

Mr Han 3021

Chapter 3021 Thought They Were Physically Apart

All Shi Xiaoya could think about was Han Zhuoling. She had completely forgotten that Guo Yujie was in this room too.

Her legs gradually started moving up and wrapping around Han Zhuoling's waist.

She couldn't help but secretly compliment Han Zhuoling's slender waist!

His waist was slender but firm at the same time.

It was perfect.

Han Zhuoling held Shi Xiaoya up, kissing her as he brought her closer to the bed.

"Cough!" Guo Yujie hastily made a sound.

She had just finished showering and changing into her pajamas when she saw Han Zhuoling and Shi Xiaoya kissing at the door.

She didn't know what she should be surprised about more, that Han Zhuoling was here or that they were kissing to the point that they had forgotten everything around them. It was clear that they had forgotten about her existence.

Guo Yujie felt embarrassed to disturb them, and so, she retreated into the bathroom and hid there.

After a long while of waiting, she heard footsteps and thought that they were finally physically apart from each other.

Despite the embarrassment, Guo Yujie forced herself to walk out of the bathroom.

But what she saw was not a physical separation.

They were about to get onto the bed!

Guo Yujie couldn't bother with anything else. She couldn't possibly let them make love in this room, right?

And so, Guo Yujie had no choice but to cough as a reminder for the two.

Han Zhuoling and Shi Xiaoya obviously heard her.

Han Zhuoling froze.

Shi Xiaoya was startled.

They finally remembered that Guo Yujie was in this room!

Shi Xiaoya hurriedly pushed Han Zhuoling away. Her face was extremely red.

However, Shi Xiaoya herself was muddled up as well, so she couldn't blame Han Zhuoling.

She just felt too embarrassed to look Guo Yujie in the face.

Shi Xiaoya lowered her head and hid her blushing face in her hands.

Guo Yujie felt embarrassed too.

If not for how she had no choice, she would have stayed quiet the whole time.

This was quite awkward.

Thankfully, Han Zhuoling still looked rather calm.

At least, on the surface, he didn't seem flustered at all.

"Sorry. I forgot that you are here," Han Zhuoling said calmly.

Guo Yujie responded with a dry laugh. Han Zhuoling then stood up and said, "I am going to book another room."

Han Zhuoling then said to Shi Xiaoya, "Why don't you pack your things?"

If Han Zhuoling was going to book a room, Shi Xiaoya couldn't possibly still stay in a separate room.

Han Zhuoling didn't come all the way here just to see Shi Xiaoya's face.

"Okay." Shi Xiaoya, looking embarrassed, nodded.

And so, Han Zhuoling went to the reception to book a hotel room.

As for Shi Xiaoya, she remained at the same place to pack her belongings.

With Han Zhuoling gone, Guo Yujie felt a lot more comfortable. Guo Yujie pretended as though nothing had happened as she said to Shi Xiaoya, "There's no need to rush. Just pack stuff like your makeup and the other tools that you'll need tomorrow morning, then you can take the rest of your stuff tomorrow."

"Alright." Because Shi Xiaoya only had to take some simple things, she finished packing very quickly.

At the same time, Han Zhuoling had finished booking his room and had returned with his room key card.

Shi Xiaoya was then taken away by Han Zhuoling.

However, due to the interruption earlier, the two's burning emotions had returned to a calm state.

They could finally have a good chat.

"I am not checking out of this room. I will keep it and you can stay here by yourself in the future." This was what Han Zhuoling said the moment he entered the room.

Han Zhuoling had booked a suite, which was the exact type of room that Yan Zhiqing was staying in.

Initially, Shi Xiaoya wanted to refuse. Then, she heard Han Zhuoling say, "This will not be the only time I am coming over. I might be coming over every day."

"That won't do! It will be very tiresome for you to drive back and forth," Shi Xiaoya said.

## Chapter 3022 Not Knowing Where to Go

“I won’t really be driving back and forth,” Han Zhuoling said. “We will just pretend that we are living here.”

When Han Zhuoling saw that Shi Xiaoya was still about to say something, he explained, “I have done my calculations. There is a longer traffic jam in the city. If I drive here during rush hour, it would take me around an hour to get out of the traffic jam. But once I leave that congested region, I will be able to drive fast and it would only take another twenty minutes of driving to get here.”

“Still, that’s more than an hour,” Shi Xiaoya said.

It’s fine if Han Zhuoling had to drive here after work. There would be no rush.

But Shi Xiaoya thought that Han Zhuoling would have to leave too early in the morning.

This place was too far from his company, so he would need to leave quite early.

Since Han Zhuoling would be arriving late at night and leaving early the next morning, he wouldn’t be able to get enough sleep.

It’s fine to do this once or twice. But if this happened every day, that would be too tiring

If Han Zhuoling didn’t get enough sleep and his mental state deteriorated, it would eventually be unbearable.

“I don’t have to leave so early in the morning,” Han Zhuoling said. “I will leave early if there’s something urgent in the morning. But if there’s nothing important, I won’t leave so early.”

Hearing this, Shi Xiaoya widened her eyes in shock. She also couldn’t believe that Han Zhuoling would say something like this.

Han Zhuoling had always said that as someone in his position and as someone who had achieved so much, he should work even harder than most people.

However, Han Zhuoling didn’t even want to bother going to work now?

Han Zhuoling laughed and said, “It’s just for this period of time. I won’t be doing this forever, so I think it’s okay.”

He continued, “You have no idea, but when I went back yesterday, something didn’t feel right. It didn’t feel like before. Previously, when you had to go on work trips, you only left for a few days. But this time, you will be away for two months.

“When I thought of how you would be gone for such a long period of time, I felt as though half of my life had emptied.

“While I was in the office today, I didn’t have the energy to focus on work. I just wanted to get off work and go home. But when I did go home, you were not there. As a result, I felt sluggish.” Han Zhuoling sounded pitiful.

“This was what I thought. If you weren’t home, what’s the point of me returning? There would be no one waiting for me there.” Han Zhuoling held Shi Xiaoya up and placed her on top of his legs as he said, “Without your presence, that place wouldn’t be considered home. It would just be a house.

“If you are there, even a hotel room could be considered a home to me.” Han Zhuoling whispered, “It doesn’t matter where I am as long as you are there.”

He went on, “When I walked out of the office tonight, I felt lost. I didn’t know where I could go.

“Since you weren’t at home, I didn’t want to go back, but I didn’t know where else to go.” Han Zhuoling sighed.

As of now, Lin Liye and Han Dongping had not actually gotten back together.

When Han Dongping apologized, he showed a very good attitude. He stopped getting involved in the children’s business.

Even though Lin Liye had been harsh towards him this entire time, Han Dongping didn’t show any anger.

While Lin Liye appeared cold and distant, he didn’t try to please her, but he pretended not to see her cold expressions and kept showing up around her.

Lin Liye herself had no intention of actually living apart from Han Dongping.

Han Dongping’s attitude had changed positively. Han Zhuoli and Han Zhuoling’s relationships had reached stability as well.

In addition, Han Dongping stopped getting himself involved in the children’s relationships.

Honestly, even if he still wanted to be involved, he couldn’t do anything.

Chapter 3023 Of Course, I Want to!

After this, all that remained was the matter relating to Han Zhuofeng.

That was why Lin Liye had reconciled with Han Dongping once again.

However, Lin Liye was thinking that if Han Dongping were to do it yet again and even plan to meddle in Han Zhuofeng’s matters...

Then this time would be the last chance she gave him.

They would have another falling out in the future.

Regardless of how Han Dongping asked for her forgiveness, it would be impossible for her to forgive him.

Moreover, Lin Liye had already told Han Dongping this in advance.

If he could guarantee it, Lin Liye would move back to stay with him.

If he could not guarantee that he would no longer interfere with Han Zhuofeng’s matters...

That indicated he was just putting on a show for Lin Liye.

It would mean he knew in his heart that he had no real desire to change.

In that case, Lin Liye would have no reason to go back.

The two people would just end things like that.

Lin Liye told Han Dongping all of this very clearly. If he gave his guarantee, she would take it that he would truly be able to do it.

However, if he went back on his words, the future consequences would be irreversible.

Lin Liye told him this frankly, but Han Dongping still agreed to do it.

So, Lin Liye decided to give him a chance.

When Lin Liye moved out, the house that Han Zhuoling had initially let her stay in was left to Han Zhuofeng.

After all, Han Zhuofeng was now an adult. It would be more convenient for him to live alone since he was working away from home.

Moreover, he was currently working with Shi Xiaoya, so he was not in the city.

Additionally, the others all had their own families.

Han Zhuoling did not feel good about going back to Lin Liye and Han Dongping's place as he felt like he would be a third wheel.

It was at that moment, when Han Zhuoling had been standing at the main entrance of the company, that he suddenly realized that he had nowhere to go because Shi Xiaoya was not around.

After getting into his car, he could not contain his urgent desire to see her.

Right then, he had thought, "Since I want to see her, why don't I just go see her?"

As such, he drove over with a sense of total resoluteness.

Han Zhuoling told Shi Xiaoya that he had already had dinner.

This was because he did not want to waste his traveling time by eating. Furthermore, he knew that by the time he got there, it would be a bit late and having a meal would therefore be out of the question.

So he dropped by a convenience store on the way and bought a sandwich and a bottle of water.

On the road, he drove while swiftly consuming his simple dinner and bottle of water, which would at most fill his stomach.

Otherwise, if Shi Xiaoya were to find out he had not eaten a proper meal, she would definitely give him another tongue-lashing.

"While on the road, I realized that going here from the company isn't an impossible thing. After all, it's still in the same city. It's not like I'd need to drive to another city," Han Zhuoling said with a grin.

“Just take it that I’m temporarily going a bit far from the company. That’s all it is.” Han Zhuoling glanced at Shi Xiaoya. “Unless you don’t want to see me every day? Like how you normally do at home?”

Of course, Shi Xiaoya wanted to!

Hearing Han Zhuoling ask that in such a manner, Shi Xiaoya said hurriedly, “I want to. Of course I want to!”

“That’s why from today onward, I’ll be coming over every day while you’re working here,” Han Zhuoling said. Shi Xiaoya undoubtedly wanted to see Han Zhuoling every day.

It would, of course, be nice if they could spend time together here like they usually did.

However, Shi Xiaoya’s heart ached at the thought of the trouble Han Zhuoling would have to go through.

Nevertheless, after hearing Han Zhuoling’s words, Shi Xiaoya too felt it would be rather nice.

She could not help feeling even more moved. “But I don’t finish work so early every day.”

#### Chapter 3024 You Two Are So Lovey-dovey!

“If the crew is filming a night scene, I’ll have to follow them and stay there possibly until midnight or even until three or four o’clock in the morning before I can get back.”

Shi Xiaoya continued, “By the time I get back, you’ll probably be asleep and may not be able to see me or speak much with me at all.”

She needed to start work early in the morning, at around five or six o’clock.

“It doesn’t matter,” Han Zhuoling said. “As long as I know you’ll come back, my heart will be free from anxiety. Even if I’ve already fallen asleep when you return, I’ll be very happy just being able to know you’re back and that I’ll be sleeping with you in my arms for a while.”

The more Shi Xiaoya thought about it, the better she found the idea.

Thus, the only regret she had about being here with the cast and crew for this period of time was now gone.

Being able to see Han Zhuoling every day meant her life with the cast and crew would no longer be difficult. Instead, there would be something especially worth striving for every day.

It was not just Shi Xiaoya. Even Han Zhuoling felt that they would have much better prospects this way. With something worth striving for every day, it would not feel difficult in the slightest.

“Then you have to promise me something. This place is truly too far away from the Han Corporation, so you must make sure to stay safe when you’re on the road. If you’re truly too tired, don’t come over,” Shi Xiaoya said.

“All right,” Han Zhuoling promised.

The two people had not seen each other for a day and two nights.

A while ago, they had been interrupted by Guo Yujie. Now, the two people no longer had a sense of enthusiasm that made them feel impatient.

Instead, they wished even more to have a proper chat.

They had not seen each other for only a day. To be precise, there was also two nights' worth of time they'd been apart.

However, Han Zhuoling already felt like he had not seen Shi Xiaoya for a very long time.

Before this, he had never felt that there was anything he could talk with her endlessly for.

After all, having lived by himself these past two days, he had not had much to do aside from work.

Nothing new had happened to him, and nothing uncommon had happened at home. So, he did not actually have much to tell Shi Xiaoya.

Yet the moment Han Zhuoling arrived here and met her, he suddenly had a stomachful of words to say.

Shi Xiaoya urged him, "Go and wash up first. You must be tired from working the whole day, and you even drove such a long way to come here. Go have a shower and relax a bit.

"Just as well, while you're doing that, I'll go back to the other room and pack up my things. After all, am I not set to stay here from now on? Since I have time today, I might as well pack up and move here. If I'm busy tomorrow, I might not have the time to pack up after I get back."

"Okay." Han Zhuoling had thought about it and agreed.

So he went inside first to have a shower.

Shi Xiaoya then went back to Guo Yujie's place to pack up her things.

"Didn't you already take some things away? Why are you still packing?" Guo Yujie asked in surprise.

When Shi Xiaoya entered, Guo Yujie was already on the bed.

With nothing to do, she was currently watching a television series on her iPad.

Shi Xiaoya smiled in embarrassment and said, "Zhuoling said he's not returning to that house until our work here is done. He'll stay here with me, come over every day, and leave for work from here."

"Aiya!" Guo Yujie teased. "You two are so lovey-dovey!

"Alright. I know, I know. Then you should hurry up and pack. From here on, I'll be able to have a room all to myself. How nice," Guo Yujie said with a grin.

Shi Xiaoya smiled and finished packing up her belongings.

She was afraid that Han Zhuoling had finished his shower quickly and was already waiting for her.

So, she also finished packing up particularly swiftly, impatient to return to his side.

Watching from the side, Guo Yujie said teasingly, "Those who don't know would think the two of you have been separated for a long time..."

It had only been a day, yet they were already like this...?

### Chapter 3025 The Silence Is a Bit Frightening

Shi Xiaoya covered her face with her hand. With her hand there, it was as if she had gotten another layer of skin on her face. She said, "Isn't this because... our relationship is too good? To the extent that we'd think of each other after not seeing each other for a day?"

Guo Yujie felt speechless.

"Oh, Xiaoya, you've changed," Guo Yujie said, shaking her head and clicking her tongue. "You've been led astray by Han Zhuoling. The old you would not have been able to say such words."

Unexpectedly, Shi Xiaoya actually nodded and replied, "Actually, I feel the same way."

Guo Yujie became totally speechless and immediately laughed until she fell back onto the bed.

Ever since Shi Xiaoya started dating Han Zhuoling, her skin had been becoming increasingly thicker.

However, Guo Yujie actually thought this was a very good thing.

Shi Xiaoya's original disposition was already a very good one, and now, she was becoming even more vivacious.

Shi Xiaoya left with her luggage in tow.

She was not particularly bothered by the possibility that she might have left anything behind.

After all, even if she discovered that there was something she had not brought with her, she could always come back to get it.

It was really nearby, so it was convenient for her to do so.

By the time Shi Xiaoya returned to where Han Zhuoling was, it so happened that the latter had just finished with his shower.

He was currently dressed in pajamas, and his hair had already been blow-dried.

So he emerged from the bathroom fresh and cool.

When Shi Xiaoya dragged her suitcase inside, Han Zhuoling wanted to take it from her.

However, Shi Xiaoya stopped him. "Don't do anything. You just showered, so you're clean right now. It's fine if I deal with it."

Han Zhuoling smiled. "How can I simply do nothing and watch helplessly while you busy yourself over there?"

Shi Xiaoya then said, "But these are my things. You don't know where to put them anyway. Just go rest. You've tired yourself out today. I'll be done in a bit."

Unable to persuade her otherwise, Han Zhuoling could only sit beside the bed and watch while Shi Xiaoya rushed in and out busily.

Fortunately, she did not have many things, so it did not take long for her to finish putting them away.

“Come over here quickly.” When Han Zhuoling saw that Shi Xiaoya was done, he extended his hand towards her. “You keep saying that I’m too tired from being busy the whole day. But haven’t you also been busy working with the cast and crew the whole day?”

Shi Xiaoya also felt that she was indeed somewhat tired.

She had not been able to rest since she returned to the hotel.

After she was done with work for the day, she had gone to have a meal with Yan Zhiqing and the others.

Then, not long after she returned to the hotel, Han Zhuoling arrived.

Immediately following that was the packing and the unpacking.

Thus, it was only now that Shi Xiaoya had a genuine chance to have a rest.

She supported her lower back with her hand, feeling that it was hurting after repeatedly bending down and standing back up to put away her things.

Shi Xiaoya climbed onto the bed and sat beside Han Zhuoling. She leaned against the headboard and rested her head on Han Zhuoling’s shoulder.

With Han Zhuoling present, Shi Xiaoling finally felt at peace.

Her entire body relaxed, and she let out a long breath.

“When I wasn’t with you, did anything fun happen around you?” Shi Xiaoya asked Han Zhuoling.

“Nope. It was just work. After I sent you over here, I returned and went straight to the company. However, I didn’t do overtime. I took the remaining work home with me,” Han Zhuoling said, seemingly seeking to be praised. “I remembered your words.”

“So great.” Shi Xiaoya raised her head and kissed Han Zhuoling’s cheek as a reward.

“But without you at home, I’m alone, and the silence is a bit frightening,” Han Zhuoling said. “With it being so quiet, I wasn’t in the mood to work.”

In the past, he dreaded noisiness the most.

Yet now, without the sounds Shi Xiaoya made... he felt that even just hearing the sound of her footsteps would have been good.

He had no desire at all to work when there was not even a single sound.

“Aside from this, there’s nothing else.” Han Zhuoling’s life was truly very monotonous.

When Shi Xiaoya heard that Han Zhuoling’s life had unexpectedly become so monotonous without her around, her eyes opened wide.

Chapter 3026 Like an Elementary School Kid

But then, she started laughing in happiness.

If her man was this honest, he would have nothing else to do while she was away.

He would go to work as he should and go home right after work. He would even take his work home.

Because he missed her, he even moved all his belongings here.

Shi Xiaoya was so happy that she held Han Zhuoling's face.

She turned his face towards hers and gave him a kiss.

"You are so good to me," Shi Xiaoya said with a smile.

Han Zhuoling lifted his brow as he didn't think that him being boring could be considered good.

Then, he heard Shi Xiaoya say, "I like you the way you are."

"What about you? Did anything happen to you?" Han Zhuoling said with a smile.

"There are many people in the production crew, so it must have been very lively. There must have been different kinds of people and a lot of interesting things must have happened," Han Zhuoling said.

Shi Xiaoya gave a heavy nod. "Indeed!"

If Han Zhuoling hadn't asked, she would have forgotten to tell him about how Han Zhuofeng had suffered, how Yan Zhiqing had dug her own grave, and how whatever it was had happened to Wei Wucai.

Now that she thought about it, these past two days had indeed been lively and fulfilling.

"In fact, what happened did not involve strangers but people that we know well," Shi Xiaoya said in excitement.

Han Zhuoling loved it when she was energetic. "Oh? Tell me about it."

At the sight of her face, Han Zhuoling no longer felt tired.

He just wanted to look at her and listen to her talk. He did not want to waste his time on sleep.

"Did you know that Wei Wucai is also a member of the production crew?" Shi Xiaoya asked.

Han Zhuoling froze for a moment and suddenly realized something. "Oh, right. He owns Ledepic More. Is their company in charge of the special effects in Wu Mosen's movie?"

Shi Xiaoya did not expect Han Zhuoling to know so much. "You knew that Wei Wucai is the owner of Ledepic More?"

"I know about it." Han Zhuoling nodded. "You didn't know?"

“Not only did I not know about it, but Zhiqing did not know as well,” Shi Xiaoya said. “Why didn’t you tell me?”

“It’s probably because I’ve known about it for a long time, so I just took the information for granted. I didn’t think it was something surprising, so I forgot to tell you,” Han Zhuoling said with a smile. “Sorry.”

“It’s nothing,” Shi Xiaoya said in understanding. “I reacted fine, but Zhiqing was very shocked.”

Han Zhuoling noticed the main point of the story as he said, “However, Wei Wucui is the boss. There is no need for him to be here. Why did he come?”

Shi Xiaoya squinted and smirked. “I think he came here because of Zhiqing. These last two days, I’ve noticed that his attitude towards Zhiqing is very different.

“He is always very blunt to other girls. He would always say things without caring about their feelings and would always give them a lot of emotional damage.”

Han Zhuoling nodded and said in a natural tone, “Why should one care about the feelings of someone who has nothing to do with them?”

Shi Xiaoya became quiet.

She did not expect that Han Zhuoling would think similarly to Wei Wucui.

“However, whenever Wei Wucui was interacting with Zhiqing, he would show such a good temper. The two still argued often, but it seemed more like flirting instead of fighting.

“Moreover, I think that Wei Wucui was intentionally making Zhiqing mad.” Shi Xiaoya wrinkled her nose and hmped as she said, “They are just like elementary school kids. I can’t believe that a grown man of Wei Wucui’s age would be so childish.”

Han Zhuoling lifted his brow and asked, “Are you saying that Wei Wucui likes Yan Zhiqing?”

x

Chapter 3027 The Difficult Question

“I think so,” Shi Xiaoya said. “Even Director Wu could sense it and was trying to be their matchmaker.”

Han Zhuoling laughed and said, “Actually, it is understandable. Wei Wucui had been training at the Mount Lan Compound since he was young. He was always around guys and never really had the chance to interact with

girls.

“It is true that he had never fallen for anyone. However, even if he fell for someone, which is the current situation, he would not know how to pursue her,” Han Zhuoling said as he rubbed his chin.

“I’m guessing he might not even be aware that what he feels for Yan Zhiqing is affection, which is why he is acting like an elementary school kid.”

At this moment, the poor Wei Wucui had no idea that Han Zhuoling and Shi Xiaoya were gossiping about him.

When Shi Xiaoya heard what Han Zhuoling said, she laughed to herself, thinking that Han Zhuoling had no idea how similar he was to Wei Wucai.

Han Zhuoling had forgotten how he he had shown zero emotional intelligence when he was interacting with Shi Xiaoya in the past.

“Enough about Wei Wucai. I think Zhiqing shocked me even more,” Shi Xiaoya said.

Han Zhuoling looked at Shi Xiaoya, confused.

Shi Xiaoya then continued, “Did you know? Zhiqing thinks that Wei Wucai is gay!”

Han Zhuoling was speechless.

His mouth twitched as he asked, “Does Wei Wucai know?”

“I am unaware as to whether he knows or not, but Zhuofeng knows about it.” Shi Xiaoya had no hope that Han Zhuofeng would have kept this a secret. She continued, “It is very likely that he has not kept this a secret from Wei Wucai.”

“But Zhuofeng does not have a big mouth,” Han Zhuoling said.

“But... Zhiqing thinks that Zhuofeng is gay as well and that he is dating Wei Wucai,” Shi Xiaoya said. “This is complicated. Let me elaborate.”

Shi Xiaoya then told Han Zhuoling what kind of misunderstandings Yan Zhiqing was laboring under.

Han Zhuoling was speechless.

Han Zhuoling couldn't help but interrupt, “Yan Zhiqing is digging her own grave.”

There was a reason why Han Zhuofeng did not dare to provoke Wei Wucai.

Wei Wucai was not someone who's easy to mess with...

Moreover, Yan Zhiqing actually thought that Han Zhuofeng was gay?

Shi Xiaoya smiled and said, “You can imagine how crazy it was at the set.”

“As long as you are not bored,” Han Zhuoling said.

Obviously, it was all just for fun, and they were just people that had entertained Shi Xiaoya.

The mention of Han Zhuofeng reminded Shi Xiaoya about what she wanted to ask Han Zhuoling.

Shi Xiaoya leaned into Han Zhuoling's arms. She was not tired.

While she was in his arms, she turned around and lay on her stomach.

“By the way, there's one more thing I need to tell you,” Shi Xiaoya said. Seeing her change in attitude, Han Zhuoling immediately asked in a curious tone, “What is it?”

Shi Xiaoya placed her chin on Han Zhuoling's chest and said, "While we were having dinner today, Zhiqing asked Zhuofeng about what type of girl he liked, and Zhuofeng answered that the person that we eventually end up with usually might not meet the standards we have set for a future partner.

"Usually, the person that we meet and end up falling in love with is different from the type of person we thought we would like." Shi Xiaoya looked at Han Zhuoling with a smile.

"Therefore," Shi Xiaoya asked, "what was your type in the beginning? Is it different from me?"

Han Zhuoling realized that this was the challenge awaiting him.

But Han Zhuoling had no fear of such a difficult question.

### Chapter 3028 So, This Is What My Type Looks Like

Totally unperturbed, Han Zhuoling replied, "I've never thought about it before. Because before I got to know you, I had no interest in these sorts of things. Moreover, even if I'd had the time to think about these things, I'd have rather spent it on work."

He went on, "I'm not trying to brush you off. I truly have never thought about what type of person I like."

Otherwise, he would not have gotten married so indifferently just because Han Dongping had picked Xia Yixin back then.

This was because Han Zhuoling had felt at the time that he would perhaps never like anyone of the opposite sex in his entire lifetime.

This was not to say that he liked men.

Even though Han Zhuoling did not have any good feelings about anyone of the opposite sex, he still knew with 100 percent certainty that he liked girls.

However, he had felt that he would not fall for anyone in this lifetime.

He just felt rather dull when he thought about the matter of being fond of someone.

So, since he did not like anyone, he was indifferent to whomever he would marry.

Thinking about it now, Han Zhuoling finally realized that he had actually been very childish at that time.

Yet he had believed he had already matured.

He supposed that most people had such a phase wherein they believed themselves to be infallible.

"Because I never thought about it before, I didn't even have a rough vision of my type. So when I met you, I didn't even know that that's what it meant to like someone."

Han Zhuoling lowered his head and rubbed Shi Xiaoya's head, which was abundant with hair. "However, fortunately, I realized before long that that's what it means to like someone."

Now, it had developed from liking someone into loving someone.

“After meeting you, I finally realized there was someone I liked. It was then that I was able to determine... ‘so, this is what my type looks like,’” Han Zhuoling said in a low voice.

Shi Xiaoya felt like her health bar had become empty.

How could Han Zhuoling’s words make her this happy?!

In the past, he had never liked anyone. Later on, when he did like someone, it was someone with this appearance of hers.

\*\*\*

On the second day, Shi Xiaoya got up while it was still quite dark.

Han Zhuoling had thought about how Shi Xiaoya had to get up early, so he had not dared to disturb her.

He just hugged her innocently and slept.

The moment Shi Xiaoya moved, Han Zhuoling woke up as well.

He thought about it and felt that he should be content with this situation.

Originally, he would not have even been able to see her. Just the thought of it was terrible.

Now, at least, the two of them were together and could see each other every day.

Shi Xiaoya had to wake up this early every day. If he were to grab hold of her and waste her time, it would be too unreasonable.

It was not as if he could not endure a month or two of this.

This was how Han Zhuoling had persuaded himself.

Upon sensing the movement beside him, Han Zhuoling picked up his cell phone to have a look.

It was still very dark inside the room, so when the cell phone screen lit up, that light was especially blinding.

Han Zhuoling closed his eyes to let them adapt for a moment. Then he squinted and forcefully had a good look at the time displayed on the cell phone screen.

It was only five o’clock.

“Go back to sleep,” Shi Xiaoya said when she noticed Han Zhuoling looking at the time. “You need to wake up this early every day?” Han Zhuoling gently wrapped his arms around Shi Xiaoya’s slender waist. He was still very sleepy. “Yes. The cast and crew always start work early. Moreover, I don’t just do makeup for Zhiqing. I’m also responsible for some of the supporting actors. I need to go there ahead of schedule to prepare and wait for the actors to come into position. I can’t be letting the actors wait there for me,” Shi Xiaoya explained.

“Go back to sleep. You don’t need to worry about me,” she said.

“What about your breakfast?” Han Zhuoling asked.

“Zhiqing prepares breakfast for me,” Shi Xiaoya said. “Don’t worry.”

## Chapter 3029 She Was the Only One Missing

Han Zhuoling was indeed rather tired. It was rare for him to not get up.

“What do you two eat for breakfast?” Han Zhuoling asked groggily with his eyes half-closed.

While changing her clothes, Shi Xiaoya said, “Just something simple. Milk, coffee, bread, salad.”

She added, “We’ll heat up the milk and coffee in the car with some hot water. Although the bread and salad are cold, it’s quite comfortable on the stomach to eat them together.”

Han Zhuoling turned his body to face Shi Xiaoya. “I’ll speak with the hotel and have them let you two have access to the hotel’s kitchen in the early hours of the morning. I’ll also find someone to make breakfast for you both.”

“There’s no need for that.” Shi Xiaoya finished changing her clothes and then went to the bathroom to wash up.

After quickly tidying up, she came back out and said to Han Zhuoling, “Because the schedule’s truly too tight, even Zhiqing has to quickly fill her stomach in the car on the way to the shoot. The moment we get there, we have to start making preparations immediately.

“I have to do the makeup for the actors without delay. After that, Zhiqing and the other actors have to refrain from eating as much as possible in order to maintain the makeup on their faces,” Shi Xiaoya explained. “Of course, there will be a rest period in the middle. They will undoubtedly eat a bit of food, relax for a bit, and rest for a while. Then they’ll also get their makeup touched up and do whatever else needs to be done.”

Shi Xiaoya said with a smile, “In any case, we’re really too busy in the morning. There’s truly no time for us to have a proper breakfast.”

Han Zhuoling replied, “You repeatedly nag me to eat proper meals, yet over here, you can’t even eat a decent breakfast.”

“That’s not true. There’s milk, coffee, bread, and salad. It’s a balanced and nutritional meal. Eating something simple in the morning is actually pretty good,” Shi Xiaoya said. “If even I am able to eat all of my three meals on time, you can do it too.”

Han Zhuoling let out a laugh and said, “Alright. I promise you I’ll do it.”

After packing her things, Shi Xiaoya said, “I’m going now. I have to join the crew by half-past five.”

While walking over to Han Zhuoling, Shi Xiaoya asked, “What time are you leaving?”

Han Zhuoling looked at the time. “Probably at seven. I’ll get to the company before nine.”

Although he said yesterday that it would be fine for him to leave a bit later, he still wanted to do his best to arrive at the company on time.

He would only rest more when he was truly too tired and unable to hold out anymore.

Han Zhuoling felt that although he would not be able to get to the company as early as before, he could still at least arrive on time during this period.

“Then you should hurry up and go back to sleep for a while,” Shi Xiaoya said. She lowered her head and gave Han Zhuoling a kiss on the lips. “I’ll be going first.”

Han Zhuoling squeezed her hand and said, “Okay. I’ll come back here after work.”

They were at a hotel, and it really could not be considered their home at all.

However, hearing Han Zhuoling’s words gave her a very warm feeling.

It was like they had moved their home over here.

“Alright.” Shi Xiaoya nodded and kissed Han Zhuoling on the lips again. Then she finally left in a hurry.

She would be late if she did not leave now.

Once Shi Xiaoya went out, Han Zhuoling finally went back to sleep.

However, it was different from last night.

He had slept especially peacefully the entire night until this morning.

As he closed his eyes at this moment, his lips could not help forming into a smile.

Shi Xiaoya, on the other hand, the hall without delay.

Aside from her, everyone else had already arrived.

Han Zhuofeng and Wei Wucai, as well as Yan Zhiqing, Fang Qiaohan, and Guo Yujie, were there.

The only one missing was her.

As Shi Xiaoya ran over, she noticed something strange.

Didn’t Han Zhuofeng always drive his own car?

Why was he waiting here?

Chapter 3030 Deal with Each Other

Shi Xiaoya did not know that Han Zhuofeng was here just to watch the fun!

Last night, Wei Wucai had given him a whole speech about how he was going to be Yan Zhiqing’s “gay bestie.”

Han Zhuofeng became so excited that he almost could not sleep at all.

He was set on finding out how Wei Wucai was going to become Yan Zhiqing's gay bestie.

Therefore, he decided that he was not going to drive today and was instead going to ask Yan Zhiqing for a ride.

Because he knew that Wei Wucai was definitely going to be in Yan Zhiqing's car.

As Han Zhuofeng wasn't going to drive, Yan Zhiqing, without even intentionally doing so, started waiting for Shi Xiaoya so that she could give her a ride as well.

Shi Xiaoya felt really embarrassed as she was the last to arrive. "I am so sorry I am late."

"It's fine. There is enough time," Yan Zhiqing responded.

They were very near the set. The drive would take only around ten or fifteen minutes.

Even so, the group rushed into the car.

They only felt relaxed once the car started steering away from the hotel.

Yan Zhiqing smiled as she looked at Shi Xiaoya and asked, "I heard Han Zhuoling came last night?"

Hearing this, Guo Yujie felt really guilty and proceed to stare at the ceiling.

Why did Yan Zhiqing ask this question?

Her question made it obvious that Guo Yujie was the one who had spilled the beans!

It happened while everyone was gathering in the hotel lobby this morning.

Yan Zhiqing saw that everyone had arrived, but Shi Xiaoya was still absent.

Feeling confused, she asked Guo Yujie where she was.

Guo Yujie then told her that Han Zhuoling came last night.

Because Shi Xiaoya did not share the same room as Guo Yujie, Guo Yujie had no idea what really happened.

In Shi Xiaoya's opinion, this was not something that should be kept a secret, which was why she did not mind the others knowing about it.

After all, Han Zhuoling would be coming over every day from now on.

And so, Shi Xiaoya smiled and answered, "He came over after work. He also said that he would be coming over every day. He would be staying here temporarily, which means he will be leaving here to go to work and coming back here after work."

Yan Zhiqing clicked her tongue and commented, "I didn't think that Han Zhuoling, someone who appeared so cold and aloof, would become so clingy."

She supported her chin and took a bite of the bread before continuing, "This must mean that even if you initially thought that they had a personality that clashed with yours, things become different when you really fall in love."

"Zhiqing, do you like guys who are clingy or aloof?" Shi Xiaoya asked.

Han Zhuofeng, being the spectator who was unafraid of things becoming worse, began listening carefully.

Wei Wucai's ears pricked up as he turned his attention to Yan Zhiqing.

He then heard Yan Zhiqing say: "Whenever I watch TV series and anime or read novels, I fancy the cold and aloof characters more."

Wei Wucai frowned and commented, "I can't believe you would be so childish when you are this old."

He went on, "The characters in TV series, novels, and anime have been beautified. People who are cold and aloof in real life are not likable!"

Shi Xiaoya was speechless.

Hehe. It was not only Yan Zhiqing who would be single forever; Wei Wucai would be single forever as well.

Given their emotional intelligence, it was unknown whether these two would be able to end up together.

However, from another point of view,

Because these two lacked emotional intelligence, they would be able to deal with each other.

They wouldn't look down on each other.

If a different person had been paired with either one of them, that person might look down on them.

As Shi Xiaoya thought this to herself, she saw Yan Zhiqing nod her head, agreeing with Wei Wucai's comment. This surprised Shi Xiaoya.

"You are right." Yan Zhiqing nodded in agreement.
