Chapter 3071: People from Different Groups Don't Mix Well

"I was done with work long ago. I didn't have anything to do, so I was double-checking my work." Han Zhuoling closed the laptop and asked, "Can we get dinner now?"

"Yes." Shi Xiaoya nodded and said, "You must be hungry."

"Not really. I have been eating the fruits that the hotel sent me, so I don't feel hungry." Han Zhuoling walked over and continued, "But you have been working the whole time."

"Not really. Zhuofeng was very thoughtful and prepared a lot of snacks for me. When the actors were filming and I had nothing to do, I would eat the snacks whenever I felt hungry," Shi Xiaoya said.

"By the way," she continued. "Let's ask Zhuofeng to eat dinner with us."

As expected, Han Zhuoling only thought of his younger biological brother as an annoyance and responded, "He's old enough. Why does he still have to hang around his older brother and sister-in-law and eat with us? He is a mature single man. He should learn to eat by himself."

Shi Xiaoya was speechless.

"No wonder. When I told him to eat dinner with us, he looked like he was in pain," Shi Xiaoya said with a laugh.

Obviously, Han Zhuofeng knew his own older brother well.

"There are many other singletons." As Han Zhuoling said this word, he gave off a sense of superiority. "Tell Zhuofeng to eat with them. We belong to different groups and don't mix well together. Those singletons should find other singletons."

Hearing this, Shi Xiaoya burst into uncontrollable laughter.

If Han Zhuofeng found out what Han Zhuoling said, he would show such a pained expression. When Shi Xiaoya thought of this, she laughed so much that she had to squat down.

Seeing Shi Xiaoya laughing to the point that she could not stand, Han Zhuoling showed a helpless expression.

He had no choice but to squat down as well.

However, when Shi Xiaoya saw Han Zhuoling's face, she remembered the serious and solemn expression he had while he was speaking proudly, causing her to laugh even more.

It took a while for her to finally calm down.

"Is it that funny?" Han Zhuoling asked in a helpless tone.

"It's because of how inconsistent your facial expression was with the words that were coming out of your mouth. You looked so serious," Shi Xiaoya said.

She had laughed so much that she felt drained of energy. Han Zhuoling had to help her up.

"I was stating the obvious. If they are all single, they could take the chance to get to know each other. It's a very good thing if he found someone he liked through this," Han Zhuoling said.

Based on what Han Zhuoling said, it was obvious that he did not care about the family background of the person whom Han Zhuofeng might end up dating.

Han Zhuoling would support the relationship as long as the girl was someone Han Zhuofeng liked and she was an honest person without a messy life.

Han Zhuofeng had always lived a very happy life. He had two older brothers always supporting him.

His older brothers allowed him to do whatever he liked. They tried their best to give him the chance to make his own choices.

The youngest sons of most rich families either had to be capable or had to marry the person decided by their family in order to become a valuable asset to them. However, Han Zhuofeng didn't have to be like the youngest sons in most rich families.

Instead, he was allowed to date and marry whomever he wanted.

Although it might have sounded like Han Zhuoling disliked Han Zhuofeng, the truth was that Han Zhuofeng loved his little brother very much.

Han Zhuoling was even thinking of ways to increase Han Zhuofeng's chances of finding a potential partner.

Shi Xiaoya smiled and said, "Zhuofeng can't take this chance to get out of that single life. We are always together. Besides Zhiqing, the others present are Yujie and Zhiqing's assistant, Fang Qiaohan. They have no such intentions towards Zhuofeng."

Han Zhuofeng was too much for ordinary girls.

Not every girl wanted to find a rich husband like they were Cinderella.

There were many girls who just wanted a stable and peaceful life.

Chapter 3072: Inferior to Wei Wucai!

"Qiaohan and Yujie are good friends. They had already gone to eat dinner together," Shi Xiaoya said. "Zhiqing was the only one left, but she already had plans with Wei Wucai."

"What happened?" Han Zhuoling raised an eyebrow as he asked, "Wei Wucai and Yan Zhiqing?"

"Yeah. Their relationship is getting better and better. From my point of view, they definitely like each other, especially Wei Wucai since he keeps trying to trick Zhiqing. I will tell you more after dinner," Shi Xiaoya said with a smile.

"Zhuofeng is useless! Even Wei Wucai could find a wife... Is Zhuofeng not more likable than Wei Wucai? He is at least better at talking than him, yet Wei Wucai is going to get a girlfriend before he does." At this moment, Han Zhuoling was really looking down on Han Zhuofeng.

“...” Shi Xiaoya thought about how, after Han Zhuoling got married, he became so worried about Han Zhuofeng.

Was he doing this because he had solved his own problem and had become so bored that he wanted to solve Han Zhuofeng’s?

From this point of view, things must be quite hard for Han Zhuofeng.

“Let’s go see Zhuofeng first,” Shi Xiaoya said.

Han Zhuoling nodded. Soon, they were outside Han Zhuofeng’s room.

They rang the bell and Han Zhuofeng opened the door very quickly.

“Older Brother and Sister-in-law, can we go now?” Han Zhuofeng asked happily.

Han Zhuofeng was very hungry.

“Hmph!” Han Zhuoling was staring at him with a cold expression.

Han Zhuofeng was speechless.

He looked at Shi Xiaoya with a helpless expression.

What happened?

He didn’t do anything that made Han Zhuoling mad, did he?

“Useless!” Han Zhuoling said in a rigid manner.

Han Zhuofeng was confused. “???”

Did Han Zhuoling find out that Luo Qingxian had come seeking trouble this afternoon?

Was Han Zhuoling looking down on him for not protecting Shi Xiaoya well?

Han Zhuofeng felt very guilty about this.

After all, it was Wei Wucai who had scolded Luo Qingxian away.

Now that Han Zhuofeng thought about it, he realized that he was a little weak.

Han Zhuoling added another comment. “Inferior to Wei Wucai!”

At this point, Han Zhuofeng was certain that Han Zhuoling was referring to the situation with Luo Qingxian.

Han Zhuofeng had no idea that he had misunderstood.

Han Zhuoling was actually looking down on Han Zhuofeng for not being able to win against Wei Wucai, who was going to get a girlfriend soon.

Wei Wucai, being the smart one, now had his eyes on Yan Zhiqing, meaning that there would be no escape for her.

The Eldest Master Han had ruthlessly ignored the fact that Wei Wucai was an old single guy.

In comparison to Wei Wucai, Han Zhuofeng was still young. Han Zhuofeng could still be counted among those young and fresh boys.

He wasn't like Wei Wucai, who would soon become a tasteless old man.

If Han Zhuofeng had gotten a girlfriend before Wei Wucai did, wouldn't Wei Wucai be pitiful?

However, the Eldest Master Han had no pity for others.

Han Zhuofeng had misunderstood Han Zhuoling. Without caring about his image, he held onto Han Zhuoling's arm, shouting, "Brother! I didn't protect Sister-in-law well. I, your little brother, am incapable!"

"Eh?" Han Zhuoling raised his brow. The tone and volume of his voice went up. "What happened? What do you mean by you didn't protect your sister-in-law well? What happened today?"

It was so peaceful yesterday, but Han Zhuofeng said this suddenly.

Which meant that this must have happened today.

"Ah?" Han Zhuofeng looked up with a dumbfounded expression.

What was going on?

Han Zhuoling didn't know?

With a helpless expression, he looked at Shi Xiaoya.

Shi Xiaoya sighed and rubbed her temple with her hand. She didn't even want to look at Han Zhuofeng's stupid face.

She was going to tell Han Zhuoling later.

Chapter 3073: Don't Touch Me

After all, what Luo Qingxian had said didn't create any emotional damage.

Those statements would only be damaging if some cunning person decided to spread them around.

Therefore, she couldn't hide it from Han Zhuoling.

However, though she was going to tell him, she would need to twist the story slightly.

Shi Xiaoya didn't want to get Han Zhuofeng involved.

Therefore, she had prepared to take Han Zhuofeng out of the story.

But who would have expected that Han Zhuofeng would behave stupidly and say it out loud before she had said anything?

As his sister-in-law, she was trying to help him!

“What happened?” Han Zhuoling asked again.

Han Zhuofeng froze. “Brother, weren’t you talking about this?”

“Your sister-in-law just came back and hasn’t had the time to tell me anything,” Han Zhuofeng said. “She only told me that Wei Wucai and Yan Zhiqing went out to eat by themselves, and you were left alone and had no choice but to be our third wheel.”

Han Zhuofeng was speechless.

Han Zhuoling was talking about this?

However, nothing he could say would be able to reverse this situation. He had already given himself away.

“Let’s eat first. We are all hungry,” Shi Xiaoya said. “I will tell you about it during dinner. Zhuofeng was protecting me the whole time. I was able to remain strong because he was around.”

Han Zhuoling nodded. “I will listen and decide if he had done a good job.”

Han Zhuofeng had no choice but to go with them.

Even if he didn’t want to eat with them, he had no choice.

Yan Zhiqing and Wei Wucai were going to just find a random restaurant for dinner.

However, Yan Zhiqing’s presence was too eye-catching. While she was walking, she was easily recognized by people.

People rarely had the chance to see celebrities face to face. Once they saw someone as famous as Yan Zhiqing, they all started approaching her in excitement.

Yan Zhiqing didn’t bring her assistant and bodyguards along.

Usually, she would just cover her face and be more careful, and nothing problematic would happen.

If she had brought her bodyguards along, their group would be too big and striking, resulting in everyone recognizing her.

In addition, some netizens might call her pretentious and fake for going outside with bodyguards, or they might call her a spoiled brat.

Although Yan Zhiqing didn’t care about other people’s opinions, she wouldn’t intentionally do things that would ruin her reputation.

When Yan Zhiqing was outside, she would usually try to keep a low profile, which had always been a comfortable thing for her to do.

But she didn’t think someone would recognize her today.

She was wearing ordinary clothes and was not wearing any makeup.

The person who had recognized her had sharp eyes.

Being packed with others like they were sardines, Yan Zhiqing felt herself suffocating.

More and more people were recklessly surrounding her.

If they only wanted to get her signature or take a picture with her, it would have been fine.

However, someone in the crowd tried to touch her.

Someone grabbed her arm. That person then grabbed her hand and squeezed her palm.

This scared Yan Zhiqing.

If they only touched her out of curiosity and had no bad intentions, then it's fine.

However, the hand that held her hand felt rough and big. It was some guy's hand.

This was sexual harassment.

Yan Zhiqing freaked out and screamed. "Don't touch me! Back away! It's fine if you want pictures, but don't grab me."

When Wei Wucai heard this, his eyes turned fierce as he scanned the crowd.

Suddenly, another hand reached over amid the chaos and was about to touch Yan Zhiqing's butt.

Extremely disgusting!

Wei Wucai's face darkened. He grabbed that person's hand and twisted it.

Wei Wucai showed no mercy to those who took advantage of others in the chaos.

Chapter 3074: I Became Your Fan Because I Respected You

"Crack!" It was the sound of someone's arm dislocating.

A cry of pain sounded immediately.

"Ah! Ah! Let me go! It hurts!" a man's voice sounded.

Possibly due to what this man had intended to do, Wei Wucai thought that the man's voice sounded disgusting.

Wei Wucai exerted even more strength as he dragged that man out into the center.

As the man came out, the people that blocked his way were pushed back.

This allowed Yan Zhiqing to have a little more space.

Wei Wucai threw the man to the ground and released his grip. He then wrapped his arm around Yan Zhiqing's shoulder to protect her.

"Taking advantage of others while the situation is messy?" Wei Wucai snapped. "Disgusting!"

The others were scared as well. They didn't expect someone this disgusting to be in the crowd.

This guy among them had wanted to take advantage of Yan Zhiqing while it was too crowded.

"We are thankful for the chance to meet you all and for the love you have for Yan Zhiqing," Wei Wucai said. "However, you all crowded around and made the situation very messy, which gave this type of person the chance to take advantage of a young woman!"

Yan Zhiqing was terrified. She felt even more afraid as she recalled what had almost happened.

She didn't know where this guy wanted to touch her.

However, if Wei Wucai was this angry, the guy must have wanted to touch a private part of her body.

She was now protected well in Wei Wucai's arms and no one could get close to her.

And so, Yan Zhiqing felt very safe.

It was as though she was being protected by this invisible barrier that Wei Wucai had constructed.

Yan Zhiqing glanced over at the man on the ground. Immediately, she didn't feel like looking anymore as she only felt disgusted.

The guy on the ground was still crying out loud in pain. He couldn't even stand up.

He remained sprawled on the ground as he reprimanded, "You broke my arm!"

He went on, "I am just a fan who wanted a picture with her. How can you hit me! So what if she is a celebrity? Can a celebrity hit anyone they want? Is it wrong of me to be your fan?"

The man spat. "Pui! Who do you think you are? You must be proud of yourself! Because I respected you, I became your fan. Yet you are still putting on airs! Who do you think you are without our support? You are nothing!"

"Everyone, look at this! This is a celebrity! They don't treat ordinary people as humans! If you block her way, she will tell people to beat you up!" The man tried to stir up the crowd as he shouted, "Without our support, who would know her?"

"She was able to make new movies and starred in commercials because she had a large fanbase who supported her! She became big because we supported her with money! But now, she beats up her fan!" The man shouted, "If she has no fans, who would invite her to star in films and advertisements?"

Wei Wucai frowned as he listened. This guy didn't sound like some guy who just wanted to take advantage of women.

He seemed to be coming for Yan Zhiqing, intending to ruin her reputation.

"You were the one who extended your hand and tried to take advantage of a woman," Wei Wucai said impatiently.

"Don't be framing an innocent man! Did anyone see me doing that? No one saw that! Your words do not serve as proof! You are framing an innocent man!" The man cried out, "You broke my arm too. I am telling you, you better compensate me for the medical fees and the emotional damage. It will also be

hard for me to go to work with a broken arm. If I can't work, you will have to pay me for the number of days I'd have to take off work to recover!"

"Stop crying." Wei Wucai couldn't possibly let him get away easily. "Your arm was just dislocated. It was not broken!"

Wei Wucai said coldly, "Also, I did not hit anyone else who was in this messy crowd. You were the only one who got beaten up. Considering this, do you think I really beat you up for no reason at all?"

Chapter 3075: I Saw Everything

"I went easy on you and only dislocated your arm. What was your hand going to touch?!"

Wei Wucai berated, "That's not the actions of a fan. That's sexual harassment!"

He went on, "Do you move your hand towards a little girl's butt if you like them?"

Initially, because Yan Zhiqing was involved, Wei Wucai did not want to say this out loud.

He was worried that it might make Yan Zhiqing look bad and this might result in some news about her popping up, which would be even worse for her.

However, it was obvious that this guy had targeted Yan Zhiqing. He had intended to ruin her reputation. And so, Wei Wucai had no choice but to tell everyone.

"Nonsense! I didn't!" the guy immediately shouted. "Not only did you beat me up, but you are also slandering me!"

Wei Wucai moved forward.

Without realizing it, the man crawled backward twice as he asked out of fear, "What are you doing?"

Wei Wucai grabbed his dislocated arm and twisted it again.

It was unknown what trick or method he used. All they heard was another "crack."

Before that guy could say anything, Wei Wucai grabbed his arm and rotated it a couple of times. "It seems like your arm is completely fine now."

He could move it easily. Wasn't that great?

The guy was stunned. He didn't expect Wei Wucai to grab his arm and move it around.

And so, he couldn't even react.

And now, it was too late for him to pretend that his arm was injured and that he was in pain.

"Look. Your arm is not broken." Wei Wucai raised his brow.

Now, what the man had said earlier just showed that he was a jerk.

The man still appeared fierce even though he was really scared. Despite having a guilty conscience, he still shouted, "Do you think you can hide the fact that you had beaten me up?"

At this moment, a timid voice sounded. "I... just saw it."

The crowd turned and saw that the one who spoke was a girl wearing a white T-shirt. Standing beside her was another girl who was most likely her friend.

With a nervous expression, the other girl held on tightly to the arm of the girl in the white T-shirt.

"I saw it," whispered the girl in the white T-shirt.

She had wanted to say something initially, but her friend had dragged her away and stopped her from saying anything.

Her friend had been scared that she might get into trouble.

They were two weak girls who had no way to fight back if they were bullied.

It's best to stay safe when you are outside.

However, when the girl in the white T-shirt heard the lies that came out of that man's mouth, she couldn't stay quiet anymore.

In the end, she still told the truth.

"I saw him extending his hand towards Elder Sister Zhiqing. He wanted to touch her," the little girl said.

"Little girl, you will be taking responsibility for every word you say! Don't be saying nonsense!" The man's expression darkened when he realized that someone had actually seen what he had done.

With a menacing and fierce expression, he glared at the little girl.

Wei Wucai immediately blocked the man's line of vision.

Although the man was nowhere near the little girl, Wei Wucai still moved at an angle that allowed the girl to hide behind him, preventing the guy from looking at her again.

"You have been exposed. And now, you are threatening the little girl. Have some respect for yourself!" Wei Wucai said fiercely.

When the others heard that there was a witness, they all believed what Wei Wucai had said.

They all started scolding that guy, saying, "How can you act like this! Embarrassing!"

"We were just trying to ask for a photo and a signature. We never wanted to touch her. Can someone like you call yourself a fan? You bring shame to all the other fans. You are no fan of hers."

Chapter 3076: Who Told You to Come?

"You are a man, yet you do such disgusting things. Gross!"

The man was berated by everyone.

Yan Zhiqing had no choice but to say, "The act of crowding around would result in the disruption of public order. You all are blocking the way and the other pedestrians can't walk."

She then asked, "How is this? As there are too many people, it will take too much time if I took a picture with each of you. But we can all take a group photo. Is that okay?"

There were too many people and everyone was understanding.

They didn't expect Yan Zhiqing to be well-tempered and approachable.

She was completely different in real life than in television.

Considering that Yan Zhiqing had almost been sexually harassed...

The crowd was very understanding.

They then heard Yan Zhiqing say, "I just finished work today so I haven't had dinner. I just came out for some food. I didn't expect to create such a big mess."

"Elder Sister Zhiqing, you haven't had dinner? I am so sorry," the little girl wearing the white T-shirt said remorsefully.

"It's okay," Yan Zhiqing responded with a smile. "But you all have to let me go to eat dinner after the picture."

"Alright, alright," the crowd hastily replied.

The crowd then stood beside and behind Yan Zhiqing.

No one tried to fight for the space beside her.

Knowing that Yan Zhiqing had yet to have dinner, everyone didn't dare to do anything wrong.

At this moment, the guy from earlier tried to sneak away.

"Where are you going?" Wei Wucai stopped him, grabbing his wrist.

"What are you doing? Am I not allowed to leave?" The man's facial expression changed.

"You can't let him go!" The crowd saw this and immediately commented one after the other.

"Are you trying to leave after you have done something bad? That's not going to happen!"

"If this elder brother wasn't here today, Zhiqing would have been taken advantage of... And you think you can leave?"

"We have to call the police on this jerk. We have to call the police!"

"I have something else to ask you, so why are you leaving?" Wei Wucai grabbed the guy's hand.

He then turned and said to Yan Zhiqing and the others, "Can you all wait a little bit? I will take the picture in a moment."

There were too many people. If Yan Zhiqing took a selfie, she wouldn't be able to capture the entire crowd in one picture.

Yan Zhiqing then asked the crowd, "Is that okay?"

Wei Wucai also spoke to the crowd. "It won't take too long."

With the tricks he had learned at the Mount Lan Compound, he could get any answer out of someone.

Yan Zhiqing had asked, so the crowd obviously said that it was okay.

They had waited this long anyway, so they didn't mind waiting a little longer.

And so, they then responded, "It's okay."

Wei Wucai then pulled the guy to the side and asked, "Who told you to come here?"

"I am just a passerby!" the guy said. "You are being ridiculous!"

Wei Wucai grabbed the guy's wrist. With his finger on an acupuncture point, he pressed forcefully. "Tell me the truth!"

It was unknown where he was pressing, but the guy started yelling in pain.

His body contorted as he shouted, "It hurts!"

"Good that it hurts. Now, tell me the truth!" Wei Wucai said fiercely. "You were clearly saying things that would make people think that Zhiqing was bad. You said it intentionally. No one told you to do so? And you came up with those words, which were clearly verbal attacks towards Yan Zhiqing, all by yourself?"

Everyone around heard Wei Wucai's words clearly.

No wonder the guy had such a sharp tongue!

Chapter 3077: Your Boyfriend?

Even when he was in such pain, he knew to say negative things about Yan Zhiqing, and all of his sentences flowed well.

It was unknown how long he had spent memorizing these lines.

Some people gasped. They had almost been tricked into believing what this man said.

A girl who stood near Yan Zhiqing asked softly, "Elder Sister Zhiqing, who is this elder brother? Is he your boyfriend?"

When she heard this question, Yan Zhiqing's face turned red.

"No, no," Yan Zhiqing hastily denied. "We are just friends."

For some reason, she felt a little guilty and looked over at Wei Wucai.

Wei Wucai was still busy interrogating the guy. It seemed like he hadn't seen how she looked when she answered the question.

However, Yan Zhiqing didn't dare to doubt the skills that Wei Wucai had acquired from the Mount Lan Compound.

And so, she added, "We are very good friends."

As expected, Yan Zhiqing's worries were valid.

Although Wei Wucui was interrogating someone, he was really juggling two tasks at the same time.

Half of his attention was on Yan Zhiqing.

When he heard someone ask that, a sense of joy shone through his eyes.

That little girl might be young, but she had keen eyes.

Since they were Yan Zhiqing's fans, they must regard Yan Zhiqing highly.

At least in their opinion, few people deserved Yan Zhiqing.

Did their asking this question indicate that they thought he was a good match for Yan Zhiqing?

Immediately, he heard Yan Zhiqing say "friends."

Wei Wucui wasn't disappointed.

He then heard her say that they were very good friends. Wei Wucui tried really hard to stop the corner of his mouth from curving up.

"Aye, this elder brother is very handsome. He seems like a good choice. He has good combat skills and he was protecting you," someone said. "Are you eating dinner with him alone because you like him?"

"No, no," Yan Zhiqing hastily responded. "It's not possible between us. We are just very good friends."

Although Yan Zhiqing said that, her face still turned red.

With this, how could anyone believe that there was nothing going on between him and Wei Wucui?

They just thought that she felt embarrassed. Maybe the two were attracted to each other but were just not dating yet. And so, they felt embarrassed to admit it.

The scene focused back on what Wei Wucui was doing. The guy was still begging, "I will tell you! I will tell you! Please stop pressing me."

Wei Wucui relaxed slightly and said, "Say it."

"Someone contacted me. I don't know who she was. It was some manager or assistant of a celebrity," the man said. "That person wanted me to find a chance to spread negative things about Yan Zhiqing in front of a crowd."

"And you coincidentally knew that she would come out tonight?" Wei Wucui asked coldly.

"No. That person told me that Yan Zhiqing is filming nearby and asked me to wait around here to find the right chance," the man said. "Tonight was a coincidence. I didn't think I would see Yan Zhiqing."

"However, Yan Zhiqing always showed a good attitude. Even when she was surrounded by a crowd of people, she didn't lose her temper. And so, I had to do it myself. I needed to provoke her and make her

lose her temper.” However, the man had been so unlucky as to have encountered Wei Wucai, the tough guy.

If Wei Wucai had not been around, the guy would have succeeded.

“Who is that person?” Wei Wucai asked again.

“I really don’t know. She was doing something bad, so she obviously didn’t want me to know who she is just in case I gave her identity away,” the man said. “I really don’t know.”

Chapter 3078: Untitled

The moment the guy said that, Wei Wucai increased the strength his hand exerted.

The guy was in so much pain that he started yelling. “I don’t know! I really don’t know. I told you everything I know. Just let me go.”

Wei Wucai observed him slightly and realized that he really knew nothing.

The guy had told him everything. Wei Wucai then asked, “How did she contact you?”

“We contacted each other through WeChat. She paid a portion of the money first. If I complete the task, she will give me the rest of the payment through WeChat,” the guy said. “However, her WeChat account seems to be a fake account. You can’t find anything about her through that WeChat.”

“Give me her WeChat number,” Wei Wucai said.

While trembling, the guy took out his phone and showed it to Wei Wucai.

After checking the chat history, Wei Wucai was able to confirm the authenticity of the WeChat account. He then noted the WeChat number down and released the guy.

The guy didn’t dare to delay his escape anymore and he quickly ran away.

Then, Wei Wucai returned.

The crowd heard the guy’s answer and knew that someone had wanted to ruin Yan Zhiqing’s reputation.

“Who is it? Evil! She even tried to play dirty tricks!”

“She must be another celebrity! There are many celebrities who try to slander other celebrities.”

One after the other, the crowd started guessing who it could have been.

Wei Wucai then said, “Don’t worry about those things. I will find the person. You all don’t have to worry.”

Wei Wucai’s confidence in this matter led some girls to support him as the perfect match for Yan Zhiqing.

“Elder Brother is so handsome! He is so confident!”

“He is a perfect match for Elder Sister Zhiqing. Elder Sister Zhiqing, please take him into consideration.”

“Since Elder Brother didn’t deny it, we will take this as a silent acceptance of this relationship.”

“Elder Brother, what is your name? Can you come and take a picture with us?”

Yan Zhiqing’s face was an explosion of red. It seemed like the crowd was about to announce her and Wei Wucai as a couple.

She hastily said, “Let’s take the picture first.”

The crowd stopped while things were still good and didn’t talk about it anymore.

Wei Wucai took a few pictures for them.

Yan Zhiqing then said, “I will post these pictures on social media. You can save it yourselves. Is that okay?”

There were so many people. She couldn’t possibly add every one of them on social media.

None of them objected to this.

They didn’t care if the photo would be edited or not.

After all, most celebrities had a beauty that competed against ten thousand other girls.

The difference wouldn’t be drastic if the comparison was done between celebrities in a group photo.

One would just think that the celebrities looked great.

However, when a celebrity takes a group photo with ordinary people, the difference becomes obvious.

Even those considered good-looking in the crowd would be seen as ordinary when compared to a celebrity.

Therefore, further editing of the picture would not matter anymore.

No amount of photoshop would make them as good-looking as Yan Zhiqing.

The most important thing was that they had gotten the chance to take a picture with Yan Zhiqing. A picture was good enough.

The crowd dispersed.

After this huge mess, Yan Zhiqing didn’t dare to eat outside anymore. She was worried that she might get recognized again.

She then said to Wei Wucai, “Why don’t we go back to the hotel first? We can order takeout and eat in the room.”

“Sounds good.” Wei Wucai nodded.

Compared to the crowded restaurants, Wei Wucai wanted a place where he could be with Yan Zhiqing alone.

The hotel was a good choice.

The two then went back to the hotel.

Yan Zhiqing was about to go back to her room when Wei Wucai stopped her and said, "Come to my room."

Yan Zhiqing was confused.

Wei Wucai probably wasn't hinting anything sexual when he asked that question.

However, when Yan Zhiqing heard that, she started blushing again.

"You can't go out if the delivery gets here. Otherwise, you might cause crowds to become rowdy again."

Chapter 3079: Untitled

"I will pick up the delivery. It wouldn't be good for you if someone found out that I was in your room," Wei Wucai said.

Yan Zhiqing gave it some thought and agreed with his reasoning.

When Wei Wucai was not scolding anyone, he was so thoughtful and considerate. This was something Yan Zhiqing did not expect.

And so, Yan Zhiqing followed Wei Wucai to his room.

However, the moment she stepped into Wei Wucai's room, Yan Zhiqing suddenly realized something.

No outsiders could come up to the rooms in this hotel. You had to pick up your delivery at the hotel lobby.

If Wei Wucai went downstairs to take the delivery, no one would be able to follow him and find out that he was in her room.

Yan Zhiqing thought it was weird. She wondered why she had to come to his room.

But soon, she couldn't bother with these questions.

Because it was her first time entering a man's bedroom.

It was a hotel room, but it was also a bedroom.

Yan Zhiqing was Yan Beicheng's sister.

But they were already adults.

When Yan Zhiqing was young, she didn't grow up with Yan Beicheng.

Their relationship only became better when she became an adult.

At that time, it was already unsuitable for her to go in and out of Yan Beicheng's room.

When she had to travel for film productions, she never had to discuss the script with other actors in the room.

It would be necessary for the director to analyze the character with the main cast members, which was usually done in a short meeting. However, to avoid creating any gossip, they would normally book a hotel's meeting room and everyone would discuss it there.

Unless some thoughts were too personal to share, a cast member would never be invited to a personal room.

This had to be done because the entertainment industry had always been very messy.

Not only were the male directors inviting actresses, but there were also female directors inviting actors.

A male director could even invite actors into their rooms instead of actresses.

As for Yan Zhiqing, no one had ever had the audacity to target her.

Yan Zhiqing didn't need to use this method to get any reward.

And so, even though she had been an actress for a long time, she had never met anyone she liked nor had she ever been asked to go to someone's room.

And so, Wei Wucai's room was the first ever guy's room that Yan Zhiqing had entered.

The hotel's housekeeping staff must have tidied up the room.

When she came in, there was a fresh scent inside.

The room was very organized, and the clothes were nicely folded and placed on the edge of the bed.

The slippers were placed in an organized manner.

There was no trash in the room.

Clearly, the housekeeping staff had tidied up the room.

She wondered what the room looked like before it had been cleaned.

"Take a seat," Wei Wucai said.

Yan Zhiqing sat down on the couch. Wei Wucai took out his phone and asked, "What do you want to eat?"

Yan Zhiqing chuckled and said, "Let's order hotpot."

Wei Wucai laughed.

As expected of Yan Beicheng's little sister!

She had the same taste as her older brother.

Yan Beicheng loved hotpot so much that he even opened a hotpot restaurant.

After all, the Yan Hui Group was the actual business managed by the Yan Family.

His hotpot restaurant was more like a hobby.

Yet no one expected this hobby to grow so big.

The hotpot restaurant now had branches all over the country as well as abroad.

Yan Beicheng's hotpot restaurant could be found in major cities of those developed countries.

According to Yan Beicheng, he had opened these restaurants for Chinese people who were working hard overseas.

He wanted them to be able to have authentic Chongqing hotpot.

As for whether the foreigners liked the hotpot or not, Yan Beicheng didn't care at all.

This was unexpected, but it showed that Yan Zhiqing was truly Yan Beicheng's little sister as she loved hotpot too.

"What type of hotpot?" Wei Wucai asked.

"Of course we have to choose Chongqing hotpot. Give me that mala spicy," Yan Zhiqing immediately answered.

Chapter 3080: Others Can't, but I Can

Wei Wucai burst into laughter and asked, "Are you sure it's okay for you to eat hotpot this late at night? You know that hotpot, especially the mala spicy hotpot, is fattening. If they use butter, the calories will be even higher."

Yan Zhiqing immediately realized that she had made the right decision to come to Wei Wucai's room for food.

If she had eaten the takeout in her room, her entire room would smell of hotpot.

Fang Qiaohan would find out the moment she entered the room.

But now, any smell of food would stay in Wei Wucai's room.

Fang Qiaohan wouldn't be able to smell it even if she went to Yan Zhiqing's room.

Yan Zhiqing had decided that when she goes back to her room, she would shower first and ask the hotel to wash her clothes.

This way, Fang Qiaohan would never find out about this.

How smart of her!

"I can eat it once in a blue moon." Yan Zhiqing placed her palms together and said to Wei Wucai, "Please don't let Qiaohan find out about this."

"Sure." Wei Wucai opened the food delivery app and found a restaurant that delivered hotpot.

Nowadays, getting hotpot delivered had become very convenient.

Most restaurants would provide the pot.

This restaurant provided an alcohol burner and a pot.

Wei Wucai picked the seasoning and ordered the Spicy Mala Butter Hotpot Base as requested by Yan Zhiqing.

“What do you want to eat?” Wei Wucai asked as he handed the phone to Yan Zhiqing. “You choose.”

Without hesitating, Yan Zhiqing took the phone and picked some ingredients she liked. She then gave the phone back to Wei Wucai and said, “Choose what you like.”

Wei Wucai chose a few others and placed the order.

At this moment, Yan Zhiqing was secretly watching Wei Wucai.

When he handed her his phone, she was surprised.

She was only asked to order food using his phone.

But she felt a sense of intimacy from being able to gain access to his phone.

Yan Zhiqing started sighing in disappointment when she thought of this.

Unfortunately, Wei Wucai did not like women.

Yan Zhiqing had seen a joke on the internet, saying—Not only does a woman have to compete with other women for guys, but they also have to compete with other guys.

When Yan Zhiqing saw that joke, she just laughed and never took it seriously.

But now, she had encountered that exact situation.

But you can't really change a person's sexuality.

Yan Zhiqing sighed in disappointment.

Wei Wucai had just placed the order when he noticed the sigh.

Wei Wucai tilted his head as he asked, “What is it?”

“Nothing.” Yan Zhiqing's eyes darted around. She appeared to be afraid to look into Wei Wucai's eyes.

She quickly came up with an excuse, saying, “I was just wondering who it was that had hired the troublemaker.”

Wei Wucai could tell that Yan Zhiqing had not been thinking about this.

However, since she had mentioned this, Wei Wucai answered, “I was able to get the guy to give me the WeChat number of the person who hired him. I will investigate this WeChat number while we are waiting for the hotpot.”

“Can you find information on it within such a short time?” Yan Zhiqing asked in surprise.

“Others might be incapable of it, but I'm not.” Wei Wucai smiled and took out his laptop.

Wei Wucai had brought two laptops here. One laptop was used for the visual effects company.

The other was used for the work from the Mount Lan Compound.

Wei Wucai sat next to Yan Zhiqing in a natural manner. He turned on his laptop and logged onto his WeChat. Then, he typed the WeChat number in the search bar.

After he found the WeChat account, he launched a program.

A black colored dialog box popped up on the screen.

Lines and lines of symbols and words that Yan Zhiqing couldn't understand appeared in the dialog box.

"Is it okay for me to be looking at this?" Yan Zhiqing asked.

Yan Zhiqing saw that Wei Wucai had no intention of blocking the screen.

She thought that the work at the Mount Lan Compound was highly confidential.

Wei Wucai wasn't doing work for the Mount Lan Compound, but...
