

Mr Han 3111

Chapter 3111: The Person on a Diet Had Takeout with Wei Wucai Last Night?

Hehe.

Yan Beicheng doubted that Wei Wucai was clueless about the reporters' trick questions.

Even so, Wei Wucai had turned around and showed the reporters his face.

He intentionally gave them another clue, which pretty much implied that he was the man from last night.

Yan Beicheng sneered. He would never forget what Wei Wucai had done.

If the reporters compared the photo they took today with the picture that was taken last night, they would find that Wei Wucai's back perfectly matched the back of the man from last night.

Yan Beicheng arrived on set.

When he arrived, Yan Zhiqing was shooting a scene.

Since Yan Zhiqing was working, Yan Beicheng didn't disturb her.

Fang Qiaohan quickly took chairs out for Yan Beicheng and Lin Chu so that they could have a seat.

"Master Yan and Madam Yan, what do you want to drink? We have water, grapefruit juice, and coffee," Fang Qiaohan said.

Lin Chu hurriedly said, "Please go rest. You don't have to worry about us."

"It's alright. I will do so after I bring you some drinks," Fang Qiaohan said.

"I want some coffee, then," Lin Chu said. "What about you?"

Yan Beicheng nodded and said, "I will have some coffee as well."

"Are you okay with instant coffee?" Fang Qiaohan asked. "There is a limitation on what condiments the crew on set can provide. It's difficult to brew coffee."

"That's fine," Yan Beicheng said.

Both him and Lin Chu were not picky at all.

If the conditions permitted it, they would enjoy life a little more.

If the conditions did not permit it, they would then adapt and still live comfortably.

Soon, Fang Qiaohan handed them two cups of coffee.

Yan Beicheng and Lin Chu sipped on their cups of coffee for a while.

They waited until Yan Zhiqing was done shooting this scene.

When Yan Zhiqing was done filming, she saw that Yan Beicheng had arrived and was very happy.

She truly felt dependent on her elder brother.

Acting was difficult and tiring.

During moments like this, the sight of her family truly filled her with joy.

Yan Zhiqing rushed over as she shouted, "Elder Brother! Sister-in-law!"

She then asked with a smile, "Why did you guys come here all of a sudden? You didn't even let me know."

"We wanted to surprise you," Yan Beicheng said.

Yan Beicheng made it sound as though he had never said last night that he wasn't coming today to see what was going on between her and Wei Wucai.

Lin Chu laughed inwardly and decided not to expose him.

"Do you have any more scenes to film?" Lin Chu asked.

"No. I was going to eat after this scene was filmed," Yan Zhiqing said. "Do you want to eat here or somewhere nearby?"

"We can just have food here together. We are here to visit you anyway," Yan Beicheng said.

Yan Zhiqing needed to lose weight, but Lin Chu and Yan Beicheng had no need to do so.

Yan Beicheng intended to order food that both he and Lin Chu loved. But then, Lin Chu said, "Zhiqing is on a diet plan. She will feel hungry if she sees us eating good food. Can you order some light meals that we can eat with her?"

"Diet? Then why did the person on a diet eat takeout with Wei Wucai last night?" Yan Beicheng muttered.

Yan Zhiqing felt speechless.

Lin Chu felt speechless.

Yan Zhiqing felt so helpless as she said, "Sister-in-law, it's alright. You can order. I will eat some of your food later."

Despite what Yan Zhiqing had said, she had no intention of eating Lin Chu and Yan Beicheng's food.

She just couldn't let Lin Chu and Yan Beicheng eat only veggies like her.

She had to say this so that the two could order what they wanted to eat.

Yan Beicheng thought for a moment and said, "Let's order hotpot, then. Since we are here to see you, we can't come without any gifts."

Yan Beicheng then said to Fang Qiaohan, "Tell Director Wu that I am buying hotpot for everyone on set."

Chapter 3112: Daring to Directly Challenge an Elder Brother-in-law Like This

This made it evident that the intention was to help paint a more favorable image for Yan Zhiqing among the cast and crew.

Since he had already made the trip here, he couldn't just do nothing.

So Fang Qiaohan then went to talk to the cast and crew.

When they heard what she had to say, they all thought the treatment they got from being in this group was simply great.

In the past, Han Zhuoling had treated them to a meal because of Shi Xiaoya.

There was also the movie emperor and empress, Gao Zishan and Gu Fei, who were impressive people who were never short of money.

They would often reward them with better treatment.

Now, because of Yan Zhiqing, Yan Beicheng also came over and rewarded them with better treatment.

They reckoned that by the time the filming was done, all the crew members would have gained so much weight.

Wu Mosen came over personally to thank Yan Beicheng. "Young Master Yan, many thanks to you. You're too generous."

"It's no problem. I just found out that the cast and crew don't allow people inside the set in order to maintain confidentiality. Director Wu, you've already broken this rule for our sake, so I feel very sorry about that."

"Hahahaha, please don't say that." Wu Mosen exchanged pleasantries with Yan Beicheng for a moment before leaving to busy himself with work.

Yan Beicheng then said, "Don't eat your diet meal today. I ordered a split pot. If you really have no choice, you can eat a bit of vegetables you have dipped in the bone broth. Even so, it would be tastier than your lettuce leaves."

"My older brother treats me the best." Yan Zhiqing hooked arms with Yan Beicheng and smiled fawningly at him.

Wei Wucai raised an eyebrow, thinking that he had been just as considerate to her last night.

In the end, he bought hotpot for an ungrateful person?

Wei Wucai was unsatisfied with being by himself, so he jumped out to boost his presence.

That was when they heard him say to Yan Zhiqing, "You just ate hotpot last night. Will you be alright eating it for lunch today?"

Shi Xiaoya sighed and lamented deeply that Wei Wucai deserved to be praised for his courage.

He truly was an extraordinary person for daring to directly challenge a potential elder brother-in-law like this.

As expected, a sneer appeared at the corners of Yan Beicheng's lips.

He turned his head, and with a face filled with surprise and innocence, he asked Yan Zhiqing, "What? You had hotpot last night?"

"Initially, I thought about how you love eating hotpot, so I suggested it," Yan Beicheng said with disappointment and self-blame. "I had no idea you already ate hotpot last night. It seems I truly don't care enough about you."

Shi Xiaoya was speechless. "..."

Hehe. They're all actors.

So awesome.

Yan Zhiqing absolutely could not bear it when Yan Beicheng was being like this. She immediately waved with her hand and said, "That's not true! I want to eat it! Older Brother, you know what I like to eat. I can eat food like hotpot every day without getting sick of it."

"Really?" Yan Beicheng's eyes lit up as he gazed at Yan Zhiqing expectantly.

Yet just after saying that, Yan Beicheng spoke dejectedly again. "You don't need to say this just to comfort me. I'll order whatever you want to eat. We don't necessarily have to eat hotpot."

Wei Wucai felt speechless.

This was his first time finding out that Yan Beicheng was so good at acting.

Yan Beicheng was truly a great actor who was being held back by his family business.

It was no wonder that Yan Zhiqing was able to become an actress. As it turned out, it was all due to her innate talents.

Wei Wucai watched helplessly as Yan Beicheng, who clearly had not said a single bad word about him, suddenly made it seem like Wei Wucai had targeted Yan Beicheng.

Wei Wucai was angered into laughter.

He truly never imagined that there would be a day when he would fall into someone's hands.

Even if the opposing party was Yan Beicheng, this was still something Wei Wucai had never imagined would happen!

"No, I'm not doing it just to comfort you. Absolutely not." Yan Zhiqing shook her head continuously.

"Last night, I didn't dare eat a lot because it was a bit late. I was afraid my face would be swollen today, so I was not at all satisfied by what I ate."

Wei Wucai felt speechless.

Hehe. She said it well. It was as if he had wronged her.

As expected, Wei Wucai then received Yan Beicheng's provocative gaze.

Wei Wucai felt speechless.

Lin Chu, who was standing by the side, quietly covered her eyes, feeling too embarrassed to watch this scene any longer.

Chapter 3113: Worried Sick Because of This Little Sister

Unexpectedly, Yan Beicheng countered the man who liked Yan Zhiqing using the schemes and tricks of an imperial concubine.

Immediately, Yan Beicheng was heard saying, "How pitiful that your hunger was not sated by the hotpot last night. Since that's the case, you must eat more during lunch today."

While Yan Beicheng spoke, he threw multiple glances at Wei Wucai.

Wei Wucai felt speechless.

Yan Beicheng ordered the hotpot and waited for the restaurant's delivery.

They then went to Yan Zhiqing's nanny van so that they could relax and wait.

While the others hopped into the van, Yan Beicheng didn't.

"Elder Brother and Sister-in-law, why aren't you guys going inside the van?"

Yan Beicheng took the chance and dragged Yan Zhiqing somewhere further away from the van.

Lin Chu followed at the side.

"You didn't tell me everything clearly over the phone last night," Yan Beicheng said. "When I called you last night, you had just arrived in the hotel room. It was already very late. Doesn't this mean that you had stayed in Wei Wucai's room until very late at night?"

"Brother, I know this sounds inappropriate, but I didn't think much about it last night. In addition, we are friends. He knows you all so well. We are like siblings. Do you not trust him?" Yan Zhiqing said.

Yan Beicheng was worried sick because of his little sister. He said, "Even if we know each other very well, he is a man. He's not your biological brother. You, being a single woman, was alone with him, a single man, in a room late at night. If you were both in the right mood, something could have happened..."

"Brother!" Yan Zhiqing's face turned so red. She stomped her feet twice and shouted, "What are you saying!"

Lin Chu said, "Your brother is right that this is an issue. Even if you two are good friends and even if you two have feelings for each other, you still need to be careful."

Unlike Yan Beicheng, she was not against the possibility of a loving relationship sprouting.

However, Yan Zhiqing's face turned even redder. "Sister-in-law, what are you talking about! Why are you saying that we like each other!"

Yan Beicheng gave a very straightforward reply. He took his phone out and opened the front-view camera without turning on the beauty mode.

He said as he showed the screen to Yan Zhiqing, "Look at yourself. If you don't have any feelings for him, why would your face turn red?"

"No..." Yan Zhiqing tried to explain. "I am blushing because of what you guys said. It didn't turn red because you were right about me. It just happened because I felt uncomfortable after hearing what you said."

"Anyway, whether it was Wei Wucai or someone else, it's best to be careful," Lin Chu said. "You are simple-minded, which means that you probably won't notice the schemes of a man. If you remain a fool, you might get taken advantage of."

She added, "I am not saying that you should have a very conservative mindset. When the feeling is right, those things can happen naturally." Back then, her relationship with Yan Beicheng was not platonic.

Therefore, Lin Chu felt that it was wrong to demand for Yan Zhiqing to remain pure.

"However, even if the feeling is right and things are happening naturally, whether something does happen should still depend on who he is to you. What if you don't actually like him and it happened accidentally, but because you didn't think it through, you fell into his trap? Well, I can't really call it a trap. Anyway, what if you weren't careful and was taken advantage of?"

Lin Chu went on, "Therefore, whoever he is, you still need to be careful. You usually work somewhere far away from home and away from us. If something happens, we can't get to you immediately. We would be very worried."

Yan Zhiqing thought that Lin Chu's explanation was much more acceptable.

Chapter 3114: Wouldn't He Have Beaten His Dim-witted Sister to Death?

Even so, she felt embarrassed and could only nod along while taking Lin Chu's warnings to her heart.

Yan Beicheng hastily added, "Therefore, you mustn't have dinner alone with Wei Wucai anymore."

He continued, "Especially not at night. And not in his room."

"..." Yan Zhiqing looked around with a helpless expression. She was worried that Yan Beicheng would continue nagging her about this.

And so, she leaned closer to her brother and whispered, "Elder Brother, you have a good relationship with Wei Wucai, right...?"

Before she finished her sentence, Yan Beicheng looked at her with a wary expression as he asked, "Why? Do you really have feelings for Wei Wucai and you want to get information about him from me?"

Lin Chu looked at Yan Beicheng's angry expression, which really resembled Yan Zhiqing's.

They were siblings, after all.

"Why don't you let me finish my sentence!" Yan Zhiqing also felt impatient.

She felt as though Yan Beicheng had exposed the secrets hidden deep in her heart.

Yan Zhiqing forced herself to continue. She would never reveal to anyone the secrets she had hidden deep in her heart.

“Okay. You can speak,” Yan Beicheng said.

Yan Zhiqing looked around suspiciously.

Seeing this, Lin Chu felt the corner of her eyes twitching. “Do you want me to keep a lookout for you?”

“It’s fine,” Yan Zhiqing said. “Sister-in-law, you can listen too.”

“You can talk now,” Yan Beicheng said.

“Brother, you know Wei Wucai well, right?” Yan Zhiqing asked.

Yan Beicheng did not understand why Yan Zhiqing would ask such questions. Since it had nothing to do with her dating life, Yan Beicheng nodded and said, “Yes.”

“Do you know? Wei Wucai is...” Yan Zhiqing didn’t want to tell them this.

But she couldn’t let Yan Beicheng be on guard against Wei Wucai like this anymore.

While keeping her voice low, she said, “He doesn’t like girls.”

Yan Beicheng: “...”

Lin Chu felt speechless.

Yan Beicheng felt as though he had lost the ability to speak.

After a while, he said, “Who the...”

He hastily took back the cuss words he was about to say. “Who told you that?”

Upon seeing his surprised expression, Yan Zhiqing asked in surprise, “Brother, you knew about this?”

“Why would I know that!” Yan Beicheng felt so speechless. “I don’t know anything at all.”

He continued, “Who did you hear this from? He likes guys?” Yan Beicheng thought that it was unbelievable. “I have never heard anything like this before.”

Everyone at the Mount Lan Compound knew that Wei Wucai was totally straight.

Even so, because of his appearance, he was often teased by all his buddies at the Mount Lan Compound.

The consequence of teasing him was simply not pleasant at all.

Wei Wucai was very beautiful, but he was a very masculine guy.

Therefore, Yan Beicheng didn’t understand why Yan Zhiqing would have such peculiar thoughts.

Why would she think that Wei Wucai...

“Hold on a minute. Are you saying that he doesn’t like girls because he has always been very cold to women?” Yan Beicheng asked cautiously.

“No. He identifies as a homosexual male,” Yan Zhiqing whispered.

Yan Beicheng: “...”

“Who told you that?” Yan Beicheng felt his eyes twitching uncontrollably.

“Is Wei Wucai aware of this thought of yours?”

If Wei Wucai knew that Yan Zhiqing thought he liked guys...

Wouldn’t he have beaten his dim-witted little sister to death?

Yan Beicheng thought that it was crucial of him to remind Yan Zhiqing to never let Wei Wucai find out about this thought of hers.

“He knows about this.” Yan Zhiqing nodded with an expression that seemed to be saying that this matter was obvious.

Chapter 3115: Controlling Even the Terms of Address

Yan Beicheng: “...”

His teeth hurt.

He wanted to mourn for his little sister.

“How did you find out?” Yan Beicheng asked further.

“Hehe.” Yan Zhiqing laughed dryly. “I just happened to find out about it.”

Yan Beicheng felt his eyes twitching uncontrollably. “When was this?”

“It was... the second day of filming,” Yan Zhiqing said.

Yan Beicheng sincerely thought that it was a miracle that his dim-witted little sister was able to survive to this day without Wei Wucai making a move on her.

“What was his reaction?” Yan Beicheng asked.

“He admitted it,” Yan Zhiqing said. “But I can understand. Not many people can understand this. He doesn’t want to be seen as a freak.”

She added, “We even had a deep talk.”

“...” Yan Beicheng felt his eyes twitch once. “Deep talk?”

“Yeah. During lunch,” Yan Zhiqing said.

Yan Beicheng found the main point. “Since he doesn’t want others to know about this, was it just you and him during lunch that day?”

“Yup.” Yan Zhiqing nodded. “He told me these things because he trusts me. I have to keep this a secret for him. I also got the chance to know more about his dating life.”

“Hehe.” Yan Beicheng sneered.

Previously, he was doubtful.

But now, he was certain that Wei Wucai had ulterior motives!

He liked girls, but he lied to Yan Zhiqing about liking guys.

Why would he do that?

He did it to lower Yan Zhiqing’s guard.

So that Yan Zhiqing wouldn’t have to worry whenever she spent time with him.

The two would become very close as they spend more time together.

Yan Zhiqing had no idea about Yan Beicheng’s thoughts. She still tried to persuade him. “I didn’t want to tell you these things as this is Wei Wucai’s secret. He didn’t even tell you about this, meaning that this must be very important to him.”

Yan Beicheng: “...”

Even Lin Chu thought that Wei Wucai had laid a deep trap.

It’s necessary for them to warn Yan Zhiqing.

If they weren’t careful, she might find herself being sold by Wei Wucai before she knew it.

Yan Zhiqing said quickly, “Brother, I am telling you this so you won’t worry. Even if I am alone with Wei Wucai, nothing bad will happen. He doesn’t like girls.”

“Zhiqing...” Lin Chu said. “As far as we know, Wei Wucai likes girls.”

“Sister-in-law, he must have hidden it from you guys,” Yan Zhiqing said.

“Just stay away from him. I will find some time and take you to the Mount Lan Compound later on. Just ask the members at the Mount Lan Compound yourself and you will know,” Yan Beicheng said.

Yan Zhiqing muttered softly, “In my opinion, if it was me, I would have hidden this from them. If my buddies know about this, wouldn’t they then be on their guard against me? Therefore, they probably don’t know the truth.”

Yan Beicheng: “...”

How did Wei Wucai brainwash Yan Zhiqing?

Yan Beicheng was so angry. He was about to say something when—

“Zhiqing.” Wei Wucai’s voice sounded near the door of the nanny van.

The three looked over.

To have this secret conversation, they avoided the crowd, which was why they were some distance away from Wei Wucai.

Yan Beicheng looked at Yan Zhiqing suddenly. "Are your terms of address for each other already that intimate?"

Yan Zhiqing, feeling tired, rolled her eyes. "Brother!"

Why was he controlling even the terms of address!

"We are good friends. Of course we don't have to refer to each other like we are acquaintances!"

Chapter 3116: He Must Have Done It On Purpose!

Yan Zhiqing said helplessly, "I even refer to Han Zhuofeng as Zhuofeng. Why didn't you say anything about that?"

"Previously, didn't you ask me not to explode in anger whenever I see Wei Wucai? You told me to get along with him since we are all friends. Why are you suspecting so many things now that we are finally getting along?"

"I just wanted you to protect yourself. Even if you have a good relationship with him, you have to keep your distance," Yan Beicheng said. "Of course, if you really do have feelings for him, I won't be against you two dating. However, I cannot stand to watch my little sister being cheated!"

Yan Zhiqing thought that Yan Beicheng was being too dramatic.

But she still felt moved by that last sentence.

Yan Beicheng was constantly thinking of her.

Yan Zhiqing couldn't feel annoyed at all.

At this moment, she heard Wei Wucai say, "The hotpot is here."

Yan Zhiqing hurriedly said, "Elder Brother, let's eat first. You have spent a long time driving here. You must be very tired. Let's sit down and rest for a while."

Yan Beicheng did not say anything. He couldn't possibly skip lunch to warn Yan Zhiqing.

In addition, he wanted to observe Wei Wucai.

If Wei Wucai sincerely liked Yan Zhiqing, he would not disapprove of this relationship.

She was his little sister. But no matter what, his little sister had to grow up and build her own family.

Everyone would eventually date and build a family.

However, it's best to choose the right partner.

But Wei Wucai had been lying to Yan Zhiqing since the beginning.

And so, Yan Beicheng could not agree to this.

The three returned to the car.

Thankfully, Yan Zhiqing's van had enough space.

Even with Yan Beicheng and Lin Chu in the vehicle, there was enough space.

The waiter who delivered the food had already set up the hotpot.

They went inside the van. They would be able to start eating once the hotpot boiled.

They all sat down. Yan Zhiqing was very worried that Yan Beicheng would continue asking about Wei Wucai.

She had an idea. She asked Yan Beicheng, "Any progress with Lu Xiuse?"

"I asked Zuoqiu to find out what resources she currently has and the resources she is fighting to get. The result will be out today. Tomorrow will be her doomsday," Yan Beicheng said.

To Yan Beicheng, this was such a simple matter, so he didn't bother with it at all.

His attention was still on Yan Zhiqing and Wei Wucai.

"By the way." Yan Beicheng recalled something. "Xiao Cai, you were the one who helped Zhiqing catch Lu Xiuse, right?"

Wei Wucai nodded. Yan Beicheng then said to Yan Zhiqing, "Since Xiao Cai had found that Lu Xiuse was the culprit, why didn't he just take action on Lu Xiuse himself?"

He went on, "Of course, I am very happy that I was the first one you asked for help when something bad happened."

Yan Zhiqing didn't expect Yan Beicheng to say it out loud in front of Wei Wucai.

With Yan Beicheng's emotional intelligence, he couldn't possibly make a mistake like this.

Yan Zhiqing let out an awkward laugh and said, "His method would be too violent, so I didn't think it was suitable."

"Eh?" Yan Beicheng raised his brow and asked, "What do you mean?"

"I asked him. He said that if he were to take action, he would cripple Lu Xiuse," Yan Zhiqing said.

"Tsk." Yan Beicheng shook his head and commented, "That is too violent. I didn't expect Xiao Cai's method to be so foolish. You have to continue depending on me during critical moments like this."

Wei Wucai felt speechless.

"When are you two leaving?" Wei Wucai was really annoyed by Yan Beicheng.

Chapter 3117: What a Scumbag

"Why? Are you trying to get us to leave when we have just arrived?" Yan Beicheng asked as he raised his brow.

"I am just asking," Wei Wucai said. "This place is far from the city. If you are leaving, you will need to go early."

Yan Beicheng sneered and said, "I booked a hotel room. It's in the same hotel where you are staying. We will be staying overnight, so we won't need to rush back. We will just go back tomorrow."

Wei Wucai felt speechless.

He realized that his beautiful wish of dining with Yan Zhiqing alone tonight would never be fulfilled.

"Don't you need to manage your huge company and properties?" Wei Wucai asked.

"When I go back tomorrow, I can just go straight to the office," Yan Beicheng said. "You don't have to worry about this."

Wei Wucai remained silent as he concentrated his vital energy.

With Yan Beicheng here, he never got the chance to sit next to Yan Zhiqing.

Earlier, when he was about to sit beside Yan Zhiqing...

Yan Beicheng suddenly led Lin Chu and squeezed in between them.

Not only did he squeezed in between them, but he even brought Lin Chu with him.

He forced him to sit two seats away from Yan Zhiqing.

Wei Wucai wanted to sit on the other side, but Shi Xiaoya and Han Zhuofeng had already taken the seats there.

Shi Xiaoya and Han Zhuofeng were threatened by Yan Beicheng's glare. With Yan Beicheng here, they didn't dare to create any chances for Wei Wucai and Yan Zhiqing to be together.

If they were to do so in front of Yan Beicheng, they would be considered accomplices.

It was only noon, but Wei Wucai had already been treated like an outcast by Yan Beicheng.

He couldn't imagine what might happen when night comes.

Unfortunately, Yan Beicheng was Yan Zhiqing's elder brother.

He was someone Wei Wucai couldn't provoke.

Yan Zhiqing didn't dare to eat too much. She only ate some veggies from the bone broth soup.

She didn't even dare to dip the veggies in the sauce.

Yan Beicheng knew that this was what she had to do for work, so he didn't ask her to eat more.

During a situation like this, if it was known that she needed to control her diet, the act of nagging her to eat more would just hinder her from doing her job. It would not be a supportive act.

Fortunately, although Yan Zhiqing had to control her food intake, she paid careful attention to her nutritional intake, ensuring that she had enough energy for her physical activities.

“When you are done filming, go back and ask the house auntie to make nourishing food for you,” Lin Chu said.

Yan Zhiqing nodded hurriedly. “You have no idea. I have been eating like this for days and I am suffering.”

When they were done eating, Lin Chu looked at Yan Beicheng and then glanced over at Wei Wucai before calling Yan Zhiqing and Shi Xiaoya to go on a walk with her.

She wanted to give Yan Beicheng the chance to have a good talk with Wei Wucai.

Han Zhuofeng, who had a good sense of judgment, went after Shi Xiaoya.

And so, Yan Beicheng and Wei Wucai were the only ones left inside Yan Zhiqing’s van.

“Why did you lie to Zhiqing?” Yan Beicheng asked frankly.

Wei Wucai raised his brow and asked, “What did I lie about?”

“Heh!” Yan Beicheng sneered coldly. His expression was saying—What a scumbag.

Wei Wucai felt speechless.

“You lied to her that you don’t like girls,” Yan Beicheng said.

“...” Wei Wucai gulped and said, “I didn’t lie to her.”

“Are you not going to tell me the truth?” Yan Beicheng said coldly.

“It was Zhiqing herself that thought so. I never admitted to it,” Wei Wucai said.

He only told her that he had never met a woman he liked.

And obviously, there had never been a man as well.

Yan Zhiqing then misunderstood that he was not sexually attracted to women. What could he do?

He was innocent.

“Don’t be playing tricks with me,” Yan Beicheng said in a deep voice. “I am not Zhiqing. Don’t fool me with the same trickery you had used on her.”

Chapter 3118: Why Were You Hesitating?

“Let’s cut to the chase,” Yan Beicheng said. “Do you like Zhiqing?”

Before Wei Wucai could say anything, Yan Beicheng added, “If you don’t dare to admit frankly to this and you refuse to give me an affirmative or negative answer, I will not give you any chances to approach her.”

Wei Wucai narrowed his eyes. “I do like her.”

In the beginning, they considered each other a nuisance.

Later on, he realized that Yan Zhiqing was an interesting person. He couldn't help but desire to see her jump in anger.

Maybe he just thought it was fun.

But unbeknownst to him, he gradually started desiring to be around her.

He wanted to talk to her and be close to her. He wanted to tease her.

At the same time, he couldn't bear to make her angry anymore.

It was no longer fun to see her mad. Instead, his heart ached to see her mad.

And now, he couldn't help but want to grasp every chance to spend time with her alone. He wanted to create more opportunities to be with her alone.

It even caused that misunderstanding last night.

His first thought about the misunderstanding was not to clarify and explain it. He chose to continue this misunderstanding.

He knew that there was a huge group of reporters outside during noon today.

But he still showed up and tried to get the reporters to recognize him.

He didn't exactly lie to Yan Zhiqing. He had never actually liked anyone. His heart had never skipped a beat for anyone.

Therefore, the feeling of being in love was unfamiliar to him.

He had never experienced such feelings, but it didn't mean that he would be unable to recognize this feeling when it happened.

Because this feeling was too peculiar, he knew it the moment it happened.

However, when it happened, he was unsure.

Was this truly being in love?

He was not sure, but he knew that his feelings towards Yan Zhiqing were special.

He wanted to be around her and he wanted to be closer to her.

In fact, he even wanted to touch her.

And even... kiss her.

And now, Yan Beicheng had just asked that question in such a forthright manner.

If he didn't give a confirmation on whether he liked her or not...

Yan Beicheng would then use every method he could to stop him from going near Yan Zhiqing.

Wei Wucai had no doubt that Yan Beicheng possessed such power.

He didn't answer right away earlier.

And this was because he couldn't help but think about how he would feel if he couldn't be around Yan Zhiqing anymore.

How would he feel if another man with ulterior motives approached her...

And he could only watch from a distance?

If this happened, he would die of anger, and he would want that other guy to screw off far away.

He had no doubts regarding Yan Zhiqing's popularity.

She was beautiful and had a great personality. Realistically speaking, men check out a woman's appearance and body first.

Not to mention Yan Zhiqing's background! Just this alone would make men pursue her like they were chasing money.

But guys like that couldn't be reliable!

As Wei Wucai thought about this, he realized that he himself would be the most sincere pursuer.

He really did fancy Yan Zhiqing. He didn't fall in love with her because of valuable characteristics and things that she had inherited.

Suddenly, Wei Wucai froze.

Like.

When he was thinking about this, this word popped into his mind.

He really did like Yan Zhiqing.

While Yan Beicheng was expressing his anger, Wei Wucai straightforwardly admitted to liking her.

But Yan Beicheng was not that easily satisfied. "Then why were you hesitating? Why didn't you answer immediately?"

"..." Yan Beicheng's forceful attitude did not scare Wei Wucai at all, and Wei Wucai responded very calmly.

Chapter 3119: Do You Think I Have No Idea About Your Schemes

"I've never fallen in love before. When you asked me suddenly, I had this realization. I realized that the feelings I have for Zhiqing are love. I just realized it, which was why I spent a longer time thinking about it."

Yan Beicheng immediately responded in anger, "So you were lying to my sister and approaching her when you didn't even know what you truly felt?"

Wei Wucai felt speechless.

“Although I didn’t know what that feeling was, I followed my heart and did what it told me to do,” Wei Wucai explained sincerely. “But now, I am certain that I like her.”

“Great! I knew you had ulterior motives towards my little sister!” Yan Beicheng pointed at Wei Wucai as he scolded him. He behaved as though he had found evidence against Wei Wucai.

Wei Wucai felt speechless.

“I like her.” Wei Wucai was sure of his feelings, so he was very serious when he replied, “I am not playing around. I won’t hurt her nor break her heart.”

“Stop being emotional. Even if you wanted to break Zhiqing’s heart, it can only happen if she has feelings for you.” Yan Beicheng looked coldly at Wei Wucai. Yan Zhiqing did have a good opinion of Wei Wucai.

But it was unknown as to why she would mistakenly think Wei Wucai was gay.

Therefore, Yan Beicheng thought that a relationship between her and Wei Wucai was impossible.

He thus didn’t allow himself to imagine such a possibility.

Of course, Yan Zhiqing’s misunderstanding...

Was already known by Wei Wucai.

Yan Beicheng had no intention of telling Yan Zhiqing the truth.

He wanted her to continue to misunderstand.

True, Yan Zhiqing would be less wary of Wei Wucai...

But on the other hand, there was a good thing about this.

Because Yan Zhiqing thought that Wei Wucai was gay and it was impossible for him to date her...

She would remind herself to not have too much of those prohibited feelings for Wei Wucai.

As long as Wei Wucai didn’t explain to her about this, Yan Zhiqing would never actually fall in love with Wei Wucai.

There would always be this invisible barrier between them.

And so, Yan Zhiqing would never lose anything.

Wei Wucai should be the impatient one instead.

When Wei Wucai could no longer endure it and finally explained to Yan Zhiqing clearly...

Wei Wucai would then have to deal with how Yan Zhiqing would react to his lies...

Therefore, the more Yan Beicheng thought about this, the more he realized that Wei Wucai was the one who would be suffering.

With this, Yan Beicheng had no worries.

He was even gloating over Wei Wucai's future sufferings as he looked at him.

Wei Wucai felt speechless.

He thought about what Yan Beicheng had thought about earlier.

Immediately, he felt as though he had shot himself in the foot.

Upon seeing a gloomy expression freeze on Wei Wucai's face, Yan Beicheng immediately felt great joy.

"I try not to interfere too much in Zhiqing's relationships. However, if she meets an unreliable guy, I will not let them be together, even if she would get mad at me for it," Yan Beicheng said.

"I am reliable," Wei Wucai immediately said.

Yan Beicheng sneered. "You are reliable, yet you lied to her that you were gay?"

Wei Wucai was about to refute this, but Yan Beicheng continued, "You don't have to say that you weren't the one who told her that. It's true that you didn't lie, but when she misunderstood, you never cleared up the misunderstanding. You just allowed her to continue to hold on to that mistaken thought."

Yan Beicheng sneered and said, "Do you think I have no idea about the schemes you have in mind?"

Wei Wucai felt speechless.

It's true that he had ill intentions. And so, he couldn't retort at all.

"But I am warning you. You better not be using this lie to take advantage of Zhiqing."

Chapter 3120: Asked Me to Look After You More

"When your lie gets exposed and she finds out you deceived her, and then thinks about how she stopped worrying so much about her interactions with you because she thought you were gay..."

"Do you think she'll forgive you after thinking about all these things?" Yan Beicheng admonished.

Wei Wucai said coldly, "You're holding me in too much contempt. I definitely won't use this as a pretext to take advantage of her. I'm not that despicable."

"Ah." Yan Beicheng did not care about Wei Wucai's guarantee. "In any case, I'll be keeping watch. If I find out that you dared to seize the opportunity to take advantage of her, I will tell her the truth."

After saying that, Yan Beicheng said nothing more and got out of the van, leaving to find Lin Chu and Yan Zhiqing.

Wei Wucai also followed him out.

They saw Yan Zhiqing walking with Lin Chu in the distance.

Before, Wei Wucai had already liked being with Yan Zhiqing.

Now that he had gained an understanding of his own feelings, he suddenly felt as if his view of the world had opened up to a wide panorama screen the moment he saw Yan Zhiqing again.

His whole mood changed.

Once he saw her face, Wei Wucai could not help smiling.

When Yan Beicheng called out to Lin Chu, both Yan Zhiqing and Lin Chu turned towards him.

The timing was just right for them to see Wei Wucai's smile.

Yan Beicheng was walking ahead of Wei Wucai, so he did not see it.

Upon accidentally seeing Wei Wucai's smile, Yan Zhiqing blanked out.

Wei Wucai seemed... He seemed to be smiling at her specifically.

His expression was filled with warmth as he gazed at her with full attention.

Yan Zhiqing could not quite put her finger on it, but she just felt that there was something different about him.

Earlier, Yan Beicheng and Wei Wucai had not followed her and Lin Chu out. Instead, they had remained in Yan Zhiqing's van.

So she thought, "Perhaps the two of them have something to discuss."

Consequently, the two men finally came over only after a long period of time.

They must have spoken about a lot.

Who knows what the two people talked about that could have caused Wei Wucai to look like this upon emerging from the van?

Under Wei Wucai's gaze, Yan Zhiqing's face began to flush uncontrollably.

The current weather had clearly already turned cold, but her face was so hot that it was as if she had been standing in an intensely sunny spot.

The expression in Wei Wucai's gaze... was just her own misconception, right?

When Yan Zhiqing looked at him again, his expression had, as expected, already returned to normal.

There were no abnormalities to be found.

Once Yan Beicheng and Wei Wucai had walked over, Yan Zhiqing asked, "Brother, what did you talk about that it took you such a long time?"

Yan Zhiqing was really afraid that Yan Beicheng had warned Wei Wucai to keep his distance from her.

Initially, their relationship was just that of friends.

However, after hearing Yan Beicheng say so much about it, their relationship became very awkward.

"Nothing special." Yan Beicheng did not tell Yan Zhiqing much.

Yan Zhiqing knew that she would not be able to get an answer out of her brother, so she dropped behind by a step to walk with Wei Wucai.

She asked him quietly, "My older brother didn't say anything to make you feel awkward, did he?"

Wei Wucai appeared as if he did not understand and asked in return, "Make me feel awkward? Like what?"

How could Yan Zhiqing possibly say it out loud?

What if Yan Beicheng had not mentioned it and she said it now? Would that not just make things even more awkward?

Yan Zhiqing pursed her lips and said, "It's nothing."

After walking for a while, Yan Zhiqing asked again, "Then what did he say to you? If it's a work matter and you're not at liberty to say, it's fine if you don't."

"It's not a work matter," Wei Wucai lied without even blinking an eye. "It's just that, since he knows I'm working here as well, he asked me to look after you more and to help you if anyone bullies you."

Yan Zhiqing felt speechless.

Really?

Yan Beicheng said that?

But given Yan Beicheng's attitude before, he should have been eager for her to keep a distance from Wei Wucai.
