

Mr Han 3051

### **Chapter 3051: You Finally Showed Your True Colors**

That's the reality.

It didn't matter if the person was her or someone else. Regardless of the person's social status or ranking, it would be better to treat that someone with kindness rather than hostility.

This had nothing to do with social status.

There was an old saying—don't burn your bridges. This was wisdom passed down by the ancestors.

Even if Shi Xiaoya didn't have a relationship with Han Zhuoling, Luo Qingxian shouldn't be fighting with her the moment she saw her.

How bored must she be?

Was Luo Qingxian smart or was she stupid?

It didn't matter to Shi Xiaoya. She was not worried at all. As long as Luo Qingxian didn't talk bad about her in front of her face, she didn't care about what she said behind her back.

Since no one dared to make her feel uncomfortable right in front of her face, Shi Xiaoya had no energy to care about what they did on their own time.

She was happy and comfortable like this.

If she had to bother with and care about everything, she would die of tiredness.

Therefore, Shi Xiaoya did not care about what Luo Qingxian had to say.

"I don't care what you say. You know well if it's slander or not," Shi Xiaoya said in an unbothered attitude. "People will believe what I say anyway."

Why would Luo Qingxian want to visit the production set for no reason?

Luo Qingxian was not an actress and not someone with any skills in this field. She had nothing to do with the production of this movie. Why would she visit the production set?

This was confusing.

But with Shi Xiaoya's explanation, everything would make sense.

Therefore, anyone who heard from Shi Xiaoya would believe what she said.

It was reasonable. It's the piece of the puzzle that perfectly explained why Luo Qingxian would act so abnormally.

Hearing this, Luo Qingxian felt herself get filled with hatred.

She was talking through the phone anyway, so she was not afraid that Shi Xiaoya might see her facial expression. And so, she didn't hide her expression at all.

Her emotions were revealed entirely on her face.

“So you just won’t help me, right?” Luo Qingxian asked coldly.

Shi Xiaoya raised her brows. At this moment, Luo Qingxian still had such a bold attitude.

Shi Xiaoya responded coldly, “Why should I help you? I am not helping you.”

“Okay. Okay.” Luo Qingxian nodded her head slowly as anger filled her heart. “Shi Xiaoya, you finally showed your true colors!”

Shi Xiaoya lifted her brows as she thought to herself, “What true colors did I show?”

She unconsciously rubbed her face as she replied, “I have always been like this. I never changed.”

“Good. You admitted it!” Luo Qingxian immediately said. She couldn’t help but point at thin air as she shouted.

If Shi Xiaoya was in front of her, her finger would have been pointing at Shi Xiaoya’s nose.

Shi Xiaoya was very confused. “What did I admit to?”

“You admitted that you have not changed at all and that you have always been this mean! You never wanted others to live a good life! You are a hypocrite! You pretended to be kind and innocent in front of someone like Han Zhuoling who is of use to you.

“With this disguise, you managed to trick Han Zhuoling into loving you,” Luo Qingxian said angrily. Her expression showed her feelings of indignation. It was as though she had been the one tricked by Shi Xiaoya.

Shi Xiaoya rolled her eyes. She wondered if Han Zhuoling knew that Luo Qingxian saw him as someone who was easily fooled.

In Luo Qingxian’s eyes, he became a brainless man who got fooled by a young lady like her.

At this moment, Shi Xiaoya just wanted to laugh sarcastically at Luo Qingxian.

Immediately after that, Luo Qingxian said, “They don’t know how mean you look right now! You are selfish and you don’t know how to help others.

“Shi Xiaoya, you must think you are very powerful now, which is why you are looking down on your old classmate.”

### **Chapter 3052: The Wrong Idea**

Luo Qingxian was filled with indignation. “Do you think I am not as good as you? And now, you are seizing the opportunity to belittle me and be mean to me!”

Shi Xiaoya was shocked.

What in the world!

Luo Qingxian was too dramatic!

When did she even belittle her and when was she mean to her?

Luo Qingxian even said that she was trying to seize the opportunity!

It was Luo Qingxian who came looking for her!

It had nothing to do with her!

“Back then, all your innocent looks were a disguise! You are really cunning,” Luo Qingxian said. “Haha, I guess you do need to be cunning to take down Han Zhuoling and become his wife. Although the news that Xia Yixin released were all found to be fake in the end, there is a possibility that there are some truths in those fake news.

“You were able to make Han Zhuoling treat his ex-wife so ruthlessly. If you are able to kick Xia Yixin away and make it impossible for her to ever return, it shows that you are crafty,” Luo Qingxian said. “We have all underestimated you. Who would have expected that you were so cunning and crafty?”

When Shi Xiaoya heard herself described as cunning and crafty by Luo Qingxian...

She just wanted to laugh.

She really started laughing.

Luo Qingxian had no idea what had happened. She had no understanding of the truth. She was just guessing and making this whole thing sound like her evil plan. It was too funny.

“Are you done?” Shi Xiaoya asked impatiently.

Luo Qingxian still had so much dissatisfaction to express when she was interrupted by Shi Xiaoya.

“I don’t have to listen to your gibberish. If you think I am a two-faced person, then so be it,” Shi Xiaoya said coldly.

“You don’t even bother pretending anymore.” Luo Qingxian sneered as she thought that she had ripped off Shi Xiaoya’s disguise and exposed her true colors.

Luo Qingxian was proud of herself.

Shi Xiaoya rolled her eyes so hard. “Wait, you do know that my husband is Han Zhuoling, right?”

Luo Qingxian had pointed out her relationship with Han Zhuoling earlier, showing that Luo Qingxian still kept that fact in mind.

She didn’t forget. Instead, she remembered very clearly.

Luo Qingxian did not understand why Shi Xiaoya was mentioning this. She just thought that Shi Xiaoya was showing off.

What’s there to boast about!

Uncultured!

“I know. Who doesn’t know about this!” Luo Qingxian said in a sarcastic tone. “I don’t need you to remind me.”

Shi Xiaoya had already known that Luo Qingxian was stupid.

Therefore, when she heard Luo Qingxian's sarcastic tone, she didn't think it was weird at all. She just pretended that she had heard nothing.

"Since you know, how do you still have the audacity to berate me like this?" Shi Xiaoya asked.

"Aren't you scared that I might tell Zhuoling out of pettiness?" Shi Xiaoya asked.

Luo Qingxian was speechless.

She had been blinded by anger and didn't think it through.

Now that Shi Xiaoya had mentioned this, Luo Qingxian immediately regretted what she had done.

"Whatever!" Luo Qingxian said forcefully and stubbornly. "You've been two-faced for a while anyway. It doesn't matter what I said. If someone as cunning as you wanted to make life hard for me, I can't do anything to stop you!"

With this, Luo Qingxian hung up as quickly as possible.

She was too afraid to face Shi Xiaoya again.

Shi Xiaoya rolled her eyes. She didn't bother with Luo Qingxian at all.

She didn't tell Wei Wucai and Yan Zhiqing.

Luo Qingxian was no one important to Wei Wucai.

So why would she tell Wei Wucai about this? This would only give Yan Zhiqing the wrong idea.

### **Chapter 3053: Well, This Sure Is Something That Could Cause Suspicions**

If Wei Wucai had never even taken note of Luo Qingxian before and Shi Xiaoya specifically went and told him about this, what would this imply?

Could it be that she still needed to remind Wei Wucai of Luo Qingxian's existence?

But why should she help Luo Qingxian?

And as for telling Yan Zhiqing?

Yan Zhiqing was currently at the stage of having some sparks with Wei Wucai, just the very first signs of it possibly developing into something more. However, the two of them ultimately still had not set anything in stone.

There were just more opportunities for their feelings for each other to grow.

Even if Shi Xiaoya were to tell Yan Zhiqing, what could Yan Zhiqing do about it?

Moreover, what would be the purpose of telling Yan Zhiqing?

Yan Zhiqing had yet to even get together with Wei Wucai. What right did she have?

That was why Shi Xiaoya did not tell the two of them about the matter with Luo Qingxian.

If she did, things would just become awkward.

However, she never expected that Luo Qingxian would actually come over on her own.

Or perhaps it was that she had managed to find someone to help bring her inside.

Shi Xiaoya looked at Luo Qingxian from afar and furrowed her brows.

Han Zhuofeng had taken two steps and realized Shi Xiaoya was not following him, so he stopped and turned his head to ask, "Sister-in-law, what's the matter?"

Shi Xiaoya shifted her gaze back to what was before her and pretended she had not seen Luo Qingxian at all. Then she turned around straight away and caught up to Han Zhuofeng. "I saw an old classmate."

Upon seeing that Han Zhuofeng wanted to turn back and look, Shi Xiaoya stopped him hurriedly. "Don't look, lest she gets provoked."

"Why? Does she have a bad relationship with you?" Han Zhuofeng asked in surprise.

It was very rare to see Shi Xiaoya display such an obvious expression of disdain and dislike for someone.

"She came here aiming for Wei Wucai. With the way she's looking around over there, she's probably trying to find him. If she notices you looking at her, won't she come over?" Shi Xiaoya said quietly.

"What's with that?" Han Zhuofeng got a shock. "Elder Brother Xiao Cai has a woman outside?"

"..." Shi Xiaoya felt like she had no words. "What are you talking about... You're giving her too much credit."

Shi Xiaoya then explained, "It seems like the elders of their families introduced them to each other, but Wei Wucai doesn't like her, and she thinks lowly of him. She feels he doesn't have good future prospects."

The corner of Han Zhuofeng's mouth twitched. "It's Elder Brother Xiao Cai, and he's considered as having no good future prospects? Then her standard for good prospects must be extremely high."

"I think she's misunderstood something or other," Shi Xiaoya explained. "Anyway, she just feels that Wei Wucai isn't particularly capable and treats him with much disdain."

"Then why is she looking for him?" Han Zhuofeng did not quite understand it. "Is she that free?"

Han Zhuofeng did not know Luo Qingxian, so he did not hold any particular feelings towards her initially.

However, upon seeing Shi Xiaoya's dislike of Luo Qingxian, Han Zhuofeng naturally stood on his sister-in-law's side.

He now had a bad impression of Luo Qingxian.

And when he heard Shi Xiaoya say that Luo Qingxian even had the audacity to look down on Wei Wucai...

Han Zhuofeng immediately developed a great dislike for Luo Qingxian.

One could not judge Han Zhuofeng's friendship with Wei Wucai just based on his weak and bullied appearance when he was with him.

In reality, Han Zhuofeng had an especially good relationship with Wei Wucai.

Han Zhuofeng first took his sister-in-law's side unconditionally, and now, he was definitely even more set on standing by his good brother as well.

"She saw Wei Wucai with Yan Zhiqing just once and began to suspect their relationship with each other," Shi Xiaoya said.

Han Zhuofeng rubbed his chin and said, "Well, this sure is something that could cause suspicions."

After all, when Wei Wucai and Yan Zhiqing were together, there was a very subtle romantic mood between them.

Even when they were fighting, they gave off the feeling as if they were bantering flirtatiously.

"But doesn't she look down on Elder Brother Xiao Cai? So why does she care if he's with Yan Zhiqing?" Han Zhuofeng could not understand why.

#### **Chapter 3054: Weird Thought Process**

Shi Xiaoya thought about it inwardly. As expected, most normal individuals would not be able to understand Luo Qingxian's thought process.

"She suspects that Wei Wucai had lied to her. Zhiqing's identity is no secret. Everyone knows about this. There is no way that Zhiqing, the sister of Yan Beicheng, would fancy a loser. It could be possible that Wei Wucai is a very good guy who lied to her about his identity. And now, she had missed a good deal.

"Previously, I attended the celebration of Jixia Academy. She was my classmate. She asked me about Wei Wucai and Zhiqing's relationship. Although Wei Wucai and Zhiqing's interaction had become slightly different, there was no change in their relationship status.

"In addition, even if they were dating, I couldn't possibly tell anyone without their permission. And so, I said nothing. Yet she still asked me to look into it and I refused. She then proceeded to call me selfish and say that I wouldn't even say yes to a small favor."

Han Zhuofeng felt as though he had entered into a new world. It was his first time seeing someone with such a weird thought process.

"Why should you help her?" Han Zhuofeng asked, gnashing his teeth.

Shi Xiaoya rolled her eyes as she answered, "I already told you. She called me again the day before yesterday and asked me to bring her on set so that she can visit Wei Wucai."

Shi Xiaoya bit her lips before she continued, "Am I that bored? If I brought her on set, Wei Wucai would hate me.

"I refused to help her and she said that I was a very bad person who wouldn't even do her a small favor," Shi Xiaoya said.

At this point, even Han Zhuofeng couldn't help but roll his eyes. "Is it your obligation to help her? You don't owe her anything. What makes her think she has the right to demand that! In addition, we all signed a contract. We can't bring someone on set. This is not a small favor."

"Yes, that is what I told her. She said that I could break the rules since I have Zhuoling on my side. No one would dare to fire me. But why should I help her with this and put Zhuoling's reputation on the line?"

"Therefore, I couldn't possibly agree. She then called me cunning and two-faced." Shi Xiaoya waved her hand and said, "She is too weird. I have to stay away from her. You too. Don't get yourself stuck with her. Otherwise, it will be very troublesome for you."

Han Zhuofeng was already on the defensive mode as he rubbed his arm, feeling scared to even look in the direction that Luo Qingxian was located.

He was really scared that he might get tangled up with her.

The two dreaded any more interactions with Luo Qingxian. But Luo Qingxian had no intention of letting them go.

"Xiaoya!" Shi Xiaoya and Han Zhuofeng heard someone calling.

It was definitely Luo Qingxian.

Shi Xiaoya was very confused.

Luo Qingxian had already fought with her on the phone.

Only a night had passed, but as soon as Luo Qingxian saw her today, she pretended as though nothing had happened.

She even called out in such a loving tone.

Shi Xiaoya could not do the same.

Even Han Zhuofeng looked towards Shi Xiaoya and asked, "Didn't you guys fight? Why is she acting like this?"

Shi Xiaoya sighed helplessly. "I told you she has a weird brain.

"Let's just leave and pretend that we heard nothing." Shi Xiaoya dragged Han Zhuofeng and started walking forward.

Obviously, Luo Qingxian wouldn't give up that easily.

If she was someone who gave up so easily, she would not have come looking for Shi Xiaoya repeatedly.

"Wait! Xiaoya! Xiaoya!" Luo Qingxian called out from behind.

Shi Xiaoya was not the only one who heard her. Everyone else on set heard her as well.

With her pointed toe heels, Luo Qingxian adamantly ran towards Shi Xiaoya.

Shi Xiaoya wanted to run, but she knew that there was no escape.

### **Chapter 3055: I Didn't Think You Would Be So Unforgiving**

Shi Xiaoya had no choice but to stop.

A few moments after she stopped, Luo Qingxian ran in front of her.

Luo Qingxian was seen panting. She complained unhappily, "Xiaoya, I called you so many times. Didn't you hear me? Why didn't you stop?"

Shi Xiaoya looked at her weirdly. "Luo Qingxian, did you lose your memory?"

"What are you talking about?" Luo Qingxian said in dissatisfaction.

"If you didn't lose your memory, you would have remembered that we had shed all sense of cordiality the night before yesterday," Shi Xiaoya said. "If you don't remember, I can remind you. You think that I am a two-faced, double-dealing, and selfish person."

She added, "Since I am such a horrible person, it's not worth it to be my friend."

But Luo Qingxian responded, "I didn't think you would be so unforgiving."

Shi Xiaoya was speechless.

Was this about forgiveness?

Why did she make it sound like Shi Xiaoya was in the wrong?

After Luo Qingxian said something that disgusted Shi Xiaoya, she glanced over at Han Zhuofeng.

Shi Xiaoya frowned and immediately wanted to obscure her view of Han Zhuofeng.

As Han Zhuofeng's eldest sister-in-law, she couldn't possibly let Luo Qingxian entrap the youngest of the Han Family.

From Shi Xiaoya's perspective, Luo Qingxian was clearly the equivalent of a monster in a flood.

However, Han Zhuofeng didn't let Shi Xiaoya step in front of him and protect him.

Han Zhuofeng thought of himself as a man, and he had promised Han Zhuoling that he would keep Shi Xiaoya safe.

At this critical moment, how could he hide behind Shi Xiaoya?

"I am here for Wei Wucai," Luo Qingxian said. "Where is he?"

When Han Zhuofeng heard this, he immediately knew that she had come here to bother Wei Wucai.

He was just about to answer when Shi Xiaoya pulled him.

Han Zhuofeng was a man. It wouldn't be good if Han Zhuofeng was seen arguing with Luo Qingxian.

And so, Shi Xiaoya pulled Han Zhuofeng.

She stopped what Han Zhuofeng was about to say and said to Luo Qingxian, “Does Wei Wucai know you came to see him?”

Luo Qingxian felt very confident and good about herself. She answered as she played with her wavy curls, “I obviously came to surprise him.”

Shi Xiaoya suddenly recalled a description—the curls of a scum girl.

This description magically appeared in her mind.

“What’s your relationship with Wei Wucai? Why are you surprising him?” Shi Xiaoya asked bluntly. “Will he be happy to have this surprise?”

Luo Qingxian’s expression changed as she scowled. “It’s none of your business!”

Luo Qingxian was afraid that others might hear her so she took a step forward.

Han Zhuofeng immediately pulled Shi Xiaoya back in an act of defense.

Luo Qingxian’s expression looked even worse.

Han Zhuofeng’s facial expression made it seem like she would do something to Shi Xiaoya.

Was she some disease?

How could they avoid her like this!

Luo Qingxian lowered her voice as she said, “I am Wei Wucai’s blind date. I am here to see him. What’s with this?”

Shi Xiaoya sneered and commented, “You are just a blind date. It’s not like you guys are dating. You can visit him, but you don’t have to surprise him. You might think it’s a surprise, but he might think it’s a scare.”

Han Zhuofeng stood at the side as he looked at Shi Xiaoya in admiration.

Who would have imagined that his sister-in-law would have such a sharp tongue! Powerful!

With every word she said, Luo Qingxian’s facial expression changed.

The third son of the Han Family had no use at all right now. He could only be a quiet pillar that was ready to protect Shi Xiaoya at any time.

### **Chapter 3056: You Care So Much About Wei Wucai**

Shi Xiaoya used to be an innocent and cute girl. With her big eyes blinking widely, she looked so cute. Therefore, the third son of the Han Family had reason to suspect that...

She had been influenced by Han Zhuoling after she married him. In addition, she became Lu Man’s bestie and sister-in-law.

Lu Man must have taught Shi Xiaoya her skills of roasting people.

As Han Zhuofeng thought about this, he was no longer worried about Shi Xiaoya.

With a leisurely attitude, he remained a spectator.

However, Han Zhuofeng didn't expect Luo Qingxian to be a strong opponent.

As Shi Xiaoya continued roasting her, her face darkened and she stopped talking for a while.

Suddenly, she blurted out, "Whatever is between me and Wei Wucui has nothing to do with you. The question of whether it might be a joyful surprise to him is not that important. So what if my presence here would not be a joyful surprise to him? Even so, it has nothing to do with you.

"What's your relationship with Wei Wucui? Why do you care so much to the point that you are interceding in his affairs? Even if I am here to see Wei Wucui, what does it have to do with you? Even if he is unhappy about it, that is between him and me.

"Who are you to stop me and roast me?" Luo Qingxian's eyes flashed with hatred.

Han Zhuofeng sensed a foreboding feeling in his gut.

However, he had always lived a peaceful and noble life.

He had never taken part in the family business. His two older brothers were the ones who dealt with the tricks and lies and they never wanted him to handle these things.

Han Zhuoling and Han Zhuoli just wanted things to happen naturally for Han Zhuofeng. If it happened, Han Zhuofeng would be gaining a new experience. This would be his life experience.

This experience would protect him from more suffering in the future.

However, if he eventually never had such experiences, it would be considered his luck and it would be unnecessary to force him to suffer.

Han Zhuoling and Han Zhuoli loved and protected their little brother Han Zhuofeng.

They were willing to let Han Zhuofeng live a pure and innocent life.

As of now, Han Zhuofeng had never encountered anyone with bad intentions.

Therefore, he couldn't figure out Luo Qingxian's evil and disgusting plan.

And so, although the feeling of foreboding was growing, Han Zhuofeng couldn't guess what Luo Qingxian was going to say.

At this moment, he heard Luo Qingxian say, "You care so much about Wei Wucui. Is there something going on... between you two?"

Han Zhuofeng's facial expression immediately changed. He glared at Luo Qingxian.

Initially, Luo Qingxian would glance over at Han Zhuofeng with a scornful expression, appearing to be hinting something.

However, the moment she turned towards Han Zhuofeng with a hateful sneer, she was frightened by a fierce glare.

She no longer dared to look and quickly looked away.

Even as she continued looking at Shi Xiaoya, she no longer dared to show that sneering expression.

Han Zhuofeng really scared her.

Luo Qingxian unconsciously moved a step back. When she stopped, she felt that she should have held on to the momentum.

When Luo Qingxian saw Shi Xiaoya's face looking terrible, she felt a little proud of herself.

Without any fear of death, she continued saying, "Or perhaps your feelings towards Wei Wucai..."

Luo Qingxian thought she was smart as she stopped halfway through her sentence.

She wanted Shi Xiaoya and Han Zhuofeng to think about it themselves.

Luo Qingxian never said anything specific. And so, they wouldn't be able to hold her accountable for what she said.

She never said anything. They would be the ones that had imagined the remaining half of the sentence, so they couldn't blame her.

Luo Qingxian had the perfect plan in mind.

With her pretentious attitude, she even said to Han Zhuofeng, "If I were you, I would keep a close watch on her."

### **Chapter 3057: You Yourself Have Feelings for Wei Wucai**

Han Zhuofeng's lips pursed tightly into a hard line while the look in his eyes was bone-piercingly cold.

One could not judge Han Zhuofeng's personality based on the sweet and naive appearance he usually had in front of his brothers.

This was because Han Zhuoling and Han Zhuoli had allowed Han Zhuofeng to develop in a "let nature take its course" way, never involving him in any internal family fights or schemes.

However, Han Zhuofeng was, after all, a member of the Han Family and had been influenced by his two brothers, so he inevitably had a similarly imposing aura.

When Han Zhuofeng's gaze swept over Luo Qingxian, her legs almost buckled.

She had initially even wanted to tell Han Zhuofeng to keep a good watch on Shi Xiaoya. Otherwise, in a moment of carelessness, she might cheat on Han Zhuoling again.

However, under Han Zhuofeng's frightening gaze, Luo Qingxian currently would not dare to say those words no matter what.

Her throat even felt like it was being choked by an invisible hand, making her unable to speak.

Shi Xiaoya looked at Luo Qingxian coldly.

Shi Xiaoya felt utterly disgusted by Luo Qingxian's dirty mind.

Shi Xiaoya suddenly stepped forward, raised her hand, and gave Luo Qingxian a hard slap.

This sort of despicable person—if Shi Xiaoya didn't hit her, was she supposed to let her stay behind so they could celebrate the new year together instead?

Having been frozen from her fear of Han Zhuoling, Luo Qingxian's entire body seemed to be under an immobilization curse.

She was unable to move even when Shi Xiaoya came before her.

Her whole mind was in a blur, and she was simply unable to keep up with what was going on around her.

It was only when a "pa" sound rang out and her cheek flared up with a stinging pain that Luo Qingxian finally came to her senses.

Shi Xiaoya actually hit her!

Shi Xiaoya actually dared to hit her!

Luo Qingxian looked at Shi Xiaoya with a fierce and malicious expression.

With swift eyes and hands, Han Zhuofeng immediately pulled Shi Xiaoya behind him.

He was standing in front of Shi Xiaoya to protect her, so Luo Qingxian was now unable to do anything to Shi Xiaoya even if she wanted to.

Having to face Han Zhuofeng, Luo Qingxian truly did not dare act wantonly.

His earlier intimidation had really frightened her.

Nevertheless, Luo Qingxian's thoughts turned around, and she suddenly raised her voice and screamed herself hoarse. "Shi Xiaoya, you actually hit me! Why? Is there something weighing on your conscience? You got exposed by me, so you got angry because you feel ashamed?"

"That's why I said... why were you so concerned about me and Wei Wucai? I asked you about something regarding Wei Wucai, yet you were unwilling to tell me the whole time. I've come to see him, but you're even stopping me from doing so."

Luo Qingxian laughed coldly, increasing her pitch higher and higher the more she laughed.

It was as if she was afraid that others would not be able to hear her.

Since Shi Xiaoya was unwilling to help her and even gave her a disgusted expression as if holding her in contempt...

She would ruin Shi Xiaoya's reputation right here!

"So, it turns out that you yourself have feelings for Wei Wucai!" Luo Qingxian said complacently while brimming with mockery. "It's just that I don't know if you have one-sided feelings for Wei Wucai or if you two have already expressed your feelings for each other."

"Shi Xiaoya, I really never imagined that you would be so greedy and so bold. You've already got Han Zhuoling, yet you still dare to mess around in secret here without telling him. You're not afraid even with your brother-in-law around!"

“You’re even protecting her.” Luo Qingxian ridiculed Han Zhuofeng. “You’ve been here all this time, and yet you haven’t realized that she’s cheating on your brother?”

“Shut your mouth!” Han Zhuofeng said coldly.

“Why? Will you hit me if I don’t shut up?” Luo Qingxian pushed her luck. “Are you both angered out of shame because I’ve exposed you?”

She went on, “I just couldn’t understand why Shi Xiaoya kept getting in my way and wrecking my relationship with Wei Wucai. But now, I finally have a clear understanding.”

### **Chapter 3058: The Silence Communicated Everything**

Luo Qingxian even cast a glance at Han Zhuofeng in a mocking and arrogant attitude. “I see. Shi Xiaoya fancies Wei Wucai and kept this a secret from you.

“But I am telling you now, open your eyes and don’t get fooled by her!” Luo Qingxian shouted towards Shi Xiaoya, “Embarrassing!”

The staff members on set all saw them from afar. They all heard what Luo Qingxian had said.

They were shocked by Luo Qingxian’s audacity.

How dare she say these words!

She even said it right in front of Shi Xiaoya and Han Zhuofeng.

However, Luo Qingxian said those words with such confidence.

It sounded somewhat reasonable to everyone else.

It explained why Shi Xiaoya kept stopping Luo Qingxian from seeing Wei Wucai.

Even if Shi Xiaoya did not like Luo Qingxian, it wasn’t necessary for her to intercede in other people’s relationships.

But even if the crowd thought this, they didn’t dare to say it out loud.

They didn’t dare to show any physical expressions of this. Instead, they only showed physical expressions that conveyed trust in Shi Xiaoya and contempt towards Luo Qingxian.

Of course, only a small portion of the crowd was influenced into believing what Luo Qingxian had said.

Most people didn’t believe her.

Shi Xiaoya’s face turned cold as she asked, “Are you done talking?”

Luo Qingxian didn’t expect Shi Xiaoya to remain so calm despite the horrible facial expression.

Luo Qingxian thought inwardly, “Shi Xiaoya must be pretending to be calm.”

She just didn’t believe that Shi Xiaoya could remain fearless at this point.

Han Zhuofeng or someone else here would definitely suspect Shi Xiaoya.

“You don’t have to say more.” Shi Xiaoya sneered coldly. “I will tell Zhuoling myself that you suspect that I am having an affair with Wei Wucai.”

At this moment, Wu Mosen came out as well.

Luo Qingxian had made such a huge noise that Wu Mosen came out.

He had promised Han Zhuoling that he would take good care of Shi Xiaoya.

And so, he immediately felt a mountain load of stress.

Wu Mosen did not know that Han Zhuoling had already made plans to come over every day. If he had known, he wouldn’t have been so anxious.

“Go get Wei Wucai here,” Wu Mosen said to his assistant.

This was caused by Wei Wucai, which meant that Wei Wucai had to be the one to solve it.

The assistant saw Wei Wucai and Yan Zhiqing enter the dressing room earlier, so he immediately went looking for them.

He was calling Wei Wucai while he was running over there.

In the dressing room, Wei Wucai and Yan Zhiqing, the two besties, were chatting.

Wei Wucai was just about to ask if Yan Zhiqing wanted to eat dinner together when...

Before he could ask the question, his phone started ringing.

It interrupted what he was about to say.

Wei Wucai’s face darkened. He took out his phone.

He then saw that it was a call from Wu Mosen’s assistant.

Yan Zhiqing saw it as well and she asked, “Does Director Wu need something?”

If not, Wu Mosen’s assistant wouldn’t have called.

Wei Wucai immediately picked up the phone.

The assistant hurriedly said, “Mr. Wei, a lady is making a fuss and demanding to see you. She even slandered Shi Xiaoya, suggesting something about Shi Xiaoya having a relationship with you.”

Without the assistant making it clear, Wei Wucai already knew how she had slandered Shi Xiaoya.

He knew what slanderous statement she had said about Shi Xiaoya’s relationship with him.

The silence in the message had conveyed everything.

And now, he just needed to step out to see who this lady was.

“I got it. I will come over now.” Wei Wucai hung up after responding.

He then explained to Yan Zhiqing, "There is a woman here. I don't know who she is, but she says she is here to see me. Yet she is apparently causing trouble for Shi Xiaoya and claiming that Shi Xiaoya and I have a dirty relationship."

Wei Wucai sneered and said, "I am curious as to who had spouted such nonsense."

### **Chapter 3059: Mentally III**

That person must be dying to have their mouth ripped off of their face.

When Yan Zhiqing heard that the person had slandered Shi Xiaoya...

Shi Xiaoya was married, so even such lies could cause harm to her.

People around her might suspect and point fingers at her. But those were negligible.

If her family and husband suspected her, what kind of difficulties would she encounter?

Not to mention that Han Zhuoling had been cheated on previously.

It was unknown whether he might have become more sensitive to these things.

If Shi Xiaoya was suspected by others because of what that person had said, what kind of struggles would she experience?

The person who slandered Shi Xiaoya was truly vicious.

"I am coming with you." Yan Zhiqing stood up abruptly.

Being someone with a bad temper, she could not bear to stand by and watch her friends being bullied.

Who was this blind person that dared to bully Shi Xiaoya??

Crazy!

Wei Wucai couldn't stand by and watch Shi Xiaoya being slandered. He knew that Han Zhuoling and the others would never believe in what that person said.

However, such a slanderous statement was still gross.

Wei Wucai could not bear to joke about his friendships.

He was curious about the identity of this vicious person who obviously couldn't stand it when others were living a good life.

This slanderous statement was harmful to both Shi Xiaoya and Han Zhuoling.

Wei Wucai had to admit that this person was too bold.

She dared to say such a slanderous statement when she knew that it would involve Han Zhuoling.

Without any further delays, Wei Wucai and Yan Zhiqing rushed out.

Yan Zhiqing even started running. It looked as though she was about to leave Wei Wucai in the dust.

Yan Zhiqing had been filming for the entire morning. It might seem like acting consisted of just making facial expressions and memorizing script lines.

However, the same scene was usually filmed multiple times. In addition, the actors and actresses had to remember their positions and how they should move throughout the scene. There could even be times when the actors or actresses would have to carry or wear things that were very heavy throughout the shooting of the scene.

Acting was not easy at all.

After an entire morning of filming, Yan Zhiqing was very tired.

Her meal time was her chance to rest.

However, they had just started eating not long ago when this happened.

Yan Zhiqing barely rested.

And now, she was running at full speed. Who knew if her body would be able to handle the fatigue!

Yet Wei Wucai couldn't stop her from helping Shi Xiaoya.

And so, Wei Wucai could only increase his speed.

The distance that Yan Zhiqing covered within two steps was even shorter than the distance that Wei Wucai covered within one step.

Therefore, Wei Wucai quickly overtook Yan Zhiqing.

Not long after the two had come out of the room, they saw Luo Qingxian and Shi Xiaoya facing each other.

There were many spectators standing afar.

"Oh, it's her!" Yan Zhiqing immediately recognized Luo Qingxian.

She was so angry that she pulled her sleeves up as she rushed towards Luo Qingxian.

Wei Wucai's face darkened.

He recalled what Wu Mosen's assistant had said.

Luo Qingxian came here for him?

She came to see him?

When Wei Wucai realized this, he felt grossed out.

He didn't remember getting himself involved with Luo Qingxian.

He had only met her once.

Yet, because of that, Luo Qingxian came over?

Ridiculous!

Before Yan Zhiqing could say anything, Wei Wucai, being the lanky one, strode forward.

Even though Yan Zhiqing was the first to rush there, Wei Wucai was still the first to arrive.

“Miss Luo, what are you doing here?” Wei Wucai asked coldly.

When Luo Qingxian heard Wei Wucai’s voice, she hurriedly stopped herself from talking. It was like stepping on the break in a car.

She turned and saw Wei Wucai glaring at her coldly. She had no idea when Wei Wucai came nearby.

Immediately after, Yan Zhiqing was seen running over here.

“Are you mentally ill!” Without any care for her image, Yan Zhiqing immediately started cursing and berating, “You came to see Wei Wucai and gave Xiaoya trouble! Aren’t you so capable?”

Yan Zhiqing was so mad that she gave Wei Wucai a pat on the shoulder. “You caused this trouble.”

### **Chapter 3060: Storytelling Needs Just a Pair of Eyes and a Working Mouth**

Luo Qingxian waited for Wei Wucai to show anger towards Yan Zhiqing.

Instead, he appeared generous and mellow as he smiled and said softly, “I am at fault.”

Both Shi Xiaoya and Han Zhuofeng were stunned by what they had just seen. They were dumbfounded as they stared at Wei Wucai.

What happened during noon when Yan Zhiqing and Wei Wucai were together?

Their relationship grew like crazy.

Luo Qingxian also witnessed this. Her expression changed as she blurted out, “It is true that you guys are dating?!”

If not, why would they appear so intimate in public?

Yan Zhiqing was a public figure. Her every action, word, and even her relationship received a lot of attention.

Even if she were to date someone, she would never reveal it to the public until the relationship had progressed to a certain stage.

There were a lot of uncertain factors in a relationship.

If one was lucky, the relationship would last for a long long time.

One could have also beautified the other person because of the affection while the relationship was still ambiguous and completely ignored the bad things and incompatible characteristics.

They fall deeply in love, but they would soon discover things that were incompatible and would eventually give up.

Some might meet the wrong person and get cheated on.

There have been many cases like this.

Even if none of the aforementioned cases happened...

As a celebrity, Yan Zhiqing needed to travel to many places due to work and her schedule was always packed.

She wouldn't have much time to spend with her significant other.

If they spent more time apart than together, their feelings for each other, regardless of how intense they were, would eventually die down.

For people in this field, dating would be a common issue.

Many young couples broke up because of this.

Of course, there were other reasons as well.

It was precisely because a dating relationship usually didn't last long that many celebrities choose not to announce it to the public during the beginning of the relationship.

It wouldn't be good to break up after a few months of dating.

Of course, some celebrities chose not to announce their dating relationship out of consideration for work.

The company and fans were two of the many reasons they might choose to keep it a secret.

From Luo Qingxian's perspective, even if Yan Zhiqing and Wei Wucai were together, they wouldn't stay together for a long time.

Celebrities would never tell the public about a dating relationship that had just begun and was still unstable.

Yet Yan Zhiqing wasn't hiding it at all.

Even in front of so many people, she behaved in a way that showed how close she was to Wei Wucai.

Anyone who saw their interactions would know the state of their relationship.

Yan Zhiqing's honesty shocked Luo Qingxian.

Even when everyone was watching, she still did things that were equivalent to publicly announcing her relationship.

This meant that Yan Zhiqing was really dating Wei Wucai.

Initially, everyone thought Yan Zhiqing would feel embarrassed and lash out in anger.

But when Yan Zhiqing heard what Luo Qingxian said, she started laughing.

Could Yan Zhiqing be that happy and excited to announce her relationship with Wei Wucai?

Yan Zhiqing was then seen raising her brow. She laughed twice and said, "You initially said that Xiaoya had feelings for Wei Wucui. And now, you are saying that I am dating Wei Wucui."

"You are very capable. You can easily fabricate stories with just your eyes and mouth," Yan Zhiqing said loudly.

"Just a glimpse is enough for you to acquire so much information?" Yan Zhiqing said sarcastically.

"Tell me. Am I dating Wei Wucui or is Xiaoya dating Wei Wucui?" Yan Zhiqing asked in a cold tone.

Luo Qingxian, unable to answer anything, started stuttering.
