

Mr Gu 791

Chapter 791 Strange

Qin Chuan's expression suddenly changed.

The slums of Hai Cheng were a place where one could not even eat their fill. The people who lived here were worried about food every day.

The people here should be busy working and earning money every day. How could they have a limited edition perfume?

If she could really afford such a good perfume, why did she still live in the slums of Hai Cheng?

Those who didn't know better would definitely not know that the person inside was wearing MK perfume. They would only think that it was an ordinary lily fragrance.

Was he really in the right place?

Qin Chuan compared the address and was completely sure that he hadn't gone to the wrong place.

It seemed that the woman inside was not simple.

With this thought in mind, Qin Chuan knocked on the door.

At this moment, a wary female voice came from inside. "Who is it?"

Qin Chuan could sense the aura in the woman's words. He frowned, but he quickly relaxed and asked politely, "May I know if this is Xiao Shi and Miss Song's house?"

After a while, a woman's uncertain voice came from inside the room. "Yes, who are you?"

"I was sent to pick Miss Song up by Xiao Shi. My name is Qin Chuan!"

"Mr. Qin, please wait a moment!"

Qin Chuan stood at the door and heard the sound of water being poured.

The woman inside must have poured the water out after taking a shower.

About ten minutes later, Qin Chuan heard footsteps approaching the door.

He was about to speak when he heard a woman's wary voice from inside. "You said you knew Xiao Shi?"

"Yes, I am Xiao Shi's friend."

Song Man, who was standing inside the door, frowned even more. She gripped the lock tightly. "Are... are you friends with her? If Xiao Shi had a friend, she would definitely tell me!"

"I met her in An City. She asked me to pick you up," Qin Chuan said honestly.

When Song Man heard the words of the person at the door, she frowned slightly. Although there were no loopholes in what the person at the door said, she felt that something was wrong.

“I’m a little tired now. I want to rest!” Song Man did not dare to open the door, only hoping that the person at the door would leave quickly.

Qin Chuan could naturally tell that Song Man was wary of him, so he took out the token Qiao Nian had given him and handed it through the gap in the door. “Miss Song, this was given to me by Xiao Shi. She said that if you saw this, you would believe me!”

Song Man took the button from under the door, and her eyes lit up.

This was her birthday gift to her. Only she and Xiao Shi knew about it. It was impossible for outsiders to know.

Only then did Song Man believe Qin Chuan. She opened the courtyard door.

The moment the courtyard door opened, Qin Chuan smelled a special fragrance.

It was the smell of MK’s perfume.

The light from the street lamps shone on the woman’s face.

Perhaps it was because the woman had just taken a shower, but her entire body was covered in steam. Her fair skin was flushed red, and her oval face was so beautiful that one could not take their eyes off her.

Qin Chuan was stunned for a moment, but he quickly regained his senses.

Although Song Man was good-looking, she was still a little inferior to Qiao Nian.

To be honest, Qin Chuan had never expected such a beautiful woman to exist in such a place.

This woman was fair and beautiful. She did not look like someone who was trying to make a living in a poor district at all.

Instead, she looked like a young lady from a rich family who had come to stay overnight.

At the same time, Song Man was also secretly sizing up Qin Chuan.

The man was about 1.9 meters tall. He was wearing a black suit, and even his shirt was black. He looked very lean.

Moreover, his facial features were well-defined. He was handsome and suave. When he smiled, there was a hint of a ruffian’s aura.

She had been in the slums for a long time and had not seen such a good-looking man in a long time. For a moment, she was stunned.

When she came back to her senses, she lowered her gaze shyly.

Worried that he would make a mistake, Qin Chuan asked, “Excuse me, are you Miss Song Man?”

Song Man pursed her lips and nodded shyly. “Yes, please come in!”

Song Man gave up a seat and waited for Qin Chuan and the two bodyguards to enter before closing the door and following them in.

The courtyard was small, but it was very clean.

When they entered the house, Qin Chuan noticed that Song Man only had one arm.

Chapter 792 Found

Everyone entered the house. Just as Song Man was about to pour them some water, she heard Qin Chuan speak.

“Miss Song, there’s no need to go through so much trouble. It’s getting late. Why don’t you pack up early? We’ll take you to An City together, and you’ll be able to see Xiao Shi soon.”

An City.

When Song Man heard the words “An City”, her eyes couldn’t help but turn red.

After so many years, she could finally go back.

She no longer had to live in Hai Cheng. She could return to An City in glory.

At the thought that she was about to find her family, tears of joy fell uncontrollably.

Song Man raised her hand to wipe the tears from her eyes and looked at Qin Chuan expectantly. “Mr. Qin, has Xiao Shi found my parents?”

Qin Chuan said without changing his expression, “Xiao Shi has already found her family!”

When Song Man heard Qin Chuan’s words, she thought that she had really found her parents. She couldn’t help but smile and say with relief, “Alright, that’s good. She won’t have to suffer with me anymore!”

Qin Chuan nodded. “Let’s leave early!”

Qin Chuan was suspicious of Song Man’s words.

If Song Man was really poor, how could she afford such an expensive perfume?

However, these things were not within his consideration.

Song Man nodded eagerly. “Okay, Mr. Qin, wait for me.”

Song Man walked to her room, took out her suitcase, and placed her usual things in it.

Actually, she didn’t want to pack at all.

She knew that when she found her parents, they would definitely prepare more things for her, such as clothes, shoes, and handbags.

After all, the Lu family was extremely rich.

Her good days had arrived.

However, Song Man still pretended to pack some things. After filling a suitcase, she walked to the living room and smiled at Qin Chuan. “Mr. Qin, I’ve already packed up. Let’s go now!”

One of Qin Chuan's subordinates took the box with great foresight.

Song Man sat in the back seat of the Rolls-Royce. She looked out of the window.

She could finally leave the slums of Hai Cheng, a place where even flies and rats were unwilling to stay for long.

She never wanted to come back again.

Although she had lived here for a long time, she had no feelings for this place.

All she wanted to do now was leave this nauseating place.

Song Man's exquisite and beautiful face was reflected in the car window. Her lips curved into a mocking smile.

...

The next morning.

When Qiao Nian woke up, she inadvertently placed her hand beside the bed. When she opened her eyes, she realized that Gu Zhou had already woken up.

The bedding beside the bed had already turned cold. It seemed that Gu Zhou had woken up early.

Qiao Nian recalled what Gu Zhou had told her last night.

Strangely enough, she really couldn't remember when she had seen Gu Zhou.

It seemed that he could only find the results from her diary.

Qiao Nian took out her phone. It was already eight in the morning. She had another text from Qin Chuan at twelve last night.

—I've already picked her up. She'll arrive at noon tomorrow.

When Qiao Nian saw this message, her expression grew more and more serious. She had a strange feeling.

She recalled the calluses on Xiao Shi's hands. She really wanted to see her mother.

She had to plan everything carefully.

Qiao Nian pursed her lips and moved her fingers. Then, she sent a text to Qin Chuan. "How's Xiao Shi's mother?"

Qin Chuan replied very quickly.

"Not bad. She looks like a pampered young lady!"

When Qiao Nian saw these words, her frown deepened.

Xiao Shi had worked so hard. Why did she look like a pampered young lady?

Qiao Nian grew wary of Xiao Shi's mother. It seemed that there would be a lot of trouble in the coming days.

Qiao Nian recalled what she had asked Qin Chuan to investigate previously and sent another message. "I asked you to investigate the disappearance of the eldest daughter of the Lu family. How's your investigation going?"

Initially, Qiao Nian hadn't told Qin Chuan her true identity. However, she thought that even if she didn't tell Qin Chuan, he might still find out her true identity. Hence, she told him her true identity.

Chapter 793 Impossible

When Qin Chuan found out that she was the eldest daughter of the Lu family, he was shocked.

She still remembered Qin Chuan asking her, "How did you grow an arm?"

The rumored eldest daughter of the Lu family only had one arm when she was found.

But Qiao Nian's arms were fine.

This proved one thing.

Qiao Nian might have grown a new arm herself.

Qiao Nian felt that there was something wrong with Qin Chuan's brain.

Qin Chuan was sitting in the car. When he saw Qiao Nian's message, he frowned slightly, his expression turning even more serious.

To be honest, the kidnapping of the eldest daughter of the Lu family had caused a huge commotion.

Soon, the kidnappers were found and the three of them were executed.

However, when he investigated this time, he discovered something strange.

Qin Chuan held his phone and hesitated for a long time before replying to Qiao Nian's message. "You have to be mentally prepared for what I'm about to say next! It might subvert your understanding!"

"Yes?"

Qin Chuan thought for a moment and added, "Everyone thinks that the eldest daughter of the Lu family is missing an arm, but your arm is intact!"

"Are you trying to say that I have the ability to regrow an arm?"

Qin Chuan ignored Qiao Nian's teasing. "I've found out..."

Qiao Nian was washing up. When she finished washing her face, she saw the text Qin Chuan had sent. She was stunned on the spot.

Her lips were pale as she pursed them gently. She looked at the message on her phone in disbelief!

How was this possible?

Qiao Nian rubbed her eyes and looked again.

Back then, Mrs. Lu had personally done a DNA test on the corpse.

Qiao Nian felt dizzy. It wasn't easy for her to grab the table beside her to steady her swaying body.

No, that was absolutely impossible.

How could it be a DNA paternity test her mother had personally done for her?

That half of her arm clearly didn't belong to her.

How could her mother detect her DNA?

Qiao Nian narrowed her eyes.

Previously, when she reunited with her brother, she felt that the only person who could tamper with the corpse was the forensic doctor. When she asked Qin Chuan to investigate this matter, she asked him to focus on the forensic doctor.

However, Qiao Nian had never expected her mother to be the one who had tested her broken limb more than twenty years ago.

It couldn't be that her mother wanted to kill her!

That was absolutely impossible!

Everyone knew that after Mrs. Lu lost her beloved daughter, she suffered from depression and took things too hard.

Later on, Mrs. Lu gave birth to Lu Qi. From then on, Mrs. Lu's condition gradually improved.

It was precisely because Mrs. Lu could not accept her eldest daughter's death that she was unwilling to return to the country. She did not want to see anything related to her eldest daughter again.

Qiao Nian felt that Mrs. Lu would never kill her.

But why hadn't Big Brother told her about this back then?

Could it be that Big Brother didn't believe that Mommy was behind this either? In order to stop her imagination from running wild, he didn't mention it.

Or perhaps it was because Big Brother knew that his mother had done these things and was worried that she would be sad, so he had never told her.

Qiao Nian slowly closed her eyes.

If her mother really did this, then there was no need for her to return to the Lu family at all, because the Lu family was no longer her home.

At this moment, footsteps came from the door.

Qiao Nian was like a frightened kitten. Her hair stood on end as she stared unblinkingly at the door.

Gu Zhou stood at the side, taking in the fear and unease in Qiao Nian's eyes.

Gu Zhou frowned slightly. He looked at Qiao Nian worriedly and asked, "Why do you look so pale? Are you feeling unwell?"

As he spoke, Gu Zhou walked up to Qiao Nian and tested the temperature of her forehead with the back of his hand.

No fever!

Gu Zhou took Qiao Nian's hand. Only then did he realize that her hand was cold, like ice cubes taken out of the freezer.

Gu Zhou placed Qiao Nian's hand in his palm and looked at her intently. "What happened?"

Qiao Nian shook her head and said, "Nothing!"

As she spoke, Qiao Nian locked her phone screen. She was terrified and trembling slightly.

Gu Zhou frowned. Seeing Qiao Nian like this, he was silent for a moment. "If anything happens, you can tell me directly!"

Chapter 794 Comfort

Worried that Qiao Nian would be unwilling to tell him, Gu Zhou said again, "I'll stand by your side forever!"

When Qiao Nian heard Gu Zhou's words, her eyes gradually lit up, and the uneasiness in her heart gradually dissipated. She hesitated for a moment before asking, "Have you seen Mrs. Lu before?"

"I met her when I was young!" Gu Zhou said calmly. He thought that Qiao Nian missed her parents and immediately understood. "They all miss you. When do you plan to meet them?"

"Now that the enemy is in the dark and I'm in the light, it's better to be careful!" Qiao Nian meant that she didn't want to meet Mrs. Lu. She was really worried. If her kidnapping was related to Mrs. Lu, what should she do?

"You're right, but if you meet online, there shouldn't be any problems!" Gu Zhou said.

Qiao Nian pursed her lips and looked at Gu Zhou uneasily. "What do you think of Mrs. Lu?"

When Gu Zhou heard Qiao Nian's words, a trace of confusion flashed in his eyes. However, he quickly understood why Qiao Nian's expression had been off just now.

Could it be that someone was sowing discord?

With this thought in mind, Gu Zhou looked at Qiao Nian seriously and said word by word, "She's a very good person and very gentle. Moreover, she loves you very much, more than she loves herself."

When Qiao Nian heard Gu Zhou's words, the dark clouds in her heart instantly disappeared. The sun came out, and so did the rainbow.

Her entire world became warm and bright.

Gu Zhou's words were very convincing, and she couldn't help but believe them.

Her mother must have loved her.

If her mother didn't love her, why would she be in pain because of her departure? Why would she build an ancestral hall for her? Why would she leave this sad place?

"You're her first daughter. To her, you're extremely special." Gu Zhou held Qiao Nian's hand tightly and continued, "Before she gave birth to you, she had always wanted a daughter. Unfortunately, her wish never came true. She had been looking forward to this for a long time!"

When Qiao Nian heard Gu Zhou's words, she felt a little sad.

She had even suspected that her mother had kidnapped her just now. She really shouldn't have.

Qiao Nian looked at Gu Zhou and smiled. "Thank you!"

If Gu Zhou hadn't told her this, she might have gone too far.

It seemed that what one saw might not be true.

If Mom had done the DNA test herself, why hadn't she found anything wrong? Could someone have swapped Mom's samples?

It seemed that she had to start investigating from the forensics department.

Gu Zhou tucked Qiao Nian's hair behind her ear and said gently, "Breakfast is ready. Xiao Qi is waiting for you downstairs! I'll go down and wait for you first!"

"I'll go down after I'm done packing!" Qiao Nian said with a smile. Seeing Gu Zhou turn to leave, her gaze fell on his back.

Although Gu Zhou was not in good health, his figure was still not bad.

From behind, Gu Zhou's back looked tall and imposing, making one feel very safe.

For a moment, Qiao Nian felt that Gu Zhou's back looked a little familiar. In a daze, she seemed to have seen him somewhere before.

Qiao Nian retracted her gaze and continued putting on her makeup.

After packing up, Qiao Nian walked downstairs.

She had just walked downstairs when she saw Xiao Shi, who was sitting on the sofa, immediately stand up.

"Auntie Nian Nian!" Xiao Shi called out, running towards Qiao Nian.

Xiao Shi ran up to Qiao Nian and grabbed her right hand. She looked up and gave Qiao Nian a sweet smile. "Good morning!"

"Good morning, Xiao Qi. How was your sleep last night?" Qiao Nian asked gently. She reached out and touched her little face. It felt so good!

Xiao Shi recalled the story Auntie Nian Nian had told her last night.

This was the first time she had heard a bedtime story.

Although she couldn't remember the dream last night, she knew that it was a very sweet dream!

"Thank you, Auntie Nian Nian, for telling me a bedtime story!" Xiao Shi said gratefully. She would always remember the story Auntie Nian Nian had told her. She wondered if she would have the chance to listen to Auntie Nian Nian tell her a story in the future.

"If you like listening to my bedtime stories, I'll tell you more in the future!" Qiao Nian said gently.

Chapter 795 Too Cute

Xiao Shi looked at Qiao Nian happily and nodded vigorously.

Holding Xiao Shi's hand, Qiao Nian walked towards the living room. She smiled at Matriarch Gu.
"Grandma!"

Matriarch Gu stood up and said, "Breakfast is ready. Come and eat with us!"

During the meal, Qiao Nian prepared a sandwich for Xiao Shi before eating it herself.

Xiao Shi looked at the sandwich on the plate in front of her, her eyes filled with envy.

It seemed that Auntie Nian Nian had been taking care of Brother Xiao Qi during dinner. She was really envious of Brother Xiao Qi and liked Auntie Nian Nian even more.

Auntie Nian Nian was kind, beautiful, and knew how to take care of others. When she was by Auntie Nian Nian's side, she felt very safe.

This was a sense of security her mother had never given her.

Qiao Nian was about to eat when she saw Xiao Qi staring at the sandwich in a daze. She smiled and said softly, "What's wrong, Xiao Qi? Don't you like it?"

Xiao Zheng shook his head and said with a smile, "I like it!"

"I'll send you to school after you eat." Qiao Nian smiled at Xiao Shi and said gently.

Xiao Shi smiled when she thought about how she was about to meet Brother Xiao Qi.

After dinner, Qiao Nian held Xiao Shi's hand and walked towards the parking lot.

When they reached the parking lot, Qiao Nian opened the door of the front passenger seat and carried Xiao Shi in, not forgetting to fasten her seatbelt.

When she was done, Qiao Nian walked to the driver's seat.

She fastened her seatbelt, twisted the car key, and drove out of the Gu residence.

When they left the Gu residence, Xiao Shi looked disappointed. Smiling, Qiao Nian said, "Do you want to hear good news?"

Xiao Shi's eyes lit up. She tilted her head and looked at Qiao Nian, asking in confusion, "What good news?"

“Your mommy will be here at noon today! You’ll be able to see her soon!” Qiao Nian looked at Xiao Shi dotingly for a year.

When Xiao Shi heard Qiao Nian’s words, her eyes lit up. She said happily, “Really?”

“Of course it’s true!” Qiao Nian smiled and nodded.

As Xiao Shi listened, her face was filled with smiles.

If Mommy came here, she would definitely be very happy to see her brother. That way, their family could be reunited.

It had been a long time since she had seen her mommy smile.

Her mother must have been sad because she had not seen her brother.

Her mommy could be happy forever.

In her happiness, her gaze fell on Qiao Nian’s face.

This was the first time she had seen someone as warm as Auntie Nian Nian.

Xiao Shi said sincerely, “Auntie Nian Nian, thank you for taking care of me for the past two days. This is also the happiest time for me!”

The red light turned red. Qiao Nian stopped the car and rubbed Xiao Shi’s head. She said gently, “You’ll be happier in the future!”

To be honest, such a good life would have been unimaginable in the past.

She really liked Auntie Nian Nian and wanted to be with her forever.

However, Xiao Shi knew in her heart that she still had to take care of her mommy. Her mommy needed her to take care of her.

The car started again.

Xiao Shi looked at the scenery outside the window and kept retreating. The faces of Matriarch Gu, Gu Zhou, and Gu Qi flashed across her mind. In the end, her eyes gradually became firm.

She wanted to persuade her mommy not to think about being with her daddy again.

She just didn’t know if Mommy was willing.

Although Xiao Shi was very happy to see her mommy, she couldn’t help but sigh when she thought of what would happen next.

When they arrived at the Dongjiang villa, Qiao Nian dropped Xiao Shi off at the villa. When she met her sparkling eyes, Qiao Nian’s heart softened involuntarily.

“Xiao Shi, hang out with Brother and Auntie Lin later. Auntie Nian Nian still has something on today, so she won’t be able to accompany you!” Xiao Shi nodded obediently.

At this moment, Lin Tao held Gu Qi’s hand and walked out of the villa.

When Qiao Nian and Xiao Shi saw Gu Qi, they were both stunned.

Her mouth was wide open. After a while, she sighed. "Oh my god, Brother, you're really beautiful. You're so cute!"

Chapter 796 Cute and Sweet

Gu Qi stood there expressionlessly.

Qiao Nian looked at Gu Qi, her lips curving up slightly.

Lin Tao had dressed Gu Qi up like a little princess. He was wearing a long black wig and a white princess dress. His face was chubby, and he was wearing white lace stockings and a pair of red leather shoes. He looked exceptionally obedient and adorable.

Gu Qi's eyes were sparkling like black grapes. He was extremely adorable.

However, his expression was dark. He was very dissatisfied with his current outfit.

In the past, he had thought that his father liked girls so he would wear female clothes. But now that he knew that his father liked him, he was no longer willing to be a girl.

Why did he have to wear such strange clothes?

At this moment, Qiao Nian looked at Gu Qi's cute and sweet appearance. The scene of her first meeting with Gu Qi appeared in her mind.

At that time, she had thought that Gu Qi was a cool little girl.

At that time, she had a good impression of Gu Qi.

She was really willing to be her mother and hear Gu Qi call her Mommy.

Perhaps after Song Man arrived, she might never have the chance to let Gu Qi call her Mommy again.

Qiao Nian recalled what Matriarch Gu had told her previously. Matriarch Gu had said that Gu Qi was very willing to let her be his mommy.

Qiao Nian knew in her heart that at that time, Gu Qi had yet to hear from his biological mother. His thoughts would probably change after Song Man arrived.

She recalled that when Gu Qi was sick, he was lying on the bed and calling for Mommy.

Seeing that Qiao Nian was silent, Lin Tao thought that she was enthralled. She said proudly, "Aren't I amazing? I made Xiao Qi look so good. Isn't he especially adorable?"

Initially, Gu Qi was very dissatisfied with Lin Tao asking him to wear female clothes. However, when he heard Lin Tao ask Qiao Nian this, his expression improved a lot. He looked at Qiao Nian expectantly, as if waiting for her answer.

At this moment, Qiao Nian didn't notice the anticipation in Gu Qi's eyes. She smiled and pinched Gu Qi's little face. It felt really good. She said dotingly, "Cute. Our Xiao Qi is the cutest!"

After Gu Qi changed into female clothes, he finally smiled for the first time. That smile was like the warm winter sun.

Lin Tao noticed the smile on Gu Qi's face and a trace of surprise flashed in her eyes.

She had always thought that Gu Qi was a cold young master who didn't know how to smile.

Now, it seemed that Gu Qi was just unwilling to smile at her.

It seemed that Gu Qi really liked Qiao Nian. That was why he was smiling so brightly at her.

Lin Tao heaved a sigh of relief and said, "Xiao Qi, I took care of you for the entire day yesterday and even dressed you up so beautifully. How can you not smile at me? This is too unfair!"

Gu Qi did not even look at Lin Tao.

How could Lin Tao compare to Auntie Nian Nian?

Auntie Nian Nian was the most important to him. No one could compare to Auntie Nian Nian!

Qiao Nian's gaze fell on Lin Tao's face. Smiling, she said, "Stop teasing Gu Qi. How did you two get along yesterday?"

"Of course we got along well. I think I'm talented at taking care of children!" Lin Tao said proudly.

Qiao Nian smiled at Lin Tao, then pushed Xiao Shi in front of her. Smiling, she said, "Since you're so talented at taking care of children, please help me take care of Xiao Shi!"

Lin Tao's smile froze. She lowered her face and asked aggrievedly, "How can you bear to let me take care of the two children alone?"

"I believe you have the talent to take care of children! Help me take care of them for another day!" Qiao Nian said seriously.

"Alright then!" Lin Tao agreed reluctantly.

Qiao Nian was her best friend. Of course, she could only agree.

When Gu Qi heard Qiao Nian's words, he blinked in confusion. He looked at Qiao Nian expectantly and asked, "Auntie Nian Nian, aren't you going to be with us?"

"I have something on now. I'll be back soon. Can you help Auntie Lin Tao take good care of your sister at home?"

When Gu Qi heard Qiao Nian's words, the smile in his eyes gradually disappeared. He nodded and said, "Yes."

Chapter 797 Missing You

Gu Qi's little face was already scrunched up. He really hoped to be with Auntie Nian Nian forever.

Qiao Nian didn't want Gu Qi to be so sad. She smiled and said, "Mom will come here at noon. She should be your mother too. When the time comes, you can get along well with your mother!"

When Gu Qi heard Qiao Nian's words, he didn't smile. He clenched his fists involuntarily.

For some reason, he wasn't happy to hear that his mommy was coming.

He was a little afraid. He didn't know what he was afraid of.

Qiao Nian thought that Gu Qi was more interested in being close to his hometown. She smiled and patted his head, saying gently, "When the time comes, get along well with Mom, understand?"

Gu Qi clearly didn't say anything.

Qiao Nian gave Lin Tao a few more reminders before walking towards the car.

Gu Qi looked at Qiao Nian's retreating back, and the uneasiness in his heart gradually grew. He took a step forward. "Auntie Nian Nian, goodbye!"

Xiao Shi waved vigorously at Qiao Nian. "Goodbye!"

Qiao Nian smiled and turned to look at Gu Qi and Xiao Shi. She waved at the two of them, then walked to the car and drove away.

Gu Qi watched as Qiao Nian left, his heart empty. His frown deepened.

He had always hoped to find his mother. Now that his mother could finally return, he felt terrible.

In the past, he had thought that his mother could be with Auntie Nian Nian. Later on, he realized that his mother and Auntie Nian Nian could not be together. Not only that, but his mother and Auntie Nian Nian would be enemies.

Gu Qi's heart was empty. If his mother returned, would Auntie Nian Nian leave?

If Auntie Nian Nian left, what would happen to him?

Xiao Shi and Gu Qi were twins. There was a blood connection between them. She sensed Gu Qi's disappointment and walked over to him, reaching out to hold his small hand.

"Brother!" Xiao Shi looked at Gu Qi with a smile and asked softly, "Mommy is coming at noon. Are you nervous?"

Gu Qi looked at the bright smile on Xiao Shi's face and hesitated for a moment. He nodded and said, "Yes, I'm ready. When the time comes, we'll exchange identities like before. I'll go and see Mommy on your behalf!"

Xiao Shi smiled and agreed. However, when she thought of Mommy, a trace of hesitation flashed across her eyes. She held Gu Qi's hand tightly and instructed seriously, "Brother, Mommy is sick. Her mood is capricious. If she's unhappy, don't talk to her anymore. The consequences of Mommy being angry are very serious!"

Gu Qi frowned slightly and asked worriedly, "Will she hit you if she's angry?"

When she heard Gu Qi's question, the smile on her face froze. She didn't answer Gu Qi directly. Instead, she smiled and changed the topic.

“Brother, last night, Dad actually didn’t realize that I was you. He was reading with me. Do you think Mom will realize that you’re me?”

“I don’t know!” Gu Qi felt very empty, as if he had lost something important.

...

About twenty minutes later, Qiao Nian had already driven to the Qiao residence.

She parked the car outside the villa and looked up at the Qiao family’s door, feeling as if a lifetime had passed.

She got out of the car. When the security guard saw Qiao Nian return, he quickly walked up to her and said with a smile, “Miss, you’re back!”

Qiao Nian nodded slightly.

She was not a member of the Qiao family at all!

Qiao Nian walked in and saw Su Xue standing in the garden, tending to the plants. A trace of coldness flashed across her eyes.

She didn’t expect Su Xue to be so capable. She had returned to the Qiao family home so quickly.

Su Xue naturally saw Qiao Nian as well. Seeing Qiao Nian smiling at her, her heart couldn’t help but jump to her throat. She asked warily, “You’re no longer a member of the Qiao family. How dare you come?”

Qiao Nian walked into the living room and sat leisurely on the sofa. She raised her eyebrows and looked at Su Xue, who had followed her in. Smiling, she said, “It’s been so long since we last met. Of course I missed you, so I came!”

“Do you want to see how badly you’ve hurt me?” Su Xue’s expression instantly darkened. She gritted her teeth and said, “You’ve already seen it for yourself. I’m already in a terrible state. Can you leave now?”

Chapter 798 Revenge

Qiao Nian smiled and said, “I’m here today to see how you’re doing. I’m very concerned about you.”

“How could you be so kind? Don’t be so hypocritical! Let me tell you, if it weren’t for you, how could I be in such a miserable state!” Su Xue glared at Qiao Nian angrily. She was originally Madam Qiao, but because of Qiao Nian’s previous schemes, she had already been kicked out of the house by Qiao Shan.

She could no longer live an easy and happy life like before. Now, she thought about how to please Qiao Shan every day and return to the Qiao family.

“How can you say that? I’m still very concerned about you.” Qiao Nian pretended to be hurt. She crossed her right leg over her left and said calmly, “I’ve always cared about you. Seeing that you’re not doing well, I’m relieved!”

When Su Xue heard Qiao Nian’s words, she suppressed her anger. Her breathing was heavy, and she yearned to slap Qiao Nian.

Qiao Nian had gone too far.

She had ruined her reputation and caused Qiao Shan to go to prison. Qiao Nian was like a demon from hell, taking revenge on everyone in the Qiao family.

“Get lost now. You’re no longer a member of the Qiao family.” Su Xue pointed at the door and said angrily.

“Don’t be angry. No one will feel sorry for you if you get angry and ruin your health.” Qiao Nian smiled gently, looking gentle and harmless. “No, I was wrong. Your little lover will definitely feel sorry for you.”

Su Xue’s expression changed.

Little lover!

Qiao Nian’s words pulled Su Xue back to the day she had been caught with her little lover in the hotel. She had never expected her little lover to betray her.

Su Xue thought for a long time and finally understood.

That incident must have been set up by her little lover and Qiao Nian.

What had happened was already in the past. She had no time to dwell on what had happened before. She had to please Qiao Shan now and remarry him.

When she became Madam Qiao again, Qiao Nian would die.

“Shut up. Get lost now! I don’t want to see you again!” Su Xue said angrily, panting.

“Some things aren’t up to you.” Qiao Nian’s smile was sweet. In an instant, her expression turned cold, as if she were a demon from hell. Her entire body emitted a cold aura. “When do you plan to tell me the truth about my background?”

When Su Xue heard Qiao Nian’s words, her expression froze. She shouted unhappily, “What nonsense are you spouting? I didn’t lie to you. I’m telling the truth!”

Qiao Nian smiled coldly and slowly stood up. She walked up to Su Xue and looked at her with a dark expression.

Su Xue felt a little uncomfortable under Qiao Nian’s gaze. She silently took a step back and stammered, “I’m telling you, don’t scare me. I-I wasn’t raised in fear!”

Actually, she was extremely terrified now.

She didn’t know why she was afraid of Qiao Nian. Qiao Nian clearly didn’t threaten her now. Perhaps it was because of the trauma Qiao Nian had left her with.

Qiao Nian looked at Su Xue without changing her expression. Su Xue took two steps back and staggered to the sofa.

“You still refuse to tell the truth?” Qiao Nian raised her eyebrows slightly, looking impatient.

“I’m telling the truth. I’m not lying to you. If you don’t believe me, you’re maligning me!” Su Xue hurriedly sat up straight and said unhappily.

Qiao Nian looked down at Su Xue, her voice as cold as ice. “I’ve already investigated what you said previously. That incident was fake at all. Moreover, you didn’t take me away from the hospital. Tell me, when exactly did you bring me to the Qiao family?”

Su Xue still wanted to stand up and confront Qiao Nian, but when she saw Qiao Nian’s cold fox-like eyes, she gave in. She sat on the sofa and said firmly, “I took you away from the hospital. You’re a wild child that people don’t want. If you don’t believe me, I can take you to my attending doctor!”

At this point, Su Xue hardened her stance again. She stood up and looked at Qiao Nian coldly, saying angrily, “If it weren’t for me back then, you would have died long ago. How would you have had the chance to stand here?”

Chapter 799 Ingrate

At this point, Su Xue hardened her stance again. She stood up and looked at Qiao Nian coldly, saying angrily, “If it weren’t for me back then, you would have died long ago. How would you have had the chance to stand here?”

At this moment, Su Xue was standing on the moral high ground, criticizing Qiao Nian for all kinds of wrongdoings!

Qiao Nian looked at Su Xue coldly and pursed her lips. “Su Xue, you’d better tell me everything about bringing me back to the Qiao family now. Otherwise, I’ll go to the police station and say that you’re a child trafficker!”

Previously, she had no memories of Xiao Shi.

She had always thought that her warm and sweet dreams were just dreams, but she did not expect them to really happen.

However, she now knew clearly that she had left the Lu family when she was three years old. However, Su Xue had lied to her, saying that she had arrived at the Qiao family home as soon as she was born. This clearly didn’t match.

Su Xue, who was sitting on the sofa, turned paler and paler. Suppressing the uneasiness in her heart, she said firmly, “I can swear to God that I didn’t kidnap you! Moreover, you don’t have any evidence to prove that I did!”

This time, Qiao Nian understood that everything Su Xue had said to her at the hotel was a lie.

It seemed that it was impossible to deal with Su Xue without using some powerful medicine.

“You really won’t shed a tear until you see the coffin!” Qiao Nian smiled coldly.

Su Xue’s expression changed. She recalled what Qiao Nian had said previously. Previously, Qiao Nian had said that she would definitely send Qiao Shan to prison. In the end, Qiao Shan stayed in prison for a long time before coming out.

The current Qiao Nian was no longer the Qiao Nian of the past.

Qiao Nian was very vengeful and kept her word.

Moreover, Gu Zhou was helping Qiao Nian.

She really didn't understand why Gu Zhou would take a liking to a little b*tch like Qiao Nian!

Qiao Shan had been locked up in prison previously. That was why Qiao Shan hated her so much and was unwilling to be with her.

Last night, she was the one who secretly drugged Qiao Shan. The two of them were together again.

Today happened to be her thirty-year anniversary with Qiao Shan. Originally, Qiao Shan had been unwilling to let her come back.

During this period of time, she had been begging and trying to please Qiao Shan. That was why Qiao Shan was willing to let her spend the night with the Qiao family.

She still wanted to take advantage of tonight to bury the hatchet with Qiao Shan and get back together.

But she had never expected Qiao Nian to come again.

She was simply a lingering ghost.

She could tell that Qiao Nian had ill intentions this time.

If she allowed Qiao Nian to stay here, she was afraid that she and Qiao Shan would fall out again. Her return to the Qiao family might be far away.

Su Xue felt that she had to bite the bullet. Anyway, it was impossible for Qiao Nian to find out about what happened when she was an infant.

"You're the illegitimate child of a rich businessman who was left behind by a rural woman. I'm not lying to you. If you don't believe me, investigate it yourself!" Su Xue paused and said seriously, "You have to investigate carefully. What are the intentions of the people who lied to you previously?"

Su Xue was best at diverting trouble.

Qiao Nian looked at Su Xue expressionlessly, mercilessly exposing Su Xue's lie. "I remember when I was two years old, so I'm completely sure that I wasn't abandoned when I was a baby."

Su Xue almost choked on her own saliva.

She looked at Qiao Nian in shock.

What was going on?

Qiao Nian could actually remember what happened when she was two years old.

How was that possible?

Could it be that Qiao Nian was tricking her on purpose to make her tell the truth?

It was basically impossible for ordinary people to remember what happened when they were two years old.

But Qiao Nian was not an ordinary person at all.

For a moment, Su Xue didn't know what to say. She sat on the sofa in silence, her frown deepening.

Qiao Nian walked to the sofa of the three of them and sat down. She said lightly, "I know you're getting old and your memory isn't good. You might not be able to remember the past, but I have plenty of time. When Qiao Shan returns, I'll ask him again. Perhaps he'll be able to remember the past."

Seeing Su Xue looking at her in fear, Qiao Nian smiled and continued, "By the way, I'll tell him that your gigolo is still thinking about you. A day apart feels like three years. He misses you so much that he's lost weight. He even said that he had to marry you and spend the rest of his life with you. He even planned to have two more children with you, a son and a daughter..."

Chapter 800 Awkward

Qiao Nian's words reminded Su Xue of the day she was caught in the act.

That day was when she was at her most disheveled. She yearned to delete that day from her life.

If not for that day, she would still be the madam of the Qiao family. How could she have become a stray dog?

Su Xue was so angry that her entire body was trembling, and her eyes were red. If looks could kill, Qiao Nian might have died a million times over.

"Enough! Shut up!" Su Xue roared. Qiao Nian was like a slug. No matter how hard she tried, she couldn't shake her off. The sight of her made one want to throw up.

Now that Qiao Shan's attitude towards her had finally eased a little, if Qiao Shan saw Qiao Nian again, he might remember that she was with the gigolo again!

It wouldn't be good if she and Qiao Shan fell out again.

Qiao Nian blinked in confusion and said innocently, "How can you be fierce to me? I'm doing this for your own good!"

"What exactly are you doing here today?" Su Xue questioned in exasperation.

"Actually, it's nothing. I just want to know how you brought me to the Qiao family back then, and how you adopted me. You're not allowed to lie again!" Qiao Nian smiled at Su Xue, her eyes extremely innocent. "I need to know every detail!"

She had to know the entire process of what had happened. Only then could she catch the people who had caused her to be separated from her family for so many years.

Moreover, she could not let Su Xue know that she was the eldest daughter of the Lu family. If Su Xue found out, she might be in danger again.

She had to find out the truth about what happened back then while ensuring her safety.

She could only use this method to force Su Xue to tell the truth.

Seeing how serious Qiao Nian was, Su Xue immediately understood that Qiao Nian was really planning to get information about her background from her today.

If she lied, she might not be able to deceive Qiao Nian. Instead, she would be in danger.

All she could do now was tell Qiao Nian the truth and send this great Buddha away.

Su Xue pondered for a while and asked worriedly, "Then if I tell you the truth, will you really leave immediately?"

"Yes, I'll leave after I go upstairs to get my things!" Qiao Nian said calmly.

Su Xue took out her phone from her pocket. It was still early, and Qiao Shan would probably not be back for another hour.

Su Xue glanced around the living room. At this moment, she and Qiao Nian were alone.

She had to chase Qiao Nian away as soon as possible. That way, Qiao Nian wouldn't have to look for Qiao Shan anymore, and she could spend her wedding anniversary with Qiao Shan in peace.

Su Xue lowered her gaze slightly, trying hard to recall what had happened.

More than twenty years had passed, but she had a deep impression of that incident back then.

More than twenty years ago, she had already kept a gigolo outside.

Of course, she had done this behind Qiao Shan's back. Qiao Shan had no idea.

At that time, that gigolo had said that he wanted to start a company and earn money to marry her. He had brought her to observe a new project.

At that time, she also felt that the project was quite profitable, so she secretly transferred a million yuan from Qiao Shan's company account.

At that time, the Qiao family's company did not belong to Qiao Shan alone. Instead, there were many shareholders. She had privately embezzled the company's public funds. She had wanted to return the money after she earned it.

However, she had never expected that gigolo to be so brazen as to take her money and run away with another woman.

At first, she was so upset by the gigolo's actions that she fell ill.

Later on, she recalled that she had embezzled the company's funds. Most of her illness had disappeared, and she dragged her tired body back up.

If the company knew that she had embezzled public funds, she might go to jail. She was twenty years old then.

Her twenties were her best years. She didn't want to spend her life in prison, so she found an excuse to return to her hometown and raise money!

Later, one morning, she was about to go to the city to buy something. When she passed by a neighbor's house, she heard a child sobbing softly.

She walked over and saw a three-year-old girl squatting in front of the widow's house. The girl was crying pitifully!
