

Mr Han 2961

Chapter 2961 Carried to the Wall by Wei Wucui

She received Yan Zhiqing's message. It had no mention of the problem between Yan Zhiqing and Lu Xiuse. But even if Yan Zhiqing did not provide a reason, Lu Man would still help her.

She knew that Yan Zhiqing was not a person who would simply bully and plot against someone.

Lu Man did not dare to delay any further and immediately contacted Da Xiong.

Da Xiong was chatting with Fang Qiaohan.

He knew that she was Yan Zhiqing's assistant, and he also remembered the matter about Lu Xiuse last time, which Lu Man had helped to deal with.

He guessed that Lu Man's relationship with Yan Zhiqing must be good, so he was polite to Fang Qiaohan.

When he got Lu Man's call, he did not delay and answered immediately. "Okay, this is not a big deal. Leave it to me."

Then, Lu Man replied to Yan Zhiqing.

Lu Xiuse only saw that Yan Zhiqing was chatting with someone on WeChat the whole way. She did not know that Yan Zhiqing was plotting against her in front of her.

Yan Zhiqing did not even raise her head. All her attention was on the phone. She did not even see the waiter that was pushing a food cart towards her.

On the food cart were many plates, and on the plates were leftovers.

Those were leftovers from the customers' orders.

Yan Zhiqing's attention was on the phone and she did not see it. She walked straight ahead.

Lu Xiuse saw it, but she did not want to warn Yan Zhiqing.

She wanted Yan Zhiqing to fall and be embarrassed.

She saw that Yan Zhiqing did not look like she had seen it.

Yan Zhiqing was focusing on chatting with Lu Man. Suddenly, a soft warning sounded by her ear. "Be careful." Yan Zhiqing froze, and just as she raised her head, she was pulled aside by someone.

Before Yan Zhiqing could react, she was already pulled into Wei Wucui's arms.

She was backed onto the wall by Wei Wucui.

As someone from the Mount Lan Compound, Wei Wucui was agile.

The series of movements were done in a flash.

Otherwise, Yan Zhiqing would have been able to react.

But while her mind was still blank, she had already been brought to the wall by Wei Wucui.

Yan Zhiqing looked shocked as she blinked rapidly.

After a while, she was finally able to react. Then, she heard Wei Wucai's reprimanding voice. "Since when were you in the habit of chatting while walking?" Yan Zhiqing lowered her head. It was indeed her fault, so she lowered her head honestly.

Wei Wucai strangely felt that Yan Zhiqing was adorable this way.

She looked powerful usually, but when she was wrong, she would admit it. This trait of admitting her wrongs was excellent.

However, although Yan Zhiqing's attitude was good, it did not mean that Wei Wucai would let Yan Zhiqing off the hook that easily.

Yan Zhiqing heard Wei Wucai say sternly, "The corridor is so narrow, and it's cramped due to people walking here and there. Forget about running into a waiter, that's negligible. If you run into a drunk person, won't you get into a lot of trouble?"

"It's fine if you bumped into those who have a good drinking character. If it's someone who doesn't, they will go crazy in their drunken state and trouble you. Or what if you meet those who become horny when they're drunk?"

"Not to mention, you're a public figure. Many people are curious about celebrities. If they do something out of line or impolite, or if they take advantage of you after seeing you, what would you do?"

Yan Zhiqing was a gorgeous and vulnerable woman.

Thankfully, there were many people around her today.

Given her unguarded personality, if she was alone, would she not suffer?

Chapter 2962 Only Had Eyes for Yan Zhiqing

Thinking about this, Wei Wucai got angry and could not stop scolding her.

Yan Zhiqing was getting a headache from his nagging "I understand my mistake..." murmured Yan Zhiqing softly. Knowing that she did something wrong, she did not dare to raise her voice confidently. She drew back her neck like she was a tiny quail.

In Wei Wucai's eyes, she was so well-behaved.

What she meant by her words was that she already knew she was wrong, so he should stop nagging.

She was saying that he was naggy.

Without even thinking about it, Wei Wucai extended his index finger and poked her forehead.

He did not dare to use a lot of strength, remembering that he had to do it lightly.

But even so, his fingertip left a red mark on her white forehead.

It was as if she was hurt by it.

Wei Wucai frowned instantly. "Did I hurt you?"

He saw that Yan Zhiqing's head had tilted back.

Wei Wucai clearly did not use a lot of strength. Looking at Yan Zhiqing's reaction, he even felt that he had used a lot of strength.

He immediately took back his hand and looked at his index finger blankly. Suddenly, he came to his senses. He... he seemed to have touched Yan Zhiqing's head?

Before Lu Xiuse arrived, he had wanted to touch Yan Zhiqing's head.

In the end, he was interrupted by Lu Xiuse's arrival.

Unexpectedly, it was just naturally fulfilled.

Wei Wucai was a little blank.

Yan Zhiqing blinked a few times, looking at Wei Wucai's rare blank look.

She suddenly felt that this man was not always harsh with words, it seemed; there were also times when he was dumb and cute.

"It... it didn't hurt..." Yan Zhiqing touched her own forehead where he poked it. It was a little hot.

"But I really know I am wrong," said Yan Zhiqing.

Her voice was soft and sweet.

It was like a soft cake.

Wei Wucai sighed and said, "I didn't want to nag you; I just want you to remember next time."

Yan Zhiqing nodded quickly. "I'll remember it. Really."

The interactions between the two were seen by Lu Xiuse, and she became more certain about her guess that these two were dating. Even if the two had not reached the stage of dating yet, they were at least at the ambiguous stage where they had feelings for each other.

Shi Xiaoya and Han Zhuofeng hid at the side as they watched the interactions of the two.

Shi Xiaoya covered her mouth as she was smiling too much.

Yan Zhiqing had not realized that she was still in Wei Wucai's arms.

After Wei Wucai carried her to avoid the food cart just now, he kept holding her like that, without letting go.

Did Yan Zhiqing feel that something was wrong? Seeing she was so well-behaved, Wei Wucai's gaze fell on Yan Zhiqing's face, forgetting to move away. He was a little stupefied.

"Sorry!" The waiter, who was pushing the cart, walked over to the side of Yan Zhiqing and Wei Wucai.

Shi Xiaoya could not even stop it even if she wanted to. She had to watch such a good mood between Yan Zhiqing and Wei Wucai be destroyed abruptly.

Shi Xiaoya beat her chest and gritted her teeth, blaming herself for being too slow.

“So sorry. You’re not hurt, right?” said the waiter immediately.

The waiter woke up the two completely.

Previously, Yan Zhiqing had been nagged so much by Wei Wucai that her mind became a mess, so she could not think of other things.

As for Wei Wucai, he only had eyes for Yan Zhiqing, so he did not see others.

Chapter 2963 Wei Wucai Coughed Awkwardly

Suddenly, a third person appeared.

The two turned around fiercely and saw the apologetic expression of that waiter. Yan Zhiqing came back to her senses. She had been in Wei Wucai’s arms all this time.

She did not feel it before, but now, she felt that her lower back was burning. It was because Wei Wucai’s palm was sticking to her lower back.

The heat from his palm passed through her shirt to her skin.

Yan Zhiqing’s expression changed, and she stepped back immediately.

But Wei Wucai seemed to have forgotten about this. His hand was on her lower back, with his arm around her.

Even if Wei Wucai seemed like he was unconsciously doing it, Yan Zhiqing still could not get out.

His arms were like iron right now, hard and strong. Yan Zhiqing’s eyes twitched. She realized that because his arm was around her waist, the two of them were extremely close, and her hands were holding on to his body too.

Right now, her hands were holding on to the two sides of his waist.

Wei Wucai was tall and had long legs. Even his waist was a lot higher than hers.

Yan Zhiqing also did not think much of it just now. She had simply chosen a place she could grab instantly.

Who knew that it would be his waist?

Although she was holding his shirt, this position was too intimate.

Seeing that Wei Wucai had no intention of letting her go, Yan Zhiqing pursed her lips and poked his waist.

She remembered that Wei Wucai had trained at the Mount Lan Compound since he was young. He must be well-built.

Afraid that her poking would not affect him, after poking once, she even pinched him!

Wei Wucai was speechless.

Even if Wei Wucai was well-built, he could not take it if Yan Zhiqing just treated him like something without flesh and blood. It was so painful that his eyes were twitching, but he could not show it in front of Yan Zhiqing. So on the surface, he did not show any reaction; he did not even pant.

Then he saw Yan Zhiqing narrowing her eyes while saying softly, "Let me go!"

Wei Wucai was speechless.

Only then did he realize he was still holding Yan Zhiqing.

The feeling of hugging Yan Zhiqing...

She was so soft; it's like hugging a soft toy.

It made him not realize that there was a living person in his arms.

Wei Wucai immediately released Yan Zhiqing.

Judging by how much strength Yan Zhiqing had used to poke and pinch him, it seemed like she was really angry.

So after Wei Wucai released her, Yan Zhiqing immediately backed away.

Wei Wucai was speechless.

"It's fine." Yan Zhiqing smiled at the waiter. "We dodged it at the last minute. It's my bad, I didn't look while walking. Sorry for the trouble."

"No, no. It's my bad," said the waiter immediately. "As long as you're fine, then it's okay."

Lu Xiuse looked at how polite they were from the side and scoffed coldly inside.

Yan Zhiqing was so good at acting.

If people saw her now, would they not praise her good temper and personality, saying she had a huge heart?

"You... you are... aren't you..." The waiter recognized Yan Zhiqing and suddenly became excited.

Lu Xiuse watched as the spotlight was being stolen by Yan Zhiqing.

She was a living human being and had been here for so long, but the waiter still had not recognized her.

Her popularity was not that low, right?!

Lu Xiuse was unhappy inside, but she showed a sweet smile on her face.

Chapter 2964 Wei Wucan Was Also Full of Ideas

She walked over and smiled at the waiter. "We are all fine. Don't be nervous."

The waiter expressed his thanks and looked at Yan Zhiqing excitedly. "Can I take a picture with you?"

He straight-up ignored Lu Xiuse.

He probably did not recognize her.

Shi Xiaoya was very kind. She did not laugh out loud and held it in. However, Han Zhuofeng was not as kind. He straight away laughed out loud with a "pfff" sound.

The matter had nothing to do with Lu Xiuse. The one who almost got bumped was not her.

But she just had to put on a friendly look. Did she think people could not see what she was planning? She saw that Yan Zhiqing had been recognized and was even able to give a good impression.

Lu Xiuse could not bear to watch anymore, so she jumped in. She was afraid that people would not recognize her.

Unfortunately, even so, the person still did not recognize her.

Yan Zhiqing also did not introduce Lu Xiuse. She just accepted the waiter's request, took his phone, and prepared to take a selfie with him.

While taking a selfie, they had to fit their faces in the screen.

So the two had to get closer to each other. Yan Zhiqing did not mind, so she tilted her head to be closer to the waiter.

As she held the phone and was just about to tilt her head, it was snatched away by Wei Wucan.

Yan Zhiqing was confused as Wei Wucan explained, "I'll help you guys take the picture."

Yan Zhiqing did not mind.

The waiter also did not mind. As long as he could take a picture with Yan Zhiqing.

Seeing that the two had avoided touching their heads together, Wei Wucan was satisfied.

Shi Xiaoya watched from the side and understood it clearer than Yan Zhiqing did.

She thought that Wei Wucan was also full of ideas!

It could be seen that Wei Wucan was jealous!

Wei Wucan was so kind as to take a few more pictures so that the waiter could take his time choosing the good ones.

"Take a look." Wei Wucan returned the phone to the waiter.

The waiter saw that Wei Wucan had taken a lot of pictures for him, so he was pleasantly surprised.

He quickly expressed his thanks and left.

Yan Zhiqing walked beside Wei Wucai. The awkwardness from just now had not faded yet.

Instead, it had become more awkward now. Yan Zhiqing lowered her head. Her ears were completely red.

This was the first time she could not speak due to embarrassment.

Even breathing became difficult.

It was as if the air here had become stuffy, making it difficult for her to breathe. Yan Zhiqing lowered head, afraid to look at Wei Wucai while trying her best to ignore his existence.

She wanted to step backwards to look for Shi Xiaoya. But Shi Xiaoya was not by her side right now, and she did not detect Shi Xiaoya's presence from the corner of her eyes.

Yan Zhiqing secretly turned her head.

As she glanced back, she almost tripped. Shi Xiaoya was far away from her, along with Han Zhuofeng!

She did not know when they had fallen so far behind. They were clearly still close a while ago!

Yan Zhiqing estimated the distance between her and Shi Xiaoya, then her eyes twitched.

Shi Xiaoya might as well have dragged Han Zhuofeng back to the entrance of the restaurant.

Yan Zhiqing wanted to talk to Shi Xiaoya to get rid of the awkwardness, but it seemed like that was impossible.

She could only walk with Wei Wucai.

Of course, no matter how awkward she felt, she would never talk to Lu Xiuse.

However, magically, when they reached the door of the private room, Shi Xiaoya and Han Zhuofeng caught up rapidly and appeared behind Yan Zhiqing.

Chapter 2965 I Don't Believe You at All

Yan Zhiqing was speechless.

Shi Xiaoya clearly saw Yan Zhiqing's eyes twitching, but she still smiled sweetly at her as if nothing had happened.

Yan Zhiqing sneered. Shi Xiaoya felt cold from that sneer and she immediately hugged Yan Zhiqing's arm. "Zhiqing, what happened? Just now, I suddenly wanted to go to the bathroom. Zhuofeng was afraid that I won't be able to find the room when I come back, so he waited for me in the corridor. That's why I was a little far from you."

Yan Zhiqing was speechless.

Hehe, I don't believe you at all.

You're... so terrible!

At this moment, Han Zhuofeng knocked on the door. There was no need to wait for a reply from the people inside.

It was just a signal for the people inside, saying that they were here.

Then, they opened the door themselves.

Wu Mosen and Writer Hu were already inside. There were also the Best Actor Gu Fei, who would be playing Second Master Li; Cao Jingcheng, playing Prince Chen; and Gao Zishan, who, though he was not a main character, had joined to make a special appearance.

At her level, if Gao Zishan could not be a main character in a movie, then she could not be labeled as a side character in the actor list.

She could not be a side character for others. If she agreed to that, wouldn't it ruin her value and status?

Because of that, her participation was called a special appearance.

It was considered that she was playing the role for the sake of her friendship with the director.

It showed that her relationship with the director was excellent.

She could win honor for the director while not lowering her self-value. This was hitting two birds with one stone.

It was not just Gao Zishan.

In the industry, one must have connections. This was how things worked.

There were many people who did this too.

Among friends, or as favors, they would show their faces in some productions, building popularity for the production while giving the audience a surprise.

However, Gao Zishan had a more important part to play; she was not just going to show her face.

So Gao Zishan also joined the crew.

There were also a few other side characters.

However, they were really not that familiar with the few side characters.

Whether it was Yan Zhiqing or Shi Xiaoya, they could not call their names.

They entered the room and immediately greeted Wu Mosen and the others.

When Wu Mosen saw that Lu Xiuse was also here, he showed a surprised expression.

Yan Zhiqing explained, "It was a coincidence. While walking in the corridor, we met Big Sister Xiuse, who said that she's also filming nearby and is also eating here. She heard that you're here, so she said that she has to come in and greet you no matter what."

Yan Zhiqing did not talk bad about Lu Xiuse.

The way she spoke showed Lu Xiuse's respect for Wu Mosen, so people could not nitpick anything in her words.

However, at the same time, people came to know that Lu Xiuse was here for Wu Mosen.

Wu Mosen smiled. She was a guest, so obviously, he could not reject her.

He asked someone to add another chair.

"Just add it next to Zhiqing," said Wu Mosen after seeing that the waiter was unsure where to add it.

He clearly did not want Lu Xiuse next to him. This was also to show that Lu Xiuse was not being favored.

If others said it, she would probably feel that the person was being petty, trying to stop Lu Xiuse from approaching Wu Mosen. But Wu Mosen said it himself, so Lu Xiuse could not blame others.

11.

Lu Xiuse could only sit next to Yan Zhiqing unhappily.

Once everyone had arrived, the waiter sent in all the dishes.

After pouring the alcohol, suddenly, Lu Xiuse left her seat.

Chapter 2966 You're Chasing Me Away?

No matter what, she had to give a toast to Wu Mosen.

Wu Mosen drank the first round.

Lu Xiuse filled her glass full again, wanting to take this chance to drink beside Wu Mosen.

Wu Mosen saw that Lu Xiuse wanted to put the place in the mood for drinking.

While Lu Xiuse was about to come, he stopped her immediately. "Today is our crew's first meeting before starting work. We should let the actors familiarize themselves with each other so that it will be easier for them to work together. We're just drinking lightly. If you keep asking me to drink, I will feel stressed." Yan Zhiqing also could not bear to watch. Everyone was here to chat around and eat.

Lu Xiuse had messed things up, creating a miasma of unpleasantness.

So she said, "Big Sister Xiuse, aren't people from your production crew here too? You've been with us for more than half an hour already. If you don't go there, it's not really appropriate, right?"

Lu Xiuse's face darkened. "Zhiqing, are you chasing me away?"

Shi Xiaoya would obviously help Yan Zhiqing, so she said, "Zhiqing is not chasing you away. She's just thinking that the people of your crew must be waiting for you too. If your crew learns that you're not going there, I'm afraid it will not look very good." Shi Xiaoya smiled. "I'm not sure, but isn't your director also here to eat?"

She left her crew's director to gain the favor of Wu Mosen.

Even if the director was not as famous as Wu Mosen, he was still a director. He could invite Lu Xiuse, meaning that he was not a nobody.

Would he not have a temper?

Lu Xiuse did not dare to fall out with them in front of Wu Mosen, but she understood what Shi Xiaoya meant. Han Zhuofeng was watchful. Lu Xiuse had drunk too much, perhaps forgetting that Shi Xiaoya now had a huge group of people protecting her. Shi Xiaoya was not someone she could bully.

He could not let Lu Xiuse put the blame on Shi Xiaoya in front of him.

Han Zhuofeng said coldly, "If you want, I can also go take a look and tell them that Miss Lu is busy giving a toast here and has no time to meet with them."

Lu Xiuse put down her cup immediately.

If she allowed Han Zhuofeng to go there, who knew what else he would say?

Lu Xiuse had lost her cool, but she could not have a breakdown in front of Wu Mosen.

"Look at me. I was too happy to see Director Wu and the seniors that I forgot about my own matters." Lu Xiuse had put it in such a nice way, giving herself a way out.

It showed that she was not someone who would abandon her production crew just to gain Wu Mosen's favor.

"I'll be going back now. I will come and meet all of you later," said Lu Xiuse, smiling.

Everyone heard that she even planned to return.

Wu Mosen blocked his expression with a cup, and even Gao Zishan's expression became unhappy.

Nobody wanted her to come back.

It was as if Lu Xiuse could not see these reactions. She smiled and left.

Yan Zhiqing lowered her head and secretly sent Fang Qiaohan a message. "Did Da Xiong capture it?"

"Yes," answered Fang Qiaohan.

Right after that, Yan Zhiqing received many pictures. Every picture consisted of Lu Xiuse.

As Lu Xiuse was sitting beside Yan Zhiqing, she was also captured in the frame.

There was also Wei Wucai, who was sitting on Yan Zhiqing's other side.

Nobody else in the production crew was captured, so Yan Zhiqing was satisfied. It was only after Yan Zhiqing saw the pictures that she realized Wei Wucai was sitting next to her.

Chapter 2967 First, Add Me as a Friend

She thought that Shi Xiaoya was sitting next to her.

She did not expect that it would be Wei Wucui beside her.

On the other side of Wei Wucui was Han Zhuofeng, and on the other side of Han Zhuofeng was Shi Xiaoya.

Yan Zhiqing wanted to talk to Shi Xiaoya, but there were two people in between, so it was too difficult.

While she was chatting with Fang Qiaohan, Wei Wucui could see Yan Zhiqing's phone screen just by looking down.

However, Wei Wucui was a gentleman and did not peek.

However, as he was curious, he could not help but take a glance. Then, he saw the pictures that Fang Qiaohan had sent.

Wei Wucui was in this line of work.

How could he not know?

With one glance, he knew what Yan Zhiqing was plotting.

However, he did not want Yan Zhiqing to feel awkward and make it seem like he was peeking, so he only took a glance and looked away.

After Yan Zhiqing became aware that he was beside her, she did not think too much. She only tilted her head, giving Wei Wucui a glance.

Seeing that Wei Wucui was looking straight ahead, she had no idea whether Wei Wucui had seen the conversation between Fang Qiaohan and her.

Yan Zhiqing felt a little perturbed.

If Wei Wucui saw it, would he think that she was evil?

Yan Zhiqing could not think of why she cared so much about Wei Wucui's opinion.

After she finished chatting with Fang Qiaohan, she whispered, "Did you see the conversation between me and Qiaohan just now?"

Wei Wucui froze and asked, "Qiaohan?"

He clearly did not know who this Qiaohan was.

Yan Zhiqing explained softly, "My assistant."

Yan Zhiqing bit her lips and asked, "Did you see it or not?"

"I only took a glance, then I stopped looking. I am not someone who peeks at others' conversations," said Wei Wucui, looking straight ahead.

Yan Zhiqing was speechless.

So he still saw it.

She did not know how Wei Wucui thought of her now.

She remembered that, at first, this man's impression of her was not really good, so his attitude towards her was just normal.

But now, it seemed like he did not think she was annoying anymore? At least he was willing to talk to her and was even concerned about her safety.

From Wei Wucai's recent behavior whenever they were together, it seemed like he did not hate her.

However, after he saw the conversation between Fang Qiaohan and her, with Wei Wucai's brain, he definitely must have guessed what she had in mind.

She did not know whether he would think that she was an evil person who plotted against someone behind their back.

Yan Zhiqing was pondering in her heart when Wei Wucai suddenly passed her a phone. Yan Zhiqing looked down and saw that there was a huge QR code on the phone screen.

Yan Zhiqing was still confused, then Wei Wucai said, "First, add me as a friend. Let's chat through the phone."

People would definitely hear if they spoke like this.

Yan Zhiqing knew what Wei Wucai meant. She did not think that he was being mindful for his own sake.

She lowered her head, scanned Wei Wucai's QR code, and added him as a friend.

Then, she saw Wei Wucai typing rapidly on the phone screen.

The speed of his hands was surprisingly quick.

Yan Zhiqing did not know whether it was because he was with the Mount Lan Compound, but she felt that Wei Wucai was good at everything. She almost wanted to contact the Mount Lan Compound.

Just by watching his thumbs tapping on the screen, she felt that the rapid movement looked spectacular.

Just as she had that thought, she received Wei Wucai's message. "I did see it accidentally just now. I didn't peek intentionally."

Chapter 2968 You Did Not Do Anything

"I only took a glance and then I looked away. I am not someone who peeks at others' private affairs."

Yan Zhiqing was worried that Wei Wucai would think that she was evil.

But in the same way, Wei Wucai was also worried that Yan Zhiqing would think that he was someone who liked to peek at others' private affairs.

Yan Zhiqing did not know how to reply. There were still things on her mind.

After thinking for a while, she replied, "Mhmm. Got it."

Then, she typed, "I am also not an evil person who plots against others just because. It's just that... Lu Xiuse keeps on giving me trouble..."

Just as Yan Zhiqing was about to type this, she felt annoyed and did not want to continue anymore.

The history between Lu Xiuse and her could not be explained even if she had three days and nights to do it.

And she did not want to go out of her way to explain it to Wei Wucai.

It would seem like she really cared about it.

Yan Zhiqing did not send this message in the end.

However, Wei Wucai still saw it on Yan Zhiqing's phone screen.

So after a while, Yan Zhiqing received a message from Wei Wucai. "I know about you and Lu Xiuse." Yan Zhiqing turned her head, surprised.

Wei Wucai also turned his head and smiled at her.

Wei Wucai looked extremely good, even to the point where he could be called beautiful.

It was hard even for women to be this elegant. With a face like that, it could be imagined how much impact his smile had.

Wei Wucai was usually harsh with his words. The most annoying thing was that he was so good-looking that others could only stare blankly at his face.

So he rarely smiled at people he was not close to.

Until now, Yan Zhiqing and Wei Wucai could not be considered close.

So she had never seen Wei Wucai's true smile from his heart.

While dealing with people, Wei Wucai would smile faintly. That was not counted.

So when she saw Wei Wucai's soft smile suddenly, Yan Zhiqing was dumbfounded. She did not know what to do and she stared blankly at Wei Wucai, forgetting to stop herself from looking

Wei Wucai, who had always hated when people stared blankly at him, did not get angry when he saw Yan Zhiqing doing it.

Instead, even his eyes smiled.

Yan Zhiqing's ears grew red, and she immediately stopped staring. Wei Wucai's attitude tonight was too good!

Wei Wucai looked down at his phone screen and typed rapidly. Very quickly, Yan Zhiqing received Wei Wucai's next message. "After all, I am in charge of information in the Mount Lan Compound. I have to collect various types of information."

It seemed like he was explaining to her why he would know the history between Lu Xiuse and her.

“So I know what troubles Lu Xiuse has given you previously.” Wei Wucai sent more messages. “Since she troubled you first, how can you not give it back to her?” Wei Wucai said. “You’re not crossing the line by doing this. Or would you rather that she feel that you’re an easy target to bully?”

Wei Wucai said in another message, “I found it strange that you did not do anything when she bullied you like that. This should not be the case.”

Yan Zhiqing was speechless.

He really felt that Lu Xiuse was bullying her unilaterally?

However, Wei Wucai did not feel that she was doing something bad, so Yan Zhiqing was strangely relieved.

She even smiled. She had clearly relaxed.

Wu Mosen was sitting at the opposite side and saw the reaction between Yan Zhiqing and Wei Wucai.

He saw that the two were both looking down, as if they had a secret.

Chapter 2969 Know How to Converse?

He felt that there was something fishy going on between these two.

Wu Mosen kept smiling.

As they were eating with everyone, Yan Zhiqing was also self-aware and did not keep chatting with Wei Wucai on WeChat.

It was fine as long as she knew that he did not think of her badly.

But the two had become a lot closer subconsciously. As Lu Xiuse had left, the seat on the other side of Yan Zhiqing was empty. On one side was Wei Wucai, and it was empty on the other side.

This was very awkward.

Yan Zhiqing and Wei Wucai suddenly went silent.

The two did not know what they could talk about. The atmosphere between them became awkward.

Wei Wucai was used to doing what he wanted. When he was feeling too lazy to socialize, he would just ignore people.

After a long time of doing that, he became terrible at livening up the mood and initiating a conversation.

So even if he was feeling impatient and wanted to initiate a conversation with Yan Zhiqing, he could not think of a suitable topic to talk about.

Wei Wucai felt regretful right now. If he had trained his personality to be more cheerful, it would have been a good thing. At least it would not be awkward now.

Yan Zhiqing was also afraid of this awkwardness.

So she thought about what to talk about with Wei Wucai.

The table was full, and everyone was talking enthusiastically. However, Wei Wucai had never talked a lot. And if the two did not talk even though they sat together, it would be too weird. Yan Zhiqing thought for a while and said to Wei Wucai, "I didn't know that Ledepic More is your company."

As someone in the industry, Yan Zhiqing was naturally familiar with this special effects company. She was not like most of the audience, who had not heard of it before.

And because she knew, she had heard a lot about them.

"I didn't say anything specifically," said Wei Wucai. "So it's not just you. A lot of people don't know either."

If he had not joined this production crew, even Wu Mosen and Han Zhuofeng would not have known.

When Han Zhuofeng found out that he was Ledepic More's boss, he was also dumbfounded.

"It's not something that is worth bragging about," said Wei Wucai. "And I hate to socialize. You know Ledepic More. Although we are in charge of movie special effects, we're in touch with a lot of people. We have relationships with most directors, so people would definitely target me if they knew."

They would ask him for connections and so on. "I don't like such things, so I don't talk about this to the public." Wei Wucai smiled. "It did get rid of a lot of troubles."

Unsure of why, upon hearing what Wei Wucai said, the first person Yan Zhiqing thought of was Luo Qingxian.

She did not know what Luo Qingxian would do if she found out that Wei Wucai had this job.

Wei Wucai was speechless.

"After we've been talking for so long, you thought of this person?" Wei Wucai had a sullen face and his eyes twitched.

He was so speechless that he wanted to open up Yan Zhiqing's beautiful head and see what she was thinking inside her head.

She had been talking nicely with him, and suddenly she talked about another woman.

And that woman was his previous blind date.

This was not beautiful at all.

Did this woman know how to converse?

When Yan Zhiqing heard what Wei Wucai said, she realized that she had subconsciously said aloud what she was thinking. Yan Zhiqing was shocked.

She had never done this. After all, she had to socialize with many people in the entertainment industry.

She always met people she was not familiar with. She did not know them at all.

So she was used to being careful. The last thing that she could do was to say what she was thinking. She could not even show it on her face. This was to prevent people from having leverage over her and blackmailing her.

In the end, after talking for a while with Wei Wucai, she unconsciously said out loud what she was thinking.

And she did not even notice after she said it.

If she had not heard Wei Wucai's reply, she probably would not have known that she said what was in her heart.

She did not think that she would be so defenseless in front of Wei Wucai.

This was something that had never happened. Yan Zhiqing chuckled awkwardly. "I don't know why. I just thought of it suddenly."

It was probably because the last time she saw Luo Qingxian, everything about the woman was looking down on Wei Wucai.

If Luo Qingxian knew how capable Wei Wucai was, it was uncertain whether Luo Qingxian would feel regretful.

She just could not bear to watch Luo Qingxian's snobbish look.

So the first person she thought of was Luo Qingxian.

Right after Yan Zhiqing said this, she heard Wei Wucai's cold sneer.

Yan Zhiqing was speechless. Yan Zhiqing said unhappily, "Didn't I only mention Luo Qingxian? Why must you sneer? Was that necessary?"

Wei Wucai was speechless.

She did not even allow others to sneer?

Who asked her to mention Luo Qingxian out of nowhere?!

He then heard Yan Zhiqing laugh coldly and softly before saying, "Why? Perhaps you can't forget about Luo Qingxian?"

How could he still think about Luo Qingxian when her attitude towards him was like that?

"That's right. No matter what, Luo Qingxian still looks gorgeous." Yan Zhiqing pouted.

So, men were pigs who only knew how to look at outer appearances.

If a woman looked good, they would not care about anything else.

Yan Zhiqing pouted, then looked at Wei Wucai. She looked at him as if she was looking at a prick.

Wei Wucai was enraged by her gaze. Luckily, he was not furious.

Yan Zhiqing heard Wei Wucai say past his gritted teeth, "If you hadn't mentioned Luo Qingxian, I have already forgotten about her existence!" "It can't be," said Yan Zhiqing without even thinking. "She's still a beauty."

Wei Wucai sneered. "Heh. If I want to look at a pretty face, can't I just look in the mirror?"

Yan Zhiqing was speechless.

How could there be such a shameless person?!

However, what he said was really... reasonable.

Even if she felt that Wei Wucai was being shameless for saying this, she had to admit that Wei Wucai was speaking the truth.

Even a beautiful girl might not be able to compare to Wei Wucai's face.

At the very least, Yan Zhiqing felt that if she stood next to Wei Wucai, she would not be able to say that she was prettier than him.

Yan Zhiqing even felt that her face was being suppressed by Wei Wucai.

Yan Zhiqing shot a glance at Wei Wucai in frustration.

"I'm not lying. If it's about the face, there may not be one that looks better than mine," said Wei Wucai. "I look in the mirror every day and see myself. Whose face am I not immune to?"

Yan Zhiqing was speechless.

Yan Zhiqing pouted. She really wanted to ask him if he felt that her face was okay to look at.

But she was too embarrassed to ask.
