

Mr Han 2801

Chapter 2801: Look at This Place. It's Fine, Right?

"I know." Jiang Yujie chuckled. "Now that we've all opened up, you definitely won't think that I did it for the money. While I was with Lu Qiyuan, there were many things that I could not control and avoid. However, when I didn't need to use his money, I really didn't use it."

"Besides, as long as it has something to do with you guys, like the house that I'm renting or the car that I am driving now, I paid for it from my own pocket. I know that you do not want to touch his money, so I won't do that as well," said Jiang Yujie.

"Alright, stop talking about that," said Mr. Jiang before looking at Mrs. Jiang. "The past is in the past. We won't overthink anymore when it comes to Yujie. Yujie is a good kid. What's there not to believe?"

Mrs. Jiang nodded. "Yujie, don't mind me. I didn't mean to doubt you..."

Jiang Yujie did not mind and said, "You guys don't need to be too careful, I don't care at all. Whatever you want to ask or feel like you don't understand, just ask. If you're too careful, I will feel... uncomfortable. I'm just afraid that you will not be able to forget that thing..."

"No!" said Mr. Jiang hurriedly. "Your mom and I are just overthinking, causing us not to let go of it."

Mrs. Jiang was afraid that the more they said regarding this, the more tangled it would become, so she immediately changed the topic. "I think that even after Lu Qiyuan is caught, we should still move houses."

Mrs. Jiang asked Mr. Jiang, "What do you think?"

Mr. Jiang nodded. "It's better to move. We know why Yujie did it, but others don't. Even if they knew, they won't understand and would instead judge, being wise after the fact. Yujie has made such a huge sacrifice. We can't let her suffer from those judgments after she returns home."

"Yes." Mrs. Jiang nodded.

Jiang Yujie saw that Mr. Jiang and Mrs. Jiang had both made up their minds, so she said, "Fine, we can talk about it later. When Lu Qiyuan enters jail, we can come back and pack up thoroughly, then put our house up for sale. It's just... house prices fluctuate every day at present. Even if we sold the house, we don't know if we'd be able to buy another house."

"We can talk about that later. Anyway, we can't go back there to stay." Mr. Jiang was dead set on this. "Even if we can't buy one, we can still rent a house. It doesn't matter. We can't stay there and suffer."

Jiang Yujie knew that Mr. Jiang was doing this for her.

She smiled and nodded. "Okay."

Jiang Yujie brought Mr. Jiang and Mrs. Jiang to the house that she rented.

Jiang Yujie had been setting it up secretly.

Although she had already planned this from the start, because she could only set it up secretly, she could not do it quickly. The time it took to set it up was very long.

Bit by bit, the results accumulated.

It was a house that was rented last minute, but it was decorated to be very warm by Jiang Yujie.

After entering, Jiang Yujie smiled and said, "Dad, Mom, look at this place. It's fine, right?"

"Very good, very good," said Mrs. Jiang, smiling. "Although it's rented and is not our own house, the environment here is much better than at our own house."

Mr. Jiang also nodded in agreement.

"This compound is new. I have asked around and made comparisons for some time before choosing this place. Although the location is not the best, the garden and the pond here are set up nicely. Most importantly, the security here is good. Non-residents are not allowed to enter the compound.."

Chapter 2802: Delay Him

"If Lu Qiyuan finds out that we are staying here, although the security officer may not be able to stop him, he can still be stopped for a short while, giving us a chance to escape," said Jiang Yujie, explaining the reason that she chose this place.

Hearing the terrifying scenario, Mrs. Jiang froze from fear.

"He... he doesn't care about laws anymore?" said Mrs. Jiang, horrified.

Jiang Yujie did not exaggerate it on purpose; the truth really was so.

Besides, she did not dare to underestimate how shameless Lu Qiyuan could be, nor did she dare to overestimate his standard of humanity.

So even after seeing that Mrs. Jiang was horrified, Jiang Yujie did not comfort her.

She did not ask Mrs. Jiang not to worry as well.

Jiang Yujie felt that instead of that, it was better to make Mrs. Jiang think about it constantly, so she could be more cautious and so nothing would happen to her.

If something were to happen to her because she was careless or because she did not worry, she would regret it afterward.

It was better to be more careful from the start.

"He did many things like this. Especially when it's related to his benefits and freedom, he will go insane. It's hard to say what he will do," said Jiang Yujie.

Mrs. Jiang committed this to heart.

She nodded with a serious expression. "If so, before Lu Qiyuan is caught, we won't go out."

Mrs. Jiang urged Mr. Jiang, "Let's stay at home and not go out. Anyway, it won't take long before Lu Qiyuan is caught. Let's endure it for a while."

Mr. Jiang nodded. "No matter what, we should stay safe and look at the bigger picture. Besides, it's not hard to just stay at home."

Both of them had retired and did not need to go to work.

They were just going to stay home for a while.

It was not a big deal.

There was a television and a computer at home, and they could even surf the web using their phones to follow any updates regarding Lu Qiyuan and Jiang Huaizhou.

"What about you?" Mrs. Jiang asked Jiang Yujie. "What will you do? Where will you go?"

Jiang Yujie said, "Since I am not returning to Lu Qiyuan, of course I will hide here with you guys."

Mrs. Jiang let out a sigh of relief. "That's good. It's better to hide. We will rather hide than have something to happen to us."

"I chose this compound also because there are quite a few convenience stores in this area. Although they can't be compared to supermarkets, it's enough to answer our daily needs. It's enough for us to buy ingredients and food. I have to make you guys suffer for this period of time. You probably won't be able to do anything else."

"We don't need anything else," said Mrs. Jiang. "As long as our family is safe and in one piece, this is nothing. Aren't you just asking us to hide and not go out? When I think about the fact that your brother is coming out soon, I feel that nothing matters anymore."

Mr. Jiang also nodded.

"The fridge is full now. I bought some groceries beforehand to last us for a few days," said Jiang Yujie.

After that, Mr. Jiang and Mrs. Jiang unpacked the luggage that they brought.

They did not bring much so they were done in around ten minutes.

Although they were losing their freedom for a while, they were able to make up with Jiang Yujie and stay together as a family without any grievance. Thus, they were even happier.

That night, when it was almost eight, Jiang Yujie received Lu Qiyuan's phone call.

When Mr. Jiang saw that, he asked, "You didn't change your number? What if he harasses you?"

"I need to delay him." Jiang Yujie sighed. "I need to at least drag it out until tomorrow. I'm not sure if it's any use to delay it for one night, but at least I should delay him for as long as possible.."

Chapter 2803: Effort Wasted

Mr. Jiang's eyes were sore.

He could not bear to watch Jiang Yujie suffer by dealing with Lu Qiyuan.

Mr. Jiang sighed silently. Jiang Yujie picked up the call in front of Mr. Jiang so that he could have peace of mind.

"Hello, Qiyuan." Jiang Yujie's voice gave the impression that nothing was wrong.

Her tone was the usual gentle and happy tone she used while with Lu Qiyuan.

Naturally, Lu Qiyuan did not suspect anything and asked, "Yujie, why are you not at home? It's late and I didn't find you there. My sister-in-law said that you've not been home the entire day."

Jiang Yujie did not panic and said gently, "I went to my parents' house. You know that because of what happened with you last time, I argued with my parents. A long time after that, I haven't gone back.

"I know that they are angry, but they're still parents, so I couldn't just not go home my whole life and break off our relationship. Actually, I have been trying my best to gain their forgiveness. Actually... actually, I didn't tell you that I have never given up on contacting my parents and trying to make them understand me. However, the results were never good, so I kept it to myself."

Lu Qiyuan heard this and felt sorry for her. "Dummy. Why didn't you tell me? Why must you bear everything by yourself?"

"I just didn't want you to be in a bad mood with me and feel stressed," said Jiang Yujie softly.

"You should tell me so I can help you bear the weight," said Lu Qiyuan.

Jiang Yujie sighed as she said, "I know that you're already swamped with work usually, so I don't want you to worry about this. I just think that although you're so good, the reason my parents are not willing to accept you is because of their prejudices, so I just want them to understand you more."

Lu Qiyuan said immediately, "Then I will go to your house now! It's obviously more convenient to understand me in person."

Jiang Yujie said without hurry, "Don't. If they see you, my parents will only... only get angrier. How can they see the good in you peacefully then?"

"That's why I thought of calling them from time to time, visiting them, and mentioning you in front of them. Little by little, they won't reject you as much, and they can also discover subconsciously that you're actually very nice."

Jiang Yujie chuckled with a surprised tone. "You don't know, but my effort is not wasted. After such a long time, every time I had the chance, I would mention you in front of my parents and talk about how good you are. It seems like they are starting to loosen up about you.

"Besides, now that you're divorced, I... I am not a mistress anymore, right?" asked Jiang Yujie.

"No, of course you're not. You were never a mistress!" said Lu Qiyuan hurriedly.

Jiang Yujie's mouth curved upwards. She sneered as she said, "When I came home today, although my parents still can't accept it, at least they don't kick me away anymore. I will try harder and definitely gain their understanding."

Lu Qiyuan felt sorry and said, "Yujie, I feel sorry for you."

"I am not wronged," said Jiang Yujie. "So don't come today. I'm afraid that if they see you, the effort that I have been putting in for so long will be wasted."

"Okay," answered Lu Qiyuan. Now, whatever Jiang Yujie said, as long as it was not an unreasonable request, Lu Qiyuan was willing to agree to it.

"Then do you want me to pick you up tomorrow morning?" asked Lu Qiyuan.

"Nope, I drove," said Jiang Yujie..

Chapter 2804: Taken by the Police

"Okay." Lu Qiyuan nodded. "Give me a call if anything happens."

He paused for a while and said, "When you're not next to me, I don't have any energy. I miss you so much."

Lu Qiyuan's words disgusted Jiang Yujie. She could only cope with a body full of goosebumps. "I am going back tomorrow."

"Okay," Lu Qiyuan said disgustingly. "Then looks like I won't be able to sleep alone tonight."

Jiang Yujie almost puked.

She said a few perfunctory words and ended the call immediately.

The moment she ended the call, Jiang Yujie turned off her phone and took out the SIM card from it.

Then, she took a pair of scissors and cut the SIM card into two.

When Mrs. Jiang saw that, she froze and asked, "You don't want the card anymore?"

"Mhmm, don't want it anymore," said Jiang Yujie. "He won't contact me again tonight. When he goes to work tomorrow and sees that I am not there, he will definitely call me. But by then, any excuses I have will be useless. This card is now useless, and I am breaking any contact with him."

Mr. Jiang and Mrs. Jiang were finally relieved.

It was good that she did not need to contact him.

Then, Jiang Yujie switched to a new card. "I got a new number."

Jiang Yujie told them her new number.

When she was with Lu Man, she also gave Lu Man her new contact.

Mrs. Jiang recorded Jiang Yujie's new phone number into her phone joyfully and deleted the old one.

"This is good. Let's start fresh. Everything is good," said Mrs. Jiang, smiling.

Throwing away her old phone number and bidding farewell to the bad people in the past.

Deleting every form of contact information and breaking off from the past.

Mrs. Jiang felt full of hope.

However, Jiang Yujie did not know that she did not need to wait for the next day for Lu Qiyuan to find out that she would not be at work.

That night, Lu Qiyuan was taken away by the police.

Lu Qiyuan was in his villa.

Xia Qingyang was in prison and Lu Qi was completely controlled by the He family.

There was nobody to affect his mood and anger him.

He also had a young and beautiful girlfriend like Jiang Yujie; Lu Qiyuan felt that his life was going too well.

He was living the life of a god.

Without Jiang Yujie beside him, Lu Qiyuan felt a little bored.

He was single now and had nothing tying him down.

Even though his company did not recover, it did not continue to worsen.

The money he had now was enough for him to just enjoy.

Now that he was relaxed, he was starting to feel horny.

Lu Qiyuan decided to go out to a bar and find a beautiful one to indulge in.

He liked Jiang Yujie pretty much and wanted to marry her.

But this did not stop him from having fun outside.

When he was with Xia Qingyang, Xia Qingyang watched him carefully.

Lu Qiyuan felt that he was really stupid back then; he had the money, but he was still tied down by Xia Qingyang and could not have fun.

Now that he was free, although he had Jiang Yujie, Lu Qiyuan felt that he could let loose.

Jiang Yujie was young and gorgeous, but he would be bored after a long time.

He wanted to have a palate cleanse.

In addition, the image that Jiang Yujie portrayed in front of Lu Qiyuan was always the weak and gentle girl, so Lu Qiyuan felt that Jiang Yujie was like a cuscuta that can only climb on him; she would be useless without him.

She would not dare to leave him and would stay..

Chapter 2805: This Was So Long Ago

So, Lu Qiyuan was getting more complacent.

Even if he had other women outside, he could make Jiang Yujie obedient, afraid to fight with him.

With Jiang Yujie as a comparison, Lu Qiyuan felt that he must find a woman like Jiang Yujie, who was easy to control and was gentle.

He wanted to marry Jiang Yujie because other than the fact that she was young and beautiful, she was soft and easy to control.

He could not expect anything from Lu Man and Lu Qi, so he had to marry Jiang Yujie to have a son.

Lu Qiyuan was planning this while preparing to head out.

He was already at the door and was just about to open it when the doorbell rang.

Who would it be at this time?

Lu Qiyuan felt curious.

Jiang Yujie had the key so it definitely was not her.

Lu Qiyuan opened the door.

Unexpectedly, at the door stood two policemen.

After showing him their IDs, the two policemen explained themselves, "Someone has submitted evidence, claiming that you are related to the bidding bribery case of Minghu Corporation. Please help us with our investigation."

Lu Qiyuan was shocked and immediately restrained his expression.

He frowned and seemed as though he was annoyed. "This was so long ago. How am I involved again?"

"Please help us with our investigation. If there is nothing, then it will naturally have nothing to do with you," said the police.

Lu Qiyuan's face darkened. He had no choice but to follow. "I want to contact my lawyer."

"Please suit yourself," said the police.

Seeing that they were confident, Lu Qiyuan had a bad feeling.

Lu Qiyuan could not understand; even if someone submitted evidence, it needed to be checked.

So when was this evidence submitted?

And what evidence was it?

As Lu Qiyuan was thinking, suddenly, his heart dropped.

Could it be... could it be the ones that he hid?

However, nobody could get those documents other than him!

Lu Qiyuan's expression kept changing as he hoped that it was just a false alarm.

He could not comprehend why something that was so long ago had emerged again.

But he did not know that this evidence had been handed to Mo Jingcheng by Han Zhuoli himself.

Because of Han Zhuoli, Mo Jingcheng naturally had to prioritize this and handle it first.

But another important thing was that this matter was actually a pretty big deal.

If this evidence was real, then back then, they had passed judgment on the wrong person.

They had sent an innocent person to jail.

Back then, that case was not in Mo Jingcheng's hands because he was not the assistant director at that time and he was not in the same department.

But now, since it was his responsibility, Mo Jingcheng would not let Jiang Huaizhou suffer injustice and allow Lu Qiyuan to enjoy freedom.

Lu Man told Jiang Yujie about Lu Qiyuan being taken away to be investigated.

"But this case is still under investigation, so he can still be bailed out," said Lu Man to Jiang Yujie.

"Before there is a result, you guys better not show yourself."

"Okay." Jiang Yujie nodded. "We will be careful."

She just did not expect Mo Jingcheng to be so quick!

Jiang Yujie thought that it would drag on for months, but she did not expect Lu Qiyuan to be investigated that night.

Jiang Yujie hung up and told the good news to Mr. Jiang and Mrs. Jiang.

"Who is your friend who is so powerful?" Tears of excitement streamed down Mr. Jiang's cheeks..

"Yujie, to be honest, when you told me that your friend is very dependable and that you have already submitted the evidence, I was worried."

Chapter 2806: Escaped Secretly

“Because if Lu Qiyuan was really as powerful as you said, then wouldn’t he have erased the evidence? That’s why I didn’t dare to expect too much. I was afraid that the disappointment would be even greater. I thought that if your brother can’t get out, at least you’re alright. As long as you don’t have any more connections with Lu Qiyuan, we can have a good life as a family. When your brother is out, we can start fresh.

“I didn’t expect... didn’t expect that it really...” Mr. Jiang’s tears could not stop flowing out.

Mrs. Jiang was also surprised and said, “How can it be so quick? Your friend must be so powerful if there’s a result in such a short time. Does this mean your older brother is coming out soon too?”

Jiang Yujie said immediately, “There isn’t necessarily a result immediately, but at least they have taken away Lu Qiyuan to be investigated in such a short time, meaning that they see this case as something important. Besides, this evidence is in the hands of someone very important. There won’t be a problem.

“However, even if they’re investigating, they will need some time. Lu Qiyuan is just under investigation, he’s not being locked up, so as long as he’s not out of bounds, there isn’t much limit on his freedom. We still have to be careful.”

Jiang Yujie said, “However, this is already good news. It means that this thing has attracted some attention. It’s just a matter of time before my older brother comes out.”

Mr. Jiang and Mrs. Jiang were so excited that they could not control themselves.

Without Jiang Yujie reminding them again, Mr. Jiang said to Mrs. Jiang, “Now we can see hope, but we can’t just let our guard down. It may cause us to fall short. It’s at this time that we have to be more cautious to avoid Lu Qiyuan from being desperate and doing something, hence influencing the progress of the case.”

Mr. Jiang continued, “The worst case is that the plan to regain Huaizhou’s innocence and release him fails. Then what do we do?”

Mrs. Jiang nodded seriously. “Indeed. Before we have a final result, we have to hide.”

Jiang Yujie heaved a sigh of relief. Seeing that both of them were so cautious and did not let their guard down because of this, she was relieved.

Lu Qiyuan found his lawyer. Lu Man knew the whole process and would keep updating Jiang Yujie.

The lawyer wanted to bail Lu Qiyuan out.

However, the evidence that the police possessed was already enough. There were just the final appealing and judging left.

So Lu Qiyuan was not bailed out in the end.

This made Jiang Yujie relieved.

Lu Qiyuan had lost his freedom now. He was overwhelmed, so he should not have the energy to look for them.

Jiang Yujie kept reminding Mr. Jiang and Mrs. Jiang to not go out during this time.

However, she still felt insecure, thinking that even so, they would be found by Lu Qiyuan's people one day.

Currently, Lu Qiyuan was in custody.

At first, he still thought that Jiang Yujie would come to visit him and think of a way to save him.

But as he waited, it was like Jiang Yujie had disappeared.

Lu Qiyuan asked his lawyer to contact Jiang Yujie, but the lawyer said that she could not be contacted.

He could not go through the number that Lu Qiyuan gave him.

At this time, how could Lu Qiyuan not know that Jiang Yujie had already escaped?

He even suspected that the evidence had been given by Jiang Yujie.

Because other than her, there was nobody around him that he was close to.

But Lu Qiyuan still hoped that it was not Jiang Yujie.

Perhaps Jiang Yujie was just afraid to be investigated by the police, so she escaped secretly.

Chapter 2807: What's Their Relationship

However, as time passed, these thoughts of his started to disappear.

It was then followed by rage!

He had requested the lawyer to find Jiang Yujie.

But not only could Jiang Yujie not be contacted, but it had also been a long time since Jiang Yujie returned to their place.

Lu Qiyuan gave the lawyer the address of Jiang Yujie's parents and asked him to look for her.

In the end, it was heard from the neighbors that the last time Jiang Yujie came to her parents' house, they moved out with her.

However, the neighbors also could not tell whether Jiang Yujie's parents really moved.

That was because they did not carry a lot of things; the two carried only two bags.

But after that, they were not seen again.

The lawyer asked about the time when they left, and it was the day that Lu Qiyuan had been taken away by the police.

The lawyer told this to Lu Qiyuan.

Everything was clear to Lu Qiyuan now.

The events and time all matched.

Even if Lu Qiyuan did not want to admit it, he knew that Jiang Yujie was behind this.

He did not understand; was he bad to Jiang Yujie?

Why did Jiang Yujie betray him?!

He'd thought that he had found his true love at this age. Who would have thought that Jiang Yujie would give him such a heavy hit?

"It's not important to look for Jiang Yujie now," said the lawyer.

He was only responsible for defending Lu Qiyuan.

As for the resentment between Jiang Yujie and Lu Qiyuan and how Lu Qiyuan wanted to carry out his revenge...

The lawyer could not break the law to help Lu Qiyuan.

He just needed to do his job.

"The most important thing is your defense for this case. Honestly, this is considered a huge case, and the police also have enough evidence. It's impossible for you to be found innocent. But we need to reduce your sentence as much as possible," said the lawyer. "But this reduction I am talking about is just as a comparison."

This was just a reduction from the heavy sentence.

They did not even know if they could do that.

Lu Qiyuan's face darkened. He had been doing as he like for most of his life and had never expected this.

He had never expected that he had to follow someone else's orders.

"The one back then... the one I plotted to put in prison, what's his name again?" asked Lu Qiyuan softly.

Even at this time, Lu Qiyuan did not use the word "framed."

He did not admit the mistake that he had made.

It was as though if he only made calculations, it would show that he was capable and high-class.

The lawyer did not know why he asked this, and he said, "His name is Jiang Huaizhou."

Lu Qiyuan's expression changed. He asked ferociously, "Jiang Huaizhou and Jiang Yujie. What's their relationship?!"

The lawyer thought that even at this time, he was still thinking about Jiang Yujie.

"This is not under my job scope," said the lawyer, holding in his anger.

After discussing the case with Lu Qiyuan, he left.

As for the relationship between Jiang Huaizhou and Jiang Yujie, the lawyer did not even want to find out for him.

Lu Qi still did not know that Lu Qiyuan had been caught.

She was shooting a film.

Han Zhuoli had loosened the pressure on her and did not keep on watching her.

To Han Zhuoli, keeping a watch on her was already as much respect as she deserved.

Besides, now that Lu Man was pregnant, all of Han Zhuoli's attention was on Lu Man.

Even the energy that he used for his work was distributed. How would he have the energy to watch Lu Qi?

However, everyone in the industry already knew about the resentment between Lu Man and Lu Qi.

They also knew the attitude of the Han Corporation towards Lu Qi.

Chapter 2808: Really Gorgeous

So even when Han Zhuoli stopped watching her, nobody dared to cast Lu Qi in a film or invite her for any events.

Xia Qingyang was in prison and Lu Qiyuan had not cared about her for a long time.

And it was impossible that the He family would give Lu Qi money.

Lu Qi could only depend on the events in the countryside and moonlight in the low-tier, small cities to earn some money.

It was impossible to return to her lavish and wonderful life in the past.

However, Han Zhuoli's and Lu Man's attention was no longer on her.

So Lu Qi could finally look for an opportunity to give her body to a director.

Thinking about it, it was insulting.

Back then, when Lu Qi and He Zhengbai were on good terms, she'd kept her body clean.

She had never slept with anyone in the entertainment industry.

Because Lu Qiyuan could be her source of funds.

And she had to hold on to He Zhengbai, so obviously, she could not do anything that would affect their relationship.

That was why she'd wanted to push Lu Man to Lu Hanli.

If her plan did not work out, she would rather hurt Lu Hanli and frame Lu Man to protect herself, preventing others from taking advantage of her.

However, that was in the past.

Now, He Zhengbai's and her relationship was in ruins.

No matter who she slept with now, He Zhengbai would not even look at her.

There was nobody to invest in her either.

Lu Qi did not have any right or the backing to act all high and mighty.

So she had already slept with so many people just to be a small side character in a web drama series.

She finally got to know this director through the assistant director after slowly climbing her way up by sleeping with people.

This director was just a low-tier director who could not even make the ranks in the industry.

Or else he would not be directing a low-quality web drama series right now.

If the series was lucky, it could bring fame to the main character in the series.

However, the popularity of the main character did not just depend on the series itself; it also depended on the forces behind it, like the number of clicks, flooding the screen to brainwash the netizens, making a huge impression, and so on.

Even if the series was ordinary, once the main character was popular, the series would also be popular.

Even the side characters included could benefit.

However, all these needed capital.

Most of the web drama series did not even have this power.

Most of them looked for low-tier actors and simply made a series.

However, the one Lu Qi chose this time was not bad. The investment was alright, and it was not a shoddy drama series that was just going with the flow.

It could not be considered well-made; after all, there were quite a few web drama series that were better than the shows that were broadcasted by television stations, causing their popularity to explode.

The one that Lu Qi chose could not make it to that level, but it still was not a bad one.

She chose this show because she saw that it was not bad, but it would also not attract too much attention, so Han Zhuoli and Lu Man would not notice.

She also thought of a way to be cast in the show.

For this, she mixed with the director of this show.

It seemed like the director also thought that giving Lu Qi a character who was a nobody should not be a big deal, and Han Zhuoli would not do anything to him just because of this small matter.

He did not even know if Han Zhuoli knew about his web drama.

So when Lu Qi came to him to sleep with him, the director did not reject her.

He was working hard on Lu Qi's body. Even though Lu Qi's reputation was terrible, she had a good-looking face.

The director lowered his head and looked at Lu Qi's flushed face, which had a hint of sentiment.. It was really gorgeous.

Chapter 2809: She Dared to Use This Trick Behind His Back

The camera would make someone at least 30 percent uglier.

In front of the camera, Lu Qi's looks left a huge impression, not to mention seeing it in person.

The face that made her a celebrity was not just pretty.

When in a crowd, it was beautiful enough to make people gasp.

So when the director looked at Lu Qi's face, he became more and more aggressive.

Lu Qi also used every method she could to please him. Even if she did not feel anything, she could act as though she felt so good because of the director.

This was the time to test her acting skills.

It was as though she could not control her voice. Lu Qi's moans became louder and louder, about to burst out through the door of the hotel room.

However, it was not her first time, so Lu Qi was not afraid.

In fact, she wanted to let others know. That way, those who had money could also come and find her if they wished to.

It was as though the director was stimulated; when he heard Lu Qi's voice, he wanted to make her moan louder and louder.

At that moment, Lu Qi did not know that He Zhengbai heard the noise from outside. His expression was as dark as the night.

He was too familiar with Lu Qi's voice.

Back then, when Lu Qi was with him, she also moaned diligently, as if he was very strong.

That time, He Zhengbai was proud, thinking that he was so powerful and incomparable.

However, after he heard about Lu Qi and this director, he started to have doubts.

After all, this director was not young, and he had a huge stomach. He did not seem like he had good stamina or was strong.

Right now, through the door, he heard Lu Qi's moans as though she was in heaven. She was even praising that director, saying that he was so good.

Then he heard the panting of the director; it was obvious that he was running out of stamina.

But Lu Qi could still moan so loud, exciting him.

He Zhengbai knew she was acting the moment he heard it.

He Zhengbai could not help but doubt whether Lu Qi was acting when she was doing it with him.

He Zhengbai's expression looked awful.

He had always been using Lu Qi.

Even when Lu Qi was still the spoiled youngest daughter of the Lu family.

She had the title of the spoiled youngest daughter of the Lu family, she was a popular actress, and she had good looks.

As she had so many good attributes, He Zhengbai really did like Lu Qi before.

However, as these attributes disappeared one by one, what was left was He Zhengbai's hatred for Lu Qi.

Especially when Lu Qi tried to plot against Lu Qiyuan with him.

Who would believe a woman who wanted to plot against her own father?

He Zhengbai did not dare to come near Lu Qi.

This woman was dumb and cold-hearted.

He had no love for Lu Qi anymore and was even thinking of ways to divorce her without getting her to spill the beans about him.

However, they were still married right now. Lu Qi was still his wife.

Upon hearing the noises of her cheating, even if He Zhengbai did not care about Lu Qi, his dignity as a man was still insulted.

She was still his wife, but she dared to use this trick behind his back.

He Zhengbai did not feel that the fact that he messed around outside with other people could be the reason that Lu Qi could mess around behind his back.

He could go out and have some fun, but Lu Qi was his wife, so Lu Qi could not betray him!

Moreover, Lu Qi did not have anything and depended on him.

Chapter 2810: Did You Catch Him?

How could Lu Qi do that!

He Zhengbai's expression was dark. Just as he was about to push open the door and rush in, someone held his wrist.

"Master He, you can't go in. Don't forget that the outside world does not know about your marriage with Lu Qi," said the assistant who was brought along by He Zhengbai.

The assistant was assigned specifically to He Zhengbai by the He family; he was skilled.

The assistant also knew about Lu Qi cheating and planning to climb the ranks using unspoken rules.

He came with He Zhengbai because it was not convenient for He Zhengbai to face this.

He Zhengbai touched his chin while looking at the doorknob with a dark expression.

The assistant understood, took out the room card, swiped it, opened the door, and rushed in immediately.

This was too unexpected.

The two who were inseparable in bed did not expect or worry that someone would come in while they were having a good time in the room.

Nobody could enter without a room card.

Suddenly, an outsider barged in.

And the two were too into what they were doing, so they did not notice that assistant.

That assistant rushed in without talking, took out his phone, which already had its camera opened, and started taking a huge amount of photos of the two people in bed.

Lu Qi was just acting. Actually, she did not feel anything at all.

So after Lu Qi had acted for a while, she felt bored. She did not stop making noises, but she opened her eyes to look at the television in front.

She thought about how, if she had not turned off the television, she would still have been able to watch some television shows. How nice it would have been.

But she did not expect to see a stranger standing in front of the bed when she opened her eyes.

Lu Qi jumped.

No matter how immoral she was, she was not planning to have sex in front of others!

Lu Qi's body was cold. She screamed at the top of her lungs.

The director was drenched in sweat as he suddenly became soft, scared by the scream.

He turned around and saw He Zhengbai's assistant.

It was as if He Zhengbai's assistant did not see their shocked and furious looks.

He continued to take pictures rapidly, capturing the front and the faces of the two clearly.

The director and Lu Qi finally came to their senses.

Lu Qi screamed as she took the blanket to cover herself.

The director reached out to block the camera and tried to snatch the assistant's phone while shouting, "Who are you? How did you come in?!"

The assistant had captured everything that he needed to. He ran out without saying another word.

The director wanted to rush out.

However, he was not wearing any clothes, so he could not do so.

But he could not just let that person escape.

The director hurriedly wrapped a towel around himself and rushed out.

But he was delayed for quite a bit, and He Zhengbai and his assistant were gone.

The director was enraged.

A person rushing in to take pictures all of a sudden was definitely not a good thing.

Even if he was not famous, he was a person with a family.

It was definitely not a good thing to be fishy.

The director returned to the room angrily.

Lu Qi had put on her clothes. When he came back, she asked him, "Where is he? Did you catch him?"

"No, he's gone." The director also put on some clothes. "What's wrong with that person?!"

The director had asked Lu Qi this.

He did not know whether it was for Lu Qi.

However, Lu Qi no longer had any news value.

Unless she made herself ill, even the paparazzi was too lazy to deal with her.

The director suspected, could it be that his own wife knew?

However, as a director, these things always happened.

The unspoken rules that involved female stars who could not be famous.. There were also quite a few low-tier movie stars who came to him.
