

Mr Han 2921

Chapter 2921 Did Something Happen?

“Nothing will be delayed even if I go find you.” “See? If I say it, you’ll come and find me for sure.” Jiang Yujie smiled. “I don’t want that. Brother, you’re not just using a computer, you’re also building a company. How can it be like you said, a simple matter of having a computer and a phone?”

“Just let me have some peace by myself, please?”

“What do you need the peace for?” Jiang Huaizhou was confused. “What are you hiding from me?”

“Brother, you’ve got to let me keep my little secrets. I can’t tell you everything, now, can I?” Jiang Yujie couldn’t keep the child-like tone from her voice.

It’d only come out in front of Jiang Huaizhou.

He was defenseless against her being like this.

However, Jiang Huaizhou’s attention was all on Jiang Yujie on the screen, and he did not notice his father’s expression. Successfully keeping Jiang Huaizhou mum, Jiang Yujie quickly said, “Dad, Mom, Brother, the plane’s about to liftoff. I’m hanging up.”

“Wait!” Mrs. Jiang called out. “You’ll at least call us when you arrive, right?”

Jiang Yujie bit her lip, nodding hesitantly. “Yes, I’ll contact you guys. I really gotta go.”

With that, Jiang Yujie quickly hung up without waiting for further questions. For one, she really couldn’t continue talking to them.

Secondly, the plane was truly about to take off.

After the call, the relaxed atmosphere around the Jiang family turned heavy.

Jiang Huaizhou also lost his appetite.

Jiang Yujie said she’s grown and could take care of herself.

Indeed, in the two years he had spent in jail, unable to look after her, didn’t Jiang Yujie manage to live well enough on her own?

But that was different.

In the past two years, Jiang Yujie was always in B City, her home.

But now, she’d be alone in foreign places.

Moreover, no matter how old Jiang Yujie was, she would always be a little girl in Jiang Huaizhou’s heart.

How could he relax now that she’s alone outside?

The meal was finished hurriedly.

Jiang Yujie’s sudden departure was too unexpected for the three.

Especially Jiang Huaizhou.

When it was almost dinner time, Mrs. Jiang was still anxious. "Why hasn't Yujie called? No matter how far it is, she should've arrived there by now."

"Why don't you try calling?" suggested Mr. Jiang

"Okay." Mrs. Jiang dialed her number.

In the end, her phone was switched off. "This... Why did she switch off her phone?" Mrs. Jiang panicked. "Did something happen?"

Just then, her phone rang.

It was an unknown number.

Mrs. Jiang did not recognize it and assumed it was some advertiser of some sort.

But the app installed on her phone did not notify her that it was an advertised call.

Thus, she picked it up. "Hello?"

"Mom, it's me." Jiang Yujie's voice came from the phone. "I... I don't want Dad and Brother to know this number. I've changed it."

"You..." Mrs. Jiang's expression changed and she immediately went to the kitchen.

She closed the door and turned on the range hood. "I'm alone now. Yujie, are you in danger? So you couldn't tell me outright?" "Oh. No," Jiang Yujie replied.

Chapter 2922 How Do I Know If She's Well

"Don't think too much, Mom. I just... just don't want to let Brother know why I left. I'm alone in Dali now. I know you'll be worried, so I called you first to tell you my location." "How long are you planning to stay in Dali?" Mrs. Jiang asked.

"Not sure. I'll see what the environment's like first. If I like it, then I'll stay a bit longer. I just want to stay in a place far from the memories of the past two years and relax thoroughly," came the reply. "I've rented a short-term flat in Dali. It's cheaper than a hotel. Then I'll find a part-time job, enough to for me live on. I wish to try a casual and free-spirited lifestyle."

"Then take good care when you're alone outside, alright? Call me every day, okay? I won't tell your dad and brother."

"Alright." Jiang Yujie also knew that she couldn't be willful and go completely off-grid, making her family worry.

The best she could think of now was to let Mrs. Jiang rest her worries first.

As long as Mrs. Jiang knew she was safe, Mr. Jiang and Jiang Huaizhou would also take it easy based on her attitude.

“Not telling your brother is understandable, but why not your dad?” Mrs. Jiang questioned.

Jiang Yujie paused. “Just... just afraid he’ll tell my brother!

“Think about it, if my brother asks, would Dad keep it from him?” Jiang Yujie asked.

He was his biological son; Mr. Jiang had never kept anything from Jiang Huaizhou.

Mrs. Jiang considered it and agreed with her

point.

“Alright, I won’t tell him.”

But Mrs. Jiang still had her doubts despite Jiang Yujie’s words.

She had a feeling Jiang Yujie wasn’t telling the whole truth.

“Mom, I’ve just arrived and need to unpack first. I’ll call you tomorrow.”

“Okay.” Mrs. Jiang hung up, relaxed and ready to cook dinner.

As she busied herself, Mr. Jiang came in.

Seeing Mr. Jiang, Mrs. Jiang continued cooking. “Why did you come in?”

“Did Yujie just call you?” he asked softly.

Mrs. Jiang found it strange. They were in the kitchen with the door closed. Why was he still keeping a low volume?

Like he was keeping it from Jiang Huaizhou.

Jiang Yujie was worried that he would tell Jiang Huaizhou.

Who knew he’d seemingly want to keep it a secret from him?

Mrs. Jiang kept her head down, pretending to be busy. “Mmm, it’s Yujie. She called to say she had arrived safely.”

“Where is she now?” Mr. Jiang continued in a low voice.

“She doesn’t want me to tell you, afraid you’ll tell Huaizhou.”

Mr. Jiang replied awkwardly, “Why would I tell Huaizhou?” Mrs. Jiang didn’t speak and did her own things. “And she... is fine now?” Mr. Jiang asked. “I can’t see her, how do I know if she’s fine?” Mrs. Jiang’s eyes got red-rimmed. “She would call and would surely say everything’s fine to not make me worry.”

Mrs. Jiang thought about it and felt very aggrieved.

Jiang Yujie went through great difficulties to rescue Jiang Huaizhou.

The family’s whole again and about to start afresh.

Who knew Jiang Yujie would leave?

She did it all to save Jiang Huaizhou!

The person with the most credit couldn't stay at home.

How wrong was that!

No matter how equally she treated both, Mrs. Jiang couldn't help feeling sorry for her daughter.

Chapter 2923 Which Thoughts of Yours?

She had sacrificed so much to save Jiang Huaizhou.

Yet now, she's alone in a foreign city.

"Even if she really encountered any problem there, she wouldn't tell me." Mrs. Jiang sniffed.

Mr. Jiang remained silent, and Mrs. Jiang found him strange. "Why aren't you speaking?"

"Actually..." Mr. Jiang could barely spit out the words. "Actually... it's better for Yujie to go out and explore rather than stay at home."

Mrs. Jiang put down the knife in her hand and turned to face him. "What do you mean? Why are you saying this all of a sudden? It's fine for Yujie to stay here because no one knows what she did. It doesn't matter if she left or not. You... you actually prefer that she's alone outside? Even if she wanted to leave, there's still T City and J City, which are nearer to B City. Why does she have to go so faraway?"

Mr. Jiang hung his head, beaten, and twisted his fingers. "Actually... Actually, I think... the children are all grown up. They don't have to be by our side constantly. She wants to explore the world. That's not a bad thing, right?"

"It's not a problem for her to go away for the sake of her future and career opportunities. But the problem now is, did Yujie go away for career opportunities? Frankly, the places with the most opportunities are B City and S City. There are plenty of job opportunities here, people in need of multiple talents. Otherwise, youngsters from around the country wouldn't have come to these two places to develop their careers.

"We're natives in B City. Given such convenience, there's no need for her to work extra hard like other youngsters to help with their living expenses. It's best to work in our own city. If this wasn't the case, Yujie would have gone out far earlier. Did she have to wait until now?"

"Why exactly did Yujie leave? Do you not have a clue?" Mrs. Jiang said, disappointed. "How is it better to let her leave with such a reason and in such a mood!"

To put it plainly, every parent would love only their own child.

Perhaps because Jiang Yujie wasn't Mr. Jiang's daughter by blood...

He could say such words.

Mr. Jiang hung his head, silent.

“Are you keeping anything from me?” Mrs. Jiang asked, displeased.

Mr. Jiang kept quiet.

Mrs. Jiang sighed heavily, then took a deep breath before saying, “When Yujie called, she asked me not to tell you her whereabouts, afraid you’ll tell Huaizhou.”

Mrs. Jiang paused before continuing, “But I feel that’s not her real reason. Is there something I don’t know? Why won’t she let me tell you?”

Mr. Jiang froze, his face one of disbelief.

“She... She...” Mr. Jiang couldn’t get the words out, his chin trembling.

“You know the reason?” Mrs. Jiang stared unblinkingly at him. “I... I don’t know...” Before Mrs. Jiang’s glare, Mr. Jiang wilted. “But I have a hunch.”

“Meaning?”

Because of his guess, Mr. Jiang had been feeling extremely guilty.

He didn’t dare lie to Mrs. Jiang at this time and confessed, “I... I don’t know if Yujie noticed it. But thinking about it, Yujie’s always been sensitive to others’ thoughts, especially caring about their feelings, so she could have noticed my thoughts.” “Which thoughts of yours?” Mrs. Jiang inhaled deeply. “The child has always been like this.”

Chapter 2924 I Can’t Accept It

“When we got married, she was so tentative, afraid she won’t be accepted, afraid you wouldn’t like her. That’s why she’s always been careful around you, considering your moods and feelings. She’s especially concerned about your views and how you viewed her.

“Because of what she experienced in her childhood, she’s been very concerned about how others think about her,” Mrs. Jiang said.

“So you know why she had to leave?” she asked Mr. Jiang. “I know my daughter very well. She’s very strong and wouldn’t be hard on herself because of what happened.

“She left certainly not for herself. It’s only because of others. She left to be considerate of others’ feelings.

“So why?” Mrs. Jiang pressed.

Mr. Jiang shook his head. “I don’t know... I never expected... my thoughts would be guessed by Yujie.”

“And what exactly is that! What is it that forced my daughter to go away!” Mrs. Jiang fumed.

“It’s... I... I’m worried about Yujie and Huaizhou,” came the reply.

“You’re worried about them, how?” Mrs. Jiang didn’t understand.

"They... are not related by blood, and they are close in age. They're also outstanding young adults. I'm afraid they'd develop romantic feelings for each other after being with each other for a long time," Mr. Jiang answered.

"You're weren't worried about that back then, and you're worried about it now?" Mrs. Jiang never expected Mr. Jiang to harbor such thoughts.

"I worried about that in the past too. Once they'd grown, I was scared they'd commit a mistake while staying under one roof," Mr. Jiang said hesitantly.

"And..." Mr. Jiang moved his lips, pausing. "And Yujie sacrificed too much for Huaizhou. What kind of feelings did she have for her to sacrifice so much for him?" "And so you think Yujie is harboring feelings for Huaizhou?" Mrs. Jiang looked disbelievingly at Mr. Jiang. Mr. Jiang bowed his head in shame.

"How can you think this way!" Mrs. Jiang raged. "According to you, Yujie saved Huaizhou and it's wrong?"

"That's not what I meant..." Mr. Jiang said weakly.

"It's wrong for Yujie to save him and wrong for her to let him be! If she did nothing, you'd think she's ungrateful and didn't care for her brother. If she saved him, you'd suspect she harbored feelings for him." Mrs. Jiang was furious. "How can you be like this!

"Don't you forget, even when we didn't believe Huaizhou, it was Yujie who stood by him! When we thought she was wrong, she was the one staunch in her beliefs, sacrificing herself for Huaizhou!

"And because of her sacrifice, you actually think she..." Mrs. Jiang shook from anger, pointing at her husband. "You're heartless!" "I don't... I just treat Yujie as my own daughter! They're both my children. To me, they're as good as biological siblings!" Mr. Jiang refuted. "But... But if they both really... really had any feelings for each other, I can't accept it!" "Because of your suspicion, you forced my daughter away!" Mrs. Jiang's eyes were red now. "Yujie suffered so much! She sacrificed so much to save Huaizhou! It's a hurt she can never erase from her life!

"You knew what Yujie gave up for Huaizhou! How could you still force her away just because of your unfounded suspicions?" Mrs. Jiang cried.

Chapter 2925 Spare Her Some Dignity

"Even... Even if Yujie really had those feelings, since she's never spoken of them, that makes her a child who won't let us worry. It's clearly something that never happened, so how could you force her away based on your imagination!" Mrs. Jiang fumed.

Mr. Jiang's eyes were bloodshot. "Sorry... Sorry... I... I regret it too. If... If there's a chance to rewind time, I..."

"Stop..." Mrs. Jiang cried. "There's no 'if... You've already hurt her. Yujie's so kind. She only wants us to be well. If others treat her with kindness, she'd repay them with kindness ten times back. But what did you do to her! What have you done to her!" "Mom." The kitchen door opened suddenly.

Mr. and Mrs. Jiang turned in a panic, only to see Jiang Huaizhou standing by the door with a dark expression. "What are you talking about? What did Yujie do to save me?" Jiang Huaizhou stood by the door, looking at them.

The Jiang parents froze, both unable to speak.

They couldn't even find a suitable excuse at this moment.

"Tell me, what exactly did Yujie do?" Jiang Huaizhou asked. "I'm actually curious too. How did she find the evidence? I asked her and she said she employed others' help, but she refused to tell me the details.

"Every time I raised this topic, she'd change the subject, thinking I won't notice. I didn't press her seeing that she doesn't want to speak of it, and there was bound to be an appropriate time to find out.

"So, the reason she wouldn't say it, is it because of this sacrifice she made?"

His parents remained silent. Jiang Huaizhou urged, "What did she do for me!"

Mrs. Jiang moved her lips. "She won't let us say it. Huaizhou, Yujie's always been concerned about how you see her, so she didn't want to let you know. Can you not... not ask anymore? You not knowing anything is the best for her. Otherwise... she couldn't face you anymore."

"It's to the degree that she can't face me? What did she do? You can't decide what's best for her. She's most concerned about how I see her, but what if I won't change my views no matter what she did? Then what's the point of hiding it from me?"

Jiang Huaizhou asked, "Is she going to avoid me forever because of this?"

Conflict played across Mr. Jiang's face

He gritted his teeth in determination then spoke, "The one who framed you was Lu Qiyuan. So, the evidence's with him."

"Stop talking!" Mrs. Jiang panicked.

This was Jiang Yujie's instructions, to not let Jiang Huaizhou know no matter what.

Thus, Mrs. Jiang couldn't get it past her teeth.

It's a matter of Jiang Yujie's pride!

So what if Jiang Huaizhou wouldn't change his opinion of Jiang Yujie?

What she cared about was Jiang Huaizhou not knowing about it.

"Yujie doesn't want us to say it! Please, think about Yujie! Spare her some dignity, would you?" Mrs. Jiang sobbed.

Mr. Jiang's lips moved as he felt unsure.

Jiang Huaizhou said gently, "So she approached Lu Qiyuan? What did she do to get the evidence?"

"Mom, please, tell me. If you don't say it, I'll never know what Yujie sacrificed for me. I'll never know how much I owe Yujie."

Chapter 2926 No Matter What She Chose, It Was a Dilemma

Mrs. Jiang wept as she shook her head.

Mr. Jiang sighed. "I have already said so much. Let me be the bad guy. If Yujie must hate someone, let her hate me.

"Anyway, I have already forced her away. I don't mind being the bad guy one more time," said Mr. Jiang softly and weakly.

"How can she hate you? You know that Yujie will never hate you in her whole life, or else she won't have decided to leave. She wanted you to be at ease." Mrs. Jiang cried.

"I owe her," said Mr. Jiang softly. "Yujie has never owed me anything. From the start to the end, it's me who owes her. I thought... I was good to her, but in reality, I'm not good to her at all..."

"Dad..." Jiang Huaizhou called out. "Just tell me. Don't leave me in the dark. I don't even know what Yujie did for me.

"If I don't know anything at all, then fine. But I know that there's clearly something going on here. If I pretend that I don't know, will I still be human? Is this right?" Jiang Huaizhou looked at Mr. Jiang and Mrs. Jiang.

Mrs. Jiang covered her mouth, sobbing heavily. She also felt conflicted. She wanted to tell Jiang Huaizhou, but could Jiang Yujie take it?

However, if she did not tell Jiang Huaizhou, he would never know Jiang Yujie's sacrifices for him.

Because of this, Mrs. Jiang did not say anything.

She covered her mouth as tears flowed down her cheeks.

Mr. Jiang took a deep breath and exhaled shakily. "As the evidence... evidence was with Lu Qiyuan, Yujie had to get close to him. So Yujie became his assistant. Then... she realized that with her being just an assistant, she would not be able to gain his trust and obtain the most confidential stuff. She... she and Lu Qiyuan..."

Mr. Jiang could not finish.

But Jiang Huaizhou already understood.

His eyes were red and tears welled up in his eyes. "If... If back then, I hadn't told Yujie that I was framed, she wouldn't have done all these things," said Jiang Huaizhou, gritting his teeth.

"So what if I was in prison? Wasn't it just a few more years of prison? So what if I came out a few years late? Why did I tell her such things?" Jiang Huaizhou despised himself.

Since Mr. Jiang had already said it, Mrs. Jiang had nothing to hold back.

“She didn’t allow us to say it because she’s afraid that you would feel guilty. She also... also wanted to have some dignity in front of you. She didn’t want you to feel that she’s... she’s unclean...” said Mrs. Jiang. “How is she unclean?!” said Jiang Huaizhou with bloodshot eyes. “She’s an idiot!”

“Even if it’s not Lu Qiyuan, if she dated someone else...” Jiang Huaizhou paused. “Is that unclean too? It’s just an experience. Who doesn’t have a past or something that can’t be known by others?”

“To make it clear, it’s me who’s not worthy to appear in front of her. She did this all for me. What right do I have to have an opinion of her? I can’t even say that I dislike her because this will never happen. It never will.

“I just hate myself for not protecting her. Not only was I unable to protect her, but she even had to do those things that she’s unwilling to remember for me,” said Jiang Huaizhou softly. And in the end, Jiang Yujie had a home that she could not return to.

She gave all the money that she had saved to him and even left the house that she had already paid a year’s worth of rent for.

Chapter 2927 I Like Her

She went to such a far place alone.

He even said before that he’d leave everything to Jiang Yujie.

In the end, he could not do anything.

“Dad, because of this, you suspected Yujie has feelings for me?” asked Jiang Huaizhou.

Mr. Jiang lowered his head shamefully. “I...”

Before Mr. Jiang could finish, Jiang Huaizhou said, “It’s me who likes her.”

“What did you say?” Mr. Jiang raised his head instantly, looking at Jiang Huaizhou in disbelief.

“No matter what kind of feelings Yujie has for me, I like her,” said Jiang Huaizhou softly.

Mrs. Jiang also froze and looked at Jiang Huaizhou, dumbfounded.

She... she had never thought about that before.

“I don’t know what kind of feelings Yujie has for me. I didn’t dare to show my own feelings, afraid that she would be scared and you guys would not consent. However, looking at Dad’s reaction, it seems like my concern is right.”

Jiang Huaizhou pursed his lips. “The feelings that Yujie has for me are actually not those between a man and a woman. I have thought about it. It’s probably because when she was young, she entered this home feeling uneasy, and I accepted her at the first instance. So all this while, she has been grateful towards me. “It’s also because of Yujie’s personality. When people are good to her, she will have to pay them back extra. She cares about others’ opinions of her too much, especially people who care about

her. She's scared that they will not like her, so she always wants to be good to people, gaining favor and making them happy.

"She cares about us and is good to us. Just because of our past kindness, she wanted to give us back even more.

"Dad, Yujie's feelings for me are not what you think, although I would rather that they are. However, I need to tell you, if one of us likes the other, it's me who liked her first. I watched her as she grew from a soft little girl to a slender young lady.

"When she grew up a little, she looked more mature, but in reality, she still shows her little girl side once in a while," said Jiang Huaizhou, reminiscing

"I can't say for sure when my feelings for her became different," said Jiang Huaizhou. "But Dad, this is not Yujie's responsibility but mine. The one you should watch is me, not Yujie.

"The person who will suffer is Yujie and not me. Why did you guard against a young lady like Yujie? Guard against me! You should be afraid that I would bully her, not that she would have feelings for me! She's just a young lady; even if she has feelings for me, what can she do?"

Mr. Jiang covered his face and his lips trembled fiercely. "Sorry... sorry... it's my fault..."

Jiang Huaizhou looked at Mrs. Jiang. "Where is Yujie now? I want to find her."

Mrs. Jiang wiped away the tears on her face but tears still kept flowing down.

She sniffed and said, "Huaizhou, tell me first, is it because you feel guilty after Yujie sacrificed herself to save you that you started having feelings for her?"

Mrs. Jiang did not dare to confirm whether Jiang Huaizhou had liked Jiang Yujie since the beginning

What if it was because he found out about the sacrifices Jiang Yujie made for him that he felt guilty and said this?

Mrs. Jiang had no clue what Jiang Huaizhou was thinking in his heart.

She was afraid that Jiang Huaizhou said this to make them believe it because he felt guilty.

If it's like that, it would not be fair to Jiang Yujie.

Jiang Yujie did not need these feelings that came from guilt.

Chapter 2928 I Don't Care

Mrs. Jiang felt that it was probably because she was not thoughtful enough.

Looking at Jiang Huaizhou and Jiang Yujie, they were like siblings who were in love.

"Of course not!" said Jiang Huaizhou. "I do feel guilty towards Yujie. She did it all for me, so how can I not feel guilty? If I don't feel anything at all, can I still be considered human? I would be an ingrate!

“However, I won’t lie to her by saying that I like her just because I feel guilty. That’s not repaying the favor, that’s hurting her.

“Lies that arise from guilt tarnish the relationship; it’s a hurtful thing,” said Jiang Huaizhou. “No matter what my feelings are for her, I must find her.

“I must let her know that I know about everything she did for me. In front of me, her worries are all unnecessary. I won’t look down on her or dislike her because of what she did for me, not to mention look at her with a strange gaze.

“To me, it’s all part of her experience. Who won’t have a past when dating? That’s just a part of the experience. I don’t care, and she doesn’t need to care either. That experience won’t be able to affect me nor her.”

“Think about it carefully again.” Mrs. Jiang was calmer now. “You want to find her, and I am glad that you don’t mind her past. But what about in the future? Can you still not mind it?”

“All of Yujie’s worries arose because of you; she’s worried that you would feel guilty and won’t know how to face her. While feeling guilty because of her sacrifices, you will dwell on her past.

“I can totally understand her feelings,” said Mrs. Jiang. “And although B City is not small, it’s not big either. In the circle that we live in and socialize in, there will always be a place where we meet others.

“We will always meet people who know about Yujie’s past. Her ex-colleagues and the people she has met during a party when she attended events with Lu Qiyuan. And those neighbors in our old house. They will gossip about Yujie’s past.

“It looks like B City is so big, but actually, when socializing outside, we will always meet people we’re familiar with, or people who are related to those we’re familiar with.” Mrs. Jiang sighed.

“During that time, there will definitely be people who’ll talk about Yujie. At that time, can you still maintain your current attitude without changing? Once people talk about Yujie’s past and criticize her secretly and you see that, can you still be unaffected?”

“Yujie is not afraid of anything else, but she’s afraid of people’s words!” said Mrs. Jiang seriously. “You say that you don’t care now, but when so many people are talking about it, can you still not care?”

“I don’t care,” said Jiang Huaizhou firmly. “I am quite stubborn when it comes to certain things; you know that. Once I accept something, I won’t change my mind.”

“Even if you became successful and have many achievements?” asked Mrs. Jiang further. “You’re starting a business now. Yujie believes in your skills, and I do too.”

“Let’s not talk about what will happen if you don’t succeed. If there’s an opportunity to succeed, you will definitely grab hold of it. You won’t be unaccomplished your whole life, right?! Even if you’re willing to live like this for Yujie, Yujie still won’t accept you.

“And I believe that in such a short time, your career will bear fruit.”

Chapter 2929 How a Man Likes a Woman

“In the near future, your business will definitely succeed.

“In the future, your business will get bigger and bigger. When that time comes, you will be a famous person. More and more people will know about you, and they will also talk about Yujie’s past. They’ll look at you with strange eyes,” said Mrs. Jiang.

“When that time comes, will you still not mind?” Mrs. Jiang looked straight at Jiang Huaizhou.

“I don’t care,” said Jiang Huaizhou persistently. “You probably won’t believe me if I just tell you. However, I like Yujie, and I will always remember the reason people talk bad about her, so I won’t care.

“I like her how a man likes a woman. Besides, as I will always remember what Yujie has done for me, I won’t just like Yujie. I will also feel guilty and have mercy,” said Jiang Huaizhou. “With so many feelings stacking on each other, it’s impossible for my mind to change just because there are people talking about Yujie. “If there are really people who’ll gossip about Yujie, they are the ones at fault and who should feel ashamed! It’s their fault and not Yujie’s fault. How can I put the blame on Yujie?”

Mrs. Jiang’s expression twitched slightly and relaxed a little, as if she was convinced by Jiang Huaizhou.

But in the end, Jiang Huaizhou was just talking.

Before that time came, nobody would know.

The more care was given, the more messy it could become.

Mrs. Jiang was afraid that she would believe Jiang Huaizhou’s words and let Jiang Huaizhou get Jiang Yujie back.

And... and let Jiang Huaizhou confuse Jiang Yujie’s heart.

After listening so much, Mrs. Jiang also suspected Jiang Yujie probably liked Jiang Huaizhou.

That girl hid it in her heart as she was afraid of destroying her relationship with Jiang Huaizhou as siblings.

Other than this kind of passionate feeling, what could cause Jiang Yujie to make such a huge sacrifice?

If she knew Jiang Huaizhou also liked her, how could Jiang Yujie’s heart not be moved?

In addition, Jiang Huaizhou was moved right now and would definitely be good to Jiang Yujie, not giving up easily. In time, there would be a day when Jiang Yujie’s heart would be moved by Jiang Huaizhou.

The sweeter Jiang Huaizhou’s promise sounded, the happier their future looked.

In the future, if Jiang Huaizhou could not bear the gossip anymore and started regretting it...

He would start to shun Jiang Yujie. He would feel that Jiang Yujie had become his burden, but it was not a good time to break up, so he would drift further and further apart from Jiang Yujie. When that time came, what would Jiang Yujie do?

She would be miserable.

How much did she have to get hurt?

She sacrificed so much for Jiang Huaizhou, and in the end, she would still be the one getting hurt.

According to her understanding of Jiang Yujie, Jiang Yujie would still not blame Jiang Huaizhou even a tiny bit because of this.

However, everyone was now successful.

Mr. Jiang and Jiang Huaizhou reunited.

The injustice Jiang Huaizhou suffered had been corrected, and he was going to be successful in his career from now on. Then what would happen to Jiang Yujie? They were all so successful, but Jiang Yujie, who gave up the most, lost everything. Mrs. Jiang did not dare to bet.

Jiang Huaizhou watched as Mrs. Jiang's relaxed expression became firm all of a sudden.

"Whether or not I should tell you Yujie's whereabouts, it's up to Yujie. If she agrees and doesn't need you to find her, she will return when she chooses. If she doesn't agree..." Mrs. Jiang's mouth twitched as tears dropped down. "Then even if I tell you, Yujie will go to a different place immediately. "She has finally settled down somewhere. I can't let her wander around anymore."

Chapter 2930 There Will Be Nobody Else Who'll Love Me

Mrs. Jiang's eyes were red. "I am her mom, and I should be the person who is the most considerate to her. However, after so many years, I couldn't do anything, nor could I protect her.

"This time, I won't let her get hurt no matter what is said," said Mrs. Jiang.

She gave Mr. Jiang a glance.

This time, she was really mad and had resentment in her heart towards Mr. Jiang.

Things would never return to what they were.

Mrs. Jiang wiped her tears away. "For this family, for us, she has already done enough. She's still so young. She shouldn't be bearing all of this."

Mr. Jiang covered his face. He was too ashamed to face Mrs. Jiang and Jiang Huaizhou.

Even if Jiang Yujie returned, he would be too ashamed to face Jiang Yujie.

Mrs. Jiang was right. It was him who had forced Jiang Yujie away.

Mr. Jiang could not say a single word now.

He was too ashamed to say anything.

But whatever Mrs. Jiang could think of, Jiang Huaizhou could also think of.

He was afraid. He was afraid that after Jiang Yujie found out about him knowing the whole truth, she would be more unwilling to face him and would not let him find her.

Jiang Huaizhou took a deep breath and said, "I know that you won't believe me if I say this now. Before we get to that stage, I can't prove anything. However, I can swear it here." Mrs. Jiang looked at Jiang Huaizhou. Mr. Jiang also subconsciously removed his hands from his face as he raised his head to look at Jiang Huaizhou.

Then, Jiang Huaizhou said, "I swear that in the future, if I drift apart from Yujie just because of people's gossip, if I go against my own promise that I made today, if I make Yujie sad, no matter what the reason is, if she's sad because of me, then I will accomplish nothing and be ordinary my whole life. "No matter how much work I put in, it will be futile and my career will not bear fruit at all. I won't even be able to handle basic needs," said Jiang Huaizhou clearly, word by word.

Mrs. Jiang could even feel the weight of his words from the very tone of his voice.

"And I will be alone my whole life. There will be nobody else who'll love me," said Jiang Huaizhou softly. "If I do anything wrong against Yujie, I will never be loved by people again."

A vow like this was usually made on things that people felt contempt for.

However, if it's about people he cared about, he would give importance to the vow.

He was afraid that those curses would really come true.

And as he was swearing on things that he cared about, of course he also minded it.

But since Jiang Huaizhou said this, Mrs. Jiang trusted him more.

However, she still went quiet for a while and insisted, "But I still insist that we let Yujie make the decision."

Mrs. Jiang raised her head to look at Jiang Huaizhou. "She has the right to decide whether she wants to see you or whether she wants to come back."

Jiang Huaizhou paused for a while and said, "Okay."

After this happened, Mrs. Jiang was in no mood to cook dinner anymore.

After the three calmed down, Jiang Huaizhou could not help but rush Mrs. Jiang to call Jiang Yujie immediately.

"I want to listen from the side," said Jiang Huaizhou. "Mom, give me this chance. At least... at least let me hear her voice. I didn't expect that the call this noon would be..."

It might have been his last time hearing Jiang Yujie's voice and seeing her face.

If he had known...

He would have gone to the airport no matter what. Even if he could not have made it, he would have chased after her.
