

Mr Han 3061

Chapter 3061: Are You Serious?

Yan Zhiqing had used a powerful move.

Because of what she did, Han Zhuofeng's expression no longer looked cold. He smiled as he looked towards Yan Zhiqing.

He even winked twice at Yan Zhiqing and gave her a thumbs up.

Wei Wucai humphed inwardly.

Who did Han Zhuofeng think he was winking at!

Outrageous!

In the beginning, when Luo Qingxian had slandered Shi Xiaoya and Wei Wucai...

Most people did not regard what she had said as true.

Wei Wucai was good-looking, but Han Zhuoling was good-looking too.

She would be a fool to not cherish a husband like Han Zhuoling.

Of course, Han Zhuoling's ex-wife was a fool.

However, Shi Xiaoya didn't seem like a fool.

Therefore, the majority of the people here did not believe in what Luo Qingxian had said.

Still, there was a tiny portion of people who were happy to hear such things.

They discussed it at the side and were happy to watch another person experiencing misfortune.

But with what Yan Zhiqing had said...

Even the small group of people who had believed Luo Qingxian started doubting her.

It made sense. In the beginning, Luo Qingxian was talking about the things that might be going on between Shi Xiaoya and Wei Wucai.

But she then turned and started talking about Yan Zhiqing and Wei Wucai being a thing.

Clearly, she had been making up stories that were not backed by any proof.

Incredible. She thought that everyone in the world fancied Wei Wucai, and the thought itself was stupid.

Therefore, that small group of people no longer believed what Luo Qingxian had said.

However, even as she faced Yan Zhiqing's question, Luo Qingxian remained stubborn, saying, "Even if you are dating Wei Wucai, it doesn't stop Shi Xiaoya from being in a one-sided love with him."

"Are you not done?" Before Shi Xiaoya and Han Zhuofeng could say anything, Wei Wucai took a step forward and spoke coldly.

“Who are you?” Wei Wucai asked coldly.

Luo Qingxian’s face contorted and turned green and pale.

Yan Zhiqing never intended to give Luo Qingxian any respect. She immediately burst out laughing.

Who cared if Wei Wucai was doing it intentionally or not!

Luo Qingxian had met Wei Wucai once.

Even Yan Zhiqing remembered Luo Qingxian! Yan Zhiqing didn’t believe Wei Wucai at all. With Wei Wucai’s brain, there was no way he wouldn’t remember Luo Qingxian.

If Wei Wucai caught a glimpse of an ordinary passerby...

That passerby’s face would remain in his brain forever.

“Wei Wucai, are you serious?” Luo Qingxian stared at him.

She had come all the way here just to have Wei Wucai say that he had no idea who she was?

“You really don’t remember me? Or are you trying to make me mad?” Luo Qingxian took a deep breath and said, “You must be doing this intentionally. How can you not remember me!”

Wei Wucai raised his brow and asked, “Who are you?”

He paused and asked again, “How important do you think you are that I must remember you?”

“You!” Luo Qingxian was fuming.

She glared at Wei Wucai intensely. Her breathing became much heavier.

“Okay. You said you don’t remember me, right?” Luo Qingxian was not afraid of embarrassing herself at all. She took a step forward and said, “Let me tell you. Not long ago, we met at Sheng Yue. Your mother arranged for us to meet. My name is Luo Qingxian.”

Luo Qingxian asked as she stared at Wei Wucai’s face, “Do you remember now?”

Luo Qingxian had to admit that Wei Wucai was very good-looking.

The main reason why Luo Qingxian couldn’t let Wei Wucai go was because he was very handsome.

The other reason was that he was a son of the Wei Family.

Because of this, she couldn’t let him go. Even though she looked down on him for being a “loser,” she couldn’t help paying attention to him.

Because she had been constantly paying attention to Wei Wucai, she started to suspect the authenticity of the things that Wei Wucai had told her.

x

Chapter 3062: Sorry, We Don’t Know Each Other Well

She suspected that Wei Wucai had lied about himself to her.

“Oh,” Wei Wucai responded in a perfunctory tone. “I don’t remember.”

“You!” Luo Qingxian was now certain. “You did it intentionally. I just told you. How can you not remember?”

Wei Wucai sneered and said, “Why should I waste my mental energy to remember someone who has nothing to do with me?”

“Wei Wucai!” Luo Qingxian was very angry. “I came all the way here for you and this is your attitude?”

“Did I ask you to come over? I don’t even remember who you are. Why are you being so dramatic?” Wei Wucai said in a cold tone. “You went out of your way to visit me? But I don’t want to be seen by you.”

Wei Wucai continued coldly, “Apologize.”

“What?” Luo Qingxian said in surprise. “Why should I apologize? What did I do wrong that I have to apologize? Was it wrong to visit you? Should I be apologizing for visiting you?”

“You should be apologizing for slandering Shi Xiaoya,” Wei Wucai answered. “Shi Xiaoya and Han Zhuoling are both my friends. They know I find you annoying, so they tried to stop you. They did it for me, their friend, and they did nothing wrong.

“But you even dared to slander Shi Xiaoya and attempted to instigate a quarrel, not only between her and her husband but also between her and her husband’s family. You even instigated a conflict between me and Han Zhuoling.” Wei Wucai continued coldly, “You are cruel. Your heart is so evil that you deserve a death sentence!

“Given what you have done, are you not embarrassed to say you came to visit me?” Wei Wucai said coldly. “Sorry, but I don’t want anything to do with you.

“You are so evil. Who would dare to be liked by you? I mean, who knows? If you guys fought and he made you unhappy, you might start spreading lies about him.” Wei Wucai looked down at her coldly as he continued, “Someone like you is beneath me.”

Wei Wucai knew that Luo Qingxian’s words, which had been said while they were yet to arrive, had already created a negative impact on Shi Xiaoya’s reputation.

Therefore, Wei Wucai had increased his volume and said every word clearly, making sure that everyone around them could hear.

Luo Qingxian did the same thing earlier. She had also increased her volume.

And so, he did the same thing.

However, Luo Qingxian had been talking nonsense.

On the other hand, he was speaking truths.

Luo Qingxian, feeling flustered and exasperated, shouted, “Shut up!”

She felt that she had been wronged.

She had come all the way here to visit Wei Wucai.

But Wei Wucai wasn't thankful. He wasn't moved by what she had done. Instead, he appeared to loathe her presence.

He scolded her for Shi Xiaoya's sake.

"That's not true!" Luo Qingxian said loudly. Tears flowed down her eyes as she shouted, "Nonsense! You wrongfully accused me!"

"I wrongfully accused you? I did not." Wei Wucai was not the type to be tender-hearted to girls.

"Shut up!" Luo Qingxian cried in exasperation. Her entire being was expressing frustration and anger.

However, Wei Wucai remained the same. He was not worried at all.

Even when Luo Qingxian cried and appeared to have been wronged, Wei Wucai's attitude didn't improve at all.

Such characteristics did not exist in him.

That was not part of Wei Wucai's character.

Being tender-hearted to girls?

Feeling sorry for such girls?

The only response would be—Sorry, we don't know each other well.

Ever since Young Master Wei became old enough to know better, the term tender-hearted had ceased to exist in his dictionary.

"Now you're like this? I didn't know you could feel embarrassed. Do you understand now that it feels uncomfortable and embarrassing to receive such accusations?" Wei Wucai bombarded her with multiple questions.

Luo Qingxian was asked so many questions that she didn't get a chance to answer.

Of course, Wei Wucai never wanted her to answer.

"That was how you treated Shi Xiaoya," Wei Wucai said coldly.

Chapter 3063: I Keep a Distance from All Individuals of the Opposite Gender

"You knew that the words you said would hurt someone greatly, yet you said it intentionally. That is evil. That is vicious," Wei Wucai said as he lifted his chin up.

"In addition, I barely talked to you. Why are you visiting me? What's the purpose of your visit?" Wei Wucai continued in a disgusted tone, "Even if you are delusional, you shouldn't act like this.

"People who don't know might think we are in some relationship." Wei Wucai pouted. "You came all the way here from somewhere far? Did I ask you to come here? No matter where you came from, it has nothing to do with me, okay?"

Luo Qingxian felt as though she had been ground into the dirt by Wei Wucai.

She was a girl loved by her family, but Wei Wucai made it sound as though she was nothing. He didn't give her any respect.

"Wei Wucai, where are your manners!" Luo Qingxian said, unwilling to give up.

"We met each other through our mothers. I just thought that we could be friends if we can't be lovers. In addition, our mothers are friends, so I couldn't possibly ignore you and make it difficult for the elders.

"Therefore, when I heard that you were working here, I passed by to visit you." Luo Qingxian moved her hand as she spoke.

Everyone then noticed that there was a paper bag in her hand.

No one could tell what was in the bag.

The bag was not transparent.

Luo Qingxian had arrived here during noon, so Shi Xiaoya guessed that there were probably lunchboxes inside the bag.

As Shi Xiaoya had expected, Luo Qingxian said, "I even brought lunch over for you. I just wanted to spend time with you."

"There's no need for that." Wei Wucai didn't even bother looking at Luo Qingxian's bag as he said, "I never spend time with girls who have no relation to me. What would my future girlfriend think if I were friends with other girls?"

He continued, "Therefore, unless it's my girlfriend, I keep a distance from all individuals of the opposite gender."

Yan Zhiqing was listening and felt her heart warmed by this statement.

She thought, how unfortunate that Wei Wucai was gay and was not attracted to women at all.

Yan Zhiqing also thought that Wei Wucai was just saying this to hide his sexuality.

She thought to herself, if Wei Wucai liked women and had such a realization, he would be like an anomaly.

Men like this were few.

There were not many guys who could handle not talking dirty to girls, especially the pretty ones.

Even if they didn't talk dirty, just saying flirtatious words to pretty girls would be bad enough.

A lot of those pretty ones would just take the bait like that.

Even if the girl didn't respond excessively, she might still flirt back once or twice.

What if both of them weren't careful and crossed the line?

Even if they only crossed the line a little bit, a line was still crossed and their future would then become ambiguous.

There were many men who were married or dating and still had female best friends. Those girls were their buddies.

But would a wife or a girlfriend not be bothered by their partner having a female bestie?

It would be best to act like Wei Wucai, creating a safe distance from the beginning and not giving other girls any chance.

How comfortable would his wife or girlfriend be then?

A guy like this wouldn't enter into a relationship unless he was certain.

Once he started dating, he would treat the relationship seriously and would be dating with marriage in mind.

Unless he found the person he was dating to be really unsuitable, he wouldn't break up easily.

A guy like this was reassuring.

Unfortunately, this reassuring guy was attracted to men.

Chapter 3064: Who Knew What She Was Thinking

Suddenly, Yan Zhiqing felt a little reluctant to support him for being gay.

She felt too jealous.

Luo Qingxian didn't expect that she would be disliked to this degree.

Suddenly, she noticed that Yan Zhiqing was looking at Wei Wucai differently.

Luo Qingxian immediately took it seriously.

"Aren't you making it difficult for both of our families? You are not even willing to be my friend. If my mom knew, wouldn't she think that you are looking down on me?" Luo Qingxian said.

When Luo Qingxian faced Wei Wucai again, she seemed to have changed her strategy.

She no longer appeared arrogant.

Instead, she looked very obedient. The tone of her words made her sound pitiful.

She sounded like she had been wronged.

Yet Wei Wucai ignored all her expressions and asked her impatiently, "So are you apologizing to Shi Xiaoya? What you said earlier had caused serious damage to both her and her family."

"I am not apologizing!" After Shi Xiaoya was mentioned, Luo Qingxian's attitude became tough again. "Who knows what she was actually thinking?"

Shi Xiaoya thought inwardly, what evil thing did she do to Luo Qingxian?

Why did Luo Qingxian harbor so much hatred against her?

“Whatever.” Wei Wucai nodded.

Out of the kindness of his heart, he had asked Luo Qingxian to apologize.

He did it because his mother was a friend of her mother.

And so, he couldn’t possibly watch her suffer.

If that happened and Madam Luo complained to his mom, his mom would then be troubled.

But this outreach of his was clearly not being accepted as kindness by Luo Qingxian.

And so, Wei Wucai decided not to bother with it.

Luo Qingxian did not expect Wei Wucai to let it go that easily. He didn’t seem to have the urge to fight for Shi Xiaoya.

With a defiant and smug look, she glanced over at Shi Xiaoya.

Shi Xiaoya rolled her eyes, unable to understand why Luo Qingxian would be gloating over this. This literally had nothing to do with her.

“And now, let’s discuss the identity of the person who brought you in here,” Wei Wucai said.

While Wei Wucai was saying this, Wu Mosen and Writer Hu were walking over.

Wu Mosen valued this movie greatly. This was a movie that he was directing, and it was receiving a lot of public attention.

Many reporters waited outside the set every day, hoping for a chance to see any cast member who had had inadequate time to remove their makeup or change out of their costume. This was their way to get more information about this movie.

And so, Wu Mosen didn’t allow any reporters on set and was very strict with keeping all information locked down tight.

All the cast members were not allowed to leave the set with the makeup that was intended for the movie.

The cast members stayed on set every day. If they ordered food deliveries, their assistants would have to get it for them.

When the cast members were done filming, they would have to remove their makeup and change out of their costumes before they leave.

They weren’t allowed to leave with their makeup and costumes on just because they couldn’t be bothered or because they were too hungry or tired.

Keeping film matters confidential was extremely important to Wu Mosen.

To prevent any outsiders from getting inside, guards were stationed at the set entrance.

As for Han Zhuoling, he was an investor in this movie, so they couldn't possibly stop him from coming into the set.

However, Han Zhuoling had only come into the set on the first day when he dropped Shi Xiaoya off. Since then, he had never shown up at the set again.

But now, Luo Qingxian, someone who had nothing to do with this movie, found her way in here.

Since when were they so careless that anyone could come into the set?

It was unknown as to which person Luo Qingxian had bribed.

If they let this go easily, anyone would be able to enter the set. In that case, most of the information on his new movie would be leaked before the release date.

And so, this was very important to Wu Mosen.

Chapter 3065: Make You Famous at the Same Time

Luo Qingxian furrowed her brows. "I'm already inside. What about it? It's not like it's some big deal anyway. Do you need to make such a big fuss about it?"

This time, it was not necessary for Wei Wucai to speak. Wu Mosen said coldly, "You just need to say who brought you in here. My cast and crew are stringent about keeping our filming matters confidential. No one has ever dared to bring someone onto the set.

"That is to do with my cast and crew. Isn't this just a mess?" Wu Mosen said in an icy tone. "So I have to look into this matter. Whoever is wishfully thinking that they got away with this, I want to remind them that no outsiders are allowed on the set."

Luo Qingxian froze. She never imagined that Wu Mosen would actually look into the matter.

Was it such a serious thing?

She did not know anyone who was part of the cast and crew, so she sought out Lu Xiuse for help.

Upon hearing that Luo Qingxian wanted to go to the set to cause trouble for Yan Zhiqing, Lu Xiuse had been extremely proactive in helping her.

They bribed a set staff and security guard to let Luo Qingxian in.

"Since this place does not welcome me, I will just leave," Luo Qingxian said, showing a strong appearance on the outside despite being weak inside.

Then she began to leave.

However, Wu Mosen had yet to find out which staff member helped her, so it was impossible that he would let Luo Qingxian go.

At once, he had his assistant block Luo Qingxian's way. "If you don't tell us who it is, you will not be able to leave here today, Miss Luo."

"Are you trying to detain me?" Luo Qingxian's complexion paled. "What you're doing is a crime! You can't do this even if you're a famous director!"

"We're not detaining you. It's just that, within what is legally permissible, we wish to obtain useful information from you," Wei Wucui said. "We have expressly stipulated rules here. If you don't tell us, we can report this to the police."

"When we find out who the person is through the police and the matter gets big, it will be bad for both you and the person who helped you," Wei Wucui added. "Of course, once news of this matter spreads to the outside, we could also let others know that you came to the set just to chase after a man."

"We could even make you famous at the same time."

When he said this, he did not feel any unease at all.

He totally did not have any of the awkwardness that people usually felt when mentioning this sort of matter regarding someone chasing after them.

However, given what Wei Wucui had said, Luo Qingxian probably would not have much desire to protect the person who helped her. Ultimately, the one whose image she cared about most was herself.

As expected, Luo Qingxian immediately furrowed her brows after hearing him speak like that.

She clearly did not want to let everyone know what she had done.

After all, she treasured her image a lot.

Luo Qingxian lowered her eyes, covering up her repeatedly morphing expression.

Then she finally raised her head and said, "Fine. I'll tell you."

Wu Mosen stared at her and asked, "Who is it?"

For some reason, Luo Qingxian looked at Shi Xiaoya unexpectedly.

Shi Xiaoya's expression remained unchanged, but she thought that Luo Qingxian seemed to be intending to frame her for this.

"It's Shi Xiaoya," Luo Qingxian said.

Initially, when Shi Xiaoya did not agree to help her, Luo Qingxian had thought it was because Shi Xiaoya was just treating her badly on purpose.

Luo Qingxian never imagined that she would see Wu Mosen with such a solemn expression, treating this matter with such seriousness.

It appeared that outsiders truly could not be brought onto the set.

Nevertheless, this did not mean that Luo Qingxian no longer bore a grudge against Shi Xiaoya.

Instead, she wanted to see if Wu Mosen would truly still be this strict, impartial, and incorruptible in investigating the matter if she pushed this matter onto Shi Xiaoya.

Wu Mosen was indeed momentarily startled, but it only took a few seconds for him to realize Luo Qingxian was lying.

Chapter 3066: Out of Convenience

If Shi Xiaoya was really the one who brought Luo Qingxian onto the set, that meant Shi Xiaoya had helped Luo Qingxian.

Was Luo Qingxian stupid?

If she helped her, why did she scold and slander Shi Xiaoya?

Luo Qingxian had been too loud earlier. And so, when she said that Shi Xiaoya was the one who helped her, no one believed her.

“You are shameless,” Yan Zhiqing said. “You’ve just slandered Xiaoya. You did it boldly and loudly. And now, you are saying that Xiaoya was the one who brought you in here? If that were true, then you must be stupid!”

The idea to frame Shi Xiaoya came to her so suddenly that Luo Qingxian had forgotten that she had yelled at Shi Xiaoya earlier.

While she was trying to save herself from this situation, she heard Wei Wucai say, “Actually, there’s an easy way to solve this issue. We just need to check the surveillance cameras at the door.”

“There are surveillance cameras at the door?” Wu Mosen looked towards Wei Wucai in surprise.

Even Director Wu had no idea that there were surveillance cameras at the door.

This small-scale film set had been specially constructed for the filming of this movie.

It was not opened to the public, which was why surveillance cameras had not been set up at the door.

Actually, this was intentionally done to save money.

Wu Mosen’s movie was heavily funded.

However, even so, cost should be reduced if possible. It would be more beneficial if the money saved could then be used for the production and the upgrade of filming equipment.

And so, Wu Mosen didn’t install any surveillance cameras.

In addition, with the filming going on in the set, he was worried about the surveillance cameras causing goofs in the movie.

And so, he didn’t install any security cameras even in the most hidden corners.

But now, he heard from Wei Wucai that there were surveillance cameras at the door?

Wu Mosen was shocked. "Did you install them?"

Wei Wucai nodded and said, "It was conveniently done."

He had developed this habit at the Mount Lan Compound.

On the first day he arrived on set, he had surveyed every big and tiny corner at this film set.

Naturally, he noticed that there were no surveillance cameras at the door.

Because of the filming going on inside the set, they didn't install any modern technology even in the corners.

And so, Wei Wucai didn't bother with the security system inside the set, but he did install a security camera at the main door.

Wu Mosen was surprised and happy to hear this and hurriedly said, "Extract the video footage now and we will know how Miss Luo got inside."

At this point, no one had stepped forward and admitted to their crimes.

They kept hoping for a chance to get away with it.

Shi Xiaoya wasn't the one who had helped Luo Qingxian, so she wasn't scared at all.

Wu Mosen's assistant then went and brought the surveillance video footage here.

They then grouped together and watched the video.

Soon, the result came out.

Wu Mosen couldn't recognize all the staff members.

However, Wu Mosen had a very responsible assistant who had familiarized himself with all the staff members, including the security officers.

The assistant recognized the staff members right away. "I know them. It's production assistant Xiao Yu and security officer Xiao Wu."

"Tell them to come here," Wu Mosen said. "Tell them to watch the video themselves. If they were the ones, they will be fired right away for breach of contract."

Production assistant Xiao Yu had been watching the entire thing among the crowd while security officer Xiao Wu was outside at the main door.

And so, security officer Xiao Wu still had no idea what was happening here.

Xiao Yu had been a spectator since the beginning, but he never stood up and admitted to his mistakes.

He was still hoping for a chance to get away without any punishments.

Xiao Yu thought that this film studio had no surveillance cameras.

He didn't expect that Wei Wucai had secretly installed security cameras.

Chapter 3067: Elder Brother Xiao Cai, What Did You Actually Do?

The surveillance cameras ruined their plan.

When Xiao Wu arrived, he learned that the production crew found out that he was the one who had let Luo Qingxian inside.

Wu Mosen had decided to fire both of them.

Xiao Wu couldn't help but blame Xiao Yu and Luo Qingxian.

He had pocketed only a few hundred yuan for agreeing to turn a blind eye when Luo Qingxian went inside the studio.

Yet he never expected that he would lose his job because of these few hundred yuan.

"You promised to keep my identity a secret," Xiao Wu yelled as he glared at Xiao Yu.

"I didn't say anything," Xiao Yu said with a sullen expression.

He had pocketed only a thousand, just a little more than Xiao Wu had.

As a production assistant, his wage was paid per day.

He couldn't even earn a thousand per day.

Initially, he had thought that though there might be risks involved, the chance of their identity being exposed was very low.

He could earn a thousand by just bringing Luo Qingxian inside.

Xiao Yu really couldn't bear to miss out on such a good deal.

"It was Luo Qingxian who started this," Xiao Yu said in hatred. He was just a contractor.

If there were things to do, he would do it. If there weren't anything to do, he wouldn't have to work.

Honestly speaking, Wu Mosen paid them well.

Xiao Yu was happy for the chance to work here.

If he could work here for a few months, he then wouldn't have to worry about his living expenses during those few months of employment.

He never expected that his employment would end so quickly!

"I have asked you to lie low once you are inside the studio. Everyone is busy and won't pay any attention to you," Xiao Yu said angrily. "But you did the complete opposite. The moment you were inside the studio, you started shouting. It's like you have no fear of the staff members noticing the presence of an outsider. You argued with this and that person!"

"You weren't afraid of our identities being exposed!" Xiao Yu said angrily. "A dishonest person like you would never be trusted by anyone in the future!"

However, Luo Qingxian didn't bother reflecting on Xiao Yu's scolding.

She had paid them, so she didn't owe them anything.

They had been caught because of the surveillance cameras. She didn't give their names out.

"Pack your things and leave," Wu Mosen's assistant said. "But don't forget that you have signed a non-disclosure agreement. You have to keep everything that happened at this studio a secret. The non-disclosure agreement stated that confidentiality should be maintained until after the release date of the movie. If there is a breach of contract, you will receive a letter from our lawyer."

With this warning, Xiao Wu and Xiao Yu obviously wouldn't dare to violate the confidentiality rule.

They had lost their jobs. If they were to be sued, they could not afford to pay the court fees, nor could they afford to pay the penalty.

The assistant then asked someone to accompany Xiao Wu and Xiao Yu as they went to pack their belongings.

With the entire thing turning into a mess, Luo Qingxian couldn't stay inside the studio anymore. She could only leave.

Yet, because of this mess she had created, there was not much time left for lunch.

Wei Wucai went back to the dressing room and took the lunchbox to Yan Zhiqing's car, asking her to get a few more bites.

If not, she would have to handle the heavy workload while hungry and this would take a toll on her body.

"I bought some biscuits from the tiny convenience store near the hotel. You can eat some if you are hungry," Wei Wucai said.

There weren't huge supermarkets near the hotels. It was already considered good to find a convenience store near the hotel.

This would at least prevent her from feeling hungry.

"Very thoughtful of you." Yan Zhiqing, touched by what he had done, said, "You are so considerate."

Shi Xiaoya and Han Zhuofeng exchanged glances.

They thought that Wei Wucai was quite amazing.

It took only a lunch period for Wei Wucai to transform Yan Zhiqing. Yan Zhiqing went from being explosively angry whenever the name of Wei Wucai was mentioned to complimenting Wei Wucai on his thoughtfulness.

"Elder Brother Xiao Cai, what did you actually do?" Han Zhuofeng asked directly.

Chapter 3068: Not an Outsider

Wei Wucai was speechless.

Yan Zhiqing stuffed two pieces of beef into her mouth, causing her cheeks to bulge.

She looked like a squirrel whose mouth was stuffed with nuts.

Wei Wucai was too lazy to answer Han Zhuofeng's stupid question.

He would rather spend his time admiring Yan Zhiqing while she was munching on her food.

She didn't care about her image at all when she ate, but she still looked extremely cute.

"Has anyone seen you eat before?" Wei Wucai asked Yan Zhiqing.

Han Zhuofeng was speechless.

Had he been ignored?

"Sister-in-law!" Han Zhuofeng whimpered sadly.

If he wasn't scared of Han Zhuoling beating him, Han Zhuofeng would have laid his head on Shi Xiaoya's shoulder and cried.

Yan Zhiqing couldn't understand why Wei Wucai would ask that. She could only answer honestly, "Elder Sister Mou and Qiaohan have seen me eat. I don't need to worry about my image in front of them, but I would have to if I was eating in front of an outsider."

She had worked with Mou Danqiong and Fang Qiaohan for many years.

Yan Beicheng had carefully selected Mou Danqiong to be her manager.

Yan Zhiqing was different from others.

Usually, a person at the beginning of their career would not have the chance to choose their manager.

It's already considered good if they could sign with a company, but the company would assign you to a team and you had no say at all.

In addition, your rise to fame depended on whether your manager valued you and whether the manager had the right resources and skills to support you.

Naturally, newbies did not get the good managers.

Most of the good managers helped the celebrities who showed good potential and were already famous.

Mou Danqiong was a top-ranked manager, and even an A-lister celebrity might not get a chance to work with her.

Not to mention that Yan Zhiqing had just graduated and had zero projects on her portfolio.

However, Yan Beicheng had contacted Mou Danqiong.

With the Yan Hui Group's support, Yan Zhiqing, even when she had yet to build the foundation for her career, had been blessed with more than enough resources. She had more than enough endorsement deals and invites to events.

With the Yan Hui Group's support, it became easier to fight for more resources for Yan Zhiqing.

After all, Yan Beicheng had personally contacted Mou Danqiong.

Mou Danqiong couldn't possibly disrespect Yan Beicheng.

And so, she took in Yan Zhiqing, a newbie who knew nothing about this entertainment industry.

Actually, until now, Yan Zhiqing had only heard of some of the dirty and dark things that had happened in the entertainment industry, but she had never actually been involved in one.

Yan Beicheng and Mou Danqiong protected her well.

Her partnership with Mou Danqiong and Fang Qiaohan then continued for many years.

And now, the three had grown so close that they were almost like family.

Yan Zhiqing never had to hide her true self in front of them.

Wei Wucai naturally knew that Yan Zhiqing would not need to pretend to be another person in front of her family.

Mou Danqiong and Fang Qiaohan had worked with her for so long. And so, in front of them, she definitely wouldn't need to hide anything.

However, Yan Zhiqing mentioned that she wouldn't eat like this in front of an outsider.

But when she was eating in front of them, she didn't care about her image and appeared so relaxed.

She clearly didn't see him as an outsider!

Wei Wucai could not help but smile.

Although there are many whom Yan Zhiqing considered as close friends, Wei Wucai, knowing that he was part of this close group, felt better.

Han Zhuofeng didn't expect Yan Zhiqing and Wei Wucai to still continue ignoring him.

Immediately, Han Zhuofeng hid his face in his hands.

Shi Xiaoya was scared that Han Zhuofeng might actually start crying.

Did Han Zhuofeng not care about his reputation?

Chapter 3069: Good Trap

Fortunately, Yan Zhiqing didn't ignore Han Zhuofeng.

When she was done explaining to Wei Wucai, she answered Han Zhuofeng, "During lunchtime, Wei Wucai and I..."

While Yan Zhiqing was speaking, she felt Wei Wucai's eyes on her face.

She hurriedly corrected herself, "I mean Xiao Cai and I had a good time chatting."

Yan Zhiqing said with such a wide smile, "We realized that there have been some misunderstandings between us. We resolved them and we are good now."

"Now that I know more about Xiao Cai, I realized that he is a very good person." Yan Zhiqing had complimented him without any hesitation.

Shi Xiaoya, at the side, was secretly watching Wei Wucai.

She could see that Wei Wucai, upon receiving compliments from Yan Zhiqing, was unable to conceal his pride. All the emotions he felt were shown on his face.

Shi Xiaoya teased, "Xiao Cai?"

Yan Zhiqing thought that it was nothing embarrassing since Wei Wucai was her gay bestie.

She responded gracefully, "Yes. Since Xiao Cai thinks that we are friends, then there is no need for us to address each other like we are mere acquaintances. And so, he's going to call me Zhiqing and I will call him Xiao Cai."

"Oh." Shi Xiaoya didn't dare to act too obvious.

She didn't dare to ruin Wei Wucai's plan.

Seeing what Wei Wucai had done, she knew that this guy had laid a deep trap.

Although Yan Zhiqing was in the complicated entertainment industry, she was a simple girl.

Yan Beicheng had protected her too well and no one dared to play any dishonest tricks on her.

And so, Yan Zhiqing was very innocent.

She was a simple person with a wholesome personality.

Therefore, in terms of trickery, Yan Zhiqing was no match for Wei Wucai.

Wei Wucai had found out from Han Zhuofeng about the truth yesterday, and it took him a single lunchbreak to become besties with Yan Zhiqing.

Yan Zhiqing was a simple person, but she was not stupid.

She wouldn't trust people so easily, nor would she easily have a heart-to-heart conversation with them.

Clearly, Wei Wucai was a good trickster.

Yan Zhiqing hastily finished her food. Then, Shi Xiaoya reapplied her makeup.

As for Wei Wucai, he went to test those machines.

Today's filming was not as easy as yesterday's.

It ended at eight-ish at night.

When all the cast members had changed out of their costumes and removed their makeup, it was already half-past eight.

When they went back to the hotel, it was already nine o'clock.

They all came back in Yan Zhiqing's car.

The car stopped in front of the hotel entrance. Wei Wucai checked the time and said, "We didn't get to eat dinner. Why why don't we get some late-night snacks?"

Because the scenes shot in the afternoon were very important, they never stopped. The filming and acting had continued and adjustments had constantly been made.

Everyone was hyperfocused on work. They didn't notice that it was time for dinner.

They didn't want to stop the filming for dinner either.

If they stopped, the atmosphere and emotions that had built up would be disturbed and the multiple setups would be torn down.

And so, they decided to wait until after the shooting was done.

Before they knew it, it was already eight o'clock.

Everyone was still hungry.

When they left the set, they heard some people saying that they were going to eat barbeque together.

Shi Xiaoya then said, "Zhuoling is in the hotel room already. I have to go see him first. He has been waiting for me and has not eaten anything. I won't be going with you guys."

"Alright." Yan Zhiqing nodded understandingly.

Han Zhuofeng wondered if he should go with his brother and sister-in-law or if he should follow Wei Wucai and Yan Zhiqing.

But before he could even make a decision, Shi Xiaoya dragged him off the car, saying, "Zhuofeng, you are coming with us."

Chapter 3070: Be a Support for Your Family

Han Zhuofeng, troubled by the current situation, whispered, "But I don't want to be a third wheel."

Han Zhuofeng could already imagine how annoyed Han Zhuoling would be if he joined them for dinner.

It would be too painful if he had to feel his brother's annoyance while eating.

"Do you plan to be Wei Wucai and Yan Zhiqing's third wheel instead? Wouldn't that be painful too?" Shi Xiaoya whispered. "If you come with us, you would at least be a support for your family."

Han Zhuofeng was speechless.

Initially, he didn't have that intention at all.

However, more and more people around him were dating or married.

And now, even Wei Wucai, the guy who had the sharpest tongue that even his mother was worried about him not being able to find a wife, was on track to getting a girlfriend.

Han Zhuofeng couldn't help but feel heavy-hearted. He wondered, should he actually try looking for a girlfriend?

If this happened again and he had to eat with Han Zhuoling and Shi Xiaoya, he could bring his girlfriend along.

This way, everyone would be present as a couple and he would no longer receive any more emotional damage.

Han Zhuoling probably wouldn't treat his sister-in-law as strictly as he treated his little brother.

While Han Zhuofeng was thinking about this, Fang Qiaohan and Guo Yujie got off the car as well.

Fang Qiaohan waved her hand at Yan Zhiqing and shouted, "I am going to eat with Yujie."

As Yan Zhiqing's manager, Mou Danqiong never set up rules forbidding celebrities from dating.

In addition, Yan Zhiqing's background was too powerful. The same restrictions for other celebrities wouldn't apply to her.

If the Old Mrs. Yan found out that they were stopping her granddaughter from dating anyone, she would be furious.

Therefore, Fang Qiaohan would only help Yan Zhiqing with the daily work-related errands, as well as make sure that she was following the weight-loss meal plan.

Fang Qiaohan did not bother with her relationship status.

This was why she left with Guo Yujie without worrying about Yan Zhiqing at all.

After all, Fang Qiaohan did not know Wei Wucai well.

If she went with them, it would be really awkward.

With Fang Qiaohan gone, Han Zhuofeng could no longer say anything.

He could only follow Shi Xiaoya.

"Let me go see Han Zhuoling first. I will call you when we leave," Shi Xiaoya said to Han Zhuoling before she left.

Shi Xiaoya went back to the hotel room. The first thing she saw when she opened the door was the living room.

She saw Han Zhuoling working at the table in the living room.

Han Zhuoling was looking at his laptop screen. It was unknown as to what he was looking at.

There was a cup of coffee beside the laptop.

Shi Xiaoya had always disapproved of him drinking on an empty stomach.

Han Zhuoling heard the noise. Without lifting his head, he knew it was Shi Xiaoya.

He looked up and saw that it was indeed Shi Xiaoya.

Before Shi Xiaoya said anything, Han Zhuoling hurriedly explained, "I didn't drink coffee on an empty stomach. I ate fruits."

Han Zhuoling pointed. Shi Xiaoya looked over and saw a plate of fruits next to the cup of coffee.

The hotel had probably prepared it.

Shi Xiaoya laughed out loud and said, "Thankfully, we are the only two here. If others saw you acting like this, they might think I am really strict with you to the point that you would react so nervously."

Shi Xiaoya just wanted to laugh as she recalled Han Zhuoling's reaction earlier.

Han Zhuoling's behavior earlier was clearly the behavior of someone who feared his wife.

Who would have thought that the Mr. Han that appeared aloof and cold in front of others would be secretly afraid of his wife?

Of course, Shi Xiaoya wouldn't describe Han Zhuoling as someone who was afraid of his wife.

Han Zhuoling did it out of love and respect for her.

If anyone asked, Shi Xiaoya would give the same explanation.

"You were just thinking of my health," Han Zhuoling said. "I was just in a hurry to do what you thought was best."

"Are you done with work?" Shi Xiaoya asked.
