Chapter 2491: Frog Jump

Xia Qingwei carried Little Yijun and arrived just outside Lu Man's room.

When Little Yijun saw Lu Man with heavy makeup and in a wedding dress, he did not recognize her at first.

"Yijun," Lu Man called out happily after seeing him. She even held out her arms, wanting to carry him.

When Little Yijun heard the familiar voice, he recognized that it was his elder sister and immediately held out his tiny arms.

Feeling frustrated, Xia Qingwei scolded, "You had just finished tidying up your dress. If you carry him, he will mess it up."

"It's fine." Lu Man smiled as she discussed with Yijun, "Yijun, you must be a good boy. You can't keep moving in my arms and mess up the dress."

They did not know whether Little Yijun had understood, but he arched his body towards Lu Man with all his strength.

"Mom, let me carry him," said Lu Man.

Xia Qingwei then gave Little Yijun to Lu Man.

It was as if Little Yijun really understood what Lu Man had said as he sat on Lu Man's lap without moving around.

It was just that his chubby hands could not stay still. After he was tired of playing with Lu Man's hands, he played with Lu Man's wedding dress.

Especially the gems on Lu Man's skirt. They were shiny, and Little Yijun really liked them.

"The cars of the groom are almost here. There are still roughly 15 minutes to go," Wei Zhong reminded them.

Xia Qingwei immediately lifted Little Yijun away.

Guo Yujie tidied up Lu Man's dress again.

Yan Zhiqing and the other bridesmaids were also ready.

It was Zheng Yuan and the other two's first time being bridesmaids, so they were very nervous. And so, they decided to follow exactly what Yan Zhiqing and Shi Xiaoya did.

The five went to the entrance and closed the gate of the villa securely.

After that, they saw through the window that Han Zhuoli's wedding car had arrived.

Han Zhuoli stood at the entrance and said to Han Zhuoling, "Big Brother, I am relying on you."

Han Zhuoling fixed his tie and stood at the entrance. "Xiaoya?"

“Zhuoling,” Shi Xiaoya answered behind the door.

The moment Han Zhuoling started talking, she lost all resistance.

Han Zhuoling was the same. When he heard Shi Xiaoya’s voice, his mood suddenly became better and he could not stop himself from smiling. “We are already at the door. Do you mind opening it?”

The tone of his voice was deep and he was a bit hoarse.

Shi Xiaoya was completely drowned in love by his voice as she replied, “Ah, okay.”

As she was speaking, she had already placed her hand on the door handle.

When Wang Juhuai saw this, he immediately facepalmed.

Shi Xiaoya needed to grow up!

Fortunately, Yan Zhiqing reacted fast and quickly covered Shi Xiaoya’s ears.

Han Leilei immediately dragged Shi Xiaoya to the back of the group.

When Shi Xiaoya came back to her senses, her face turned red.

She had been completely hypnotized by Han Zhuoling’s voice.

Shi Xiaoya covered her burning red face with her hands. She felt so embarrassed.

Yan Zhiqing stood behind the door and shouted out loud, “Stop using seductive methods! We have already pulled Xiaoya away. That method is now useless!”

Han Zhuoli gave Han Zhuoling a glance.

Han Zhuofeng then took out five red packets from the inner pocket of his suit and showed them at the window.

Yan Zhiqing smiled and said, “You should have done this from the beginning.”

She then opened the door and snatched all the red packets from Han Zhuofeng’s hands.

Yan Zhiqing did not actually care about the money in the red packets. She was just trying to be a good sport.

Shi Xiaoya was the last in line and smiled in embarrassment to Han Zhuoling, seeming to imply that there was nothing she could have done.

“Wait!” Yan Zhiqing stopped them from going upstairs again.

Han Leilei covered her mouth as she laughed secretly. When Yan Zhiqing snapped her fingers, she proceeded with her explanation. “Send one person to choose one of us. Then, that person must carry that chosen one of us on his back and frog jump upstairs.”

Chapter 2492: No Wonder You’ve Been Single All This Time

She took out her phone to check it and said, "If you can climb up the stairs in one minute, we will let Young Master Han go up."

Han Zhuofeng immediately said, "I have no strength in my arms at all. I am weak, pitiful, and helpless, so I am not suited for this kind of physical activity."

Han Zhuoling: "..."

Han Zhuoli: "..."

"Let Brother Qian go for it." Han Zhuofeng pointed at Wei Zhiqian.

"Ahem. I admit, my fitness won't cut it." Wei Zhiqian had chickened out immediately.

Shi Xiaoya: "..."

Han Zhuoling: "..."

Han Zhuofeng said in a small voice, "No wonder you've been single all this time. So it's because you don't make the cut."

"What the f—" He did not finish saying the curse word and barely suppressed it. Wei Zhiqian, a hot-tempered person, had almost gone over to smack Han Zhuofeng's head.

Who doesn't make the cut!

Han Zhuoli held his laughter back and asked, "Old Zhao, you going?"

Shi Xiaoya saw that, among these five best men, there was one whom she had never seen before.

Han Zhuoling saw the curious look in Shi Xiaoya's eyes and explained, "This is Zhao Gushen, from the Zhao Family. You haven't seen him before. This time, he had also been dragged over by Zhuoli as a strong best man."

Zhao Gushen gave a gentlemanly smile and greeted all of them before saying, "I am a newcomer, and I am not familiar with you ladies, so it won't be good for me to carry any of you the moment I arrive."

Zhao Gushen said, "Why doesn't Zhuoling go for it? Anyway you're a couple with Miss Shi, so you two don't need to avoid gossip."

Shi Xiaoya hid behind Yan Zhiqing and kept giving Han Zhuoling furtive looks non-stop.

Han Zhuoling then knew that things weren't so simple!

Han Zhuoling then said, "Why not let Xiao Cai go?"

Han Zhuoling suggested, "Lest you guys think Xiaoya would be going easy on me."

"Sure, sure, sure. Xiao Cai, you go. As a member of the Hidden Shadows from the Wen Family, you have to be the one to perform at times like these where you can show off your fitness." Wei Zhiqian sold out his brother from his own family without any hesitation. "When I said before that my fitness doesn't make the cut it, it's only in comparison with professionals like Xiao Cai. It doesn't really mean I don't make the cut. You guys, don't misunderstand me!"

“Hah!” Everyone actually scoffed unanimously.

Wei Zhiqian: “...”

The Hidden Shadows were one of the many departments in Mount Lan Compound.

They’re similar to the Hidden Guards, who were in charge of the security of Mount Lan Compound.

The Hidden Guards were mainly in charge of safeguarding the security of Mount Lan Compound, as well as the safety of Wen Ren and the others there.

As for the Hidden Shadows, they were the intelligence department of Mount Lan Compound, specializing in gathering intelligence.

The department head of the intelligence department was Fang Boran, the older brother of Wen Ren’s wife, Fang Jiaran.

The Hidden Shadows were further split into three divisions.

The Day Shadows.

The Night Shadows.

And the Shadowless.

The Day Shadows were in charge of legitimate investigative operations. Their team leader was Hao Donghuai.

The Night Shadows, like their name, were in charge of underground investigations.

Their team leader was Yuan Jiangyi, one of the top hackers in the world.

And Wei Wucai was the team leader of the Shadowless.

The Shadowless were the ace team within the Hidden Shadows, which had always been in charge of the most difficult missions.

As their name implied, as long as you were targeted by the Shadowless, even if you were mentally prepared, you can forget about getting any hold of the Shadowless’ whereabouts.

And for Wei Wucai to be able to become the team leader of an ace team like this, one could imagine how capable he was.

“Okay.” Wei Wucai took a step forward, took off his blazer, and threw it to Wei Zhiqian. Then he rolled up his shirt sleeves a few times as he asked Yan Zhiqing and the girls, “Which one of you is doing this?”

Zheng Yuan and the two girls did not have the guts to.

The person before them was the great and honorable team leader of the Hidden Shadows under the Wen Family. They could not afford to provoke him, could not afford to at all.

Even more so for Shi Xiaoya.

How could Han Zhuoling possibly let some other man carry her on his back?

So no one suggested Shi Xiaoya at all.

If Han Zhuoling were the one doing this, then the person being carried would definitely be Shi Xiaoya.

Chapter 2493: What Ill Designs Were These Ladies Hiding

Yan Zhiqing took one step forward and said, "Haha, then I'll be the one."

Wei Zhiqian shuddered a little. Why did Yan Zhiqing's laughter give him goosebumps?

Hearing her laughter made him feel that she was definitely up to no good!

Wei Wucai walked up to Yan Zhiqing, turned around, and bent his knees a bit so that Yan Zhiqing could climb on him.

Zheng Yuan and the three girls widened their eyes, waiting to watch.

Shi Xiaoya looked like she could not bear to watch at all.

They all looked like they were waiting for tragedy to unfold. The others could tell from their looks that there was definitely something fishy going on.

They just did not know what ill designs these ladies were hiding from them.

Just looking at them, they could not tell either.

The five of them all looked very normal. They were wearing long dresses, which could not hide any props.

Yan Zhiqing laughed sarcastically twice behind Wei Wucai.

This time, she would treat it as taking revenge for the previous time.

"You're ready, right?" Yan Zhiqing said.

Wei Wucai nodded, not seeming to mind it at all as he said, "I'm ready. You hurry up. Given your weight, why would I need to prepare? We still have to fetch the bride. Don't think you can stop us just by delaying the time like this."

Wei Wucai thought to himself, *Seeing how thin and weak Yan Zhiqing's figure is and how she isn't even that heavy, would I still need to prepare?*

He could not help but tsk in his heart. These celebrities, they all kept exceptionally skinny figures just so that they could look good on camera.

At first, they appear to have around the same figure as that of normal people, but in fact, behind the camera, they were much skinnier compared to how they looked on-screen.

And Yan Zhiqing mainly acted in films. The cinema screens were so wide, so Yan Zhiqing still looked normal on-screen, but she was really very skinny in real life.

Yan Zhiqing pursed her lips and tsked at him.

He was clearly saying that she was skinny.

All girls liked to hear praises about them being skinny.

If other people were to say it, they would surely make a girl feel overjoyed.

But the same words coming out of Wei Wucai's mouth just sounded so unflattering.

Yan Zhiqing scoffed, thinking to herself, *You asked for it!*

Yan Zhiqing jumped and lunged at Wei Wucai's back.

Wei Wucai did not treat it seriously at first, yet he suddenly felt as if there was a mountain crashing down on him. Wei Wucai almost collapsed on the floor from the weight.

"Ahem! Ahem, ahem!" Wei Wucai coughed from the heaviness bearing down on him and staggered quite a few times.

When Shi Xiaoya and the others saw that, their hearts jumped to their throats.

Seeing how Wei Wucai behaved, it looked as if he was going to throw Yan Zhiqing off any moment.

They quickly surrounded Wei Wucai. If Yan Zhiqing really fell, they could still catch her in time.

"Ah!" Yan Zhiqing also screamed from Wei Wucai's unstableness and punched him on the chest without holding back at all.

As she was leaning on Wei Wucai's back, she could conveniently throw her hands over his shoulder. Punching his chest hard was really way too convenient like this.

Wei Wucai bent right over from Yan Zhiqing's punch, coughing even harder.

He had every reason to believe that Yan Zhiqing was seizing this chance to take revenge!

"You... Why are you so heavy!" Wei Wucai was the team leader of the Shadowless, after all, so he very quickly steadied himself.

But Yan Zhiqing was really heavy!

It was completely different from how she looked like.

Wei Wucai seriously suspected that Yan Zhiqing had hidden something on her body.

"We aren't needed anymore now, then," Shi Xiaoya said.

Wei Wucai and the others then saw Shi Xiaoya and the other girls lift up the hems of their dresses, revealing the thick sandbags tied to their calves.

They unfastened the sandbags, which slid down to the floor on their own and made deep, thudding sounds.

Chapter 2494: Don't Pull Me Here and There, How Bad Would It Look

Wei Zhiqian felt as if the floorboard trembled quite a few times.

Han Zhuofeng: "..."

Han Zhuoling: "..."

Han Zhuoli: "..."

Wei Wucai: "..."

Wei Wucai could not help but look down at Yan Zhiqing's legs.

Her legs were covered by the dress, so they could not be seen.

But the dress was thin and revealed all the curves around her legs.

Then, Wei Wucai saw on both of Yan Zhiqing's calves the contours of a sandbag.

Wei Zhiqian went over to pick up the sandbags that Shi Xiaoya and the other girls had thrown on the floor.

"Ouch!" Wei Zhiqian was not mentally prepared and did not know how heavy the sandbags were.

He'd thought that it would not be that exaggerated even if it was heavy, yet when he took one up, he almost dropped it back down.

Luckily, he had steadied himself and did not embarrass himself.

"What the!" Wei Zhiqian stared at them in shock. "How heavy did you girls make these!"

"Zhiqing borrowed it from a production crew. It contains iron sand." Shi Xiaoya felt a little embarrassed due to their shocked stares. "One weighs 7.5kg, two of them make it 15kg."

"How did you girls manage to move?" Han Zhuofeng asked in shock and awe.

"We just put it on right before opening the door for you guys, so we didn't wear it to walk. After you guys came in, didn't we not move at all?" Shi Xiaoya laughed awkwardly.

Zhao Gushen quietly inched backward. These girls were way too ruthless.

Luckily, he did not step up just then...

Hence, the four men all looked at Wei Wucai with looks of pity.

"Luckily, luckily, Zhiqing isn't heavy," Shi Xiaoya said, consoling him.

The official weight that Yan Zhiqing announced publicly was 47.5kg. With 15kg worth of sandbags added to that, it became a total of 62.5kg. It was still manageable.

"Haha." Yan Zhiqing extended one arm and said, "Xiaoya, tie the sandbags around my arms too."

"..." Shi Xiaoya said in a small voice, "Zhiqing, if we do that, your elbows and legs might feel especially painful tomorrow."

"It's fine." Yan Zhiqing went all out. As long as it could make Wei Wucai suffer, muscle aches were no problem at all. Those became her motivation.

The corner of Wei Wucai's eye twitched. He really did not treat the weight that Yan Zhiqing gave him currently seriously.

But if she were to add another 15kg, and he still had to do frog jumps up the stairs...

“Yan Zhiqing, don’t go overboard!” Wei Wucai warned.

“Haha.” Yan Zhiqing scoffed lightly. She gestured at Shi Xiaoya to come over and said, “Xiaoya, quickly come.”

Hence, Pan Xue took up the sandbags while Shi Xiaoya helped Yan Zhiqing to put them on her elbows.

When both sides were done, Wei Wucai almost laughed in anger. “Do you want to wear another two?”

“I actually wanted to,” Yan Zhiqing said, but even she herself could not manage two additional weights.

“If you’re all done, then I’ll set off,” Wei Wucai said.

“Go, go, go!” Yan Zhiqing said.

Wei Wucai felt that, if not for the sandbags on her elbows, she might even make a whipping move with her hands.

This woman!

Wei Wucai silently scolded her in his heart, and then carried her towards the stairs.

Wei Zhiqian even dragged Han Zhuofeng, Han Zhuoling, Han Zhuoli, and Zhao Gushen along.

“What?” Zhao Gushen saw Wei Zhiqian pulling his elbow, then quickly yanked his elbow out and said, “If you want to say something, just say it. Don’t pull me here and there, how bad would it look!”

Wei Zhiqian: “...”

“Exactly, exactly.” Han Zhuofeng also threw Wei Zhiqian’s elbow aside disdainfully and said, “You already said you don’t make the cut yourself, yet you come and pester us. This can really make people misunderstand.”

Chapter 2495: A Man’s Fitness Is Very Important

Wei Zhiqian was enraged. “What the f*ck, Han Zhuoling! Control your younger brother! You punk, have you even reached puberty? You dare say I don’t cut it!”

Han Zhuoling gave him a plain look and said, “Why are you bullying my younger brother? Didn’t you say it yourself, that you don’t?”

Wei Zhiqian was exasperated. “I mean that my fitness isn’t as good as Xiao Cai’s, not that I don’t make the cut.”

“A man’s fitness is very important,” Han Zhuoling said with a very straight face. “You don’t need to last until dawn, but you can’t be weaker than others.”

Wei Zhiqian felt really aggrieved. He felt that this label of him not being able to last would never be removed from him.

He was really bad at talking just then. Of all the things he could have said, he had to say that his fitness could not make the cut.

And let these bunch of people latch onto that phrase and use it to smear him.

Even that usually serious Han Zhuoling didn't let him off!

On this joyous occasion, why did he feel so pathetic!

Wei Zhiqian finally realized that his one mouth would never be able to rival the other four mouths there, so he could only say weakly, "Fellow brothers, fellow brothers, this joke, we can just say it among ourselves in private. Please don't spread it around. If word goes out, the misunderstanding will be too great. How am I supposed to face other people next time?"

Wei Zhiqian felt really aggrieved.

The Old Madam at home already kept urging him to get married all the time. His family's Old Madam's thinking had even been so far ahead and avant-garde that she even asked him previously if he liked men.

Wei Zhiqian had lost control of his expression at that time. He finally managed to explain things properly to Old Madam that he indeed liked women and had no interest in men at all.

Who knew if Old Madam believed him or not?

If word that he couldn't last long or whatever goes out next, who knew what kind of thoughts Old Madam would have again?

Wei Zhiqian felt tired just thinking about it.

"Okay, okay, okay, I won't spread the word that you don't have stamina." Zhao Gushen nodded, as if he was such a good brother, even lowering his voice while speaking.

Wei Zhiqian: "..."

This joke was never going away, was it!

Wei Zhiqian did not want to bother with them anymore. Anyway, they would just make fun of him, but they really would not spread it around.

Wei Zhiqian went to tell Shi Xiaoya and the others.

Zheng Yuan and the two girls all promised that they definitely would not spread those words out.

Shi Xiaoya could not help but laugh and say, "We all know you didn't mean it that way and that they're just making fun of you. But you treat it so seriously and even came to remind us not to say it to others at all, as if..."

Shi Xiaoya gave Wei Zhiqian a cheeky smile and continued, "As if it's really true."

Wei Zhiqian: "..."

"It's fake! It's definitely fake!" Wei Zhiqian said, gritting his teeth.

Shi Xiaoya was a little kinder, not like Han Zhuoling and the others who insisted on pissing Wei Zhiqian off deliberately. "Okay, okay, I get it. We definitely won't spread word about this outside."

“You girls don’t believe it too!” Wei Zhiqian felt that there would be no end to this matter anymore.

“I won’t believe it,” Shi Xiaoya promised.

Zheng Yuan and the two girls promised as well.

But their promises just sounded amiss to Wei Zhiqian, who felt that they were really starting to believe it.

“Zhiqian, stop making a fuss,” Zhao Gushen said. “Quick, come and watch Xiao Cai do frog jumps. You might not have a chance to see this scene of him carrying a lady to do frog jumps after today.”

When Wei Zhiqian heard that, he put this matter aside for the moment.

People who could come and be Lu Man’s bridesmaids should be people who were quite close to Lu Man.

He knew Yan Zhiqing and Shi Xiaoya. They were not loose-lipped people.

Although he did not know Zheng Yuan and the two girls, the three of them had never revealed anything about Lu Man, so Wei Zhiqian knew that those three girls were not loose-lipped people either.

Chapter 2496: Don’t Hug Me So Tightly

So he felt assured.

If there were people there whom he could not feel assured about and who would really make others misunderstand that he could not last long, how was he supposed to explain himself?

As Wei Zhiqian was feeling troubled by that, he walked over to the staircase to watch Wei Wucai do frog jumps up the stairs.

Shi Xiaoya was the one holding the timer at the side. “Start!”

At the same time as she shouted that, she also pressed on the start button of the timer on the phone screen.

At the same time, Wei Wucai also started jumping while carrying Yan Zhiqing.

He really lived up to his name of being a member of Mount Lan Compound.

Wei Wucai just jumped up two steps right away, and it even looked quite easy for him to do it.

He did quite a lot of frog jump exercises with weights every day.

At Mount Lan Compound, this was a compulsory training segment every morning.

At Mount Lan Compound, everyone woke up at 5:30 in the morning. After 15 minutes, everyone would have to gather and run around the winding mountain roads in Mount Lan.

In the last round, they would run into the Mount Lan Compound.

The Compound had steep and high staircases.

They had to carry sandbags and do frog jumps up the stairs.

After undergoing such strict training for such a long time, he had long gotten used to it.

And as time passed, he would no longer feel much about the weights he had once found quite difficult to bear, as if it felt as natural as his own body weight.

So, the weights on Yan Zhiqing right now might be a little heavier than usual for Wei Wucai, but it was still not an issue for him.

Moreover, before this moment today, he had not done any other training beforehand.

So his energy level was right at its peak.

Yan Zhiqing wanted to cause trouble for him, but she did not dare to.

If Wei Wucai lost balance and fell down the stairs, she would be the one cushioning his fall!

In the end, she saw that Wei Wucai actually jumped two steps up each time.

Whenever she saw him jump, he would raise his knees exceptionally high every time.

Yan Zhiqing shouted in fear, "Can't you go a bit more steadily? Just do the jumps step by step! What if you fall down?"

Of course Wei Wucai had this confidence. This was as easy as walking normally on the road to him.

"Anyway, you girls set this task yourselves. You can't blame me." Wei Wucai continued saying like an insensitive single man, "And even if I really fall, you are behind me. You can cushion my fall."

Yan Zhiqing was only concerned about being scared now and could no longer be bothered to be angry. She tightened her arms around Wei Wucai's neck.

Even her legs also squeezed tightly around his waist. She was like a koala, hugging tightly onto a big tree

Yan Zhiqing was way too nervous. Every time Wei Wucai jumped into the air, she felt as if she was riding a roller-coaster and felt exceptionally insecure.

Every time he jumped up, Yan Zhiqing felt that she might just be thrown off.

So at such moments, she felt even more nervous and would subconsciously hug Wei Wucai even tighter.

But because she felt too nervous, she forgot that when she was hugging him so tightly, her chest leaned right against his back. There was no gap between the two of them at all.

Wei Wucai could very clearly feel the softness from her leaning onto him. And every time she hugged him tightly, his back was squeezed tightly as well, making that soft sensation even more palpable.

Yet Yan Zhiqing did not sense it at all. Her arms were hugging him tightly. In this way, her face would also be very close to him.

Her cheek unconsciously bumped against his ear and a small part of his cheek, and her breaths also landed softly on his ear.

Wei Wucai's heart started beating rapidly from her nudges. Feeling her breaths on his ear made his ear feel very hot, and the tips of his ears started reddening at the same time.

“Don’t hug me so tightly,” Wei Wucai said past gritted teeth.

Chapter 2497: Destined to Be Single for Life

“If you jump at a safer pace, I won’t hug you so tightly!” Yan Zhiqing protested.

“Seriously...” Wei Wucai said angrily. “You’re a girl. What are you leaning so close to me for?”

Yan Zhiqing: “...”

Woah?

Was he being disdainful of her?

He was clearly the one taking advantage of her as she leaned closely to him, yet he made it sound as if she was being shameless now.

Yan Zhiqing was a hot-tempered person, so she immediately retorted, “I’m even tempted to say that you’re doing it on purpose. I clearly told you to jump step by step, yet you insist on jumping two steps every time, scaring me so much that I have no choice but to hug you tightly. Are you purposely trying to take advantage of me, huh?”

After saying that, Yan Zhiqing glanced at him and happened to see that the tips of Wei Wucai’s ears were so red, it looked just like burning red-hot iron and was even glowing from the redness.

In her mind, Yan Zhiqing exclaimed, “What the f*ck?” She thought to herself, *Could it be that Wei Wucai feels shy?*

He was this pure-hearted?

Anyway, he did not seem like he was tired.

Anyway, his face was not red, and his breathing was not messed up either.

It was just the tips of his ears that had reddened.

This was interesting.

Yan Zhiqing harbored that suspicion in her heart and then hugged him even more tightly with all four limbs.

She exerted even more strength with her legs.

Wei Wucai felt his waist tighten, and he just froze on the stairs.

Yan Zhiqing watched as Wei Wucai’s face even started reddening right before her eyes.

So he was really feeling shy!

It was really hard to tell that this man with such a toxic mouth could actually feel shy so easily!

Yan Zhiqing wanted to laugh but she held it in. Her mouth twitched before she said, “Your physical strength is quite average. Your face is already so red now.”

Wei Zhiqian's ears twitched a bit and he instantly said to Han Zhuoling and the others, "Looks like Xiao Cai can't even compare to me."

Everyone: Haha.

It's no use, you won't be able to clear your name.

Wei Wucai was holding Yan Zhiqing by the legs, and he hoisted her up a little before he tsked and said, "Are you really only 47.5kg? Why do I feel like I'm carrying a 150kg piglet on my back?"

Yan Zhiqing: "..."

Haha. She really regretted not wearing all the sandbags on her so she could let him have a taste of what 150kg felt like!

"Why don't you shut up!" Yan Zhiqing said angrily.

No wonder he had been single all this time. He deserved to be single!

He was destined to be single!

Shi Xiaoya reminded them from the foot of the staircase, "There's still 16 seconds left! Fifteen seconds!"

There were only two steps left, so Wei Wucai just jumped right over them.

"It's a success, a success!" Wei Wucai immediately said.

Yan Zhiqing pursed her lips. If she had known earlier, she would have set it to 30 seconds.

One minute was not much of a challenge to Wei Wucai at all.

Wei Wucai waited for quite a while but did not feel Yan Zhiqing let go. He said, "Stop clinging on to me. Quick, get down."

Yan Zhiqing was really too shocked and angry and forgot about it.

Who knew Wei Wucai would actually urge her to get off with so much disdain!

"You let go of me first!" Yan Zhiqing said angrily.

Wei Wucai then realized that he had been holding on to her legs all along.

He quickly let go, as if he got scalded.

Yan Zhiqing then slid down from his back.

It was really because of the weights she had on her body that Yan Zhiqing's movements were not very agile.

Wei Wucai felt the softness gliding down his back so closely to his body, making him freeze on the spot.

When she landed on the floor, Shi Xiaoya and Zheng Yuan helped Yan Zhiqing take off the sandbags on her elbows.

Yan Zhiqing then took off the sandbags on her legs too.

Instantly, she felt her whole body relax.

She shook her elbows and rotated her ankles. They were already starting to hurt a little now.

She would definitely get muscle aches tomorrow.

Yet she saw that Wei Wucai seemed to be perfectly fine, making Yan Zhiqing grit her teeth while mincing her lips.

Shi Xiaoya was watching from the side just then and felt that the sparks flying between these two were way too dazzling!

Chapter 2498: Have Mercy

Anyway, Han Zhuoli and Lu Man were already husband and wife.

They had simply posed an appropriate challenge for the men when they came to fetch the bride and would consider it a pass once they'd had some fun.

They would not really stop Han Zhuoli.

So when they reached the door to Lu Man's bedroom, Yan Zhiqing and the others did not stop him. They just smiled happily and waited for Han Zhuoli to enter.

Han Zhuoli glanced at them with uncertainty and caution as he asked, "You're letting me in now?"

Yan Zhiqing tsked and said, "You think we're letting you enter too easily, is that it?"

As she said that, Yan Zhiqing took out her phone and said, "Then you wait for a moment, I will search and see if there are any other ways to prank the groom."

"Wait!" Han Zhuoli immediately stopped her and said, "Please have mercy, please have mercy!"

Yan Zhiqing could not help but laugh and say, "I was letting you go in and yet you didn't want to. Quickly, go in now."

Many bride-fetching activities included segments that ask the groom to say some promises along the lines of how he would treat her well.

But Yan Zhiqing and the others felt that this was really unnecessary.

Anyway, Han Zhuoli treating Lu Man well was something that was evidently obvious.

Whether a man treated you well or not, it would not be determined with just a few words.

Many married couples who made extremely touching promises during their wedding still ended up getting divorced when they wanted to.

This had nothing to do with what had been said.

Those promises and pledges that had been said were actually quite useless and could just be taken with a pinch of salt.

Yan Zhiqing had also attended quite a few weddings before, not just within her family, but also the weddings of other celebrities in the industry.

There was nothing much to say for the weddings that her own family members held.

It was just that when she attended weddings of many people in the industry, Yan Zhiqing would often scoff internally when she heard the promises made during their wedding ceremonies. She really did not quite believe them.

Han Zhuoli had also missed Lu Man a lot after not seeing her for the whole night.

Now that the bridesmaid team was not stopping him, he quickly pushed the door open.

In the end, he stopped at the door, feeling awestruck.

Lu Man had already tried on the wedding gown at Qin Zigou's studio previously, and he had seen her then.

He had been spellbound the moment he saw her back then.

But some time had passed since, so even though he was already mentally prepared, thinking that he could probably be able to face it calmly...

He did not expect that the moment the door opened and he saw Lu Man sitting quietly on the bed, her wedding gown spread out in the shape of a fishtail...

The V-shaped design on the neckline of the wedding dress revealed the beautiful contours of her neck and shoulders.

Her graceful, swan-like neck seemed to be basked in a glow from the sunlight that streamed in through the windows.

When she heard him come in, Lu Man turned to look at him, and a beautiful curve stretched across her lips.

Han Zhuoli simply fell dumbstruck at the door.

His bride was way too charming, making him unwilling to even blink his eyes. He just wanted to record this moment down forever.

Zheng Yuan and the two girls covered their mouths and secretly giggled. Han Zhuoli was obviously falling into a daze from looking at Lu Man.

No one disturbed him.

Until Han Zhuoli had really been taking a bit too long being dazed still.

If they let him continue being in a daze like that, they probably would not be able to reach the hotel on time.

Yan Zhiqing quietly raised her phone behind Han Zhuoli and pointed to the time on the phone screen for Lu Man to see.

Lu Man then laughed and said, "Until when are you going to space out? Aren't you coming in?"

Han Zhuoli finally regained his senses and walked right up to Lu Man.

"I clearly saw how you looked like when you wore a wedding dress before. But looking at you now, you look even prettier than you did the previous time." Han Zhuoli laughed as he asked, "How do you do it? You make me feel so awestruck each time."

Lu Man's cheeks flushed red slightly, as if she had just applied a rosy blush color.

Han Zhuoli lowered his head, wanting to plant a kiss on her slightly reddened cheek.

"Wait!" Shi Xiaoya quickly stopped him and said, "Don't kiss, the makeup will smudge if you kiss!"

Chapter 2499: Take Note Not to Look at Other People of the Opposite Sex

Han Zhuoli: "..."

He could not even kiss his wife when he was getting married?

Lu Man laughed and tugged on Han Zhuoli's sleeve.

"Okay, I won't kiss anymore," Han Zhuoli could only say.

Shi Xiaoya then stepped aside.

Han Zhuoli bent over and carried Lu Man up from the bed in his arms.

"Let's go get married." Han Zhuoli lowered his head, smiling as he stared at Lu Man.

Lu Man hugged Han Zhuoli around the neck tightly with both hands.

Han Zhuoli sounded as if he was saying, "Let's go, we're going back home!"

Lu Man laughed instantly.

Because even if she was going to get married with Han Zhuoli and not going home, no matter where he was, that would be where her home was.

With him around, that would be where she would belong to.

No matter where they went, as long as they were together, she would feel a sense of belonging.

Lu Man nodded somberly.

She recalled that period when she was unconscious and her soul returned to her previous lifetime.

Her first reaction had been to go and find Han Zhuoli.

Even if Han Zhuoli could not see her then, she still wanted to stay by Han Zhuoli's side.

Because as long as she was by his side, she would feel secure and feel a sense of belonging.

Even if he could not see her, she had still felt that way.

Han Zhuoli carried Lu Man into the car.

They all set off for the family home.

The groom would first bring the bride to pay respects to his parents, but the whole family was now present at the Han Family.

It's true that the family home was surrounded by neighbors from wealthy and respectable families as well.

But no matter how wealthy those families were, their children all loved to join in the fun of a lively scene.

Knowing that a bride would be coming today, many young children all came running out to watch the show.

When Han Zhuoli and Lu Man got off the car, who knew which family's young child exclaimed, "The bride is so pretty!"

Lu Man sputtered out laughing. She turned towards the source of the voice and saw a few little boys standing beside the wedding car.

The children that were a little older were all laughing at the youngest little boy in the center and said, "You're so young, yet you actually know whether someone is pretty or not."

Who knew if the youngest little boy was feeling shy, but his face was blushing after he was teased by the older brothers. The little boy cupped his face and said, "Anyway, when I grow up, I also want to marry such a pretty bride!"

Lu Man heard everything that the children said clearly, and she naturally knew that the child that had just praised her was the youngest one amid the bunch of them.

Lu Man just felt that this little kid was so cute, so she smiled at him and even waved her hand at him.

The little boy instantly felt really proud and said, "Did you all see that? The pretty older sister even smiled at me."

Lu Man was smiling when her face suddenly got held by someone.

The person holding her face was naturally Han Zhuoli; no one else would do that.

Right after that, Lu Man's face got turned back by Han Zhuoli, who said, "Look at me. What are you looking at other people for? Take note not to look at other people of the opposite sex."

Lu Man: "... "

He even said "opposite sex"!

"That's just a kid. He looks like he's only about four or five years old," Lu Man said.

"That still won't do. Didn't you hear him saying that he wants to marry such a pretty bride like you when he grows up?" Han Zhuoli said. As he said that, he could not help but laugh too before continuing, "I didn't expect that such a young kid would have quite a good eye."

“By the time he grows up, I will have already become a middle-aged woman and my beauty will have waned by then,” Lu Man said with a smile.

“Who says so?” Han Zhuoli held Lu Man’s hand and entered the family home as he said, “You will always be very pretty.”

Yet again, they heard the chatter from the group of children behind them.

The children who were slightly older said, “This bride is a female celebrity. That’s why she’s so pretty.”

The kid that had just praised Lu Man then said, “Then I will marry a celebrity when I grow up!”

Lu Man: “... ”

Children were so interesting.

Han Zhuoli laughed and said, “See? Don’t tell me you just influenced a kid just like that, such that he will insist on marrying only a celebrity when he grows up?”

“What are you saying?” Lu Man did not know whether to cry or laugh when she heard that. “How can a kid’s words be trusted? He’s still a kid, so who knows how much he will have changed when he grows up.”

But Lu Man really did not expect that after that little boy grew up, he’d really keep insisting on having female celebrities as his girlfriends, and no one could stop him.

Han Zhuoli and Lu Man entered the family home.

Although it was mostly Western-style wedding ceremonies that were held nowadays, many of the procedures held during the wedding day itself retained Chinese-style traditions.

Like the tea ceremony where tea would be offered to the elders.

Han Xijin and Shen Nuo sat on the sofa.

Han Zhuoli and Lu Man stood before the two of them.

Lu Man picked up a teacup and said, “Dad, please drink the tea.”

And then she gave it to Shen Nuo and said, “Mom, please drink the tea.”

Han Xijin and Shen Nuo were over the moon and kept saying, “Okay, okay.”

Although Han Zhuoli and Lu Man got married long ago, they had also been waiting for a long time to drink the tea served by their daughter-in-law.

Especially since Lu Man had even fallen into a coma before and almost did not manage to wake up.

Now that the two of them could serve them tea to drink properly here, they felt a sense of relief that the worst had passed.

The best thing they could ask for would be for their children to be safe and sound.

Shen Nuo smiled with satisfaction written all over her face.

After the tea ceremony, they then set off for the hotel.

When they went out, unsurprisingly, they saw the bunch of little kiddos they had met outside just before.

Auntie Sun happily gave out wedding sweets to all the children outside.

When the children opened them, they saw a whole bag of Godiva chocolates and all squinted their eyes in delight, gobbling all of them up on the spot.

When Han Zhuoli and Lu Man reached the hotel, they went to the lounge.

Shi Xiaoya was a bridesmaid and the makeup artist, which made it convenient for her to follow Lu Man around and help Lu Man touch up her makeup.

Meanwhile, Han Zhuoli waited in the banquet hall.

Lu Man watched how Shi Xiaoya was touching up her makeup for her through the mirror and said, "Xiaoya, what will you do when you get married? Who will do your makeup for you? Given your skills, other people won't be able to do makeup as well as you do."

"Then why don't I do it for myself?" Shi Xiaoya said with a laugh.

"Don't joke about this. Think about this scene where you're wearing a wedding dress, sitting in front of the mirror, and having to trouble yourself about doing makeup on your own. How do you think that would look like?" Lu Man said, smiling.

Shi Xiaoya thought about it and felt that the scenario looked quite strange indeed.

"Then I will think about it when the time comes, see who will be a suitable person to ask." Actually, the best person would be her teacher.

But she did not know if her teacher would have time then.

"It's done." Shi Xiaoya then lightly dusted some loose powder on both sides of Lu Man's nose and touched up her lip color.

"Man Man, are you ready? It's about time to prepare entering the venue now." Xia Qingwei had knocked on the door before saying this outside the door.

"I'm done," Lu Man said as she walked to the door to open it.

When she opened the door, she saw Wang Juhuai and Xia Qingwei standing outside.

"Let's go," Wang Juhuai said with a smile.

Lu Man nodded. She lifted her dress and walked with them to the entrance of the banquet hall.

After they'd been waiting for a few minutes, the sound of the Wedding March started playing in the banquet hall.

Wang Juhuai lifted his elbow towards Lu Man, and Lu Man then hooked her hand around Wang Juhuai's elbow.

Wang Juhuai sighed and said, "I didn't expect that there would come a day when I would have the good fortune of walking my daughter down the red carpet at her wedding."

Lu Man turned to look at Wang Juhuai, her eyes tearing up a little.

She sniffled and said, "I also didn't expect that I could have such good fortune as to have a father that I respect and admire walking down the red carpet together with me."
