Chapter 2731: Without Me Hugging You to Sleep

Han Zhuoling said softly, "If I don't deal with her as soon as possible, my heart won't be able to take it. If she's comfortable for one more night, then I will suffer for one more night."

Shi Xiaoya saw this and decided stay together with Han Zhuoling.

"Sleep early. It shouldn't take too long for me to handle this," said Han Zhuoling to Shi Xiaoya.

Dealing with Lian Qingyin should not take too long.

Shi Xiaoya shook her head. "If that's so, then let me stay with you. I am not tired now anyway."

There was also rage in Shi Xiaoya's heart, and this rage was directed towards Lian Qingyin.

Today was the day she and Han Zhuoling had gotten their marriage certificate, the day that both of them had officially become husband and wife.

This day was supposed to be remembered and was even the anniversary date.

She officially became Mrs. Han and Han Zhuoling officially became her husband today.

Today was such an important day.

However, Lian Qingyin just had to cause trouble on such an important day, making the first day of their marriage an unpleasant day.

Even though the misunderstanding was cleared off, they could not get rid of the unhappiness gained from the process.

In the future, when they would think of today, they would remember that an unpleasant thing had happened on such an important day.

Shi Xiaoya also did not want to let Lian Qingyin off the hook.

So, seeing that Han Zhuoling still wanted to oppose, Shi Xiaoya said, "I can't sleep alone anyway."

When Han Zhuoling heard this, the cold expression on his face softened immediately. He pulled Shi Xiaoya into his embrace and chuckled softly and gently. "Why? You're not used to me not hugging you to sleep?"

"..." Shi Xiaoya blushed and said, "I am just curious about how you're going to deal with Lian Qingyin."

Han Zhuoling smiled. "Fine. Stay with me, then."

Seeing that the hype online had ended, Lian Qingyin could not slander Shi Xiaoya anymore.

No matter what she said, the netizens would not believe it.

Because of this matter, Shi Xiaoya was given a layer of protection.

It would not be easy to slander her in the future.

This caused such a huge commotion and most netizens had believed it. In the end, it was fake.

After the netizens had such an experience, no matter what bad things were said about Shi Xiaoya, everyone would have doubts.

The reason she caused this commotion today was because she could not bear to watch Han Zhuoling and Shi Xiaoya get married.

Before the two were married, she had thought that she still had a chance and could think of a way to separate the two.

But who would have expected that the two of them would get married suddenly today?

This had a huge effect on Lian Qingyin, making her unable to think sensibly.

Her mind was filled with thoughts of destroying Shi Xiaoya.

Even if Shi Xiaoya got married to Han Zhuoling, she did not want to let Shi Xiaoya have a good life.

With the rage in her heart, Lian Qingyin used a whole afternoon to prepare and slander Shi Xiaoya online.

But now, everything had failed.

Lian Qingyin waited for a long time once again.

Except for the fact that the screenshots had cleared the misunderstanding, Han Zhuoling had not seemed to have found out that the mastermind was her.

Because of this, Lian Qingyin could finally be at ease.

She cleaned up and went to bed.

She was unsure whether Han Zhuoling would find her tomorrow or in the future, but at least she could have a good sleep now.

Besides, she would look for that Not The Number One Fangirl tomorrow. If all else failed, she would give her a sum of money to keep her mouth shut.

However, Lian Qingyin did not know that the email that Wei Wucai had sent to Han Zhuoling included more than the screenshots of the conversation.. It also revealed that Wei Wucai had found her.

Chapter 2732: I Am Very Doubtful of Your Identities

Han Zhuoling had known since the start that she did this.

When Lian Qingyin was deep in slumber, her door bell rang.

To avoid Dong Fuyu being credulous and getting persuaded by Lian Qingyin, Lian Shitao had not allowed Lian Qingyin to stay at home.

He had even sent people to follow her every day.

Lian Qingyin could only return to her own house to stay.

Lian Shitao's people would obviously not enter Lian Qingyin's house to watch her.

But they would be nearby. Once Lian Qingyin went out, Lian Shitao's people would know immediately.

Of course, there was still a disadvantage.

For example, today, although Lian Qingyin had stayed at home and never came out, she had caused huge trouble online and dug her own grave.

Lian Shitao did not even know.

Now, when Lian Qingyin heard the door bell, she thought she was dreaming and that the sound came from her dreams.

She turned around and wanted to continue sleeping.

However, the bell kept ringing.

Lian Qingyin finally woke up and realized that she was not dreaming; there was really someone pressing her door bell.

Lian Qingyin frowned, her face full of frustration due to her sleep being disturbed.

But that disturbing door bell sound did not stop for even a moment.

Lian Qingyin rubbed her eyes and let herself wake up. Then, she got off the bed.

She walked towards the door and looked at the security camera first.

Although the security was good at the place where she was staying, as a single woman, she still had to be careful at midnight.

What if it was someone bad?

But when she looked at the security camera, she freaked out.

At the door stood two policemen.

Lian Qingyin was still not fully awake and felt dazed as she had not slept well.

So she was not able to react.

Only after the bell had rung a few more times did she think of why the policemen were here.

Perhaps it was because of today's matter?

But the matter today was not so huge that the police had to come.

Or perhaps...

Lian Qingyin had butterflies in her stomach and felt uneasy as she thought about Shi Xiaoya's car accident.

Lian Qingyin's hands and feet were cold.

But did Black Market not promise that it would not be connected to her?

She had heard from others that Black Market's reputation had always been excellent.

From their formation until now, nothing had gone wrong.

There were quite a few task failures; after all, this could not be controlled by Black Market.

Some tasks were difficult to complete, so if they failed, nothing could be done.

However, there was not a single time that the failed task was connected to the client.

Those who had prestige had always done dirty dealings through Black Market, but there was not a single one that got into trouble.

Black Market had reputation and power, and they had even given her their promise.

As long as the two people did not want to die, they would not give her up.

So, the two policemen outside should not be coming for her!

Lian Qingyin took a deep breath and turned on the intercom. "Why are you two here?"

The two policemen took out their IDs and placed them in front of the camera to show her clearly.

"We're policemen. There are some matters that require you to head to the police station to be investigated," said one of them.

"What matter can make you guys come here at midnight? What is it that you can't come in the day?" Lian Qingyin was full of suspicion. "As I am very doubtful of your identities, I can't open this door."

The police said, "If you don't open the door and go with us, you'll be obstructing this investigation, and your crime will be even greater."

Chapter 2733: Call the Police

"And we also have the right to kick down your door and capture you. We give you five seconds to think about it. Do you want to cooperate with us or do you want us to capture you for obstruction?"

Lian Qingyin tried to think of something rapidly, and she shouted, "Which policemen would come at midnight to ask someone to help with a case? You dare to impersonate policemen, this is a huge crime! I tell you, if you don't leave, I will call the police!"

The two policemen outside were unsure whether Lian Qingyin was dragging things out or really suspicious of them.

However, she was a single woman living by herself, and her door bell rang at midnight, so it was reasonable for her to be more alert.

So one of the policemen said, "Alright, you can call the police."

Lian Qingyin heard this and could confirm that they really were the police.

She did not know why they came to her and what they wanted to do.

She hoped that it was not because of Shi Xiaoya's car accident.

To avoid being suspected by them, Lian Qingyin still chose to call the police.

This way, she would also have a safeguard.

What if the two people outside really were fake policemen?

After a few minutes, the police came.

Lian Qingyin opened the door. "Sorry. The two of them came knocking on my door at midnight, saying that they wanted to bring me to the station. I was afraid that they were fake policemen, so I didn't believe them."

The police who came nodded. "It's good to be alert like this."

But the two people were really the police.

So after they confirmed their identities, Lian Qingyin could no longer delay any further and followed the two policemen.

At home, Han Zhuoling received a phone call.

"Young Master Ling, Lian Qingyin has entered the police station." The one who called was Tong Chunian.

"Alright," said Han Zhuoling. "After another three hours..."

Han Zhuoling looked at the time now. It was already 2 AM.

After another three hours, it would be dawn.

"Let Black Market know that Lian Qingyin has been taken to the police station and is being investigated," said Han Zhuoling. "Let them know that Lian Qingyin is taken in for causing the car accident."

"Alright," answered Tong Chunian.

"Then, watch Lian Qingyin. You must watch her carefully and see if there's anyone who approaches her or threatens her. Don't pay attention to outsiders. Pay attention to every single person who may appear in front of Lian Qingyin."

Han Zhuoling paused and said, "Including anybody at the police station."

"Including the police?" asked Tong Chunian straight away.

“Yes, including the police,” said Han Zhuoling.

According to what Wei Wucai said, if Black Market really had so much power, they must have penetrated every corner.

Han Zhuoling had thought about the two men who crashed their cars into Shi Xiaoya’s car.

They had been taken to the police station and had not come out.

How did Black Market contact them and when did they promise them benefits to make sure they would take the blame for everything?

Following the time, the two men had been in the police station the whole time.

How did Black Market do it?

Especially when the two men were locked up alone. Other than the police and the lawyers, nobody could come near them.

Han Zhuoling thought that either it was the lawyer hired by Black Market who passed Black Market’s message to them...

Or there were also people from Black Market in the police station.

But Han Zhuoling hoped that it was the lawyer.

If it was the latter, it would be terrifying.

Besides, the possibility of it being the lawyer was also huge.

Chapter 2734: Sent by Black Market

When the lawyer was seeing their client, the police could not be there as well.

That way, it would be more convenient for them.

After hanging up, Han Zhuoling saw that Shi Xiaoya was already sleepy but was still trying to forcefully keep herself awake.

Han Zhuoling said, “There’s not much to do now. We’re just waiting for the result. After three hours, Tong Chunian will call us. You don’t need to keep yourself awake, so let’s rest for a while.”

Shi Xiaoya could not hold any longer. She yawned and nodded.

Han Zhuoling was full of regrets.

Originally, after getting their marriage certificate yesterday, they should have had a romantic time.

They were supposed to enjoy the feeling of officially becoming husband and wife for the first time.

Who would have expected those terrible things to appear out of nowhere?

Not only were the two of them not able to enjoy their first day as newlyweds, they also had to pull an all-nighter just to deal with Lian Qingyin.

This was such a terrible thing!

They had to wake up in three hours to continue dealing with it.

They could only rest for a while now.

He could not do anything with Shi Xiaoya.

Han Zhuoling felt very frustrated inside.

However, the more frustrated he was, the worse Lian Qingyin was going to suffer.

Lian Qingyin's degree of suffering would completely depend on how frustrated Han Zhuoling was currently.

Han Zhuoling and Shi Xiaoya went upstairs to rest.

The two were both exhausted and could not do anything.

Han Zhuoling hugged Shi Xiaoya and just slept.

The moment Shi Xiaoya closed her eyes, she fell asleep.

Han Zhuoling smiled and kissed her forehead, then he closed his eyes.

Until he was awakened by the phone's ringtone. Han Zhuoling took a look and realized it was already five something.

It had already been three hours from the time he said it.

Han Zhuoling was just about to get up and take the phone somewhere so he would not disturb Shi Xiaoya...

When Shi Xiaoya also opened her eyes subconsciously.

Three hours were not enough to rest at all.

It was extremely uncomfortable to be awakened during deep sleep.

She even had a slight headache and her head was pounding.

Her first reaction was to turn around and continue sleeping.

However, through her semi-open eyes, she saw Han Zhuoling get up to pick up his phone.

Shi Xiaoya immediately remembered that Lian Qingyin's matter was not dealt with yet.

Shi Xiaoya hugged Han Zhuoling's arm.

Being held on by her, Han Zhuoling could not move.

He looked at her and saw that Shi Xiaoya was still half-awake; she had an expression that seemed to say she did not want to open her eyes even after being awakened, and she buried her face into his arm.

Shi Xiaoya said, "Just pick it up here."

After hearing this, Han Zhuoling did not go out.

He sat down on the bed and picked up the phone.

Shi Xiaoya was absolutely drained and did not open her eyes.

But she could still hear Han Zhuoling's words.

Knowing that she wanted to listen, Han Zhuoling turned on the speaker.

"Young Master Ling." Tong Chunian's voice came from the phone. "The news of Lian Qingyin being brought to the police station to be investigated has already reached Black Market. Black Market really did have a trick up their sleeve; they responded rapidly.

"I am calling you now because I have confirmed that Black Market did receive the news. Just as I was about to call you, a lawyer came to the police station saying that he's Lian Qingyin's lawyer," said Tong Chunian.

"At first, Lian Qingyin's lawyer was not weird," said Tong Chunian. "But before this, Lian Qingyin had already contacted her own lawyer. The lawyer Lian Qingyin called has been here the whole time.. However, another one came, so I thought that perhaps it was a lawyer sent by Black Market."

Chapter 2735: Step Aside

This fitted with Han Zhuoling's thoughts.

The lawyer of the two people who had crashed into Shi Xiaoya's car was also sent by Black Market.

But this time, Lian Qingyin was also someone with common sense.

So she immediately contacted her lawyer.

Before her lawyer got there, she would not answer a single question.

When Lian Qingyin's lawyer arrived, Lian Qingyin kept discussing with her lawyer.

Lian Qingyin already knew that the police wanted to investigate the car accident.

She did not know how the police found out.

Perhaps the two people had given her up.

It was because a lawyer who claimed that he was Lian Qingyin's lawyer came after Lian Qingyin had already found herself a lawyer that Tong Chunian suspected something was wrong.

After all, Black Market had just received the news and a lawyer came.

This lawyer must be connected to Black Market.

“Did the police let the lawyer see Lian Qingyin?” asked Han Zhuoling.

“That lawyer requested it and they let him in. He has not entered Lian Qingyin’s interrogation room. I am in the next room, watching through the glass what they will do next,” said Tong Chunian.

Han Zhuoling then said, “Let’s video call. Let me see what he wants to tell Lian Qingyin after entering.”

“Alright.” Tong Chunian ended the call and switched to video call as he turned the volume to the max.

Han Zhuoling picked up the video call and also zoomed in to the video to the max.

Shi Xiaoya heard this and rubbed her eyes as she sat up.

Now, Han Zhuoling could see Lian Qingyin’s situation in the interrogation room through the phone screen.

Currently, there was another man in the interrogation room with her.

The man’s back was facing the glass, but at the top right corner of the interrogation room was a screen of the security camera.

The lawyer’s face could be seen clearly from the screen. He looked pretty normal and was a middle-aged man who would not leave a huge impression.

Tong Chunian said, “The lawyer who is currently inside is the one Lian Qingyin called herself.”

Right after Tong Chunian said this, a man walked into the interrogation room.

Lian Qingyin and the first lawyer both turned their heads and looked over, their faces full of surprise.

“Young Master Ling, it’s him. That lawyer just went in,” said Tong Chunian.

The lawyer that went in later said to Lian Qingyin, “Miss Lian, hello. I am your lawyer. My surname is Hu.”

As he was talking, Lawyer Hu gave Lian Qingyin a business card.

Lian Qingyin received it and took a glance. She frowned and said, “I didn’t call you to come.”

Perhaps it was sent by Lian Shitao?

She was taken away by the police at midnight; Lian Shitao had commanded people to watch her house, so it was possible for them to have seen this and report it to Lian Shitao.

However, Lian Qingyin did not say this out loud.

Lawyer Hu sat down next to the lawyer that Lian Qingyin had called herself.

Lawyer Wang, whom Lian Qingyin called, frowned and said, “Miss Lian, you called me, and now another lawyer came. What’s with this? Don’t tell me we have to partner up?”

Lian Qingyin said, “This Lawyer Hu was not called by me.”

Lian Qingyin asked Lawyer Hu, "Lawyer Hu, may I ask who called you here? I already have a lawyer here."

Lawyer Hu laughed slightly and said, "Then can you let this lawyer step aside?"

Lawyer Wang's expression turned dark. "I am Miss Lian's lawyer.. I must be present if she wants to say anything."

Chapter 2736: Let's Be Candid Here

"I need to know everything in order to help Miss Lian. I didn't ask you to step aside, so please do not ask me to do that."

Besides, Lawyer Hu came later; he had no right to ask him to leave.

Lawyer Hu did not say anything else. He took out a notebook, wrote something on it, tore the paper, and passed it in front of Lian Qingyin while covering the paper.

Lian Qingyin frowned in confusion. Who was it that sent him? Why did he need to be so mysterious?

What was it that could not be said in front of Lawyer Wang?

With confusion, she took the paper.

On the paper were two simple words.

Black Market.

Lian Qingyin's eyes widened.

Black Market knew that she had been taken to the police station to be investigated.

And they even sent a lawyer in such a short time.

"What do you want?!" Lian Qingyin subconsciously felt that he was dangerous.

Lawyer Hu said, "Please make Lawyer Wang excuse himself."

Lian Qingyin was a little afraid.

She had heard many rumors regarding Black Market from other people.

When she heard them, she thought that Black Market was very dependable and could protect the clients' interests.

However, now that it was her turn, a chill was sent down her spine.

As she was terrified, the more Lian Qingyin did not want to let Lawyer Wang leave.

To put it in simpler terms, this Lawyer Hu represented Black Market's interests.

He was not here to be her lawyer but probably to threaten her so she would not give away information about Black Market.

So, of course, Lian Qingyin would trust her own lawyer.

She was not sure how much Lawyer Wang could help, but with another person, Lawyer Hu would not dare to do anything to her.

It could be used as a warning to him.

Lian Qingyin said, "Lawyer Wang is my lawyer; I will not hide anything from him. Either you say it in front of him or you don't say it at all."

Lawyer Hu thought for a while and said, "Miss Lian, since you're so uncooperative, if anything happens, don't blame me."

"Are you threatening me?" Lian Qingyin raised her eyebrows, but she still felt terrified.

She leaned over and kept her voice low. "I know why Black Market sent you here. They are afraid that I will give them away."

Lawyer Hu smiled and whispered back, "Miss Lian is a smart person."

"Since you admit that I am a smart person, then please believe that I will not give Black Market away," said Lian Qingyin in a low voice.

Their voices were too low.

Even Lawyer Wang had to lean in very close to hear them.

Afraid that Lawyer Hu would not believe it, Lian Qingyin explained, "After I came here, I have not said a single word until Lawyer Wang came, then I discussed with Lawyer Wang. The police do not have any evidence, so they won't be able to catch me.

"If what Black Market said is true, then the two people will definitely keep my identity a secret, which means that this accident would not be related to me at all. I will not admit it no matter what they say. If I don't admit it, I won't have to speak about Black Market. You just need to worry about whether those two people can keep this a secret."

"If you want me to believe you, it can be done," said Lawyer Hu. "But I need to become your representative lawyer."

Lian Qingyin paused. Lawyer Wang saw this and said, "Miss Lian, let's be candid here. You asked me to be your lawyer first, but now another one came suddenly, wanting to replace me. If you let him replace me, you'll be toying with me! As you are a client, I can't say anything about you recklessly changing lawyers.."

Chapter 2737: Either Me or Him

“But I can tell people who are working in the same line of work. I have some popularity in this line of work. I want to see if you can still find a decent lawyer in the future!”

Lian Qingyin knew that Lawyer Wang was capable.

Or else, she would not have asked Lawyer Wang to come.

After all, this was not a small matter. If her identity was exposed, an ordinary lawyer would be useless.

Lian Qingyin knew how tricky this was, so naturally, she would not just simply find any lawyer.

She could ask Lawyer Wang to come because she had put in a lot of effort and was not holding back with the lawyer fee.

If Lawyer Wang were to quit now, she would make ducks and drakes of the lawyer fee.

She did not think that Lawyer Wang would refund it.

Not to mention the connections that Lawyer Wang had in this line of work.

Lian Qingyin pondered and said, “Nobody is replacing anyone. Lawyer Wang, you can partner up with Lawyer Hu...”

It was a good idea; she was not lacking money anyway.

With two lawyers together, she would be more confident as well.

Lawyer Wang sneered. “Impossible. Either it’s me or it’s him. You want me to work together with a nameless lawyer on such a small case? If this gets out, it will ruin my reputation.”

Lawyer Wang was forcing Lian Qingyin to choose only one.

Lian Qingyin thought for a while and saw that it was impossible to negotiate with Lawyer Wang.

She secretly hated Lawyer Hu for appearing and messing things up.

If she had to choose, she would rather choose Lawyer Wang.

After all, Lawyer Wang represented her, but Lawyer Hu only cared about Black Market.

Obviously, Lian Qingyin would choose the person who would fight for her interests wholeheartedly.

As for who she was choosing, did it still need to be discussed?

“Sorry, Lawyer Hu, I have decided to let Lawyer Wang be my lawyer,” said Lian Qingyin. “After all, you’re representing Black Market; how can I trust you? What if you betray me for Black Market?”

Lawyer Hu smiled. “As long as you don’t speak of Black Market, why would I betray you? Besides, if you’re fine and Black Market is fine, then I would definitely bail you out.”

It sounded reasonable.

However, Lian Qingyin still could not trust him.

He was not her people, after all. It was still alright if nothing happened, but if something really happened, he would definitely stand on Black Market's side.

"I still choose Lawyer Wang." After hearing what Lawyer Hu said, Lian Qingyin was even more certain of her choice.

What Lawyer Hu said clearly revealed that he put Black Market first.

"You just have to pass a message back to Black Market. Tell them to relax. I will definitely not give them away.

"I have heard of rumors regarding Black Market," said Lian Qingyin. "I don't want to offend them either. I can think of the consequence of offending them, so I will definitely not give them away."

Lawyer Hu stared at Lian Qingyin. It was uncertain how much he believed her words.

He was able to see Lian Qingyin as he was a lawyer, or else he would not have been able to even enter.

Now, Lian Qingyin only wanted to let Lawyer Wang stay, and Lawyer Wang clearly did not want to collaborate with Lawyer Hu.

So Lawyer Hu could only leave.

The three of them were whispering and nothing could be heard.

Han Zhuoling could only watch the screen.

However, seeing that Lawyer Hu left the interrogation room in the end, Han Zhuoling smiled.

Shi Xiaoya was still half-awake, so she did not notice Han Zhuoling's expression.

Tong Chunian came out of the interrogation room and said to Han Zhuoling, "Young Master Ling, everything is going smoothly. Lian Qingyin still chose Lawyer Wang in the end.."

Chapter 2738: The Morning After Marriage

"Very good." Han Zhuoling nodded.

He closed his eyes and said, "Let's wait until tomorrow. At two in the morning, spread the news to Black Market, saying that Lian Qingyin could not stand the interrogation and has given Black Market away."

"Alright."

After hanging up the phone, Han Zhuoling hugged Shi Xiaoya. "Okay, now we can sleep peacefully."

They did not need to go to work as well as it was Saturday.

He and Shi Xiaoya needed to replenish their sleep.

Shi Xiaoya was half-awake and did not hear everything just now.

After she heard Han Zhuoling say that, she asked, “We’ve settled everything today?”

“Mhmm. Now, we’ll just have to wait until tomorrow midnight,” said Han Zhuoling.

If he wanted to make Black Market believe that Lian Qingyin had sold them out, he could not rush it.

After all, Lian Qingyin was not an idiot; she would not betray Black Market in such a short time.

It would be more persuasive to say that Lian Qingyin could not hold out until the end of the interrogation and spilled the beans about Black Market after being tortured.

Black Market would not fall for it easily, but Han Zhuoling had set Black Market up by catching Lian Qingyin.

According to Black Market’s way of doing things, they would rather kill the wrong person and not let anyone go.

Naturally, everything would go the way he wanted.

“Mhmm.” She didn’t know what Han Zhuoling wanted to do. However, seeing that Han Zhuoling had set this up patiently, worrying that the effect would not be great was useless. But one thing was certain. Lian Qingyin definitely would not have a good ending.

With Han Zhuoling’s personality, everything was to be done quickly and resolutely.

Today’s revenge could not be dragged past midnight.

But Lian Qingyin could make Han Zhuoling plan for two days, so Shi Xiaoya had already lit a candle for Lian Qingyin in advance.

Han Zhuoling saw that after Shi Xiaoya made that sound, she did not say anything else.

He felt weird. “Are you not going to ask me what I want to do?”

Why did she just finish with an “Mhmm” sound?

Was she not curious at all?

Shi Xiaoya yawned and buried herself into Han Zhuoling’s embrace. Her voice was filled with sleepiness and she became even more vulnerable.

“You won’t let Lian Qingyin off the hook anyway, so I won’t waste my time thinking. I’ll know the result when the time comes,” said Shi Xiaoya sleepily. “How can I worry about the things you do?”

Han Zhuoling chuckled as he looked down at Shi Xiaoya’s adorable look, wanting to crush her into his bones.

Han Zhuoling lowered his head. Not being able to hold back anymore, he found her lips and kissed her despite how tired she was.

Shi Xiaoya was suffocating from the kiss and she woke up.

When Han Zhuoling let her go, Shi Xiaoya’s eyes were wide open and looked frozen.

It was as if he did not know that she was sleeping soundly. He just started kissing like a maniac.

Han Zhuoling laughed.

How could this little girl's reaction be so cute?

If it was not for the fact that she was too tired, he would have gone for her.

"You woke me up by kissing me," said Shi Xiaoya, feeling wronged.

Was this man going to let her sleep?

When Han Zhuoling heard this, his face glowed. "Not tired anymore? Then let's compensate for the night of our marriage, shall we?"

Han Zhuoling saw that the sky outside was already bright and said, "It's the first morning after our marriage."

Shi Xiaoya was speechless. "..."

What first morning after their marriage!

"I am not awake, I am tired!" Shi Xiaoya shut her eyes and rolled into Han Zhuoling's embrace.

He had woken her up anyway with the kiss, so he decided to explain to her..

Chapter 2739: My Husband Is So Witty

Shi Xiaoya not listening was one thing.

He could still take the initiative to say it.

He should let her know everything.

Han Zhuoling explained, "Lian Qingyin ordered a task through Black Market. The two men took on the task created that car accident. Now, the two men have been caught, but they don't dare to say anything because of Black Market.

"Following Wei Wucai's investigation, I have talked to Mo Jingcheng, asking them to take Lian Qingyin to the police station in the name of 'assisting investigation.' With Wei Wucai's evidence, Lian Qingyin definitely could not escape.

"However, I still think that this is not enough for her, so I want to leak news and make Black Market think that Lian Qingyin has given Black Market away. When that time comes, even if she goes to jail, Black Market will not let her off the hook."

Shi Xiaoya thought that Han Zhuoling really did not want to let Lian Qingyin have an easy time.

She nodded. "My husband is so witty."

Han Zhuoling shivered from this.

He hugged Shi Xiaoya tightly. "Your compliment sounds a little unconcerned."

"I am concerned." Shi Xiaoya laughed. "You're not careless in dealing with Lian Qingyin, and I am very happy about that."

Han Zhuoling smiled. This little girl knew how to sweet-talk.

He planted two kisses on the corner of Shi Xiaoya's eyes, then he closed his eyes. "Let's sleep."

The two slept until noon.

Shi Xiaoya woke up first.

She saw that Han Zhuoling was still sleeping, so she did not call him.

Han Zhuoling had dealt with things for almost the whole night.

She was accompanying him, but in the end, Shi Xiaoya actually fell asleep.

So she actually slept more than Han Zhuoling.

She woke up earlier than Han Zhuoling.

Han Zhuoling's arm was wrapped around her waist. Shi Xiaoya did not dare to simply move so she could avoid waking him up.

She tested the water by moving slightly. When she saw that Han Zhuoling did not wake up from this, she knew that Han Zhuoling was really sound asleep.

Shi Xiaoya looked at him silently with pity.

In the past, Han Zhuoling did not sleep much, but they were not close then, so she had not dared to look at him closely.

She only took a quick glance and did not dare to look any further.

So during that time, she did not see whether there were dark circles around his eyes.

Now, she would look closely at Han Zhuoling's face.

She had no choice as his face looked so good.

She could not have enough no matter how much she looked.

She was like many girls who followed their idols and drowned in the idols' looks, unable to help themselves.

It was all because they looked handsome.

And Shi Xiaoya thought that it was convenient for her.

Her husband was her idol. She was so blessed to be able to see such a handsome face every day.

And it was a face that could not be seen by others even if they wanted to.

So Shi Xiaoya always smiled and looked at Han Zhuoling when she had nothing to do.

However, most of the time, she only dared to do this when Han Zhuoling was asleep.

Because if Han Zhuoling was awake and she looked at him like that, Han Zhuoling would assume that she was seducing him.

He would definitely make a move on her without saying another word.

So when Han Zhuoling was awake, Shi Xiaoya was not bold enough to do that.

But now, Han Zhuoling was sound asleep.

The two lay on their sides, facing each other. They were extremely close.

Even their breaths were mixed together.

Han Zhuoling's breath kept blowing on Shi Xiaoya's lips.

Now, she could see the dark circles under Han Zhuoling's eyes. He really was not resting well.

The top of the dark circles were covered by his long eyelashes, forming a vague shadow that made the color below his eyes seem even darker..

Chapter 2740: Empty

He was exhausted.

Shi Xiaoya stared at him quietly for a while. She wanted to kiss him but was worried that she might awaken him with the kiss.

She suppressed the thought and slowly moved away the hand that was on her waist before getting up quietly.

Shi Xiaoya then closed the bedroom door and washed up in the bathroom outside, worrying that she might make a lot of noise and wake Han Zhuoling up.

After she had tidied herself up, she started preparing food.

She washed and cut the ingredients.

And now, she just needed to wait for Han Zhuoling to wake up.

Coincidentally, once Shi Xiaoya had prepared everything, Han Zhuoling woke up.

He had the habit of pulling the person sleeping beside him back into his arms. This was what he would do every morning before he would even open his eyes.

After all, people normally turn when they have fallen asleep.

Han Zhuoling had barely woken up and felt terrible as there was nothing in his arms.

Normally, he would get a warm and nice hug.

However, this time, even after stretching his arms and searching everywhere on the bed with his eyes closed, he couldn't touch Xiaoya.

Eventually, Han Zhuoling opened his eyes.

He looked and saw that the space beside him was empty.

He felt cold in this hot summer.

"This girl woke up early," Han Zhuoling said before he sat up.

He lowered his head and rubbed his face with his hands before he became fully awake.

He then washed up.

He changed out of his pajamas and into more comfortable house clothes before leaving the bedroom.

He then went downstairs.

There was no sight of Shi Xiaoya in the living room.

He then heard a noise in the kitchen and followed the sound.

At this moment, Shi Xiaoya had prepared the ingredients. She had washed and cut everything.

Shi Xiaoya still had her back facing the door.

While she was not prepared, Han Zhuoling took a step forward and held her from behind.

Shi Xiaoya's height only reached Han Zhuoling's chin.

Her entire body was wrapped up in his arms.

It felt good to have her completely in his arms.

She was just too skinny.

Even when he had her completely in his arms, Han Zhuoling still felt unsatisfied.

He lowered his head and buried his face into her hair, sniffing the scent of it.

Her hair smelled very good.

They used the same shampoo and conditioner. It should have the same smell as his hair.

However, the smell of her hair was just very different.

He also loved the scent of her body.

Shi Xiaoya was startled.

However, they were the only two in the house.

Therefore, Shi Xiaoya was startled for a second before she relaxed again.

Even when she tilted her head slightly, she barely saw half of Han Zhuoling's face.

"Why are you awake so early?" Shi Xiaoya asked.

Han Zhuoling didn't wear his watch at home.

However, he had checked the time when he woke up. And so, he said, "It is already noon. It is not early anymore. The first day of our marriage was unpleasant. We must not sleep away the second day of our marriage."

As he spoke, she could smell the minty scent of his breath. It felt good.

Shi Xiaoya stood on her toes, but she still couldn't reach his lips.

And so, she pouted her lips at him.

Han Zhuoling immediately understood and he lowered his head to kiss her.

The angle that Shi Xiaoya's head had turned made her feel slightly uncomfortable. Han Zhuoling then held her waist and rotated her.

And now, she was facing him.

Han Zhuoling held her and spun around, letting her lean on a clean bar counter before he lowered his head and went in for another kiss.

Shi Xiaoya did not even know how she was eventually held and placed on the bar counter.

"Should we go back to the room?" Han Zhuoling said in a hoarse voice.

Shi Xiaoya felt her ears burning hot.

When she heard what Han Zhuoling said, her mind went blank.

It was noon and it was hot outside.

Even with the curtains drawn, it was still bright in the house.

Shi Xiaoya felt very embarrassed.

"We just woke up," Shi Xiaoya said in a soft and weak voice.

"What we'll be doing in the room has nothing to do with sleep anyway." Han Zhuoling chuckled and said, "It has to do with doing you."

Shi Xiaoya was speechless. "..."

Was this man saying a sex joke?

Shi Xiaoya was so flustered that she did not know what to do.

At this moment, someone's stomach growled.

The two looked down. Shi Xiaoya realized that it was her stomach that growled.

Han Zhuoling chuckled and asked, "Are you hungry?"

As of now, Shi Xiaoya could not even bother with the embarrassment caused by the punny joke. She let out a sigh of relief and answered, "I just prepared the ingredients. I was going to make lunch before you woke up."

Han Zhuoling sighed and placed her down sadly.

"Then we can eat first..."

Shi Xiaoya thought to herself, was this man planning to complete the wedding night that they had missed right now?

"Then, what about tonight's..." Shi Xiaoya said.

"Tonight's what?" Han Zhuoling teased, asking as if he had no idea what she was going to say.

Shi Xiaoya knew that he was teasing her. She sulked and ignored him.

"Hmph!"

"I don't care if you want it or not!"

"I am not the one worrying about this anyway."

When Han Zhuoling saw this, he immediately stopped while things were still good..
