Chapter 668: Bloodline Is The Most Important

Of course, Qiao Nian knew that Lu Nian was puzzled. She hurriedly said, "Actually, you've misunderstood Big Brother. He's not the kind of person who would steal someone else's woman at all. He just feels sorry for me, so Brother Ah Nian, don't think too much about it!"

Lu Nian's pupils involuntarily dilated as he looked at Qiao Nian in shock.

Could it be that Big Brother really acknowledged Qiao Nian as his sister?

Or was this just Big Brother's first move?

Lu Nian's expression instantly turned cold, and his expression turned uglier and uglier. If he wasn't wrong, Big Brother should be using his brother-sister relationship with her to urge her to get a divorce.

1

When Sister Nian got a divorce, Big Brother could get together with her as a lover and get married.

1

Big Brother had really made a good move. He had tricked Qiao Nian.

First, he tricked him, then Second Brother. He was really capable.

Qiao Nian treated him like a brother, but his brother's feelings for Qiao Nian were definitely more than just brother and sister.

2

If Big Brother treated Sister Qiao as his sister, he wouldn't have scolded him for a god-sister.

Big Brother valued bloodline the most.

Lu Nian's expression darkened. He looked at Lu Zhu sinisterly and questioned, "Brother, I understand your intentions. You just want to use your brotherhood to get close to Sister Nian. After Sister Nian gets a divorce, you can be with her!"

3

Qiao Nian felt a headache coming on. Her heart was beating faster and faster.

She had clearly explained it clearly. Why was Second Brother still misinterpreting it?

Lu Nian's eyes turned cold as he said, "Sister Nian is my adopted sister. It has nothing to do with you! I won't allow you to get close to her again!"

Qiao Nian had a headache initially, but when she heard Lu Nian's words, she was a little touched.

1

Her eyes were a little red-rimmed.

Before she knew that she was a member of the Lu family, Second Brother had already treated her as his sister.

In Second Brother's heart, she might really be his biological sister.

When Lu Zhu heard Lu Nian's words, his amber eyes were slightly stunned, and there was a smile on his lips.

He really did not expect his brother, who had been single for so many years, to be so nervous about his adopted sister.

When Lu Zhu thought about how Lu Nian was the first to acknowledge his sister, he felt a little uncomfortable.

He still remembered that when he first met Qiao Nian, he didn't have a good impression of the bold young lady who had been staring at him.

Lu Zhu felt that he had gone too far in the past.

His gaze fell on Lu Nian's face again.

He remembered that Lu Nian and Sugar had been very close when he was young.

Fortunately, Lu Nian and Sugar were siblings. If it was really a relationship between a man and a woman, it would be troublesome!

Lu Zhu still wanted to hide Sugar's identity and dote on her as her brother.

Previously, he had wanted Third Brother to acknowledge Sugar first. After all, Third Brother had almost fallen for Sugar.

1

But now, because Sugar's death anniversary was approaching and Second Brother had been writing songs for her all night.

Forget it, let Second Brother and Sugar acknowledge each other first.

Lu Zhu stood up and walked to Lu Nian's side. Seeing Lu Nian looking at him with a melancholic expression, he said, "Ah Nian, you've misunderstood. She's not my adopted sister. She's our biological sister to begin with."

3

Lu Nian frowned and looked at Lu Zhu.

In order to get Qiao Nian, Big Brother had already begun to lie.

1

His parents had adopted Song Yu, but his brother was especially old-fashioned. He usually said that Song Yu was not their sister as Song Yu did not have the bloodline of the Lu family at all.

Therefore, other than Lu Qi, only their mother cared about Song Yu.

Song Yu's status at home was very awkward because the brothers did not take her seriously.

Big Brother really loved Qiao Nian dearly. How could he say such things against his conscience?

Lu Nian felt that he had to wake his brother up.

"Brother, you previously said that the bloodline of the Lu family is very important. You've never acknowledged a god-sister before. Even Song Yu is just a relative, right?" Lu Nian questioned.

When Lu Zhu heard Lu Nian's words, he lowered his gaze slightly.

When his mother had adopted Song Yu, he wanted to object. However, his mother's mental state was not good, so he had not said anything.

No matter how good Song Yu was, she was not their biological sister.

Lu Zhu also knew that no matter how clearly he said it, Lu Nian would still be very confused.

No one would believe that a person who had been dead for more than twenty years would stand in front of them alive.

When he found out that Qiao Nian was Sugar, he was also very shocked.

If he hadn't seen the DNA report, he wouldn't have believed that Sugar was still alive.

Lu Zhu sighed slightly and said seriously, "I've made it very clear. Qiao Nian isn't my adopted sister. She's our biological sister to begin with. Lu Nian, take a closer look at Qiao Nian. Does she look a little like Mother and Lu Qi? She's Sugar, the biological sister we thought had died more than twenty years ago. She's the eldest daughter of the Lu family."

What?

Lu Nian felt as if he had been struck by lightning. He was instantly charred on the outside and tender on the inside.

Inch by inch, he turned his head to look at Qiao Nian in disbelief.

Qiao Nian's beautiful fox-like eyes were simply carved from the same mold as his mother's.

Lu Nian's lips moved slightly, but he couldn't make a sound.

How was this possible?

Qiao Nian looked at Lu Nian expectantly. Although she looked calm on the surface, her heart was in a mess.

At this moment, she was a little grateful to Su Sheng. If Su Sheng hadn't said those things, it might be a while before she could reunite with Second Brother.

Qiao Nian knew in her heart that this news was too shocking. It was normal for Second Brother not to believe her. She had initially wanted Big Brother to get Second Brother's hair and then do a DNA test on her and Second Brother.

If she took the report to Second Brother, he would probably believe that she was Sugar.

Lu Nian's heart was beating faster and faster. He felt that the entire world had quietened down. The only thing he could hear was his own heartbeat.

His eyes were a little hot, and his throat was a little dry. He stared unblinkingly at Qiao Nian, especially her eyes.

When he first saw Qiao Nian, he was attracted by her eyes.

When Qiao Nian smiled, her fox-like eyes curved up slightly. She looked very beautiful.

Previously, he had always thought that he liked fox eyes.

But now that he thought about it, he didn't like fox-like eyes, but Qiao Nian's eyes, which were very similar to his mother's.

Oh my god! Sugar was still alive.

Back then, when they received a part of Sugar's body, their mother had personally done a DNA test on Sugar and confirmed that the corpse was Sugar.

Just because of this, everyone in the Lu family felt that Sugar was really dead.

Lu Nian sniffled, his voice a little hoarse. He turned to look at Lu Zhu and asked carefully, "Brother, are you lying to me on purpose to woo Sister Nian?"

2

Lu Zhu's entire face darkened. Suppressing the discomfort in his heart, he said patiently, "Do you think I'll joke about my bloodline?"

"Back then, we saw a large piece of flesh on Sugar's body, but she's intact now..." Lu Nian frowned. He felt that even if Sugar was still alive, she should be disabled, not like Qiao Nian who had all four limbs.

No, how could he curse his sister to be disabled?

He sincerely hoped that Qiao Nian was his sister, Sugar, but he couldn't make random claims about her bloodline!

Lu Zhu knew that Lu Nian wouldn't believe that Sugar was still alive. He took out his phone and found the photo of his DNA report with Qiao Nian.

Lu Zhu said calmly, "Back in MY, Sugar and I had already done a DNA test. This report proves that she's Sugar!"

Qiao Nian stood at the side and nodded. She said softly, "I originally wanted to do a DNA test with Second Brother and Third Brother. That way, when we reunite, you won't be suspicious anymore."

1

When Lu Nian heard Qiao Nian's words, his heart ached slightly.

His hand trembled as he took Lu Zhu's phone. His gaze landed on the photo, and his pupils instantly dilated.

It was really a DNA report.

Moreover, the appraisers were Qiao Nian and Lu Zhu.

If this DNA report had been done in An City, Lu Nian might have suspected that this was the DNA report between Lu Qi and his brother.

This DNA report was written very clearly. According to the values on it, it could be determined that Qiao Nian and Big Brother had the same parents. Not only that, Qiao Nian's age and birthday were identical to Sugar's.

Lu Nian's hands trembled even more.

He casually threw the phone to Lu Zhu and looked at Qiao Nian in disbelief. Step by step, he walked towards Qiao Nian. "Sugar..."

How many times had he dreamed of playing the piano with Sugar?

Then, he dreamed of Sugar being dismembered and dying tragically.

If this was a dream, he would rather not wake up again for the rest of his life.

Qiao Nian looked at Lu Nian.

She had already acknowledged her family once. She thought that she would be very calm when she acknowledged Second Brother.

However, when she heard Second Brother call her name and saw his teary eyes, she was still very emotional. Her eyes couldn't help but tear up.

Due to the kidnapping back then, she had already missed more than twenty years of interaction with her family.

More than twenty years might not sound long.

But that was more than 7,300 days!

Even counting from one to 7,300 would take a long time.

Although Qiao Nian felt that she was very unlucky, she was much luckier than the children who had been kidnapped by human traffickers.

Now that she had found someone who loved her and she was no longer alone.

"Second Brother," Qiao Nian called out slowly, her voice choked with emotion.

Lu Nian's heart trembled slightly. He stood rooted to the ground in a daze, not daring to move, worried that all of this was just a dream.

Lu Nian recalled Sugar's childhood. He often brought Sugar to the piano room. At that time, Sugar would always stay by his side obediently and listen to him play the piano.

His obedient and adorable Sugar had been kidnapped by the kidnappers.

When he first heard the news, he was on the verge of breaking down.

Whenever he was in unbearable pain, he would go to the piano room and sit there for the entire day, recalling every detail of his time with Sugar.

As time passed, he remembered that Sugar liked to listen to him play the piano, so he had been learning to write songs himself. Sugar would more or less appear in every song.

At that time, he thought that even though Sugar's body was gone, Sugar's voice and smile had always been in his music and his heart.

Later on, every time he went to the piano room, although he did not have Sugar's company, he would always place a little bear not far away.

That little bear was Sugar's favorite toy.

In his opinion, the little bear represented everything Sugar was.

Now that he heard his brother say that Qiao Nian was Sugar, the longing he had been suppressing in his heart burst out like a flood.

He still remembered Sugar's soft and cuddly appearance, but in the blink of an eye, Sugar had become a young girl.

With a bright smile on her face, she looked at him happily.

She would even call him "Second Brother" sweetly.

This feeling was very strange. It was indescribable.

Lu Nian took a step forward carefully, his breathing involuntarily lightening. Afraid that he would break this dream, he stared unblinkingly at Qiao Nian. His gaze became even gentler, so gentle that water could drip from it.

"Sugar."

Lu Nian's voice was a little hoarse and teary. There were too many emotions in it.

Sugar, whom he had missed day and night, had returned.

Lu Nian saw that Sugar's eyes were red. He said gently, "Sugar, don't cry!"

When Qiao Nian heard Lu Nian's words, she felt a lump in her throat. Without hesitation, she rushed into Lu Nian's arms and hugged him tightly.

Second Brother!

This was the first brother she had acknowledged.

Lu Nian couldn't help but take a step back, then stabilized himself.

His body was a little stiff, and the tip of his nose was filled with Qiao Nian's light fragrance. That fragrance filled his entire world.

Chapter 669: Evidence

When Lu Zhu heard Lu Nian's words, he lowered his gaze slightly.

Chapter 670: Recognition

When Lu Nian heard Qiao Nian's words, his heart ached slightly.
