resist the focused gaze of a perfect person like Gu Zhou.

Before Gu Zhou confessed his love for her, the way he looked at her had never been so passionate. It made one blush and feel at a loss.

But the way Gu Zhou was looking at her now made her feel shy and want to escape.

Just as Qiao Nian was about to find an excuse to leave, she heard Gu Zhou ask, "Is Xiao Qi asleep now?"

"Yes!"

Qiao Nian nodded. A trace of hesitation flashed across her face. She didn't know if she should tell Gu Zhou that Xiao Shi had been sleeping in the room for an hour, not Gu Qi.

Although she was not Gu Qi, the two of them were his children.

If Gu Zhou knew that he had twins, he would definitely be very happy.

"Let me tell you..."

Before Qiao Nian could finish speaking, Gu Zhou had already taken out his phone from his pocket. He opened a video and handed it to Qiao Nian. "Do you know him?"

Qiao Nian took the phone and looked at the video. She frowned slightly.

She had seen this video before.

Back in MY, this man had kidnapped Qiao Xin. At that time, Qiao Yu had thought that she was the one who had attacked Qiao Xin.

Qiao Nian believed that Gu Zhou was asking about the man in the video. She looked at Gu Zhou in confusion. "I've never seen him before."

Gu Zhou's gaze fell on Qiao Nian's eyes. Qiao Nian's gaze was very sincere. He could tell from her eyes that she really didn't know the man in the video.

Gu Zhou glanced at the video and his thin lips parted slightly. "He should be your Eldest Senior Brother, Chang Feng!"

Qiao Nian was stunned. She looked at Gu Zhou in disbelief!

This man was Eldest Senior Brother?

Qiao Nian took the phone and watched the video again carefully. Her frown deepened.

"When you were telling Xiao Qi the story just now, I happened to hear your Eldest Senior Brother's name!"

"Is his name really Chang Feng?" Qiao Nian asked uncertainly.

Although she couldn't see the man's face clearly in the video, the man in the video was tall and powerful, with an oppressive aura.

However, her Eldest Senior Brother was an elegant young master.

"Yes, he's my brother's bodyguard," Gu Zhou said calmly.

Qiao Nian pursed her lips tightly, her frown deepening. "When Eldest Senior Brother left, he was only fifteen years old. We haven't seen each other since!"

Qiao Nian seemed to have thought of something. Her eyes suddenly lit up as she said, "I have a photo of Eldest Senior Brother in the past. I'll show it to you!"

With that, Qiao Nian took Gu Zhou's hand and walked towards their room.

After walking to her room, Qiao Nian took out her wallet. Initially, there had been a photo of herself in the wallet, but below her photo was a small photo. That photo was of Eldest Senior Brother.

Qiao Nian handed the photo to Gu Zhou and said, "This is Eldest Senior Brother's photo. Take a look and see if you can recognize him."

Gu Zhou took the photo from Qiao Nian. It was only an inch wide. The man in the photo turned to look at the camera.

However, the photo was very blurry and he couldn't see the man's face clearly.

He knew in his heart that it must have been taken when Qiao Nian was young.

Gu Zhou pursed his lips tightly. He looked at Qiao Nian solemnly and said, "It's a little blurry. I can't see clearly!"

Qiao Nian took the photo back. She looked up at Gu Zhou and asked, "Do you have any photos of Chang Feng when he was young?"

## Chapter 787 Puzzled

Gu Zhou shook his head. Suddenly, an idea flashed across his mind. He took out his phone and called Chen Qing.

“Second Young Master?”

“Chen Qing, do you have any photos of Chang Feng in the past?”

When Chen Qing heard Gu Zhou’s words, he immediately sat up.

Could Chang Feng have appeared again?

Did that mean that Eldest Young Master had already returned?

“Could it be that Eldest Young Master and Chang Feng have returned?” Chen Qing couldn’t help but ask.

“I’m asking you!” Gu Zhou was getting impatient.

Chen Qing’s expression turned serious. He frowned and said, “I don’t have a photo of Chang Feng. He didn’t like to take photos in the past.”

Qiao Nian had been staying by Gu Zhou’s side the entire time, so she could hear Chen Qing’s voice on the phone.

Qiao Nian’s breathing quickened, and her heart jumped to her throat.

Gu Zhou noticed the change in Qiao Nian’s gaze. He looked at her and asked, “What did you discover?”

“Eldest Senior Brother really doesn’t like to take photos. That’s why I secretly took such a photo!” Qiao Nian said thoughtfully.

Gu Zhou frowned slightly and continued, “I remember that Chang Feng has asthma!”

Qiao Nian nodded and said, “In the past, he came to Grandpa’s house to treat his illness. Later on, he even studied medicine with Grandpa!”

Qiao Nian increasingly felt that Eldest Senior Brother and the Chang Feng Gu Zhou was talking about were the same person.

Moreover, she had indeed suspected that Eldest Senior Brother was in the Gu family, but she had never found him!

Now that he thought about it, Eldest Senior Brother should be thirty years old.

She had not seen Eldest Senior Brother for fifteen years.

Qiao Nian looked at Gu Zhou excitedly and asked, “Then do you know where Eldest Senior Brother is now?”

In the past, when she was at her grandfather’s house, Eldest Senior Brother doted on her the most!

Every time Eldest Senior Brother came back for the new year, he would bring her new clothes and delicious food.

She hadn't seen Eldest Senior Brother in a long time. She missed him quite a lot.

"I'm looking for him too!" Gu Zhou said calmly.

When Qiao Nian heard Gu Zhou's words, she was slightly stunned.

"He's gone missing, and so has my brother. I'm looking for the two of them!" Gu Zhou's eyes darkened.

Qiao Nian frowned slightly. She suddenly recalled how Gu Zhou had appeared in MY. She asked, "Were you looking for your brother back then?"

Gu Zhou felt that there was nothing to hide now. He said truthfully, "Yes!"

"Have you found anything, then?"

"I've only found this video. They seemed to have stayed there a year ago. I'm not sure now!"

When Qiao Nian heard Gu Zhou's words, she lowered her gaze and couldn't help but sigh.

"When did they disappear?" Qiao Nian asked.

"Five years ago!"

Qiao Nian pursed her lips tightly. She had received Eldest Senior Brother's letter four years ago.

What she was sure of now was that Eldest Senior Brother was still alive and well. As for why he did not appear, she did not know.

Seeing that Qiao Nian was deep in thought, Gu Zhou pulled her into his arms and looked down at her.

"Nian'er, you could have chosen not to marry me. Why did you marry me?"

Qiao Nian's body was pressed against Gu Zhou's. She felt a little uncomfortable and wanted to retreat a little, but she didn't expect Gu Zhou to be pressed so tightly against her that she had no choice but to stand rooted to the ground.

Gu Zhou's eyes were turbulent.

He still remembered when the lights in the small villa on the mountain had dimmed. Qiao Nian's fear of him was still evident.

Someone who could react like this must have been hurt.

It was very likely that Qiao Nian had been hurt before.

Gu Zhou recalled Qiao Nian's expression when she mentioned Chang Feng. His throat moved slightly. Could it be that Qiao Nian had been saved by Chang Feng after being wronged?

Gu Zhou really didn't want his imagination to run wild, but his mind didn't seem to listen to him. He frowned and enunciated each word clearly. "Nian'er, did you marry me for him?"

Gu Zhou's voice was low and hoarse, with a hint of probing and gentleness.

Qiao Nian met Gu Zhou's eyes and was about to refuse when she heard Gu Zhou say, "I want to hear the truth."

Truth?

Gu Zhou was very sincere with her!

Qiao Nian's breathing tightened and she heaved a sigh of relief. It seemed that this matter couldn't be hidden any longer.

Chapter 788 Because of Him

Qiao Nian smiled at Gu Zhou and said calmly, "I did marry into the family because of him."

Gu Zhou's dark eyes darkened, like the dark night sky without any light, bringing endless fear.

Qiao Nian could clearly feel Gu Zhou's body stiffen. Gu Zhou was exuding a cold aura, and it was getting colder and colder, as if he wanted to freeze her.

Noticing that Gu Zhou was angry, she hurriedly explained, "I didn't contact him until four years ago. Then, someone gave me a letter. When I opened it and saw the token inside, I realized that it was a letter from Eldest Senior Brother."

"Eldest Senior Brother wanted me to help you treat your illness." As Qiao Nian spoke, she gently tugged at Gu Zhou's sleeve. "He's my Eldest Senior Brother. Naturally, I'm willing to help him. However, there are many people around you who are protecting you. I can't approach you rashly, lest you mistake me for someone with ulterior motives. If you're unwilling to let me treat your illness, I won't be able to fulfill Eldest Senior Brother's request."

Gu Zhou's expression softened a lot, and the temperature in the air gradually rose.

"A year ago, the Qiao family came to me and asked me to marry you on behalf of Qiao Xin. I thought that if I became your wife, you would be willing to let me treat your illness, so I agreed." Qiao Nian smiled at Gu Zhou and continued, "I haven't contacted Eldest Senior Brother since. Don't think too much!"

Gu Zhou lowered his gaze, staring unblinkingly at Qiao Nian. His long eyelashes reflected a row of faint silhouettes.

His dark eyes gradually lit up. He was a little surprised, but also very happy.

Gu Zhou's thin lips parted slightly. "Really?"

"Of course it's true. What else could it be?" Qiao Nian reached out and held Gu Zhou's hand. She tilted her head slightly and asked innocently, "Do you think there's something else?"

Gu Zhou looked at Qiao Nian with a burning gaze, as if he wanted to see her heart through her eyes.

Gu Zhou's gaze was too hot for Qiao Nian to handle. She swallowed and looked away uncomfortably, wanting to take the opportunity to leave.

However, Gu Zhou was still holding her waist.

Qiao Nian let go of Gu Zhou's other hand and tried to push his hand away from her waist, but Gu Zhou's grip was too strong.

“Um, I have something else to do. I want to go...”

Before Qiao Nian could finish speaking, she heard Gu Zhou’s low voice coming from above her head.  
“Shouldn’t you be sleeping?”

“I’m not sleeping. I’m not sleepy at all!”

As soon as Qiao Nian finished speaking, she felt Gu Zhou tighten his grip on her waist.

“There’s no end to your work. You should sleep during bedtime!”

With that, Gu Zhou grabbed Qiao Nian’s hand without hesitation and pulled her towards the bed.

Qiao Nian wanted to retract her hand, but Gu Zhou’s grip was too strong. She couldn’t do so at all.

Recalling Gu Zhou’s gaze just now, Qiao Nian’s ears turned red uncontrollably. Before she could react, she was pressed against the bed by Gu Zhou.

The two of them faced each other. She could clearly hear Gu Zhou’s heart beating again and again. It was so clear.

Her heart began to race involuntarily, too. Both of them were racing, far faster than their usual heartbeats.

Qiao Nian’s mind went blank for a moment. She couldn’t help but ask, “Gu Zhou, what do you like about me?”

“I just like you for who you are!”

Qiao Nian was a little stunned by his words. She didn’t understand what he meant at all.

What kind of answer was that?

For some reason, Qiao Nian recalled that night five years ago. What happened that night was her nightmare, a nightmare that she couldn’t get rid of.

Even after so long, she still couldn’t get over it.

The confusion in Qiao Nian’s eyes gradually dissipated, replaced by a trace of pain. She said softly, “Gu Zhou, actually, if you really knew everything about me, you might not like me anymore!”

Because I’m not worth liking!

Sadness welled up in Qiao Nian’s heart.

Chapter 789 Gu Chuan?

She had been tricked into being with another man.

She had never expected to be pregnant.

It was fine if she was pregnant. If those two children could survive, she could be fine alone with the children!

However, both children were gone!

If she brought up one single matter, they might be able to get through it if they worked hard.

But how could he accept all of this combined?

Back then, she had suppressed a large portion of her painful memories because she was in too much pain.

Just as Qiao Nian was immersed in the past, she suddenly felt a bite on her ear. She immediately came back to her senses, and her face turned red involuntarily.

“Nian’er.” Gu Zhou’s voice was hoarse and seductive. “We’ve met many times in the past. Don’t you know?”

When Qiao Nian heard his voice, her entire body stiffened. She looked at the person in front of her in disbelief.

“Gu Chuan.”

Qiao Nian murmured.

“It’s me!” He lowered his head and looked at Qiao Nian intently, pursing his lips. “Gu Chuan is also me!”

Qiao Nian blinked in confusion, her face filled with disbelief.

Had Gu Zhou and Gu Chuan fused?

In the past, Qiao Nian had heard from others that if one personality disappeared, the main personality would forget what had happened to the other personalities.

But Gu Zhou seemed to be different. He actually still remembered what Gu Chuan’s personality had experienced.

Although Gu Zhou was hugging her the same way as Gu Chuan, Gu Chuan was not so gentle.

Gu Chuan was domineering and would not allow her to leave him.

“Gu... Gu Zhou.”

Qiao Nian’s gaze fell on Gu Zhou’s face. As soon as she finished speaking, she saw Gu Zhou shake his head.

Could it be that she had used the wrong name?

“Gu Chuan?”

“No!” Gu Zhou pressed his forehead against Qiao Nian’s. He looked into her eyes intently, his low and hoarse voice domineering. “We’re married.”

Qiao Nian blinked in confusion, not understanding what Gu Zhou meant.

“Call me Hubby!”

When Qiao Nian heard Gu Zhou’s words, her body instantly tensed up, and her face turned red uncontrollably.

This...

She was too shy!

Qiao Nian wanted to stay away from Gu Zhou, but Gu Zhou was pressing down on her. She couldn't move at all.

Qiao Nian hurriedly changed the topic and asked, "Previously, you said that I had forgotten something. I've never remembered. What exactly have I forgotten?"

Gu Zhou pursed his lips slightly. Seeing how serious she was, he knew in his heart that she really couldn't remember anything.

He thought for a moment and reminded her, "On the spiritual mountain."

"Huh?" Qiao Nian blinked in confusion.

She used to live on the spiritual mountain with her grandfather and senior brothers.

How did Gu Zhou know?

Could it be that Gu Zhou had also been to Spirited Mountain?

If he went to Spirited Mountain, she should remember someone like Gu Zhou.

Why did she never remember this person?

She trusted her memory very much. Even when she was two or three years old, her memories would still appear in her dreams. If that was the case, why hadn't she seen Gu Zhou in her dreams?

Qiao Nian pondered for a while, trying hard to recall her past memories.

Indeed, she had never seen such a handsome man like Gu Zhou on Spirited Mountain.

Gu Zhou looked at Qiao Nian's face and couldn't help but fall into deep thought.

When he found out that Gu Chuan's personality existed, some other memories suddenly appeared in his mind.

Those memories appeared out of thin air.

In the past, he had always felt that he had forgotten something important, but when he had Gu Chuan's memories, he remembered.

Everything he had forgotten was related to her.

All Gu Chuan's memories were of her!

Gu Zhou looked down at Qiao Nian and reminded her, "You told me in the past that you would repay me for saving your life."

Qiao Nian's beautiful fox-like eyes widened involuntarily.

Gu Chuan had said something similar.

Qiao Nian looked at Gu Zhou. Gu Zhou looked very normal. He shouldn't be lying.

If Gu Chuan was spouting nonsense, then Gu Zhou must have said that because he had seen Gu Chuan's memories. That was why he was certain that he had saved her before.

Chapter 790 Can't Remember

Had this really happened?

Qiao Nian frowned. But if that really happened, why didn't she remember?

She remembered very clearly that her life on the spiritual mountain had been filled with disasters.

She fell ill every other day, or perhaps she encountered something unlucky. In any case, she was in deep trouble every day. There was no one else in the world who was as unlucky as her.

Back then, her grandfather had saved her, her senior brothers had saved her, and Qiao Yu had also saved her...

Although many things had happened in the past, she basically remembered everything.

Could it be that she had forgotten many things like Gu Zhou?

Qiao Nian suddenly remembered. Previously, on the spiritual mountain, her grandfather had instructed her to keep a diary every day. Later on, when she returned to An City, she had placed her diary in the Qiao family's house.

Perhaps her memory would be wrong, but she kept a diary every day. It was impossible for her to forget what had happened that day quickly.

Although she had already hidden the diary, she was not sure if it had been found by the Qiao family. She hoped that her diary had not been discovered by the Qiao family yet.

At the thought of this, Qiao Nian looked at Gu Zhou and said calmly, "I can't remember why you suddenly asked me this. I'll think about it tomorrow, okay?"

Gu Zhou's gaze fell on Qiao Nian's face. Seeing that Qiao Nian looked sincere and didn't seem to be lying to him, he said, "Okay!"

Qiao Nian seemed to have thought of something. She looked at Gu Zhou in confusion and asked, "Why did you go to the spiritual mountain previously?"

"You also know that my health isn't good. Grandpa also brought me there to find Doctor Ming to treat my illness!"

When Qiao Nian heard Gu Zhou's words, she was slightly stunned.

The Doctor Ming Gu Zhou was referring to was not only her grandfather, but also her master.

Qiao Nian looked at Gu Zhou. She was completely certain that Gu Zhou hadn't found her grandfather back then.

If Gu Zhou really found his grandfather, Gu Zhou's health would improve. Gu Zhou should also be his grandfather's disciple, because his grandfather no longer allowed outsiders to see him and only treated his disciples.

It was precisely because of this that Eldest Senior Brother stayed behind to study medicine with his grandfather.

"Are you Doctor Ming's disciple?"

In the past, Gu Zhou had always wondered why Qiao Nian's medical skills were so superb at such a young age.

If Qiao Nian was Doctor Ming's disciple, he would understand why Qiao Nian's medical skills were good.

A great teacher produced a brilliant disciple.

"Yes," Qiao Nian replied honestly. She felt that there was no need to hide anything.

"Chang Feng too?"

"Yes! He's my eldest senior brother!"

With that, Qiao Nian felt the pressure on her increase. She reached out to push Gu Zhou away, but Gu Zhou's steady breathing entered her ears.

Gu Zhou had fallen asleep.

Qiao Nian recalled that Gu Zhou had taken a pill she had specially prepared for him. That pill was specially designed to treat Gu Zhou's insomnia. The medicine in it had a calming effect.

Qiao Nian carefully pushed Gu Zhou aside, then took the blanket and covered him with it. She lay down beside Gu Zhou and stared unblinkingly at his face. She really hadn't seen Gu Zhou when she was younger.

She had to return to the Qiao family as soon as possible. She had many things to ask.

...

Hai Cheng.

Qin Chuan stood in front of a slum. He took out the address he had been given when he was young and carefully compared it to the house number.

Slum 250.

It was already eleven in the evening.

Most of the lights in the rooms had been turned off. Those people must have gone to bed.

Just as Qin Chuan was about to knock on the door, he suddenly smelled the fragrance of lilies.

His brow furrowed slightly.

The fragrance of lilies was mixed with the fragrance of jasmine and lily of the valley. This fragrance seemed a little familiar.

Qin Chuan frowned.

If he remembered correctly, this should be the third perfume released by MK. It was said that this perfume could make one feel happy.

This perfume was a limited edition of 500 bottles worldwide.

According to the rich fragrance of the perfume now, if he wasn't wrong, the people in the room were using this perfume.
