

Mr Han 3011

Chapter 3011 Was He That Scary?

But Yan Zhiqing was still unable to stop herself from looking at it.

Even her mind was not working anymore. She could only follow the movements of his fingertips. Then she heard Wei Wucai say, "No matter when we got close, we're close now anyway."

Wei Wucai paused and asked her, "Aren't I right?"

"Yes..." Right?

Yan Zhiqing unconsciously went along with Wei Wucai's flow.

"Then you can also call me like that. You don't need to feel so distant," said Wei Wucai.

Yan Zhiqing blinked. It was just a form of address.

In the entertainment industry, she also often addressed others intimately to close the distance between them. This was for the sake of socializing and building connections.

So this was not a problem for Yan Zhiqing. It didn't stress her out at all.

She pondered how she should address Wei Wucai.

Wei Wucai said, "Don't feel shy. We're very close anyway, we're all friends. If you feel shy, then I will change the way I address you first."

Yan Zhiqing thought that they were just close.

How did they become very close?

After a few minutes, would Wei Wucai think that they were so close that they could be best friends forever?

Right now, Yan Zhiqing had no idea.

However, in the future, when she told Wei Wucai these present thoughts, Wei Wucai would only reply, "Forever, yes. But there's no need for the best friends part."

Anyway, time to get back to the current time.

Yan Zhiqing heard Wei Wucai say, "Zhiqing."

Poor Yan Zhiqing was still too innocent. She did not expect Wei Wucai to do that.

So she was drinking water when she was caught unprepared.

After hearing how Wei Wucai addressed her, Yan Zhiqing shivered and choked on the water.

"Cough! Cough, cough, cough!" Yan Zhiqing spat out the water that she had just drunk and choked herself.

Her chin was completely wet.

Even her pants got splashed.

Then, she coughed continuously.

Yan Zhiqing had not been so miserable in a long time.

Right now, her face was red from coughing. Even tears came out.

Snot almost came out as well.

If she did not react quickly enough, it would look terrible.

Yan Zhiqing could not stop the shame that rose from within.

How could she be so embarrassing in front of Wei Wucai?

He must have done it on purpose!

It had been so long since she was so miserable and embarrassed.

Wei Wucai felt that he was the one who was more shocked.

Did he not simply call her “Zhiqing”?

How did it shock her to this point?

She was so shocked that she spat out the water and even choked.

Wei Wucai’s expression darkened as he passed Yan Zhiqing tissue papers.

And then he patted her on the back.

It was uncertain whether it was because he had been trained since he was young, but he was even good at this kind of thing.

His strength was controlled nicely, and he patted the correct spot. After a while, Yan Zhiqing felt a lot better.

It was just that her throat and nose still hurt.

Wei Wucai passed her some water.

Yan Zhiqing wanted to make him stop talking, or else she would choke again.

Unfortunately, her throat and nose were in pain, and she could not speak.

She could only carefully remind herself to be aware and not to choke again.

She drank a few sips carefully to suppress it.

Her throat and nose finally felt better.

Chapter 3012 As Wei Wucai Watched, He Felt Extremely Annoyed

She still felt a little uncomfortable, but at least she could talk now.

“Did you have to be that scared?” Wei Wucai rolled his eyes.

“...” Yan Zhiqing said with difficulty, “I wasn’t scared. I just didn’t expect it so I was too surprised.”

Wei Wucai looked at her and stopped talking.

Hearing that her voice was still nasal, he knew that she had not fully recovered.

So Wei Wucai did not rush her.

When Yan Zhiqing completely recovered, she was more comfortable.

Seeing that her expression was better, Wei Wucai asked, “Why were you so surprised? Don’t Han Zhuofeng and Shi Xiaoya call you that too? Perhaps I said it in a wrong way?”

“...” Yan Zhiqing said immediately, “No, no. There was no problem. Just call me that way.”

Satisfied, Wei Wucai passed the cup to her. “Want to take another sip?”

Yan Zhiqing felt that she had to stay away from water for now.

Because of this, after taking the cup, she did not drink from it and just held it.

“I was just wondering how to properly address you.” Yan Zhiqing looked down. Her eyeballs rolled around; she wanted to take revenge on Wei Wucai.

How dare he shock her?

Yan Zhiqing also decided to shock Wei Wucai.

She continued, “Han Zhuofeng calls you Elder Brother Xiao Cai, right?”

Wei Wucai nodded as he narrowed his eyes.

He had forgotten to talk Han Zhuofeng about this.

Although his address contained “elder brother,” Wei Wucai still disliked the nickname “Xiao Cai.”

As he was thinking, he heard Yan Zhiqing say, “Should I call you that too?”

Wei Wucai’s face darkened straight away.

Why did she want to use the same form of address as Han Zhuofeng?

If both of them called him that, it would show that she and Han Zhuofeng were on the same level.

Wei Wucai straight away sneered. “Heh. Why would you want to copy him?”

There was nothing good to emulate from him.

But no matter how smart Wei Wucai was, he did not expect that Yan Zhiqing would test him like that. Her intention was completely different from what he thought.

Wei Wucai thought that Yan Zhiqing had feelings for Han Zhuofeng, so she secretly gave a hint regarding her thoughts by wanting to address Wei Wucai the same way Han Zhuofeng did.

It was to show that she was closer to Han Zhuofeng.

But in reality, Yan Zhiqing had purposely asked this because she suspected a relationship between Han Zhuofeng and Wei Wucai.

She suspected that “Elder Brother Xiao Cai” was a special nickname that Han Zhuofeng had for Wei Wucai.

Could it be that only Han Zhuofeng could call him that?

If she called him like that, would Wei Wucai get angry?

So Yan Zhiqing purposely tried to address him that way.

Indeed, she really guessed it right.

Wei Wucai seemed to be unhappy with the idea; even his face was black.

This time, Yan Zhiqing did not even worry about Wei Wucai’s black expression.

Instead, she even started laughing secretly, unable to hold back.

These two people were too sweet!

Wei Wucai’s lips were almost becoming a line.

He saw that Yan Zhiqing was secretly laughing

He thought, was she this happy just to have this similarity with Han Zhuofeng?

Han Zhuofeng did not even know yet. What’s there to even be happy about?

He failed to see how Yan Zhiqing could be such an innocent person.

She even had thoughts that were more suited to a little girl.

It was not like she was a child who was barely more than ten years old and was still in school.

Yet she still had such childish ways.

These kinds of thoughts were not so romantic in Wei Wucai’s eyes.

Of these two people, one was happy and one was moody, all because of the wrong reasons.

It was all because of each other’s misunderstandings.

Yan Zhiqing rolled her eyes and said, “If you’re not happy that I call you that, then tell me, how should I call you?”

Yan Zhiqing remembered hearing about how the people from the Mount Lan Compound called Wei Wucai that way.

They called him Xiao Cai.

It sounded like a lady's name.

As expected, Wei Wucai's expression darkened.

His eyes twitched a few times and he said, "Up to you."

Yan Zhiqing was shocked. Wei Wucai did not mind her calling him that?

"Then... then I will call you that, okay?" Yan Zhiqing confirmed again.

Wei Wucai really wanted to go back and ask his parents why they gave him such a bad name for a son.

It was so hard to even think of a nickname for it.

No matter how he was called, it did not sound good.

Xiao Cai sounded too girlish.

But if people were to call him Wucai...

It sounded similar to the term for no honor. It was too dishonorable.

Wei Wucai was really troubled about this.

Wei Wucai did not want to face this reality, so when Yan Zhiqing tried to confirm it again, Wei Wucai only repeated, "Up to you."

"Fine." Yan Zhiqing nodded. "Since you're not against it, then I will call you that."

Wei Wucai gave her a glance, saying, "So why not do it?"

Yan Zhiqing had said it earlier so easily.

However, when she was asked to do it, she could not. It seemed like she was having a hard time doing it.

Wei Wucai raised his eyebrows at her. "Say it."

Yan Zhiqing felt that Wei Wucai was challenging her.

She could not bear that.

Yan Zhiqing raised her head, stuck her chest out, and built up the courage.

"Xiao Cai."

Yuan Jiangyi and the rest all called him that way.

Even Wen Ren would also call him that on purpose.

It was the same way others addressed him, and it even had the same joking tone.

However, it felt completely different coming out of Yan Zhiqing's mouth.

It was as if she gave the nickname "Xiao Cai" a brand new meaning.

It was the same nickname, but it could sound different from when others said it.

It only belonged to Yan Zhiqing.

Wei Wucai's mouth curved upwards subconsciously. "From now on, call me that.

Yan Zhiqing was speechless.

The two chatted while they were on the way, and before they knew it, they had reached the restaurant.

Yan Zhiqing, Wei Wucai, Guo Yujie, and Fang Qiaohan got out of the car.

The chauffeur went to find a place to park.

Shi Xiaoya and Han Zhuofeng had not arrived.

Yan Zhiqing and the others went to wait in the private room.

Yan Zhiqing ordered some dishes so they would not have to wait further when Shi Xiaoya and Han Zhuofeng arrived.

She ordered some, guessing Shi Xiaoya's taste.

They planned to ask Shi Xiaoya and Han Zhuofeng what else they wanted to eat and add them on when they arrived.

Anyway, this restaurant was not huge, so there were only so many dishes.

After Yan Zhiqing finished ordering, there were only a few dishes left that were unordered.

A while after they finished ordering, Shi Xiaoya and Han Zhuofeng arrived.

Shi Xiaoya and Han Zhuofeng entered and took a look around. Guo Yujie and Fang Qiaohan were sitting together.

On the other side of Fang Qiaohan was Yan Zhiqing, and next to Yan Zhiqing was Wei Wucai.

This put Shi Xiaoya in a difficult position.

If she sat next to Wei Wucai, she would not know what to talk to him about. If she talked to Yan Zhiqing, it would be a little inconvenient with Wei Wucai in between.

But if Wei Wucai and Han Zhuofeng sat together.

Chapter 3014: Don't Take the Initiative

Shi Xiaoya looked at Yan Zhiqing.

She felt that Yan Zhiqing could create a huge scene.

After considering it for three seconds, Shi Xiaoya still decided in the end to sacrifice Han Zhuofeng and she sat next to Guo Yujie.

She made Han Zhuofeng and Wei Wucai sit next to each other.

As expected, the moment Han Zhuofeng sat down, Yan Zhiqing's eyes glowed.

When Wei Wucai saw the change in Yan Zhiqing, his eyes twitched.

Han Zhuofeng had already found out the truth from Shi Xiaoya, so she knew what Yan Zhiqing was thinking when she looked at Wei Wucai and him.

Wei Wucai did not know that. He thought that Yan Zhiqing was flirting with Han Zhuofeng.

Shouldn't a girl be more dignified?

If she was like that, the man would not value her!

At this moment, Yan Zhiqing smiled and said, "I saw that you were working with Wei Wucai the whole time today."

"Cough!" Wei Wucai coughed and stared at Yan Zhiqing.

" " Yan Zhiqing chuckled dryly. "Hehe. I forgot that we're pretty close too, so it's more suitable to call him Xiao Cai. Hehe."

Han Zhuofeng looked at Yan Zhiqing, dumbfounded.

Wei Wucai did not get angry when Yan Zhiqing called him that?

According to Yuan Jiangyi and Hao Donghuai, every time someone called Wei

Wucai that at the Mount Lan Compound, they had to prepare to fight with him.

In the Mount Lan Compound, those who could really beat Wei Wucai could be counted using five fingers.

Yuan Jiangyi could get a draw with Wei Wucai with difficulty.

Hao Donghuai was better. Although he could not beat Wei Wucai, he was big and thick; he treated Wei Wucai as a training partner to improve his fighting skills.

Every time he wanted to improve his fighting skills and train himself, he would go and anger Wei Wucai by calling him "Xiao Cai." Surprised, Han Zhuofeng looked at Wei Wucai.

So Wei Wucai really allowed Yan Zhiqing to call him that.

It seemed that Wei Wucai did not see Han Zhuofeng's shock as he said, "That's right. Zhiqing and I are close enough to call each other this way."

And he even gave Han Zhuofeng a glance.

It meant that it's not just Han Zhuofeng who could be close with Yan Zhiqing.

Han Zhuofeng was speechless.

After that, everyone ate and chatted.

All throughout, Han Zhuofeng had to endure Yan Zhiqing's shady gaze and Wei Wucai's cold glance.

The colder Wei Wucai's gaze was, the shadier Yan Zhiqing's gaze became, and then Wei Wucai's gaze would become even colder.

It was a cycle of death.

Obviously, after Shi Xiaoya's explanation, Han Zhuofeng knew that Yan Zhiqing's gaze was shady because she thought that Wei Wucai was jealous.

He was really... wronged!

"Zhuofeng," called Yan Zhiqing.

Han Zhuofeng's eyes twitched. He had a bad feeling.

'What is it?' asked Han Zhuofeng carefully.

Smiling, Yan Zhiqing asked, "What's your ideal type of girl? Tell us. I will help keep a lookout for you."

As she asked this, she looked at Wei Wucai.

Wei Wucai sneered. He knew what Yan Zhiqing had in mind.

Saying she'd help find him a girlfriend was a lie. She just wanted to know Han Zhuofeng's ideal type!

Wei Wucai looked at Han Zhuofeng coldly. He did not expect that a brat like Han Zhuofeng could have this kind of charm!

"I don't know either," said Han Zhuofeng dryly..

Chapter 3015 Won't You Have a Change of Heart?

"I probably haven't met one yet, so I can't say. When I meet that person, I will know what my ideal type is."

Han Zhuofeng said seriously, "Usually, those that you find will be different from the type you have in mind."

Shi Xiaoya touched her chin. If it was like that, then was she not Han Zhuoling's type in the beginning?

Shi Xiaoya decided to ask Han Zhuoling when they video called each other tonight.

Han Zhuofeng got past this question just like that.

Yan Zhiqing did not continue asking.

Anyway, she had already gotten the "answer" that she wanted.

At long last, this difficult meal ended.

When they were returning to the hotel, Wei Wucan did not request to sit in Yan Zhiqing's car, which was unusual. He took the initiative to say that he would sit in Han Zhuofeng's car.

He even had Shi Xiaoya go with Yan Zhiqing.

Han Zhuofeng could not help but grab his collar.

He was certain that Wei Wucan was definitely not gay.

However, after being suspected by Yan Zhiqing, Han Zhuofeng felt that he still had to avoid him a little.

If he spent more alone time with Wei Wucan, Yan Zhiqing would probably think of something else.

She had such a wild imagination. Why did she not go and be a scriptwriter or a director?

Her being an actress was a waste of talent!

"It's not good..." said Han Zhuofeng, hesitating

He looked like a hurt little wife.

Wei Wucan's eyes twitched. His hands were feeling itchy.

Shi Xiaoya was a little worried about Han Zhuofeng's safety.

a

Just as she was about to speak up, she was dragged away by Yan Zhiqing.

"Then I'll bring Xiaoya along," said Yan Zhiqing quickly.

Shi Xiaoya was speechless.

Did Yan Zhiqing know what she was doing?

No, Yan Zhiqing did not know.

Yan Zhiqing even stupidly showed an OK hand sign to Wei Wucan and Han Zhuofeng.

Shi Xiaoya smiled. She felt that she finally learned today what "being dumb is a blessing" meant.

She watched as Han Zhuofeng was dragged into the car by Wei Wucan.

Satisfied, Yan Zhiqing said to Shi Xiaoya, "Xiaoya, let's go too."

Shi Xiaoya secretly sighed, feeling exhausted inside. She just hoped that Yan Zhiqing would not die a miserable death.

After Han Zhuofeng had been driving behind Yan Zhiqing for a while, Wei Wucan said, "Stop the car."

Shocked, Han Zhuofeng looked at Wei Wucan, completely confused.

But he still obeyed and stopped the car at the side of the road.

“Elder Brother Xiao Cai, what’s wrong?” asked Han Zhuofeng.

“What do you think of Yan Zhiqing?” asked Wei Wucai.

“Nothing. She’s just like a sister,” said Han Zhuofeng. “It’s not like you don’t know that our eight great families are so close that we’re like a single family. The siblings from different families are just like our own siblings.”

“Elder Brother Xiao Cai, I don’t have any other feelings for Zhiqing,” promised Han Zhuofeng. He could even swear it to him.

Wei Wucai raised his eyebrows. “Even if you do, what can I say?”

What was there to explain?

Besides...

Even if Han Zhuofeng had no feelings for Yan Zhiqing, what he could not bear was that Yan Zhiqing had feelings for Han Zhuofeng.

Based on Yan Zhiqing’s actions today, she definitely had feelings for Han Zhuofeng.

“However,” said Wei Wucai, “it looks like Yan Zhiqing has good feelings for you.”

“Yan Zhiqing is so pretty, and her personality is pretty good. If she likes you, won’t you have a change of heart?” asked Wei Wucai.

Han Zhuofeng chuckled.

Chapter 3016 Could Not Laugh Anymore

He asked Wei Wucai in a shady way, “Elder Brother Xiao Cai, your rating of Zhiqing is that good, huh? Beautiful and has a good personality. I have never heard you rate someone like that before.”

Wei Wucai was speechless.

Though Han Zhuofeng teased him a little, he did not dare to cross the line, stopping while he was ahead.

He did not dare to tease Wei Wucai too much.

Even though Han Zhuofeng had this self-awareness, Wei Wucai’s gaze was still very unfriendly.

Han Zhuofeng could not bear his gaze anymore and said, “Elder Brother Xiao Cai, stop looking at me like that. Zhiqing really doesn’t have any feelings for me.”

Seeing that Wei Wucai had raised his eyebrows, Han Zhuofeng said, “The reason she looked at me like that is... is because...”

“Because what?” said Wei Wucai, full of dislike. “A man shouldn’t be hesitant when he speaks!”

Han Zhuofeng could only risk it all and say, “Because she thinks we two are gay!”

Wei Wucai thought that he heard him wrong and tilted his head. "What did you say? She thinks we're what?"

Han Zhuofeng sighed, thinking that since he had already said it, Yan Zhiqing should not blame him for betraying her.

If he did not throw Yan Zhiqing under the bus, he would have no way to prove his innocence.

So, Han Zhuofeng sighed and said, "It's all because of you."

Wei Wucai gave him a glance, thinking, what did this have to do with him?

Han Zhuofeng said, "You just had to pay attention to whether Zhiqing had no makeup or light makeup in the morning, even commenting about the lipstick color. Seeing that you know so much, she guessed that it's very possible that you're gay."

Wei Wucai was speechless.

His eyes twitched. He was so furious that he wanted to go and let Yan Zhiqing see if he really liked men or women.

However, Wei Wucai was Wei Wucai; he would not be dismissed just with a few sentences from Han Zhuofeng.

He quickly discovered the problem. "Even if she thinks that I am gay, what does this have to do with you? Why are you involved?"

Wei Wucai hit the bullseye. Guilty, Han Zhuofeng chuckled dryly and said, "Her suspicion kept growing once it was planted!

"Because you even remembered to order delivery for me at noon, I was so moved that I hugged your arm. Then, her misunderstanding got worse. Hehehehehe..."

Under Wei Wucai's squinted gaze, Han Zhuofeng's laughter became more guilty.

Wei Wucai suddenly laughed.

When a man who looked so pretty laughed like that, it could be flirtatious.

However, Han Zhuofeng did not get bewitched by his smile.

Instead, he shivered. "Elder Brother Xiao Cai, calm down. Don't laugh like that."

It was terrifying

Those who did not know Wei Wucai well, especially women, would probably be caught in a daze by Wei Wucai's smile, being enchanted by it.

But Han Zhuofeng knew Wei Wucai well!

When Wei Wucai smiled like that, the other person would be unlucky.

Previously, Han Zhuofeng could still gloat and treat it as a joke.

But now, the unlucky one was him.

Han Zhuofeng could not laugh anymore.

As expected, Wei Wucai said, "Is there another reason? When we were eating at noon, you held my hand tightly to try to prove your innocence. In the end, it worsened her misunderstanding, right? She thinks that we have some sort of relationship, that she has made me jealous and misunderstand you?"

"Hehe..." Han Zhuofeng chuckled dryly. "If I had known what she was thinking, I wouldn't have held your hand even if you were to kill me!"

Chapter 3017 Be Good Sisters with Her

Wei Wucai sneered. "I'll pay you back next time!"

"Elder Brother Xiao Cai, I am also a victim. I didn't do it on purpose. Who would have thought that Yan Zhiqing was so stupid?" said Han Zhuofeng miserably. "I clearly like pretty girls, but she guessed that I'm gay. If this goes out, how unlucky will I be!"

Wei Wucai shot him a glance. When he thought about the fact that Yan Zhiqing thought he and Han Zhuofeng were in that kind of relationship, he immediately felt like he was on the edge.

"Keep your distance from me next time!" said Wei Wucai angrily.

Han Zhuofeng was speechless.

How about you get out of the car now?

However, Han Zhuofeng did not dare to say this.

Then he heard Wei Wucai say, "Still not driving?"

Han Zhuofeng felt that he should not be such a wimp, so he gathered up his courage and said, "Didn't you tell me to keep my distance from you?"

Han Zhuofeng estimated the distance between the two with his eyes. "It seems like we're still too close now. And we're alone in the car..."

"You have so much to say!" Wei Wucai was extremely frustrated. "Drive quickly! I am going to get back at Yan Zhiqing for what she has done!" Upon hearing this, Han Zhuofeng immediately became energetic. He did not care about teasing Wei Wucai anymore, like when he was pointing out the fact that they were alone and were too close.

He instantly started the car engine and drove at high speed.

It could be seen that Han Zhuofeng could not wait to make Wei Wucai punish Yan Zhiqing.

Those who had had their orientation falsely misrepresented included the Third Young Master Han!

Han Zhuofeng asked excitedly, "Elder Brother Xiao Cai, what do you plan to do to Yan Zhiqing?"

Wei Wucai did not answer immediately but asked instead, "Why did you stop calling her Zhiqing?"

Han Zhuofeng chuckled in his heart, thinking that he was just calling her that in front of everyone.

Now that there was only Wei Wucai beside him, if he called her that, he would be looking for a beating

“Haih!” Han Zhuofeng lightly smacked the steering wheel. “I feel that I have to keep my distance from her too. She thinks that I am gay. What if she wants to become good sisters with me?”

Han Zhuofeng paused and asked, “Elder Brother Xiao Cai, you haven’t answered my question. How do you want to deal with her?”

Wei Wucai smiled slightly. “By being good sisters with her.”

“Screech!” Han Zhuofeng was so shocked that he subconsciously stepped on the brake.

Wei Wucai was thrown forward.

Luckily, there were not many cars nearby. As it was a suburb, it was not lively here.

Or else, Han Zhuofeng’s action would have definitely caused a traffic accident.

“What kind of driving is that!” complained Wei Wucai.

“It’s all because I got shocked by you,” said Han Zhuofeng. “You said it so suddenly without giving me any preparation.”

Han Zhuofeng looked at Wei Wucai with respect and continued to drive.

“Drive carefully, be careful,” said Wei Wucai continuously. “Are you usually so reckless when you drive? How will others be at ease if you’re like that?”

“When you drive by yourself, are you this careless too? Does your family know you’re like that?” Wei Wucai kept speaking. There were no pauses in between.

Han Zhuofeng was getting irritated from his nagging.

Usually, Wei Wucai looked like a quiet person.

It was at a normal level. He was not talkative, but he was not extremely quiet either.

However, once he started educating people, he was like a monk chanting.

Chapter 3018 How It Feels to Become Good Sisters with Me

He would lecture people until they became annoyed.

Han Zhuofeng quickly stopped him. “Elder Brother Xiao Cai, it’s only because I got scared by you. This is considered a special and sudden incident; it doesn’t represent my usual skills. Usually, when I drive, I’m pretty steady.”

“That shows that you’re easily scared. It’s fine usually if nothing happens. But if you’re so easily scared, if something happens on the road, won’t you get into an accident?” Wei Wucai continued, his expression

not changing. "You'll make people worried even if you get into trouble by yourself. If you are with family or friends, won't it be worse?"

Han Zhuofeng wiped his face. He stopped defending himself or struggling.

He let Wei Wucai speak.

When Wei Wucai finished, Han Zhuofeng let out a sigh of relief.

They were almost at the hotel.

Wei Wucai had been talking the whole ride.

It could be seen how naggy he was.

Han Zhuofeng took a deep breath and said, "You said that you want to be good sisters with Yan Zhiqing, right?"

"Mhmm." Wei Wucai nodded. He finally confirmed that Han Zhuofeng did not hear wrong just now.

"..." Han Zhuofeng asked, confused, "You... how do you plan to be good sisters with her?"

It could not be in the way he imagined, right?

"Probably in the way you're thinking of." Wei Wucai looked at him blankly.

"No..." Han Zhuofeng did not understand Wei Wucai's plan. "If you don't explain it to her and instead become good sisters with her, won't it make her misunderstand more?"

Wei Wucai laughed coldly.

But Han Zhuofeng determined that Wei Wucai's sneer was for Yan Zhiqing.

So Han Zhuofeng did not worry.

He was even gloating.

He parked his car in front of the hotel entrance and turned off the engine.

Wei Wucai said, "Doesn't she think that I am gay? Then I will be her good sister.

"I'll let her know how it feels to become good sisters with me," said Wei Wucai. Then he opened the door and got out.

Han Zhuofeng also got out. He locked the car and followed Wei Wucai.

When they returned to the hotel, Yan Zhiqing and the others had already been in the guest room for a long time. So Han Zhuofeng did not tell Shi Xiaoya anything

Of course, he did not say anything about Wei Wucai now knowing about how Yan Zhiqing had been digging her own grave.

That was because Han Zhuofeng also had ill intentions.

He really wanted to see Wei Wucai being good sisters with Yan Zhiqing.

So, to prevent Shi Xiaoya from telling Yan Zhiqing, Han Zhuofeng decided to hide it even from Shi Xiaoya. He went back to his room in a good mood.

Shi Xiaoya had already taken a shower and tidied up in her room.

She blew her hair half-dry. She was too lazy to hold her hairdryer up to blow her hair completely dry.

So she only blew it half-dry. She got on the bed, opened WeChat, and sent Han Zhuoling a video call.

It only rang two times before Han Zhuoling picked up.

Instantly, Han Zhuoling's face appeared on the screen.

Shi Xiaoya found out that she already missed him so much after not seeing him for a day and two nights.

She smiled and said, "Why did you pick up so quickly? Could it be that you've been waiting?"

Han Zhuoling said, "I have my phone in my hand, so I picked up the moment it rang.

"How is it? Are you used to the life in the production set? How are the people you're collaborating with?" asked Han Zhuoling. Although it was not the first time that Shi Xiaoya was part of a production crew, he would still be worried.

"Everyone is pretty nice. Zhiqing, Zhuofeng, and Wei Wucai are here too, so it's not lonely," said Shi Xiaoya.

Chapter 3019 Who Rang the Doorbell at Such a Late Time?

"But perhaps because I had rested and hadn't gone out to work for too long, I'm a little not used to it. It has nothing to do with the people I am working with."

Shi Xiaoya was a little down and said in a listless manner, "And because you're not by my side, I miss you."

After she said that, Shi Xiaoya saw Han Zhuoling give a warm smile from the other side of the screen.

Shi Xiaoya held her chin. Guo Yujie was showering in the bathroom, so Shi Xiaoya dared to say this without worrying about Guo Yujie hearing it.

"I had been with you all this time; now that we're suddenly separated, I am not used to it," said Shi Xiaoya, holding her chin.

So getting used to it was a terrifying thing.

When she was single, she was not like that.

Besides, she could not imagine herself missing a person so much while she was working outside.

Her current state was similar to the first time she left home to attend community life when she was young

During that time, a summer camp had been organized by the school.

She had to live outside for two weeks.

It was when she was graduating from primary school.

Shi Xiaoya had been spoiled by the Shi family since she was young.

From her parents to her elder brother, they all spoiled her.

So during that summer camp, Shi Xiaoya felt really homesick.

During the first two nights, she even secretly cried under the blanket.

She missed the atmosphere at home. She missed the fun of sitting together with her parents and elder brother.

Now, Shi Xiaoya had the feelings that she had back then.

She missed Han Zhuoling and wanted to be with him.

She missed his voice and his presence.

Shi Xiaoya looked down and silently took a deep breath to hide her frustration. She did not dare to let Han Zhuoling see.

She was worried that he would be sad.

Shi Xiaoya took a deep breath and managed her emotions.

Suddenly, she noticed that Han Zhuoling was moving.

But she could not see the background clearly.

The whole screen was filled by Han Zhuoling.

Even if a little bit of the background was shown through the gaps, she could not see it clearly.

In addition, the screen was shaking, so she could not see it.

Shi Xiaoya asked, "You're not at home now?"

Han Zhuoling nodded. "I'm still outside."

Shi Xiaoya had never suspected that Han Zhuoling would do anything behind her back.

So even though it was pretty late, she had no suspicions about why Han Zhuoling was still outside at such a late time.

Han Zhuoling did not need to explain what he was doing outside or where he was.

If it was another person, such unclear words would definitely make others overthink.

But Shi Xiaoya did not overthink.

After hearing what Han Zhuoling said, Shi Xiaoya asked, "You just got off work? You worked overtime for so long again? Did you eat dinner on time?"

Without waiting for Han Zhuoling to answer, Shi Xiaoya said, "I was not around for only a day and your lifestyle is already messed up." How could she be at ease about working outside alone if it's like this?

Han Zhuoling did not find a chance to answer. Hearing that Shi Xiaoya kept asking questions, he just smiled.

After she finished, Han Zhuoling said, "I did not work overtime. I got off work on time tonight and even ate dinner on time. I didn't mess up my lifestyle. Don't worry."

Shi Xiaoya was relieved at first, then she felt that something was strange.

If that was so, then why was he outside?

But she suddenly realized that he probably went home to visit Lin Liye.

Just when Shi Xiaoya was about to ask, she heard the doorbell ring.

Shi Xiaoya said, "Wait for a while. The doorbell rang. I'll go take a look and see who it is."

She saw through the screen that Han Zhuoling frowned. "Who rang the doorbell at such a late time?"

Chapter 3020 You Should Open the Door

"Be careful and stay safe. Don't open the door wide. Check who's outside first," urged Han Zhuoling.

"Okay." Shi Xiaoya took Han Zhuoling's words to heart.

She walked to the door.

She thought about Han Zhuoling's urging, which he had just finished saying not long ago.

It was just right that she could make Han Zhuoling feel at ease in front of him.

So Shi Xiaoya did not open the door straight away.

She shouted through the door, "Who is it?"

Han Zhuoling was speechless.

With a perturbed expression, Shi Xiaoya said to Han Zhuoling, "The person outside didn't answer me."

Luckily, she was talking to Han Zhuoling now.

Even if Han Zhuoling was not really by her side, just seeing him through the screen could calm Shi Xiaoya down.

"But luckily, I am in the same room as Yujie. If something really happened, Yujie is also here to take care of it," said Shi Xiaoya, patting her chest. "Yujie is showering. Maybe I should wait until she's out."

Han Zhuoling was speechless.

“You should open the door,” said Han Zhuoling, sighing.

He wanted to use this chance to make Shi Xiaoya more alert, so she could be safe. Unexpectedly, when Shi Xiaoya became more alert, he became miserable.

“Hmm?” Shi Xiaoya froze.

In a short moment, she suddenly realized something.

Through the screen, Han Zhuoling saw that Shi Xiaoya’s face lit up.

Without hesitating, Shi Xiaoya immediately opened the door.

As expected, it was just like what she had guessed. Han Zhuoling was standing at the door.

Shi Xiaoya was so surprised that she almost cried.

Just now, when she was video calling Han Zhuoling, she had been missing him so much that she wanted to cry.

Through the screen, she could not get rid of the feeling of missing him.

And in the end, after a few minutes, the person she missed appeared right in front of her.

How could this not be surprising?

Shi Xiaoya was so surprised that she subconsciously jumped for joy and onto Han Zhuoling’s body.

She forgot that their call had not ended yet.

Han Zhuoling smiled and caught her steadily.

He used one arm to hold her body and one arm to hold her head, then he kissed her.

Shi Xiaoya was not the only one who felt that time felt slow when the two did not meet.

Even he thought so.

During work today, he suddenly felt restless.

When he thought that he could not see her when he went home, he did not have the motivation to work hard.

Because without her, their home had nothing that attracted him.

It was the same no matter where he slept.

So he did not feel motivated while working.

Now, Han Zhuoling finally recovered that old mindset of his, when he would rather work than go home.

He did not really love to work and he treated work like everything in his life, but other than working at the office, he had nowhere to go.

There was no reason for him to return home.

It was the same no matter where he lived.

He had nothing else to do, so he could only work.

But now, he did not want to work; he just wanted to always be with Shi Xiaoya.

This feeling made him feel like he had become a young guy again. He was so old and mature, but he was being controlled by his emotions.

However, Han Zhuoling did not hate this feeling

He hugged Shi Xiaoya even tighter.

Then, he straight away pressed her against the wall and stuck to her closely.

With that momentum, he carried her up high.
