

Mr Han 2951

Chapter 2951 Why Wei Wucai Wanted to Come Here Himself

So Wei Wucai came.

When Wu Mosen approached him, the female lead had not been decided yet.

But coincidentally, the female lead was Yan

Zhiqing.

Han Zhuofeng smiled and explained to Yan Zhiqing, “Big Sister Zhiqing, that can’t be right. In all this time, did you not know that Big Brother Xiao Cai’s company is Ledepic More?”

Han Zhuofeng did not mention it before because he thought that since Yan Zhiqing was in the acting industry, she should be familiar with Ledepic More.

Wei Wucai’s Ledepic More was a famous special effects company in the industry.

The ordinary audience might not be familiar with the companies behind the production of movies.

They might not even remember the names of all the directors, after all. They just knew about the few that were famous.

They could probably remember the movies of some of the other directors, but they might not know who filmed them.

As for the production teams behind them, it was even worse.

Ledepic More was extremely famous in the industry, but it’s not well-known to the general public. However, as an actress, Yan Zhiqing should be familiar with Ledepic More.

Ledepic More was the special effects team that was now at the very top in the country.

Because of the existence of Ledepic More, big productions in the country no longer required special effects teams from Hollywood.

They could create excellent special effects without having to look elsewhere.

Of course, this was related to funding.

Ledepic More would create effects that were worth the funds that you provided.

At Ledepic More, things with good quality did not come at a cheap price.

Of course, this was still cheaper than the ones provided by special effects teams from overseas.

However, when it came to movies made in the country, low-quality special effects were not due to the special effects teams in the country being terrible.

There were many big productions in which a few hundred million or even a billion were invested; among these, there were many exaggerations and gimmicks.

Furthermore, even if there was a 50% discount, most of the funds were used on the actors’ wages.

The money being invested into special effects was not a lot.

A lot of times, it was not that the special effects teams in the country were incapable, nor was the technology in the country worse than in others.

NOI

It was because of the common practice in the industry where the funds being used on the actual production of the movie were not a lot.

Facing Han Zhuofeng's doubtful gaze, Yan Zhiqing had a poker face. "Of course I know Ledepic More. I just didn't know that Wei Wucai is the boss of this company."

Shi Xiaoya thought in her heart that it was fate.

They could even meet like this.

"This time, the special effects of 'Left Right' would be done completely by Ledepic More. There are many scenes that require a green screen, so Big Brother Xiao Cai brought people here," explained Han Zhuofeng.

"In addition, there are some scenes that require special effects. They need to have models built beforehand so that the setting can be as realistic as possible. So Big Brother Xiao Cai came at the same time as us."

Yan Zhiqing's mouth twitched and she said, "Then... during the shooting, he will also need to be here?"

"It's a must. Given the setting that Director Wu wants, there will be adjustments needed at any time," said Han Zhuofeng. "So Big Brother Xiao Cai has to be here with his people all the time."

Of course, as the boss, Wei Wucai did not actually need to be here himself.

Who knew why Wei Wucai wanted to come here himself?

Han Zhuofeng did not tell Yan Zhiqing that.

After this, the five walked towards the private room inside.

On the way, Yan Zhiqing did not talk.

Wei Wucai and Han Zhuofeng led in front.

Chapter 2952 Rolled Up Her Sleeves, Wanting to Fight with Wei Wucai

Yan Zhiqing stared at the back of Wei Wucai's head and gritted her teeth. She looked as though she wanted to chew him up and eat him.

Shi Xiaoya feared for her life as she watched from the side. "I had no idea that Ledepic More is your company," said Yan Zhiqing at last. "Do not judge a book by its cover."

Wei Wucai raised his eyebrows and said without backing off, "I also didn't think that Director Wu would ask you to be the female lead for such a big production."

Yan Zhiqing was unhappy the moment she heard this. "What do you mean? Why can't he ask me to be the female lead? Do you think that I am not good enough?"

Wei Wucai could not help but smile.

He was not that bad at talking, but he could not help but want to see Yan Zhiqing's furious look.

He had noticed Yan Zhiqing being so quiet, as though she had nothing to say to him.

So Wei Wucai was unhappy.

They knew each other, right?

How could she be so cold?

Seeing that Yan Zhiqing did not want to talk to him, Wei Wucai had felt frustrated inside.

As for why he felt frustrated, Wei Wucai did not think of it.

He just could not stand the idea of Yan Zhiqing not talking to him.

Even if she was furious with him, he would be

happy.

He felt that Yan Zhiqing was just being energetic that way.

He felt that Yan Zhiqing should not be this cold to him.

He even wanted to purposely tease Yan Zhiqing until she was furious. Looking at her angry face was interesting too.

As expected, that one sentence had enraged Yan Zhiqing.

She was stomping her feet in anger.

A face that was sweet and beautiful had been painted red by anger. Her eyes widened and were shiny.

Wei Wucai could not help but smile. Even his eyes were laughing. Yan Zhiqing was furious. "You're still smiling?! You don't think anything of my acting skills?!"

"You're mistaken," said Wei Wucai, smiling. "I am just surprised. I didn't expect that I could collaborate with you."

"Hmph!" Yan Zhiqing did not believe him at all. "It didn't sound like you were surprised at all."

Wei Wucai suddenly stopped. As he was a lot taller than Yan Zhiqing, just by standing normally, he could look down at her.

non

Wei Wucai smiled slightly and said, "It's just courtesy. I didn't mean to offend you. There's no need to take it so seriously."

Yan Zhiqing was speechless.

She almost cursed at him.

She rolled up her sleeves, wanting to fight with Wei Wucai

Shi Xiaoya saw that things were not going well and immediately held Yan Zhiqing back. "Zhiqing, Mr. Wei was just joking. He's joking, okay!"

"Hmph!" Yan Zhiqing did not want to embarrass Shi Xiaoya, so she did not stoop to the same level as Wei Wucai.

Wei Wucai saw that he had really angered Yan Zhiqing, so he said, "I was just kidding."

"No need to force yourself to take it back." Yan Zhiqing pouted and turned her head away from Wei Wucai.

Han Zhuofeng poked Wei Wucai, giving him a few looks.

How could he make a girl so angry?! No matter how cold Han Zhuoling was usually, the most he did was just ignore people.

He did not purposely anger others. Wei Wucai did not know what was wrong with him. He just wanted to see Yan Zhiqing's angry look after he saw her.

Even he thought that he had problems.

Seeing how furious Yan Zhiqing was, Wei Wucai also felt like he had crossed the line.

Chapter 2953 His Right Fingers Moved Towards Yan Zhiqing Inch by Inch

Usually, there were also times when his words were harsh, but that was because the other person started it.

Since the other person was not being courteous, there was also no need for him to be courteous. However, with Yan Zhiqing, he had crossed the line.

Wei Wucai walked to Yan Zhiqing's side.

While Yan Zhiqing was not paying attention, Shi Xiaoya politely gave him space immediately and stood with Han Zhuofeng.

The two slowly moved back, trying their best to reduce their presence until they were in a corner.

"Sorry," said Wei Wucai to Yan Zhiqing in a soft voice. "I didn't watch my words and my joke crossed the line."

Yan Zhiqing froze. She did not think that Wei Wucai would take the initiative to apologize to her.

She thought that with Wei Wucai's temper, not only would his words be harsh, but he would also not apologize even if he were to die.

Yan Zhiqing was the type to respect others based on how they respected her.

If they were not courteous to her, she would not be courteous either. She would hate that person.

However, if the person apologized politely, not only would Yan Zhiqing think that she did not win, but she would also feel more embarrassed.

She would wonder whether she had made a big deal out of a small matter. Right now, Yan Zhiqing felt a little remorseful. Her reaction was perhaps too disproportionate.

emo

She did not know why either. Although she was not someone who could hold it in, she would not be furious just because of a small matter.

Wei Wucai's apology made Yan Zhiqing feel uncomfortable. "I... I'm in the wrong too. I made a big deal out of it."

Wei Wucai could not help but smile. In the past, Yan Zhiqing and Yan Beicheng were not close. They even had misunderstandings between them, so they did not get along well. During that time, the Mount Lan Compound had Yan Zhiqing's information.

Back then, in Wei Wucai's eyes, Yan Zhiqing was a stubborn and stupid person.

Even later on, when Yan Zhiqing and Yan Beicheng made up, Wei Wucai's impression of Yan Zhiqing still did not improve.

In his mind, Yan Zhiqing was still that stubborn and arrogant girl.

However, when they interacted later on, he found out that it was not true.

Her temper was indeed not really good, but as long as nobody angered her, she would not bully others.

But Yan Zhiqing's background had already decided that she was not an easy target to be bullied.

If anyone dared to bully her, she would promise that the last person crying would definitely not be her.

A temper like this was actually pretty cute.

She was clear about whom to love and whom to hate, extremely magnanimous, and not pretentious at all.

As Yan Zhiqing had weakened in an instant, her already sweet and beautiful face looked even softer now.

The corners of Wei Wucai's mouth curved upwards subconsciously, and his hand was even itching to touch Yan Zhiqing's furry head.

Now, as if his eyes had been dazzled, he suddenly thought that Yan Zhiqing looked like a doll.

Wei Wucai's hand twitched. His left hand was not able to hold his right hand back.

And right now, Yan Zhiqing was feeling embarrassed. Her head was lowered, so she did not see Wei Wucai's hand, which was ready to stir up trouble.

Shi Xiaoya and Han Zhuofeng, the siblings-in-law, stood together and watched Wei Wucai's hand closely while holding their breaths subconsciously.

Han Zhuofeng felt impatient due to Wei Wucai's slow movement, and he whispered, "Hurry up, Brother! I don't usually see you dilly-dallying like this!"

Shi Xiaoya also silently cheered for Wei Wucai. "Faster! Come on! If you're too slow, you won't be able to find a partner!"

Chapter 2954 Was About to Touch Her

Wei Wucai's hand was about to reach Yan Zhiqing's hair.

Han Zhuofeng and Shi Xiaoya held their breaths and watched in anticipation.

"Zhiqing." A girl's voice rang out.

Wei Wucai quickly retrieved his hand.

Yan Zhiqing did not notice a thing. Turning around, she saw Lu Xiuse walking over.

Shi Xiaoya had never seen Lu Xiuse before, but because of the Turbo incident, Lu Xiuse had made it to the top search results.

Hence, Shi Xiaoya wasn't unfamiliar with her.

She could identify her with a single glance now.

She sighed and turned to lecture Han Zhuofeng using Wei Wucai as an example. "See, that's the result of being slow and hesitant."

Han Zhuofeng: "..."

Why was she telling him this?

Shi Xiaoya continued, "Next time, if you meet a lady you like, don't be so indecisive that you miss out on your chance."

"Sister-in-law, are you sure Xiao Cai likes Zhiqing?" Han Zhuofeng asked. "No, wait. This is about Xiao Cai's matter. Why are you telling me this?"

Shi Xiaoya motioned towards Wei Wucai with her pursed lips. "He was about to touch Zhiqing without permission. If it's not because he liked her, was it because he was planning to become a molester?"

"Moreover, Zhiqing's such a sweet girl. Wei Wucai is blind if he didn't like her."

Han Zhuofeng felt that Shi Xiaoya was just overlooking the woman's shortcomings. Yan Zhiqing was not bad, but not to the extent that she'd be liked by everyone, right?

There were plenty of good ladies around, but none would be able to make every guy fall for them!

"Then tell that to Xiao Cai! What's this got to do with me?" Han Zhuofeng said innocently.

“It’s a lesson to be learned!” Shi Xiaoya said softly. “Don’t think you can have it easy just because you’re young now. Look at your Brother Qian. He surely thought he had enough time and wasn’t anxious, but isn’t it difficult for him now?”

“So you’ve got to pay attention now. Even if you don’t have anyone in mind, you’ve got to accumulate experiences. Otherwise, you’d be screwed when the time comes for you to shine.”

Han Zhuofeng was speechless.

Han Zhuofeng thought coming here was an escape from home.

Back home, Old Mrs. Han and Lin Liye would lecture him about getting a girlfriend every time they saw him.

They used Wei Zhiqian as an example to scare him.

Now that he’s finally out of the house and free from nagging because of work, who knew Shi Xiaoya would actually take over the role!

“Sister-in-law.” Han Zhuofeng turned to Shi Xiaoya with a look of betrayal. “You’ve changed!”

Shi Xiaoya sighed. “It’s not me who’s changed. It’s Grandma and Mom who told me to do it. They know we’re working in the same production team, so they asked me to pay attention and see if you liked anyone.”

Han Zhuofeng was speechless.

“If there’s no one?”

Shi Xiaoya looked at him pityingly. “If there’s no one, then I’m to nag at you.”

Han Zhuofeng was speechless. Shi Xiaoya clapped Han Zhuofeng’s shoulder in condolence. “Don’t blame me for being heartless. It’s because Grandma and Mom gave me a mission. And with Wei Zhiqian’s painful experience before you, you’ve got to learn!”

Han Zhuofeng was speechless.

“Enough of this. Let’s go to Zhiqing.” Han Zhuofeng quickly diverted the subject, obviously wanting Shi Xiaoya to stop with the headache-inducing topic.

Chapter 2955 Wei Wucui’s Eyes Twitched

“That Lu Xiuse had a conflict with her before.”

How could Shi Xiaoya not know his aim? She grabbed his arm, stopping him. “Don’t worry. Isn’t Wei Wucui right there? It’s a rare chance for him to shine!”

Han Zhuofeng smacked his head. “Right, right. I’ve forgotten about that. Sister-in-law, who knew you were an expert at matchmaking!”

“Let’s go.” Shi Xiaoya dragged him along. “Though we’re letting Wei Wucai have the opportunity to help her, we still have to watch by the sidelines, don’t we? What if he doesn’t have enough experience?” Han Zhuofeng looked at Shi Xiaoya, thinking she wasn’t suited to fight anyone either.

“What are you looking at? If Wei Wucai proves to be inexperienced, you’re definitely up,” Shi Xiaoya said heartlessly.

Han Zhuofeng was speechless.

Why, after his two brothers had married, was he still the one suffering the most?

Pushing aside Han Zhuofeng’s misery, the two crept silently along the wall, watching Yan Zhiqing and Wei Wucai.

The corners of Wei Wucai’s eyes twitched. The place’s corridor wasn’t spacious by any means; there’s nowhere to hide.

Even if both of them stuck themselves to the wall, they were still obvious. Did they think themselves invisible?

Meanwhile, Lu Xiuse saw Yan Zhiqing standing with Wei Wucai.

She quickly recognized who Wei Wucai was.

He was the man they saw when they were eating with the leaders of Trubo and Yan Zhiqing went berserk suddenly.

Because it was too chaotic, Lu Xiuse didn’t take much notice of Wei Wucai.

Then she saw Luo Qingxian talking to Wei Wucai in front of their room.

She was familiar with Luo Qingxian. And so, from Luo Qingxian, she knew that Wei Wucai was from the Wei Family/

But Luo Qingxian seemed to have hinted that Wei Wucai wasn’t held in high regard, or even any regard, in the Wei Family.

Hence, Lu Xiuse lost any interest in Wei Wucai.

Most importantly, Lu Xiuse already had her own “sugar daddy.”

After the Trubo incident, Yan Zhiqing had released the photos of the meal.

Her backer saw them and was extremely dissatisfied with her.

Almost dumping her, even.

It took Lu Xiuse much effort to finally placate her backer.

It’s not that she was good at cajoling others.

But her investor had need of her too. She’s rather famous within the circle, proven by her ability to challenge Yan Zhiqing. Hence, her investor was willing to bring her out during business deals and whatnot.

Letting her eat with them.

And at times, even spending the night with the other big bosses.

She was like a tool to her backer.

Because she was obedient enough and knew her boundaries, she helped him to a large extent.

Hence, her backer was very pleased with her and was willing to forgive her this time.

Within this period, Lu Xiuse had not dared to commit any wrong again. Otherwise, her backer would give up on her and she wouldn't be getting good opportunities like the one she had now.

Previously, when the scandal was making waves but she remained unaffected, with work offers still coming along continuously, it was all due to her backer's efforts.

Unless she was sure she could attract a better backer, Lu Xiuse wouldn't do anything out of line.

Hearing how Luo Qingxian had looked down on Wei Wucai, Lu Xiuse didn't turn her attention to him.

Wei Wucai was incapable. He wasn't useful to her.

Why would she waste the time?

Yes, Lu Xiuse did want to get to know the other Wei Family members through Wei Wucai.

Chapter 2956 What a Coincidence

But since Wei Wucai didn't have any status at home, then depending on him was useless.

Even if she planned on stepping on Wei Wucai to get near his family, it wasn't something to be rushed.

It's not impossible, just difficult.

Hence, Lu Xiuse didn't dare to risk it. Even if she initially wanted to try her luck with Wei Wucai, she quickly pushed the notion away.

It was unexpected that Yan Zhiqing seemed to be on good terms with Wei Wucai.

Wei Wucai was also the one who had helped Yan Zhiqing last time.

And now, both of them were eating at this restaurant together?

Wei Wucai's looks were rather attractive.

She's rather envious of Yan Zhiqing. Unlike her, who had many things to consider, Yan Zhiqing lacked nothing, so she could go for someone she liked.

"What a coincidence. What are you doing here?" Lu Xiuse asked with a smile.

Given how cordial she was being, any unrelated person watching wouldn't have any idea that Lu Xiuse had previously had a serious conflict with Yan Zhiqing.

Yan Zhiqing also assumed that since she had fallen out with Lu Xiuse, she didn't need to stomach Lu Xiuse's hypocritical face anymore when they met.

Yan Zhiqing was a direct person. She'd rather encounter Lu Xiuse's cold face.

Even if Lu Xiuse were to diss her, Yan Zhiqing would just diss her right back.

It's much better than seeing the fake front that Lu Xiuse was putting up now. Because if Yan Zhiqing dissed her like this, others might think she was a difficult person to be around

Yan Zhiqing was utterly frustrated. Plastering on a fake smile, she said, "Oh, it's Sis Xiuse. You too, what are you doing here?"

"I'm filming nearby, and the crew is having dinner here," Lu Xiuse replied. "You?"

"What a coincidence. I'm filming nearby too, so we planned to eat here."

Lu Xiuse paused, recalling the official casting list of Wu Mosen's "Left Right."

Yan Zhiqing was the female lead.

Lu Xiuse was very jealous when she saw it.

She hated how strong Yan Zhiqing's background was. She could get any character she wanted to play.

She could get a role easily even in Wu Mosen's film, as if her family had invested in it.

And it was even the female lead role.

Others couldn't even get any roles even if they tried, yet it was all just a matter of asking for Yan Zhiqing.

Lu Xiuse refused to believe that Yan Zhiqing got chosen through her own merit without banking on her family.

She hadn't thought clearly about it. If Yan Zhiqing really relied on her family, would Lu Xiuse have succeeded in snatching Yan Zhiqing's offers?

Even with her backer, would she have defeated the Yan Family?

It was because Yan Zhiqing didn't let her family interfere. Lu Xiuse's face twisted into an ugly grimace for a moment.

She had tried fighting for a spot in this movie, but Wu Mosen had rejected all actors who got their roles because of their investors.

He only agreed to let her audition once.

If she was suitable, he'd give her a role. If not, she'd have nothing.

And the character wasn't one Lu Xiuse could pick.

Only Wu Mosen could decide which role she could play.

Lu Xiuse had heard then that Yan Zhiqing was also in the competition, but she hadn't known if she was chosen or for which role.

Lu Xiuse naturally went for the role of Yan Jiayin.

But Wu Mosen only let her play the role of the dancer Ying Ying.

Chapter 2957 You Don't Mind, Do You?

Wu Mosen felt Lu Xiuse had the acting skills.

Nowadays, good actors had their own characteristics.

As long as they had the chops, no role was off-limits to anyone.

However, to Wu Mosen, Lu Xiuse's charisma was not ethereal enough for the character Yan Jiayin no matter how good she was.

And she was slighter older than the required age. Many actors also had clashing schedules.

Even Wu Mosen could not gather all of his preferred actors.

Similarly, many wanted to get in but couldn't.

As it was, some earth cracked in droughts, others flooded from rain.

Lu Xiuse's acting actually passed his standards.

Hence, Wu Mosen gave her the role of the dancer Ying Ying

Lu Xiuse was unlucky though. She had just gotten the role but hadn't signed all the relevant contracts yet when the scandal about her being an escort got exposed.

Though her scandal would have long been forgotten after the movie got made, passed appraisal, and got scheduled screentime, Wu Mosen didn't want such uncertainty to affect his movie's word-of-mouth and popularity.

There were plenty of actors anyway. It didn't have to be Lu Xiuse.

Hence, Wu Mosen replaced this actor in a snap.

Because of her time as an escort at Turbo, she lost a precious chance. How could she not harbor hatred?

And now, Yan Zhiqing got chosen for Wu Mosen's film.

Not only that, but she was even the female lead.

They were all filming in the same place. Yan Zhiqing was with her big production.

While she only got to do a rom-com.

Both movies could even have the same showtimes.

The attention garnered by both was destined to be different.

Lu Xiuse smiled and said, "That really is a coincidence. Since I'm here, let me say a quick hello to your production crew. It might seem impolite if I knew others were here but I did not go and greet them."

Lu Xiuse paused, smiling at Yan Zhiqing. "You don't mind, do you?" "Of course not," Yan Zhiqing replied good-naturedly. "You came at just the right time. Director Wu is here too."

Lu Xiuse got a shock for real.

She never expected Yan Zhiqing to raise this up.

Was Yan Zhiqing so big-hearted? What Lu Xiuse failed to understand was that Yan Zhiqing had thought it through. Her movie "Left Right" was filming nearby, and so was Lu Xiuse's movie.

The two were in close proximity, so Lu Xiuse would have known about it sooner or later.

No one could stop her from approaching Wu Mosen.

And really, why stop her?

Putting the current chance aside, could she really stop Lu Xiuse if there were more chances in other places? Yan Zhiqing didn't think that stopping Lu Xiuse from seeing Wu Mosen would prevent her from filming Wu Mosen's movie.

Similarly, she felt that Lu Xiuse wouldn't get any benefits even if she approached Wu Mosen.

Given Wu Mosen's status, there were countless people trying to approach and gain benefits from him.

Whether it was starring in his movies or making use of his connections to gain other offers, Wu Mosen had seen more than his fair share of such instances, and not everyone succeeded.

No matter how hard Lu Xiuse tried, it's all up to Wu Mosen's decision.

If Lu Xiuse had the ability to convince Wu Mosen, would the role of the dancer Ying Ying have gone to another?

Chapter 2958 Who's in a Relationship with Him?

So he's "afraid of affecting the audiences' impression of the movie"?

Indeed, this stemmed from his cautiousness.

If necessary, Wu Mosen could have shouldered this almost negligible risk.

But just because of this scandal, Wu Mosen didn't use her.

Lu Xiuse still wished to ride on Wu Mosen's coattails?

Yan Zhiqing didn't think Lu Xiuse had a chance of succeeding.

So what was there to prohibit?

As if making things hard for Lu Xiuse could give her any benefits.

Yan Zhiqing wouldn't do such useless things that would harm others without benefit to herself.

Lu Xiuse was actually anxious to meet Wu Mosen.

But seeing how Yan Zhiqing wasn't stopping her, Lu Xiuse wasn't in a hurry anymore.

Yan Zhiqing was naturally going to eat with Wu Mosen. If Yan Zhiqing wasn't anxious, then she wouldn't be either.

Now, her attention turned to Wei Wucai.

Lu Xiuse was curious. "Zhiqing, you're bringing your boyfriend to your production crew gathering?" Yan Zhiqing paused before realizing that by "boyfriend," Lu Xiuse was actually referring to Wei Wucai.

Yan Zhiqing's first instinct was to say, Who's in a relationship with him?!

What's with Lu Xiuse's look!

Yan Zhiqing was about to explain when Shi Xiaoya pushed Han Zhuofeng forward.

A person suddenly bursting out freaked Yan Zhiqing and the other two.

Her explanation was left forgotten.

Han Zhuofeng was also stunned.

Why was he always the one suffering!

His sister-in-law... Why did his sister-in-law push him forward! The Youngest Master Han was so innocent!

Just then, Shi Xiaoya hurried over too, smiling. "Mr. Wei is handling the special effects for our film."

Shi Xiaoya made no mention of the company being Wei Wucai's, or that it was Ledepic More. Lu Xiuse knew her stuff, after all.

Wouldn't it be bad if she learned of that?

Wei Wucai was from the Wei Family. His special effects company was leading in the local industry, even on the way to being one of the top five global special effects companies.

The special effects company might be in the middle of the production process, but they had impressively wide connections.

They were familiar with many famous directors.

If Lu Xiuse knew this, wouldn't she be adjusting her cuffs and personally hang on to Wei Wucai, never letting go?

True, Wei Wucai seemed to be incapable of finding a partner and extremely incapable of understanding love. For sure, he would ignore Lu Xiuse.

But Lu Xiuse's actions would still be annoying, wouldn't they?

Hence, Shi Xiaoya cleverly gave an ambiguous answer regarding Wei Wucai's ability.

This was to make Lu Xiuse misunderstand.

Lu Xiuse already had a prior impression of Wei Wucai.

Plus, there was what Luo Qingxian had told her. Lu Xiuse thus thought that Wei Wucai was just an average man.

Who could have guessed Luo Qingxian would keep some things secret from her?

Luo Qingxian did not trust Lu Xiuse.

For one, there were Lu Xiuse's private affairs.

And she naturally couldn't tell Lu Xiuse her suspicions about Wei Wucai.

Luo Qingxian herself hadn't even gotten a full understanding of Wei Wucai.

It's just that the more she thought about it when she went back, the more she felt she had been bluffed by Wei Wucai.

Wei Wucai really did not look like someone incapable.

And he was on good terms with Yan Zhiqing.

Yan Zhiqing was the main Yan Family's young lady.

How could she be with anyone incapable?

Thus, Luo Qingxian had her doubts about Wei Wucai.

Chapter 2959 How Jealous

Then, Lu Xiuse came asking about him, so Luo Qingxian became alert and didn't tell Lu Xiuse the truth.

She had criticized Wei Wucai to the best of her ability.

Recalling how Wei Wucai had ignored her and appeared completely uninterested in her made her even angrier.

Hence, she further bashed him.

It made Lu Xiuse misunderstand completely.

With this prior impression, and hearing Shi Xiaoya's vague introduction, she followed Shi Xiaoya's lead and thought Wei Wucai was just a normal employee making special effects.

Hence, her gaze withdrew from Wei Wucai.

Wei Wucai was handsome.

But handsome faces were rampant in the entertainment industry.

Her backer was a middle-aged man lacking somewhat in the looks department.

She simply had to close her eyes and bear with

When she was filming outside, she'd satisfy herself with the male actors in the same production.

She considered that a consolation for staying beside a backer who was burning her eyes. Hence, Lu Xiuse had met many attractive people and wasn't very affected by Wei Wucai's face.

But seeing Yan Zhiqing with Wei Wucai made her think that as the Yan Family's young lady, Yan Zhiqing already had it all and was pursuing true love.

Wei Wucai's abilities didn't matter.

But Lu Xiuse had always been against Yan Zhiqing, and she couldn't bear seeing her have things go her way every time.

To be able to like someone without caring about anything else, just liking him for the sake of it.

How simple and direct. How they make others jealous!

She recalled how Luo Qingxian had seemed reluctant to let go of Wei Wucai.

Hearing her words, it seemed as though Wei Wucai was rather plain, like it wasn't up to him to reject her.

When it comes to rejection, it should have been Luo Qingxian who rejected Wei Wucai.

Who was Wei Wucai to ignore her first?

Even if it was just to show attitude, it should have been Luo Qingxian that did it.

Hence, Luo Qingxian wanted to defeat him once.

Otherwise, others would say she was rejected by Wei Wucai. How embarrassing was that?

Thus, Luo Qingxian was unable to get Wei Wucai out of her mind. Because of this, Lu Xiuse did not suspect Wei Wucai of having other unique abilities.

Knowing Luo Qingxian's mentality, she had a plan.

She pushed it down, her face betraying nothing

Lu Xiuse said, "Should we go meet Director Wu first?"

Yan Zhiqing snarked internally about how Lu Xiuse was really impatient.

Even if she wanted to curry favor with Wu Mosen, was simply ignoring the rest of her filming crew without a greeting a good thing?

If the crew from Lu Xiuse's film heard about it, would they feel good about that?

Things would be even more interesting if Lu Xiuse's director was there too.

Thinking about this, Yan Zhiqing secretly texted her assistant Fang Qiaohan. "Is the paparazzi here today?"

A reply soon came. "Yes. It's Director Wu's movie, so it's popular, and the actors involved are all famous. There's naturally a few teams of paparazzi following us."

Yan Zhiqing had never had any scandals, so Fang Qiaohan and her manager Mou Danqiong never feared the paparazzi stalking Yan Zhiqing and exposing any bad news. And so, they never specifically told Yan Zhiqing about paparazzi following her on a given day.

Chapter 2960 Scheme

On the contrary, it's the paparazzi who would give up first after tailing Yan Zhiqing for a long time without scoring any news.

If Yan Zhiqing was alone today, there really wouldn't have been anyone following her.

It's not that she wasn't famous. It's that there really wasn't anything worth reporting.

Yan Zhiqing really wanted to thank her costars for the fact that there was paparazzi here today.

"Who's there? Are there ones we're more familiar and on good terms with?" Yan Zhiqing asked.

"Give me a moment, I'll go and ask." Fang Qiaohan went to do so.

It's an easy task, finding a paparazzi she's familiar with

Even if they weren't following Yan Zhiqing, they were all in the same business, so they knew who was over here doing what.

Indeed, she got her answer soon enough.

She instantly told Yan Zhiqing, "The Liu Liu team that we're more familiar with isn't here, but there's Da Xiong's team who's good friends with Lu Man."

Yan Zhiqing was buddies with Lu Man, so Fang Qiaohan had noticed that Da Xiong's team was here immediately.

"That's great. Contact Da Xiong, and I'll notify Lu Man to contact Da Xiong too. Let him take more pictures when we're eating, mainly of Lu Xiuse," Yan Zhiqing said. "It'll be better if the others are not in the picture. They just have to make Lu Xiuse stand out.

"In particular, that she's eating with our team. I'll make Lu Xiuse sit beside me. Have Da Xiong snap a picture of me and Lu Xiuse." Yan Zhiqing had typed all this furiously.

Yan Zhiqing knew her boundaries.

She's scheming to make Lu Xiuse suffer.

But she didn't want to drag others down.

If she schemed against Lu Xiuse and others got dragged into the scandal, they'd surely have some complaints about her even if they didn't tell it to her face.

They didn't offend or make trouble for her, so she didn't wish to do that to them either, especially not to Wu Mosen.

Thus, Yan Zhiqing added that line.

Having been her assistant for quite some time, Fang Qiaohan knew what Yan Zhiqing meant. "Okay, I got it." Fang Qiaohan noted it and went to contact Da Xiong.

Yan Zhiqing didn't stop there.

With Lu Xiuse around, she couldn't call Lu Man easily.

Hence, she also texted her.

Lu Xiuse had made trouble for her numerous times, and now that she had a chance to retaliate, she'd never let go.

This was handed to her on a silver platter by Lu Xiuse herself.

Yan Zhiqing didn't waste any time, directly sending her objective in a large chunk to Lu Man without even asking if she was available.

She thought she needed to wait for her reply.

Unexpectedly, Lu Man's answer came in a second.

Lu Man didn't think Yan Zhiqing was harming others.

Lu Man knew about all the things Lu Xiuse had done to Yan Zhiqing.

She never thought of Yan Zhiqing as a saint who'd show no reaction when others bullied her to her face.

She knew she might want to fight her own battles without her family's help. It's just that she hadn't caught Lu Xiuse in a misstep yet.

Though the dinner-escort issue was one, it did not impact Lu Xiuse greatly as the news soon got suppressed by someone. The silent way it had ended made even Lu Man feel rather sour, much less Yan Zhiqing.
